Promotora de Informaciones, S.A. ("**PRISA**" or the "**Company**"), in accordance with Article 227 of the Law 6/2023, of 17 March, of the Securities Markets and Investment Services (*Ley de los Mercados de Valores y de los Servicios de Inversión*), hereby discloses the following

OTHER RELEVANT INFORMATION

Following the announcement of "other relevant information" published by the Company on October 30, 2026 (official registry no. 43439), PRISA informs that, during the sixth ordinary conversion period (the "**Sixth Ordinary Conversion Period CN 2024**") of the issuance of subordinated notes mandatorily convertible into ordinary shares of the Company with ISIN code: ES0371743024 (the "**Convertible Notes 2024**") executed by PRISA on April 2024 (the "**Issuance of Convertible Notes Due 2029**"), request has been received for the conversion of 1 Convertible Note 2024, whose total nominal amount sums up to EUR 370, therefore remaining outstanding, after the conversion periods that have taken place to date, 84,298 Convertible Notes 2024, representing 31.19% of the total nominal amount of the Issuance of Convertible Notes Due 2029 (270,270 Convertible Notes 2024 were issued and subscribed for a total nominal amount of EUR 99,999,900).

In view of the result of the Sixth Ordinary Conversion Period CN 2024, the Board of Directors of the Company has unanimously approved on its meeting held today the following resolutions:

1) Redeem the 1 Convertible Note 2024 whose conversion has been requested during the Sixth Ordinary Conversion Period CN 2024 (the "**Convertible Note 2024 to be Redeemed**").

2) Partially execute the capital increase approved by the Company's Board of Directors on its meeting held on March 12, 2024 within the framework of the Issuance of Convertible Notes Due 2029, setting the share capital at the amount resulting from adding to the current share capital of PRISA (EUR 134,914,212) the necessary amount to attend the conversion, at the fixed conversion price in force on November 10, 2026 (EUR 3.6), of the Convertible Note 2024 to be Redeemed.

   For this purpose, it has been resolved to increase the share capital by a total nominal amount of EUR 102 (the "**Capital Increase by Conversion of the CN 2024**"), by issuing and placing into circulation 102 new ordinary shares of the Company, each with a par value of EUR 1, of the same class and series as the shares of PRISA currently outstanding (the "**New Shares**").

   Fractions of shares will be paid in cash to the holder of the Convertible Note 2024 to be Redeemed since, as the conversion price has been set at EUR 3.6 on November 10, 2026, the conversion ratio of the Convertible Note 2024 to be Redeemed does not give, in any case, a whole number of new shares. The Company will pay in cash to the holder of the Convertible Note 2024 to be Redeemed the fractions of shares that result within 5 business days following the date on which the New Shares have been recorded in the corresponding registries maintained by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. ("**Iberclear**") and its participating entities.

   The issue price of the New Shares is EUR 3.6 per share (EUR 1 of par value plus EUR 2.6 of share premium). Therefore, the total share premium amounts to EUR 265.20 and the effective amount (par value plus share premium) of the Capital Increase by Conversion of the CN 2024 amounts to EUR 367.20.

   The New Shares will be fully subscribed and paid up, and the share premium satisfied, by the holder of the Convertible Note 2024 to be Redeemed by its conversion and redemption.

   The New Shares will be ordinary shares equal to those currently outstanding, and will confer to its holder, as from the date of their registration within the accounting records of Iberclear, the same economic and voting rights as the Company's shares currently outstanding.

   The New Shares will be represented by book-entries, which will be maintained by Iberclear and its participating entities.

As a result of the Capital Increase by Conversion of the CN 2024, the share capital of PRISA will be set at EUR 134,914,314 and will be represented by 134,914,314 ordinary shares with a par value of EUR 1.

The public deed relating to the Capital Increase by Conversion of the CN 2024 is expected to be executed in the next days. The Company will announce to the market through the publication of the corresponding communication of "other relevant information" the registration of the public deed relating to the Capital Increase by Conversion of the CN 2024 in the Commercial Registry, and the expected date of admission to trading of the New Shares issued in the Spanish stock exchanges (Madrid, Barcelona, Bilbao and Valencia), as well as their inclusion in the *Sistema de Interconexión Bursátil* (SIBE).
