

The Financial Education Plan announces 10th Edition of the Finance for All Awards

16 June 2025

The Financial Education Plan, promoted by the Spanish National Securities Market Commission (CNMV), the Bank of Spain, and the Spanish Ministry for Economy, Trade and Enterprise, announces the 10th Edition of the Finance for All Awards.

These awards recognise the outstanding work and commitment of institutions and legal persons developing financial education initiatives in Spain.

The Finance for All Awards include two categories:

- Recognition of the best financial education initiative, and
- Recognition of the track record or initiatives of partners involved in the development of the Financial Education Plan

The first category recognises any legal person or entity not affiliated with the Financial Education Plan that has carried out a financial education activity or initiative considered significant in 2024 due to its social impact, reach, or innovative nature.

The second category is open to institutions considered as partners of the Financial Education Plan and which may have stood out for promoting and disseminating the national financial education strategy. This category also includes entities, members, or centres associated with or affiliated to the Plan's partner organisations.

The Finance for All Awards will be held on 19 September 2025 by a jury composed of representatives from the Spanish National Securities Market Commission (CNMV), the Bank of Spain, and the Ministry of Economy, Trade and Enterprise. The Awards will be handed out on 6 October 2025, within the context of the Financial Education Day.

The deadline for the submission of entries is 5 September 2025 (inclusive). For more information, please check the rules of the [Finance for All Awards](#)
