(c) Except as provided in Sections 4.20(a) or (b) above and pursuant to or in connection with any Permitted Reorganization, no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, unless contemporaneously with such amendment, extension, renewal, restatement, supplement, modification or replacement, the Guarantor delivers to the Security Agent either:

(b) The Guarantor shall not be obligated to cause such Restricted Group Member to guarantee the Notes pursuant to this Section 4.21 to the extent that such Guarantee could reasonably be expected to give rise to or result in a requirement under applicable law, rule or regulation to obtain or prepare financial statements or financial information of such Person to be included in any required filing with a legal or regulatory authority that the Guarantor is not able to obtain or prepare without unreasonable expense.

Section 4.22. **Further Instruments and Acts**. Upon request of the Trustee (but without imposing any duty or obligation of any kind on the Trustee to make any such request), the Issuer and the Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.24. **[Listing**. The Issuer shall use its best efforts to (i) list within 365 days from the Issue Date, and (ii) maintain the listing of the Notes on the Exchange for so long as such Notes are outstanding **provided that** if at any time the Issuer determines that it can no longer reasonably comply with the requirements for listing the Notes on the Exchange or if maintenance of such listing becomes unduly onerous, it shall obtain prior to the delisting of the Notes on the Exchange, and thereafter use its reasonable best efforts to maintain, a listing of such Notes on such other recognized stock exchange.][1]

Section 4.25. **Center of Main Interests and Establishments**. (a) each of the Guarantor and the Issuer (and any successor Person) will, for the purposes of Council Regulation (EU) 2015/848 of May 20, 2015 on insolvency proceedings (recast) (the "EU Insolvency Regulation") or otherwise, ensure that its "centre of main interests" (as that term is used in Article 3(1) of the EU Insolvency Regulation) is situated in its original jurisdiction of incorporation and ensure that it has no "establishment" (as that term is used in Article 2(b) of the EU Insolvency Regulation) in any other jurisdiction. (ii) ensure that at least half of its board of managers are resident in the Grand Duchy of Luxembourg; and

(iii) keep any share register, preferred equity certificates register, notes register or any other securities register, official corporate books and account records in the Grand Duchy of Luxembourg at its registered office.

(c) Each of the Guarantor and the Issuer undertakes that its head office (*administration centrale*), its place of effective management (*siège de direction effective*) and (for the purposes of the EU Insolvency Regulation) its centre of main interests (*centre des intérêts principaux*) will be located at all times at the place of its registered office (*siège statutaire*) in Luxembourg.(d)

(d) Neither the Guarantor nor the Issuer will amend their articles of association in a way which would negatively affect any Transaction Security to which they are a party, any Lien granted thereunder, the assets subject to such Lien, the rights of the Security Agent under any Transaction Security or which could affect the location of their centre of main interests (*centre des intérêts principaux*) in Luxembourg.

(e) Neither the Guarantor nor the Issuer will permit any increase in its share capital unless the shares are subscribed for by their current shareholder or if the subscriber of the new shares, prior to the creation and subscription of such new shares, accepts to pledge and actually pledges such new shares in favor of the Security Agent.

(f) Neither the Guarantor nor the Issuer shall issue any bearer shares or dematerialized shares.

(g) The board of directors or managers of the Guarantor and the Issuer shall not be authorized to take any circular resolutions.

(1) is a corporation organized or existing under the laws of the Grand Duchy of Luxembourg; and

(2) the successor Person expressly assumes all of the obligations of the Guarantor under this Indenture and the Notes (pursuant to agreements reasonably satisfactory to the Trustee) and all obligations of the Guarantor under the Subordination Agreement and the Security Documents (or the successor Person shall have entered into a security document creating a Lien over the relevant Collateral on substantially the same terms as the corresponding Security Document then in force), as applicable;

indenture, complies with the requirements of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied and that this Indenture and the Guarantee constitute legal, valid and binding obligations of the continuing person, enforceable in accordance with their terms, subject to customary qualifications as determined by the Board of Directors of the Guarantor acting in good faith.

Notwithstanding the foregoing clause (iii), any Restricted Group Member may consolidate with, merge with or into or transfer all or part of its properties and assets to the Guarantor so long as no Equity Interests of such Restricted Group Member are distributed to any Person other than the Guarantor.

(b) In addition, the Guarantor may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(B) if the surviving Person is not the Issuer, have delivered to the Trustee, in form and substance satisfactory to the Trustee, an Officers' Certificate (attaching the computations to demonstrate compliance with clause (A) above) and an opinion of independent counsel (on each of which the Trustee shall rely absolutely), each stating that such consolidation or merger, and if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with the requirements of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied and that this Indenture and the Notes constitute legal, valid and binding obligations of the continuing person, enforceable

in accordance with their terms, subject to customary qualifications as determined by the Board of Directors of the Guarantor acting in good faith; and

(v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Debt for money borrowed by the Guarantor or the Issuer whether such Debt or guarantee now exists, or is created after the Issue Date, if that default:

(A) is caused by a failure to pay principal on such Debt upon the expiration of the grace period after final maturity provided in such Debt on the date of such default (a "**Payment Default**"); or

(B) results in the acceleration of such Debt (which acceleration has not been rescinded, annulled or otherwise cured within 10 days from the date of acceleration) prior to its express maturity;

and, in each case, the principal amount of any such Debt, together with the principal amount of any other such Debt under which there has been a Payment Default or the maturity of which has been so accelerated (and the 10-day period described above has elapsed), aggregates €50.0 million or more;

(vi) failure by the Guarantor, the Issuer or any Restricted Group Member to pay final judgments (exclusive of any amounts relating to a claim that has been submitted to an insurer and for which the insurer has not disclaimed or indicated an intent to disclaim responsibility for payment thereof) aggregating in excess of €50.0 million (in excess of amounts which the Guarantor's, the Issuer's or such Restricted Group Member's insurance carriers have agreed to pay under applicable policies), which judgments are not paid, discharged or stayed for a period of 60 days;

(vii) [Reserved];

(viii) (A) any attachment (*saises*) is levied against any of the pledged shares of any of the Issuer or (B) the entry by a court of competent jurisdiction of (i) a decree or order for relief in respect of the Guarantor or the Issuer in an involuntary case or proceeding under any applicable Bankruptcy Law or (ii) other than in connection with the Guarantor or the Issuer (including any co-Issuer) proposing a compromise or arrangement under the Companies Act 2006, any decree or order adjudging the Guarantor or the Issuer bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Guarantor or the Issuer under any applicable law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Guarantor or the Issuer or of any substantial part of their respective properties or ordering the winding up or liquidation of their affairs, and any such decree, order, attachment or appointment pursuant to any Bankruptcy Law for relief shall continue to be in effect, or any such other decree, appointment, attachment or order shall be unstayed and in effect, for a period of 100 consecutive days;

(x) the security interests under any of the Security Documents shall, at any time, other than in accordance with their terms, this Indenture or the Subordination Agreement cease to be in full force and effect for any reason other than the satisfaction in full of all obligations under this Indenture, discharge of this Indenture or the release of such security interests in accordance with the terms of this Indenture or the Subordination Agreement, or any security interest created thereunder is declared invalid or unenforceable, or the Issuer or the Guarantor asserts in writing that any such security interest is invalid or unenforceable and such Default continues for a period of 30 days; **provided that** this clause (x) will only apply to security interests in respect of Collateral with an aggregate value of more than €50.0 million;

(b) If a Default or an Event of Default occurs and is continuing and is known to the Trustee, the Trustee shall mail to each holder of the Notes notice of the Default or Event of Default within 30 Business Days after it occurs and is known to the Trustee. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, Additional Amounts or interest on any Notes, the Trustee may withhold the notice to the holders of such Notes if the Trustee in good faith determines that withholding the notice is in the interests of the holders of the Notes.

The Trustee shall not be responsible for monitoring any of the covenants or restrictions or obligations contained in the Notes or in this Indenture. The Guarantor and the Issuer are required to deliver to the Trustee annually a statement regarding compliance with this Indenture. Upon becoming aware of any Default or Event of Default, the Guarantor and the Issuer are required to deliver to the Trustee a statement specifying such Default or Event of Default. In all instances under this Indenture, the Trustee shall be entitled to rely on any certificates, statements or opinions delivered pursuant to this Indenture absolutely and shall not be obliged to enquire further as regards the circumstances then existing and shall not be responsible to the holders of the Notes for so relying.

Section 6.02. **Acceleration**. (a) In the case of an Event of Default specified in Sections 6.01(a)(viii) and (ix), above, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the holders of not less than 25% in principal amount of the then outstanding Notes may, and the Trustee, upon the request of such holders (provided it has been indemnified and/or secured (including by way of pre-funding) to its satisfaction), shall, declare all the Notes to be due and payable immediately.

(b) At any time after a declaration of acceleration under this Indenture, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the holders of a majority in aggregate principal amount of the outstanding Notes, by written notice to the Guarantor and the Trustee, may rescind such declaration and its consequences if:

(A) the Issuer has paid or deposited with the Trustee a sum sufficient to pay all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(B) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and

(C) all Events of Default, except for an Event of Default in the payment of amounts of principal of, premium, if any, and any Additional Amounts and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

(c) No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 6.03. **Other Remedies**. If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and

enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as Trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 6.04. **Waiver of Past Defaults**. The holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the holders of all of the Notes waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of interest or Additional Amounts on, or the principal of, the Notes other than a waiver of any payment default that resulted from an acceleration which is rescinded by the holders of at least a majority in aggregate principal amount of the Notes.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.05. **Control by Majority**. The Holders of not less than a majority in aggregate principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture; **provided**, **that**:

(a) the Trustee may refuse to follow any direction that conflicts with law, this Indenture or that the Trustee determines in good faith may be unduly prejudicial to the rights of holders not joining in the giving of such direction;

(b) the Trustee may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; and

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

Section 6.06. **Limitation on Suits**. No holder of any of the Notes has any right to institute any proceedings with respect to this Indenture or any remedy thereunder, unless (a) the holders of at least 25% in aggregate principal amount of the outstanding Notes have made a written request, and offered indemnity or security including by way of pre-funding satisfactory to the Trustee, to the Trustee to institute such proceeding as Trustee under the Notes and this Indenture, (b) the Trustee has failed to institute such proceeding within 60 Business Days after receipt of such notice and (c) the Trustee within such 60 Business Day period has not received directions inconsistent

with such written request by holders of a majority in aggregate principal amount of the outstanding Notes.

Such limitations do not, however, apply to a suit instituted by a holder of a Note for the enforcement of the payment of the principal of, premium, if any, and Additional Amounts or interest on such Note on or after the respective due dates expressed in such Note.

Section 6.07. **Collection Suit by Trustee**. The Issuer covenants that if default is made in the payment of:

(a) any installment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) the principal of (or premium, if any, on) any Note at the Maturity thereof,

the Issuer shall, subject to the provisions of the Subordination Agreement, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if any), Additional Amounts, if any and interest, and interest on any overdue principal (and premium, if any) and Additional Amounts, if any and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the amounts provided for in Section 7.06 and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

(c) If the Issuer, subject to the provisions of the Subordination Agreement, fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as Trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

Section 6.08. **Trustee May File Proofs of Claim**. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.06) and the Holders allowed in any judicial proceedings relative to the Issuer or the Guarantor, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders at their direction in any election of a trustee in bankruptcy or other Person performing similar functions, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due to the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and

advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.06 hereof out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.09. **Application of Money Collected**. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee and to each Agent for amounts due to them under Section 7.06;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest, if any, and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively; and

THIRD: to the Issuer or the Guarantor, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.09. At least 15 days before such record date, the Issuer shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.10. **Undertaking for Costs**. A court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in the suit of an undertaking to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.10 does not apply to a suit by the Trustee, a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes or to any suit by any Holder pursuant to Section 6.06.

Section 6.11. **Restoration of Rights and Remedies**. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.12. **Rights and Remedies Cumulative**. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.13. **Delay or Omission not Waiver**. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.14. **Record Date**. The Issuer may set a record date for purposes of determining the identity of Holders entitled to vote or to consent to any action by vote or consent authorized or permitted by Sections 6.04 and 6.05. Unless this Indenture provides otherwise, such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee pursuant to Section 2.05 prior to such solicitation.

Section 6.15. **Waiver of Stay or Extension Laws**. The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN
TRUSTEE AND PAYING AGENT

Section 7.01. **Duties**. (a) If an Event of Default has occurred and is continuing of which a Trust Officer of the Trustee has actual knowledge, the Trustee shall exercise such of the rights and powers vested in it under this Indenture subject and use the same degree of care in their exercise that a prudent person would use under the circumstances in conducting its own affairs.

(b) Except during the continuance of an Event of Default of which a Trust Officer of the Trustee has actual knowledge: (i) the Trustee and the Paying Agent undertake to perform such duties and only such duties as are specifically set forth in this Indenture and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee; **provided that** to the extent the duties of the Trustee and the Paying Agent under this Indenture and the Notes may be qualified, limited or otherwise affected by the provisions of the Subordination Agreement, the Trustee and the Paying Agent shall be required to perform those duties only as so qualified, limited or affected, and shall be held harmless and shall not incur any

liability for so acting; and (ii) the Trustee and the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Paying Agent and conforming to the requirements of this Indenture. In the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee and the Paying Agent, the Trustee and the Paying Agent shall examine same to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee and the Paying Agent shall not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee and the Paying Agent shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee and the Paying Agent were grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee and the Paying Agent shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or 6.05.

(d) The Trustee and the Paying Agent shall not be liable for interest on any money received by it except as the Trustee and the Paying Agent (as applicable) may agree in writing with the Issuer or the Guarantor. Money held in trust by the Trustee and Paying Agent need not be segregated from other funds except to the extent required by law.

(e) No provision of this Indenture shall require the Trustee or the Paying Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of their respective duties hereunder or in the exercise of any of their respective rights or powers.

(f) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee or the Paying Agent (as the case may be) shall be subject to the provisions of this Section 7.01.

(g) The Trustee shall not be deemed to have notice or any knowledge of any matter (including, without limitation, Defaults or Events of Default) unless a Trust Officer assigned to and working in the Trustee's corporate trust and agency department has actual knowledge thereof or unless written notice thereof is received by the Trustee in accordance with the terms of this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

Section 7.02. **Certain Rights of Trustee and the Paying Agent**. (a) Subject to Section 7.01:

(i) the Trustee and the Paying Agent may rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion,

report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by them to be genuine and to have been signed or presented by the proper person, whether or not the proper person limits their liability under such document by a monetary cap or otherwise;

(ii) before the Trustee or the Paying Agent, as applicable, acts or refrains from acting, it may require an Officer's Certificate or an opinion of counsel, which shall conform to Section 14.05. The Trustee and the Paying Agent shall not be liable for any action they take or omit to take in good faith in reliance on such certificate or opinion. The Trustee and the Paying Agent may consult with counsel and any opinion of counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by them hereunder in good faith and in reliance thereon;

(iii) each of the Trustee and the Paying Agent may act through its attorneys and agents and shall not be responsible for the misconduct or gross negligence of any attorney or agent appointed with due care by it;

(iv) neither the Trustee nor the Paying Agent shall be under obligation to exercise any of the rights or powers under this Indenture at the request of any of the Holders, unless such Holders shall have offered to the Trustee and the Paying Agent (as applicable) security (including by way of pre-funding) and indemnity satisfactory to them against loss, liability or expense;

(v) the Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers, **provided that** the Trustee's conduct does not constitute gross negligence;

(vi) whenever in the administration of this Indenture the Trustee or the Paying Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee and the Paying Agent (unless other evidence be herein specifically prescribed) may rely upon an Officer's Certificate;

(vii) the Trustee and the Paying Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee and the Paying Agent (as applicable), in their discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Paying Agent 8as applicable) shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney at the sole cost of the Issuer and the Trustee shall incur no liability of any kind by reason of such inquiry or investigation;

(viii) neither the Trustee nor the Paying Agent shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(ix) in the event the Trustee or the Paying Agent receives inconsistent or conflicting requests and indemnity from two or more groups of holders, each representing less than

a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee and the Paying Agent (as applicable), in its sole discretion, may determine what action, if any, shall be taken and shall not incur any liability for their failure to act until such inconsistency or conflict is, in the Trustee's reasonable opinion, resolved;

(x) the permissive right of the Trustee and the Paying Agent to take the actions permitted by this Indenture (as may be qualified, limited or otherwise affected by the provisions of the Subordination Agreement shall not be construed as an obligation or duty to do so;

(xi) delivery of reports, information and documents to the Trustee under Section 4.19 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(xii) whether or not expressly provided in any other provision herein, the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its rights to be indemnified and all other rights provided in Section 7.07, Section 7.06, Section 7.01(d) and (e) and this Section 7.02, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Agent, custodian and other Person employed to act hereunder;

(xiii) the Trustee may consult with counsel and the advice of such counsel or any opinion of counsel shall, subject to Section 7.01(c), be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(xiv) except with respect to Section 4.01, the Trustee shall have no duty to inquire as to the performance of the Guarantor, the Issuer or any Restricted Group Member with respect to the covenants contained in Article Four;

(xv) except as otherwise required by this Indenture or the terms of the Notes, the Trustee and the Paying Agent shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance, with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect of any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Note;

(xvi) if the Guarantor is substituted to make payments on behalf of the Issuer pursuant to Article Ten, the Issuer and the relevant Guarantor shall promptly notify the Trustee, Registrar, and the Paying Agent of such substitution;

(xvii) under no circumstances shall the Trustee and the Paying Agent be liable for any consequential loss or damage to the Issuer or the Guarantor (including loss of business, goodwill, opportunity or profit), even if advised of the possibility of such loss or damage; and

(xviii) no provision of this Indenture shall require the Trustee and the Paying Agent to do anything which, in their reasonable opinion, may be illegal or contrary to applicable law or regulation.

(b) The Trustee and the Paying Agent may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Section 7.03. **Individual Rights of Trustee**. The Trustee, any Paying Agent, any Registrar or any other agent of the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 7.04. **Trustee's Disclaimer**. The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Notes or the proceeds thereof or the use or application of any money received by any Paying Agent other than the Trustee.

Section 7.05. **[Reserved]**

Section 7.06. **Compensation and Indemnity**. The Issuer, failing which the Guarantor, shall pay to the Trustee and each Agent such compensation as shall be agreed in writing for its services hereunder. The compensation of the Trustee and each Agent shall not be limited by any law on compensation of a trustee of an express trust. The Issuer, failing which the Guarantor, shall reimburse the Trustee and each Agent promptly upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and out-of-pocket expenses of the Trustee's and each Agent's agents and counsel.

The Issuer, failing which each of the Guarantor and/or any Additional Guarantor, shall indemnify, jointly and severally, the Trustee, the Agents and their officers, directors, employees and agents and its officers, directors and agents for and hold harmless against any and all loss, liability or expense (including attorneys' fees and expenses) incurred by it without willful misconduct or gross negligence on its part arising out of or in connection with the administration and the performance of its duties hereunder, (including, without limitation, the costs and expenses of enforcing this Indenture against the Issuer and the Guarantor (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuer, the Guarantor, any Holder or any other Person) or liability in connection with the execution and performance of any of its powers and duties hereunder, as such duties may be modified, qualified or otherwise affected by the Subordination Agreement. The Trustee or any Agents, as the case may be, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or any Agents, as

the case may be, to so notify the Issuer shall not relieve the Issuer or the Guarantor of its obligations hereunder. The Issuer shall, at the Trustee's or any Agent's, as the case may be, sole discretion, defend the claim and the Trustee or any Agents, as the case may be, shall reasonably cooperate and may participate at the Issuer's expense in such defense. Alternatively, the Trustee or any Agents, as the case may be, may have separate counsel of its own choosing and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent may not be unreasonably withheld. The Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee or any Agents, as the case may be, through the Trustee's or any Agent's, as the case may be, own willful misconduct or gross negligence.

The total liability of the Paying Agent, contractual or legal related to the compliance, default or omission by it of its obligations and undertakings under this Indenture, shall not exceed, in aggregate, the total compensation to be paid to the Paying Agent.

To secure the Issuer's and Guarantor's payment obligations in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, premium, if any, and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee reasonably determines to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration for such duties as may be agreed.

When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(a)(viii) or (ix) with respect to the Issuer the Guarantor, or any Restricted Subsidiary, the expenses are intended to constitute expenses of administration under Bankruptcy Law.

The Issuer's obligations under this Section 7.06 and any claim or lien arising hereunder shall survive the resignation or removal of any Trustee, the satisfaction and discharge of the Issuer's obligations pursuant to Article Eight and any rejection or termination under any Bankruptcy Law, and the termination of this Indenture.

Section 7.07. **Replacement of Trustee**. A resignation or removal of the Trustee or the Registrar, as applicable, and appointment of a successor Trustee or Registrar, as applicable, shall become effective only upon the successor Trustee's or Registrar’s acceptance of appointment as provided in this Section 7.07.

The Trustee may resign, with or without cause, at any time by so notifying the Issuer. The Holders of a majority in outstanding principal amount of the outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer. The Issuer shall remove the Trustee if:

(a) the Trustee fails to comply with Section 7.09;

(b) the Trustee is adjudged bankrupt or insolvent;

(c) a receiver or other public officer takes charge of the Trustee or its property; or

(d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer. If the successor Trustee does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.07 within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, **provided that** all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.06.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, the Issuer or the Holders of at least 25% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer or (ii) the retiring Trustee may appoint a successor Trustee at any time prior to the date on which a successor Trustee takes office; **provided that** such appointment shall be reasonably satisfactory to the Issuer.

If the Registrar resigns or is removed, or if a vacancy exists in the office of Registrar for any reason, the Issuer shall promptly appoint a successor Registrar. Within one year after the successor Registrar takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Registrar to replace the successor Registrar appointed by the Issuer. If the successor Registrar does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.07 within 30 days after the retiring Registrar resigns or is removed, the retiring Registrar, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Registrar.

A successor Registrar shall deliver a written acceptance of its appointment to the retiring Registrar and to the Issuer. Thereupon the resignation or removal of the retiring Registrar shall become effective, and the successor Registrar shall have all the rights, powers and duties of the Registrar under this Indenture. The successor Registrar shall mail a notice of its succession to Holders. The retiring Registrar shall promptly transfer all property held by it as Registrar to the successor Registrar.

If a successor Registrar does not take office within 1 day after the retiring Registrar resigns or is removed, (i) the retiring Registrar, the Issuer or the Holders of at least 25% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Registrar at the expense of the Issuer or (ii) the retiring Registrar may appoint a successor Registrar at any time prior to the date on which a successor Registrar takes office; **provided that** such appointment shall be reasonably satisfactory to the Issuer.

If the Trustee fails to comply with Section 7.09, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.07, the Issuer's and the Guarantor's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Notwithstanding the foregoing provisions of this Section 7.07, and notwithstanding the provisions of Section 7.09 hereof, if (a) the holders of at least 25% in aggregate principal amount of the outstanding Notes have made a written request, and offered indemnity or security satisfactory to the Trustee, to the Trustee to institute proceedings with respect to this Indenture or any remedy thereunder as Trustee under the Notes and this Indenture, (b) the Trustee has failed to institute such proceeding within 30 Business Days after receipt of such notice and (c) the Trustee within such 30-Business Day period has not received directions inconsistent with such written request by holders of a majority in aggregate principal amount of the outstanding Notes, then the holders of at least 25% in aggregate principal amount of the outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer and appoint any holder of Notes to act as Trustee under this Indenture, and such holder shall not be required to satisfy the requirements set out in Section 7.09 hereof that are otherwise applicable to the Trustee.

Section 7.08. **Successor Trustee by Merger**. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, **provided** such corporation shall be otherwise qualified and eligible under this Article Seven, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; **provided**, **however**, **that** the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.09. **Eligibility: Disqualification**. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of England and Wales or within

a member state of the European Union that is authorized under such laws to exercise corporate trustee power, that is a corporation which customarily performs such corporate trustee roles.

Section 7.10. **Registrar.** There will at all times be a Registrar hereunder that is authorized under applicable laws to exercise such power, that is a corporation which customarily performs such agency roles.

Section 7.11. **Appointment of Co-Trustee**. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Subordination Agreement, and in particular in case of the enforcement thereof on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or institution as a separate or co-trustee. The following provisions of this Section 7.11 are adopted to these ends.

(a) In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and only to the extent that the Trustee by the laws of any jurisdiction is incapable of exercising such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

(b) Should any instrument in writing from the Issuer be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer; **provided**, **however**, **that** if an Event of Default shall have occurred and be continuing, if the Issuer does not execute any such instrument within 15 days after request therefor, the Trustee shall be empowered as an attorney-in-fact for the Issuer to execute any such instrument in the Issuer's name and stead. In case any separate or co-trustee or a successor to either shall die, become incapable or acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate or co-trustee.

(c) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights and powers, conferred or imposed upon the Trustee shall be conferred or imposed upon and may be exercised or performed by such separate trustee or co-trustee; and

(ii) no Trustee hereunder shall be personally liable by reason of any act or omission of any other Trustee hereunder.

(d) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article Seven.

(e) Any separate trustee or co-trustee may at any time appoint the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 7.12. **USA PATRIOT Act Section 326 (Customer Identification Program)**. The parties hereto acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to federal regulations that became effective on October 1, 2003, Section 326 of the USA PATRIOT Act requires all financial institutions to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Indenture agree that they will provide to the Trustee such information as it may request, from time to time, in order for the Trustee to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

Section 7.13. **Force Majeure**. The Trustee and the Paying Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Trustee or the Paying Agent (including, but not limited to, any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

ARTICLE EIGHT
DEFEASANCE; SATISFACTION AND DISCHARGE

Section 8.01. **Issuer's Option to Effect Defeasance or Covenant Defeasance**. The Issuer may, at its option or at the option of the Guarantor, at any time elect to have either Section 8.02 or Section 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

Section 8.02. **Defeasance and Discharge**. Upon the Issuer's or the Guarantor's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer shall be deemed to have been discharged from its obligations with respect to the Notes and the Guarantor shall be deemed to have been discharged from its obligations with respect to the Guarantee on the date the

conditions set forth in Section 8.04 are satisfied (hereinafter, "**legal defeasance**"). For this purpose, such legal defeasance means that the Issuer and the Guarantor shall be deemed to have paid and discharged the entire indebtedness represented by the Notes or the Guarantees (as the case may be) and to have satisfied all their other obligations under the Notes, the Guarantees and this Indenture (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Notes to receive, solely from the trust fund described in Section 8.08 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any, on) and interest on such Notes when such payments are due, (b) the provisions set forth at Section 8.06 below, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's and the Guarantor's obligations in connection therewith, and (d) the provisions of Section 8.04. Subject to compliance with this Article Eight, the Issuer or the Guarantor may exercise their respective option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 below with respect to the Notes or the Guarantees (as the case may be). If any of the Issuer or the Guarantor exercises their respective legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

Section 8.03. **Covenant Defeasance**. Upon the Issuer's or the Guarantor's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and the Guarantor shall be released from its obligations under any covenant contained in Sections 4.03 through and including 4.15, 4.18, 4.20, 4.21, 4.22 and 4.25 with respect to the Notes or the Guarantees (as the case may be) on and after the date the conditions set forth below are satisfied (hereinafter, "**covenant defeasance**"). For this purpose, such covenant defeasance means that, the Issuer and the Guarantor may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

Section 8.03. **Conditions to Defeasance**. In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Issuer or the Guarantor must irrevocably deposit with the Trustee (or such entity designated by the Trustee), in trust, for the benefit of the holders of the Notes, cash in euros, non-callable European Government Obligations, or a combination of cash in euros and non-callable European Government Obligations, in each case, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, and interest, premium and Additional Amounts, if any, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Issuer or the Guarantor must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of Legal Defeasance, the Issuer or the Guarantor must have delivered to the Trustee an opinion of counsel of recognized standing with respect to U.S. federal income tax matters (reasonably acceptable to the Trustee) confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii)

since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that (and based thereon such opinion shall confirm that) the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer or the Guarantor must have delivered to the Trustee an opinion of counsel of recognized standing with respect to U.S. federal income tax matters (reasonably acceptable to the Trustee) confirming that the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(e) such Legal Defeasance or Covenant Defeasance, including the deposit described in clause (a), above, shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Guarantor or any of its Subsidiaries is a party or by which the Guarantor or any of its Subsidiaries is bound;

(f) the Issuer or the Guarantor must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer or the Guarantor with the intent of preferring the holders of Notes over the other creditors of the Issuer or the Guarantor with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or the Guarantor or others; and

(g) the Issuer or the Guarantor must deliver to the Trustee an Officers' Certificate and an opinion of counsel (and the Trustee shall rely on both absolutely), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantor shall remain liable for such payments.

Section 8.04. **Satisfaction and Discharge of Indenture**. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes as expressly provided for in this Indenture) when:

(a) the Issuer or the Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust, for the benefit of the holders of the Notes, cash in euros, non-callable European Government Obligations, or a combination of cash in euros and non-callable European Government Obligations, in each case, in such amounts as shall be

sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes that have not, prior to such time, been delivered to the Trustee for cancellation, for principal of, premium, if any, and any Additional Amounts, if any, and accrued and unpaid interest to the date of maturity or redemption, as the case may be, and the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of Notes at Maturity or on the redemption date, as the case may be; and either:

(i) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer or the Guarantor, have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or shall become due and payable within one year.

(b) no Default or Event of Default has occurred and is continuing on the date of the deposit or shall occur as a result of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Debt and, in each case, the granting of Liens to secure such borrowings) and the deposit shall not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or the Guarantor is a party or by which the Issuer or the Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Debt, and in each case the granting of Liens to secure such borrowings);

(c) the Issuer or the Guarantor has paid or caused to be paid all sums payable by the Issuer under this Indenture; and

(d) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officers' Certificate and an opinion of counsel to the Trustee (and the Trustee shall rely on both absolutely) stating that all conditions precedent to satisfaction and discharge have been satisfied and that such satisfaction and discharge shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Guarantor or any Subsidiary is a party or by which the Guarantor or any Subsidiary is bound.

Section 8.05. **Survival of Certain Obligations**. Notwithstanding Sections 8.01 and 8.03, any obligations of the Issuer and the Guarantor in Sections 2.02 through 2.13, 7.06, 7.07 and 8.07 through 8.09 shall survive until the Notes have been paid in full. Thereafter, any obligations of the Issuer and the Guarantor in Sections 7.06, 8.07 and 8.08 shall survive such satisfaction and discharge. Nothing contained in this Article Eight shall abrogate any of the obligations or duties of the Trustee under this Indenture.

Section 8.06. **Acknowledgment of Discharge by Trustee**. Subject to Section 8.09, after the conditions of Section 8.02 or 8.03 have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of all of the Issuer's obligations under this Indenture except for those surviving obligations specified in this Article Eight.

Section 8.07. **Application of Trust Money**. Subject to Section 8.09, the Trustee shall hold in trust cash in euros or European Government Obligations deposited with it pursuant to this Article Eight. It shall apply the deposited cash or European Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, interest, and Additional Amounts, if any, on the Notes; but such money need not be segregated from other funds except to the extent required by law.

Section 8.08. **Repayment to Issuer**. Subject to Sections 7.06, and 8.01 through 8.04, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request set forth in an Officer's Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, interest or Additional Amounts, if any, that remains unclaimed for two years; **provided that** the Trustee or Paying Agent before being required to make any payment may cause to be (a) published in the *Financial Times* or another leading newspaper in London, England (b) made available to the newswire service of Bloomberg or, if Bloomberg does not then operate, any similar agency and, (c) if and so long as the Notes are listed on the Exchange and the rules of the Authority so require, notify the Authority that such money remains unclaimed and that, after a date specified therein (which shall be at least 30 days from the date of such publication or mailing) any unclaimed balance of such money then remaining shall be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

ARTICLE NINE
AMENDMENTS AND WAIVERS

Section 9.01. **Without Consent of Holders**. The Issuer, the Guarantor, the Trustee and the other parties hereto may amend or supplement this Indenture or the Notes:

(a) to cure any ambiguity, defect or inconsistency;

(b) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(c) to provide for the assumption of the Guarantor's or the Issuer's obligations to holders of Notes in the case of a merger, consolidation or sale of all or substantially all of the Guarantor's assets;

(d) to release any Guarantor in accordance with and if permitted by the terms and limitations set forth in this Indenture and to add a Guarantor or co-issuer under this Indenture;

(e) to make such changes as are necessary to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;

(f) to make any change that would provide any additional rights or benefits to the holders of Notes or additional covenants or other obligations of the Issuer or any Guarantor or that does not adversely affect the legal rights under this Indenture of any such holder in any material respect;

(g) [reserved];

(h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof; or

(i) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture.

For the avoidance of doubt, Articles 470-1 to 470-19 of the Luxembourg amended companies law dated August 10, 1915 do not apply and no noteholders' meetings need to be convened to collect any necessary consent.

Section 9.02. **With Consent of Holders**. (a) Except as provided in Section 9.02(b) below and Section 6.04 and without prejudice to Section 9.01, the Issuer, the Guarantor and the Trustee may:

(i) modify, amend or supplement this Indenture, the Notes or the Guarantees or

(ii) waive any existing Default or compliance with any provision of this Indenture or the Notes, with the written consent of the Holders of not less than a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes); **provided that** if any amendment, waiver or other modification will only affect one series of the Notes, only the consent of a majority in principal amount of the then outstanding Notes of such series shall be required.

(b) Notwithstanding the foregoing clause (a) of this Section 9.02, no amendment, modification, supplement or waiver, including a waiver pursuant to Section 6.04 and an amendment, modification or supplement pursuant to Section 9.01, may, without the consent of the holders of 90% (or 75% for so long as the Notes are subject to stapling restrictions in connection with shares in [New Topco]) (or, in the case of clause (ii)(C) below, 60%) the aggregate principal amount of the Notes then outstanding, or if any amendment, waiver or other modification will only amend, waive or modify one series of the Notes, without the consent of Holders holding not less than 90% (or 75% for so long as the Notes are subject to stapling restrictions in connection with shares in [New Topco]) (or, in the case of clause (ii)(C) below, 60%) of the then outstanding aggregate principal amount of Notes of such series, thereby:

(i) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver of provisions of this Indenture;

(ii) (A) reduce the principal (or Additional Amounts, if any) of or change the Stated Maturity of the principal of, or any instalment of Additional Amounts or premium (other than in the circumstances referred to in (C) below), if any, or interest on, any Note, (B) alter the provisions with respect to the redemption of or premium on the Notes (other than provisions relating to Article Three of this Indenture or in the circumstances referred to in (C) below) or (C) in connection with any transaction involving or which, but for a redemption of the Notes in full, would otherwise result in a Change of Control, waive the requirement to pay, or reduce the amount of, a premium payable on a redemption on any Note;

(iii) reduce the rate of or change the time for payment of interest on any Note;

(iv) waive a Default or Event of Default in the payment of principal of, or interest or premium, or Additional Amounts, if any, on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(v) modify the right to institute suit for the enforcement of any payment of any Note in accordance with the provisions of such Note and this Indenture;

(vi) make any Note payable in money other than that stated in the Notes;

(vii) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes;

(viii) waive a redemption payment with respect to any Note (other than a payment required by Section 4.15 of this Indenture);

(ix) release the Issuer or any Guarantor from any of its obligations under the Notes, the Guarantees or this Indenture, except in accordance with the terms of this Indenture;

(x) release any of the Liens on the Collateral granted for the benefit of the Holders, except in accordance with the terms of the relevant Security Documents and this Indenture; or

(xi) make any change in the preceding amendment and waiver provisions.

The consent of the Holders is not necessary to approve the particular form of any proposed amendment, modification, supplement or waiver. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement or waiver.

For the avoidance of doubt, Articles 470-1 to 470-19 of the Luxembourg amended companies law dated August 10, 1915 do not apply and no noteholders' meetings need to be convened to collect any necessary consent.

Section 9.03. **[Reserved]**

Section 9.04. **Effect of Supplemental Indentures**. Upon the execution of any supplemental indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 9.05. **Notation on or Exchange of Notes**. If an amendment, modification or supplement changes the terms of a Note, the Issuer or Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note and on any Note subsequently authenticated regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.06. **Payment for Consent**. The Guarantor and the Issuer shall not and shall not permit any Restricted Group Member to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 9.07. **Notice of Amendment or Waiver**. Promptly after the execution by the Issuer and the Trustee of any supplemental indenture or waiver pursuant to the provisions of Section 9.02, the Issuer shall give notice thereof to the Holders of each outstanding Note affected, in the manner provided for in Section 14.02(a), setting forth in general terms the substance of such supplemental indenture or waiver.

Section 9.08. **Trustee to Sign Amendments, Etc**. The Trustee may execute any amendment, supplement or waiver authorized pursuant, and adopted in accordance with, this Article Nine; **provided that** the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, if requested, an indemnity satisfactory to it and to receive, and shall be fully protected in relying upon, an opinion of counsel reasonably satisfactory to the Trustee and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture. Such opinion of counsel shall be an expense of the Issuer.

ARTICLE TEN
GUARANTEE

Section 10.01. **Notes Guarantee**. (a) Each Guarantor hereby fully and unconditionally guarantees, on a joint and several basis, to each Holder and to the Trustee and its successors and assigns on behalf of each Holder, the full and punctual payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any on, and all other monetary obligations of the Issuer under this Indenture and the Notes (including obligations to the Trustee and the obligations to pay Additional Amounts, if any) with respect to each Note authenticated and delivered by the Trustee or its agent pursuant to and in accordance with this Indenture, in accordance with the terms of this Indenture (all the foregoing being hereinafter collectively called the "**Guaranteed Obligations**"). Each Guarantor further agrees that the Guaranteed Obligations may be assigned (whether or not by the occurrence of the Assumption), novated, extended or renewed, in whole or in part, without notice or further assent from such Guarantor and that such Guarantor shall remain bound under this Article Ten notwithstanding any assignment (whether or not by the occurrence of the Assumption), novation, extension or renewal of any Guaranteed Obligation, including, without limitation, the occurrence of the Assumption. All payments under such Guarantee shall be made in euros.

(b) Each Guarantor hereby agrees that its obligations hereunder shall be as if it were principal debtor and not merely surety, unaffected by, and irrespective of, any invalidity, irregularity or unenforceability of any Note or this Indenture, any failure to enforce the provisions of any Note or this Indenture, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holders or the Trustee, or any other circumstance which may otherwise constitute a legal or equitable discharge of a surety or guarantor (except payment in full); **provided that**, notwithstanding the foregoing, no such waiver, modification, indulgence or circumstance shall without the written consent of such Guarantor increase the principal amount of a Note or the interest rate thereon or change the currency of payment with respect to any Note, or alter the Stated Maturity thereof. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require that the Trustee pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under such Guarantor's Guarantee (including, for the avoidance of doubt, any right which such Guarantor may have to require the seizure and sale of the assets of the Issuer to satisfy the outstanding principal of, interest on or any other amount payable under each Note prior to recourse against such Guarantor or its assets), protest or notice with respect to any Note or the Debt evidenced thereby and all demands whatsoever, and covenants that such Guarantee shall not be discharged with respect to any Note except by payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture, including Section 10.03. If at any time any payment of principal of, premium, if any, interest, if any, or Additional Amounts, if any, on such Note is rescinded or must be otherwise restored or returned upon the insolvency, *concurso mercantil,* bankruptcy or reorganization of the Issuer, each Guarantor's obligations hereunder with respect to such payment shall be reinstated as of the date of such rescission, restoration or returns as though such payment had become due but had not been made at such times.

(c) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

Section 10.02. **Subrogation**. Each Guarantor shall be subrogated to all rights of the Holders against the Issuer in respect of any amounts paid to such Holders by the Guarantor pursuant to the provisions of its Guarantee.

(a) The Guarantor agree that they shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Section 6.02 for the purposes of their Guarantees herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Section 6.02, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Section 10.02 subject to Section 10.01(c) above.

Section 10.03. **Release of Guarantees**. (a) A Guarantee (including any Guarantee provided pursuant to Section 4.21) shall be automatically and unconditionally released, and the Guarantor that granted such Guarantee shall be automatically and unconditionally released from its obligations and liabilities thereunder and hereunder upon legal defeasance as provided in Section 8.02 or covenant defeasance as provided in Section 8.03 or if all obligations under this Indenture are discharged in accordance with the terms of this Indenture, in each case, in accordance with the terms and conditions in this Indenture and the Subordination Agreement.

(i) upon legal defeasance or satisfaction and discharge of this Indenture under Article Eight of this Indenture;

(ii) as provided in Article Nine of this Indenture;

(iii) in the case of Guarantees granted pursuant to Section 4.21, upon the release and discharge of the guarantee or security that gave rise to the obligation to guarantee the Notes; or

(iv) automatically without any action by the Trustee or the Security Agent, pursuant to or in connection with any Permitted Reorganization.

In all cases the Issuer and such Guarantor that is to be released from their Guarantee shall deliver to the Trustee an Officer's Certificate and an opinion of counsel certifying compliance with this Section 10.03, in each case, evidencing such release. At the request of the Issuer, the Trustee shall as soon as reasonably practicable following receipt of such documentation, execute and deliver an appropriate instrument evidencing such release (in the form provided by the Issuer).

Section 10.04. **Limitation and Effectiveness of Guarantees**. (a) Notwithstanding any other provision of this Indenture, the obligations of each Guarantor under its Guarantee shall be limited under the relevant laws applicable to such Guarantor and the granting of such Guarantees (including laws relating to corporate benefit, capital preservation, financial assistance, bankruptcy, fraudulent conveyances and transfers or transactions under value) to the maximum amount payable such that such Guarantees shall not constitute a fraudulent conveyance, fraudulent transfer, voidable preference, a transaction under value or unlawful financial assistance or otherwise, or

under similar laws affecting the rights of auditors generally, cause the Guarantor to be insolvent under relevant law or such Guarantee to be void, unenforceable or ultra vires or cause the directors of such Guarantor to be held in breach of applicable corporate or commercial law providing for such Guarantee.

Section 10.05. **Notation Not Required**. Neither the Issuer nor the Guarantor shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination or discharge thereof.

Section 10.06. **Successors and Assigns**. This Article Ten shall be binding upon the Guarantor and each of their successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assigns, all subject to the terms and conditions of this Indenture.

Section 10.07. **No Waiver**. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article Ten shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and are not exclusive of any other rights, remedies or benefits which either may have under this Article Ten at law, in equity, by statute or otherwise.

Section 10.08. **Modification**. No modification, amendment or waiver of any provision of this Article Ten, nor the consent to any departure by the Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in the same, similar or other circumstance.

ARTICLE ELEVEN
SUBORDINATION AGREEMENT

Section 11.01. **Subordination Agreement**. The Issuer and the Guarantor agree, and each Holder by accepting a Note agrees, that this Indenture, including the Guarantees, is subject to the limitations on enforcement and other terms of the Subordination Agreement.

ARTICLE TWELVE
COLLATERAL SECURITY DOCUMENTS AND THE SECURITY AGENT

Section 12.01. **Collateral and Security Documents**. The full and punctual payment when due and the full and punctual performance of the Obligations of the parties hereto are secured as provided in the Subordination Agreement and the Security Documents, in each case, in favor of the Security Agent and/or, to the extent required by applicable law, of the Trustee, in the name and on behalf of the Holders, as pledgee (the "**Pledgee**"). Subject to the conditions set forth herein, each pledgor is permitted to pledge the Collateral in connection with future incurrences of Debt of the Guarantor, the Issuer or its Restricted Group Members, including any Additional Notes, permitted under this Indenture.

(a) Each Holder by accepting a Note shall be deemed to agree that the Security Agent shall have only those duties, obligations and responsibilities and such rights and protections as expressly specified in this Indenture, the Subordination Agreement, or in the Security Agreements (and no others shall be implied).

(b) Each of the Holders of the Notes, by accepting a Note (or otherwise acquiring a Note or an interest therein) expressly accepts, by purchasing one or several Notes (or any interests in the Notes) that the Security Agent will be entitled to enter into, accept the constitution of, take, hold and, if necessary, enforce, any Liens (including, without limitation any pledges, whether possessory or non-possessory) on the Collateral granted in favor of the Holders under the Security Documents, and expressly authorize the Security Agent to be their agent and representative with respect to the Collateral and the Security Documents (including, without limitation, by administering and enforcing remedies with respect to such Collateral and Security Documents). For the avoidance of doubt, the Security Agent is authorized to execute, sign, amend, extend, ratify and raise to the status of public deed any documents (whether public or private) to formalize, perfect or enforce any Lien (including, without limitation any pledges, whether possessory or non-possessory) for the benefit of the Holders of the Notes. Furthermore, the Security Agent is authorized to appear before any administrative authority and sign and file with any authority or register, for the benefit of the Holders of the Notes, the necessary documents for the validity, perfection and/or effectiveness of any security. Each of the Holders undertake to carry out as many actions as may be necessary in order for the Security Agent to be so authorized in any jurisdiction and under any applicable laws or regulations, including, without limitation, the granting, notarization and apostille of the relevant power of attorney in favor of the Security Agent (or the person appointed by it) for the purposes of, *inter alia*, (i) appearing in the relevant agreement to accept the granting of the Lien over the Collateral, and (ii) enforcing the relevant Lien on the Collateral in any proceeding (either judicial, out-of-court or otherwise) or, if the Security Agent was, under the laws of any jurisdiction, unable to represent the Holders of the Notes in accordance with the provisions envisaged herein, the Holders undertake to (i) personally appear in or accede to the relevant agreement in order to expressly accept the granting of the Lien over the Collateral (or any amendment or ratification thereof); and (ii) personally appear in the relevant enforcement proceeding with respect to the relevant Lien. The Security Agent agrees that it shall hold the security interests in the Collateral created under any Security Document to which it is a party as contemplated by this Indenture or the Subordination Agreement, and any and all proceeds thereof, for the benefit of, among others, the Trustee and the Holders, without limiting the Security Agent's rights including under Section 12.02, to act in preservation of the security interest in the Collateral. The Security Agent shall take action or refrain from taking action in connection therewith only as directed by the Trustee.

(c) Each Holder, by accepting a Note, shall be deemed to have agreed to all the terms and provisions of the Security Documents and the Subordination Agreement(including the appointment of the Security Agent as its representative for the applicable purposes).

Section 12.02. **Suits to Protect the Collateral**. Subject to the provisions of the Security Documents and the Subordination Agreement, the Security Agent and/or, to the extent required by applicable law, the Trustee, in the name and on behalf of the Holders, shall have power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security

Documents or this Indenture, and such suits and proceedings as the Security Agent, in its sole discretion, may deem expedient to preserve or protect the security interests in the Collateral created under the Security Documents (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Liens on the Collateral or be prejudicial to the interests of the Holders or the Trustee). Notwithstanding any other provision of this Indenture, neither the Trustee nor the Security Agent has any responsibility for the validity, perfection, priority or enforceability of any Lien, any security interest in the Collateral or other security interest. The Trustee shall have no obligation to take (or direct the Security Agent to take) any action to procure or maintain such validity, perfection, priority or enforceability.

Section 12.03. **Replacement of Security Agent**. (a) The Security Agent may resign at any time by so notifying the Issuer, upon not less than 90 days' prior written notice. The Holders of a majority in principal amount of the Securities may remove the Security Agent by so notifying the Trustee, **provided that** they concurrently appoint a successor Security Agent. The Issuer shall remove the Security Agent if:

(i) the Security Agent is adjudged bankrupt or insolvent;

(ii) a receiver or other public officer takes charge of the Security Agent or its property; or

(iii) the Security Agent otherwise becomes incapable of acting.

(b) If the Security Agent resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders have not previously appointed a successor Security Agent, or if a vacancy exists in the office of Security Agent for any reason (the Security Agent in such event being referred to herein as the retiring Security Agent), the Issuer shall appoint a successor Security Agent prior to such resignation taking effect or such removal by the Issuer.

(c) A successor Security Agent shall deliver a written acceptance of its appointment to the retiring Security Agent and to the Issuer. Thereupon, the resignation or removal of the retiring Security Agent shall become effective, and the successor Security Agent shall have all the rights, powers and duties of the Security Agent under this Indenture. Each of these releases shall be effected by the Security Agent without the consent of the Holders or any action on the part of the Trustee unless action is required by it to effect such release. Neither the Trustee nor the Security Agent shall be liable for any loss to any person resulting from any release of liens effected in accordance with the Notes.

Section 12.06. **Indemnification of the Security Agent**. The Issuer and the Guarantor jointly and severally shall promptly indemnify the Security Agent and every Receiver and Delegate

(a) to give any notice to the Issuer or the Guarantor or to the Trustee, or to give any directions to the Trustee, or to consent to the waiving of any Default hereunder and its consequences, or to take any other action authorized to be taken by Holders pursuant to Article Nine;

(b) to remove the Trustee and appoint a successor trustee pursuant to Article Seven; or

(c) to consent to the execution of an indenture supplement pursuant to Section 9.02.

Section 13.02. **Place of Meetings**. Meetings of Holders may be held at such place or places as the Trustee or, in case of its failure to act, the Issuer, the Guarantor or the Holders calling the meeting, shall from time to time determine.

Section 13.03. **Call and Notice of Meetings**. The Trustee may at any time (upon not less than 21 days' notice) call a meeting of Holders to be held at such time and at such place in New York City or in such other city as determined by the Trustee pursuant to Section 13.02. Notice of every meeting of Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be mailed, at the Issuer's expense, to each Holder and published in the manner contemplated by Section 14.02(a).

(a) In case at any time the Issuer, pursuant to a resolution of its management board, or the Holders of at least 10% in aggregate principal amount at maturity of the Notes then outstanding, shall have requested the Trustee to call a meeting of the Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have made the first giving of the notice of such meeting within 20 days after receipt of such request, then the Issuer or the Holders of Notes in the amount above specified may determine the time (not less than 21 days after notice is given) and the place in New York City or in such other city as determined by the Issuer or the Holders pursuant to Section 13.02 for such meeting and may call such meeting to take any action authorized in Section 13.01 by giving notice thereof as provided in Section 14.02(a).

To be entitled to vote at any meeting of Holders, a Person shall be (i) a Holder at the relevant record date set in accordance with Section 6.14 or (ii) a Person appointed by an instrument in writing as proxy for a Holder or Holders by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Person so entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Issuer and the Guarantor and their counsel.

Section 13.05. **Voting Rights, Conduct and Adjournment**. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders in regard to proof of the holding of Notes and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Notes shall be proved in the manner specified in Section 2.03 and the appointment of any proxy shall be proved in such manner as is deemed appropriate by the Trustee or by having the signature of the Person executing the proxy witnessed or guaranteed by any bank, banker or trust company customarily authorized to certify to the holding of a Note such as a Registered Note.

(a) At any meeting of Holders, the presence of Persons holding or representing Notes in an aggregate principal amount at Stated Maturity sufficient under the appropriate provision of this Indenture to take action upon the business for the transaction of which such meeting was called shall constitute a quorum. Subject to any required aggregate principal amount at Stated Maturity of the Notes required for the taking of any action pursuant to Article Nine, in no event shall less than a majority of the votes given by Persons holding or representing Notes at any meeting of Holders be sufficient to approve an action. Any meeting of Holders duly called pursuant to Section 13.03 may be adjourned from time to time by vote of the Holders (or proxies for the Holders) of a majority of the Notes represented at the meeting and entitled to vote, whether or not a quorum shall be present; and the meeting may be held as so adjourned without further notice. No action at a meeting of Holders shall be effective unless approved by Persons holding or representing Notes in the aggregate principal amount at Stated Maturity required by the provision of this Indenture pursuant to which such action is being taken.

(b) At any meeting of Holders, each Holder or proxy shall be entitled to one vote for each €1,000 aggregate principal amount at Stated Maturity of outstanding Notes held or represented, as applicable.

Section 13.06. **Revocation of Consent by Holders at Meetings**. At any time prior to (but not after) the evidencing to the Trustee of the taking of any action at a meeting of Holders by the Holders of the percentage in aggregate principal amount at maturity of the Notes specified in this Indenture in connection with such action, any Holder of a Note the serial number of which is included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its principal Corporate Trust Office and upon proof of holding as provided herein, revoke such consent so far as concerns such Note. Except as aforesaid, any such consent given by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Note issued in exchange therefor, in lieu thereof or upon transfer thereof, irrespective of whether or not any notation in regard thereto is made upon such Note. Any action taken by the Holders of the percentage in aggregate principal amount at maturity of the Notes specified in this Indenture in connection with such action shall be conclusively binding upon the Issuer, the Guarantor, the Trustee and the Holders. This Section 13.06 shall not apply to revocations of consents to amendments, supplements or waivers, which shall be governed by the provisions of Article Nine.

The Issuer, the Guarantor, the Trustee, the Registrar, the Paying Agent or the Transfer Agent by notice to the other may designate additional or different addresses for subsequent notices or communications. All communications delivered to the Trustee shall be deemed effective when received.

(a) Notices to the Holders regarding the Notes shall be:

(i) validly given if mailed or e-mailed to them at their respective addresses in the register of the Holders of such Notes, if any, maintained by the Registrar;

(ii) for so long as any of the Notes are listed on the Exchange and the rules of the Authority so require, notices with respect to the Notes will be notified to the Authority;

Each such notice shall be deemed to have been given on the date of such publication or, if published more than once on different dates, on the first date on which publication is made; **provided that**, if such notices are mailed, such notice shall be deemed to have been given on the later of such publication and the seventh day after being so mailed. Any notice or communication mailed to a Holder shall be mailed to such Person by first class mail or other equivalent means and shall be sufficiently given to him if so mailed within the time prescribed. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

(b) If and so long as the Notes are listed on any securities exchange instead of or in addition to the Exchange, notices shall also be given in accordance with any applicable requirements of such alternative or additional securities exchange.

(c) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and

such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.03. **[Reserved]**

Section 14.04. **Certificate and Opinion as to Conditions Precedent**. Upon any request or application by the Issuer or the Guarantor to the Trustee to take or refrain from taking any action under this Indenture (except in connection with the original issuance of the Notes on the date hereof), the Issuer or the Guarantor, as the case may be, shall furnish upon request to the Trustee:

(a) an Officer's Certificate in form and substance satisfactory to the Trustee stating that, in the opinion of the signer, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(b) an opinion of counsel in form and substance satisfactory to the Trustee stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Any Officer's Certificate may be based, insofar as it relates to legal matters, upon an opinion of counsel, unless the officer signing such certificate knows, or in the exercise of reasonable care should know, that such opinion of counsel with respect to the matters upon which such Officer's Certificate is based are erroneous. Any opinion of counsel may be based and may state that it is so based, insofar as it relates to factual matters, upon an Officer's Certificate stating that the information with respect to such factual matters is in the possession of the Issuer, unless the counsel signing such opinion of counsel knows, or in the exercise of reasonable care should know, that the Officer's Certificate with respect to the matters upon which such opinion of counsel is based are erroneous.

Section 14.05. **Statements Required in Certificate or Opinion**. Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

Section 14.07. **Legal Holidays**. If an Interest Payment Date or other payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. If a Record Date is not a Business Day, the Record Date shall not be affected.

Section 14.08. **Governing Law**. The Issuer, each Guarantor, each holder of the Notes and the Trustee irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, any Guarantee or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantor agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or the Guarantor, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or the Guarantor, as the case may be, are subject by a suit upon such judgment; **provided**, **however**, **that** service of process is effected upon the Issuer or the Guarantor, as the case may be, in the manner provided by this Indenture. Each of the Issuer and the Guarantor has appointed CT Corporation System, with offices on the date hereof at 111 Eighth Avenue, New York, New York 10011, or any successor, as its authorized agent (the "**Authorized Agent**"), upon whom process may be served in any suit, action or proceeding arising out of or based upon this Indenture, the Guarantee or the Notes or the transactions contemplated herein which may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, by any Holder or the Trustee, and expressly accepts the exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. Section 14.10. **No Recourse Against Others**. No director, officer, employee, incorporator or stockholder of the Issuer or the Guarantor, as such, shall have any personal liability for any obligations of the Issuer or such Guarantor under the Notes, this Indenture, the Subordination Agreement, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. (a) All agreements of the Trustee in this Indenture shall bind its successors.

Section 14.12. **Multiple Originals**. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture.

The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

Section 14.14. **Severability**. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.15. **Currency Indemnity**. The Issuer and the Guarantor, jointly and severally, agree to indemnify the holders against any loss incurred, as incurred, as a result of any judgment or award in connection with this Indenture being expressed in a currency (the "**Judgment Currency**") other than the euros and as a result of any variation as between the spot rate of exchange at which the indemnified party converts such Judgment Currency. The foregoing shall constitute a separate and independent obligation of the Issuer and the Guarantor and shall continue in full force and effect notwithstanding any such judgment or order. The term "spot rate of exchange" includes any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

Section 14.16. **Counterparts**. (b) The Payer shall not be required to make any payment of Additional Amounts for or on account of

(i) any Taxes that are imposed or levied by a Relevant Taxing Jurisdiction by reason of (A) the holder's or a beneficial owner's present or former connection with such Relevant Taxing Jurisdiction (other than the mere acquisition or holding of Notes or by reason of the receipt of payments in respect thereunder or the exercise or enforcement of any rights under the Notes, the Indenture, or any Guarantee (including a connection between a fiduciary, settlor, beneficiary, member, partner or shareholder of, or possessor of power over, the relevant holder or beneficial

owner, if the relevant holder or beneficial owner is an estate, nominee, trust, partnership or corporation, and is required) for payment on a date more than 30 days after the date on which such payment became the Relevant Taxing Jurisdiction), or (B) the presentation of a Note (where presentation due and payable or the date on which payment thereof is duly provided for, whichever occurs later, except to the extent that the beneficial owner or holder thereof would have been entitled to Additional Amounts had the Notes been presented for payment on any day during such 30 day period;

(ii) any estate, inheritance, gift, sales, excise, transfer, personal property or similar Tax;

(iii) any Tax which is payable otherwise than by withholding or deduction from payments made under or with respect to the Notes;

(iv) any Taxes that are imposed or withheld by reason of the failure by the holder or the beneficial owner of the Notes, following the Issuer's written request addressed to the holder or otherwise provided to the holder or beneficial owner (and made at a time that would enable the holder or beneficial owner acting reasonably to comply with that request) to provide certification, information, documents or other evidence concerning the nationality, residence or identity of the holder or such beneficial owner or to make any valid or timely declaration or similar claim or satisfy any other reporting requirements relating to such matters, whether required or imposed by statute, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of withholding or deduction of, Taxes imposed by the Relevant Taxing Jurisdiction, including, for the avoidance of doubt, any Taxes that are imposed or withheld under Luxembourg law by reason of the Payer not receiving (either directly or through its agent) such information from a holder or beneficial owner as may be necessary to allow payments on the Notes to be made free and clear of Luxembourg withholding tax or deduction on account of Luxembourg taxes, pursuant to any legislation or regulation;

(v) any Tax that is imposed on or with respect to a Note presented for payment (where presentation is required) on behalf of a holder or beneficial owner who would have been able to avoid such withholding or deduction by presenting the Note to another Paying Agent in a Member State of the European Union;

(vi) any Tax that would not have been imposed but for a failure by the holder or beneficial owner (or any financial institution through which the holder or beneficial owner holds any Note through which payment on the Note is made) to comply with any certification, information, identification, documentation or other reporting requirements (including entering into and complying with an agreement with the U.S. Internal Revenue Service) imposed pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (or any intergovernmental agreement, or legislation enacted pursuant thereto, to implement such provisions) as in effect on the date of issuance of the Notes or any successor or amended version of these provisions, to the extent such successor or amended version is not materially more onerous than these provisions as enacted on such date;

(vii) any Tax that is imposed by virtue of the so-called Luxembourg Relibi law dated 23 December 2005, as amended; or

(viii) any combination of Taxes referred to in clauses (i) to (vii) above.

(c) Additional Amounts shall not be paid with respect to any payment made under or with respect to the Notes or any Guarantee in the case of a holder who is a fiduciary, a partnership or other than the sole beneficial owner of such payment, to the extent that such payment is required by the laws of the Relevant Taxing Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or a beneficial owner and such person would not have been entitled to the Additional Amounts had it been the holder of the Note or Guarantee.

(d) The Payer shall (i) make such withholding or deduction required by applicable law and (ii) remit the full amount withheld or deducted to the relevant taxing authority in accordance with applicable law.

(e) At least 30 calendar days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Payer shall be obligated to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 30th day prior to the date on which payment under or with respect to the Notes is due and payable, in which case it shall be promptly thereafter), the Issuer shall deliver to the Trustee an Officer's Certificate stating that such Additional Amounts shall be payable and the amounts so payable and shall set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to holders on the relevant payment date. The Trustee shall, without further enquiry, be entitled to rely absolutely on each such Officer's Certificate as conclusive proof that such payments are necessary. The Issuer shall promptly publish a notice in accordance with Section 14.02 of the Indenture stating that such Additional Amounts shall be payable and describing the obligation to pay such amounts.

(g) Upon request, within a reasonable time the Payer shall provide the Trustee, to provide to the holders, certified copies of tax receipts evidencing the payment by the Payer of any Taxes imposed or levied by a Relevant Taxing Jurisdiction in such form as provided in the normal course by the taxing authority imposing such Taxes and as is reasonably available to the Payer. If, notwithstanding the reasonable efforts of the Payer to obtain such receipts, the same are not obtainable, the Payer shall provide the Trustee with a copy of the return reporting such payment or other evidence reasonably satisfactory to the Trustee of such payments by the Payer.

(h) In addition, the Guarantor undertakes to indemnify, pay and maintain all holders of the Notes or the Guarantees harmless for all Taxes that are imposed under Luxembourg law on the payments received or income derived from the Notes or the Guarantees that (i) are not compensated by the payment of Additional Amounts under the first paragraph of this "Additional Amounts" section; and that (ii) are not excluded under clauses (i) through (ii) and (iv) through (vii) of Section 4.16(b) of the Indenture, or any combination thereof. Furthermore, the Issuer shall pay any present or future stamp, issue, registration, court documentation, excise, or property taxes, or other similar Taxes imposed by or in any Relevant Taxing Jurisdiction, including any political jurisdiction thereof, in respect of the execution, issue, delivery or registration of the Notes, the Indenture, or the Guarantees, or any other document or instrument referred to thereunder and any such Taxes imposed by any jurisdiction as a result of, or in connection with, the enforcement of the Notes, the Guarantees, or any other such document or instrument following, and relating to,

the occurrence of any Event of Default with respect to the Notes or the receipt of any payments with respect thereto (other than with respect to a transfer of the Notes following the initial sale of the Notes by the Purchasers and limited, solely in the case of Taxes attributable to the receipt of any payments with respect thereto, to any such Taxes imposed in a Relevant Tax Jurisdiction that are not excluded under clauses (i) through (ii) and (iv) through (vii) of Section 4.16(b) of the Indenture, or any combination thereof, and other than (i) any stamp duty, registration or other similar Taxes payable on or by reference to or in consequence of the transfer or assignment of the whole or any part of the rights of a holder of the Notes and (ii) any Luxembourg registration duties (*droits d'enregistrement*) payable due to registration, submission or filing of any finance document when such registration, submission or filing is or was not required to maintain or preserve the rights of any party under that finance document).

(i) Whenever the Indenture refers to, in any context, the payment of principal, premium, if any, interest or any other amount payable under or with respect to any Note (including payments thereof made pursuant to any Guarantee or in connection with a redemption of the Notes), such reference includes the payment of Additional Amounts, if applicable.

Provisions (a)-(i) above shall survive any termination, defeasance or discharge of the Indenture.

3. **Method of Payment**

PIK Interest shall be payable by increasing the aggregate principal amount of the outstanding Notes by an amount equal to the amount of interest then due and owing as PIK Interest (rounded up to the nearest €1). PIK Interest will be effected by pool factor increase as certified to the Registrar, the Paying Agent and the Trustee by the Issuer. The Registrar will note any PIK Interest by pool factor increase in the Security Register. On each interest payment date, the Registrar shall notify each Holder of such increased principal amount representing PIK Interest on or prior to each interest payment date. Upon request from a Holder, the Registrar shall provide such Holder with the total principal amount of PIK Notes held by such Holder as reflected in the Security Register.

With respect to the final interest period ending at the Stated Maturity of the Notes, upon any redemption of the Notes or in connection with an Asset Sale Offer or a Change of Control Offer, accrued and unpaid interest shall be payable in cash.

Following an increase in the principal amount of the outstanding Notes as a result of a payment of PIK Interest, the Notes will bear interest on such increased principal amount from and after the applicable interest payment date and will otherwise have identical terms to the initial Notes.

4. **Paying Agent**

The Issuer will make all payments, including principal of, premium, if any, and interest on the Notes, through an agent that it will maintain for these purposes. Initially that agent will be Global Loan Agency Services Limited.

5. **Indenture**

The Issuer issued the Notes under an indenture dated as of [●], 2021, as supplemented or amended from time to time (the "**Indenture**") among the Issuer, the Guarantor, GLAS Trust Company Limited, as trustee and security agent (the "**Trustee**"), the Paying Agent, and the other parties thereto. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to such terms of, and Holders are referred to, the Indenture for a statement of those terms.

The Notes are general obligations of the Issuer and are issued under the Indenture in an initial aggregate principal amount at maturity of €[●], plus all PIK Interest accrued thereon. The Indenture imposes certain limitations on the Issuer, the Guarantor and their respective affiliates, including, without limitation, limitations on the incurrence of indebtedness and issuance of stock, the payment of dividends and other payment restrictions affecting the Guarantor, the Issuer and Restricted Group Members, the sale of assets, transactions with and among affiliates of the Guarantor, the Issuer and the Restricted Group Members, change of control and Liens.

6. **Optional Redemption**

(a) [Reserved].

(b) At any time prior to [●][2], upon not less than 10 nor more than 60 days' prior notice (except as otherwise provided under Section 3.03 of the Indenture), the Issuer may redeem all or a part of the Notes, at a redemption price equal to 100% of the Notes to be redeemed plus the Applicable Premium (as defined below) as of, and accrued and unpaid interest and Additional Amounts, if any, to, the date of redemption (subject to the right of holders of record on the relevant record date to receive interest due on any interest payment date occurring on or prior to the redemption date).

"**Applicable Premium**" means, with respect to a Note on any Redemption Date, as calculated by the Issuer, the excess of:

(i) the present value at such Redemption Date of (i) the redemption price of the note at [●][3] (such redemption price being set forth in the Notes) plus (ii) all required interest payments due on the Note through [●][4] (excluding accrued but unpaid interest to the Redemption Date), computed using a discount rate equal to the Bund Rate as of such Redemption Date plus 50 basis points; over

(ii) the outstanding principal amount of such Note.

Any redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(II) "**Comparable German Bund Price**" means, with respect to any redemption date, the average of the Reference German Bund Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference German Bund Dealer Quotations, or if the Issuer obtains fewer than four such Reference German Bund Dealer Quotations, the average of all such quotations;

(c) At any time on or after [●][8], upon not less than 10 nor more than 60 days' prior notice (except as otherwise provided under Section 3.03 of the Indenture), the Issuer may redeem all or a part of the Notes at the redemption prices (expressed as percentages of their principal amount at maturity) set forth below plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on [●] of the years indicated below:

7. **Redemption Upon Changes in Withholding Tax**

(a) The Issuer may, at its option, redeem the Notes, in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' prior notice (except as otherwise provided under Section 3.03 of the Indenture) to the holders at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon, if any, to the redemption date, premium, if any, and Additional Amounts, if any, then due and which will become due on the date of redemption as a result of the redemption or otherwise, if the Issuer determines in good faith that the Payer is, or on the next date on which any amount would be payable in respect of the Notes, would be, obligated to pay Additional Amounts (as defined above) in respect of the Notes or a Guarantee pursuant to the terms and conditions thereof (but in the case of a Payer that is a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), which the Payer cannot avoid by the use of reasonable measures available to it (including making payment through a paying agent located in another jurisdiction) as a result of:

(A) any change in, or amendment to, the laws or any regulations or rulings promulgated thereunder of any Relevant Taxing Jurisdiction (as defined above) affecting taxation which becomes effective and is first publicly announced on or after the Issue Date or, if a Relevant Taxing Jurisdiction was not a Relevant Taxing Jurisdiction on the Issue Date, the date on which the then current Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture (or, in the case of a Successor Person, after the date the Successor Person becomes a Successor Person under the Indenture); or

(B) any change in the official application, administration, or interpretation of the laws, regulations or rulings of any Relevant Taxing Jurisdiction, (including a holding, judgment, or order by a court of competent jurisdiction), on or after the Issue Date or, if a Relevant Taxing Jurisdiction was not a Relevant Taxing Jurisdiction on the Issue Date, the date on which the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture (each of the foregoing clauses (A) and (B), a "**Change in Tax Law**").

(b) Notwithstanding the foregoing, the Issuer may not redeem the Notes under this provision if (i) a Relevant Taxing Jurisdiction was not a Relevant Taxing Jurisdiction on the Issue Date, and (ii) the Payer is obligated to pay Additional Amounts as a result of a Change in Tax Law of such new Relevant Taxing Jurisdiction which change, at the time the latter became a Relevant Taxing Jurisdiction under the Indenture, was officially announced.

(c) Notwithstanding the foregoing, no such notice of redemption shall be given (a) earlier than 90 days prior to the earliest date on which the Payer would be obliged to make a payment of Additional Amounts or withholding if a payment in respect of the Notes or Guarantee, as the case may be, were then due and (b) unless at the time such notice is given, the obligation to pay Additional Amounts or withhold remains in effect.

(d) Prior to the publication or where relevant, mailing of any notice of redemption pursuant to the foregoing, the Issuer shall deliver to the Trustee:

(i) an Officer's Certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing the conditions precedent to the right of the Issuer so to redeem have occurred (including that such obligation to pay such Additional Amounts cannot be avoided by the Payer taking reasonable measures available to it); and

(ii) an opinion of independent tax advisors of recognized standing qualified under the laws of the Relevant Taxing Jurisdiction and reasonably satisfactory to the Trustee to the effect that the Payer is or would be obligated to pay such Additional Amounts as the case may be, as a result of a Change in Tax Law.

The Trustee shall, without further investigation, be entitled to rely on such Officer's Certificate and opinion of tax advisors as conclusive proof that the conditions precedent to the right of the Issuer so to redeem have occurred.

Any redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

8. **Notice of Redemption**

The Issuer shall publish a notice of any optional redemption of the Notes described above in accordance with the provisions described under Section 3.04 of the Indenture. If the Notes are listed at such time on the Exchange, the Issuer shall inform the Exchange of the principal amount of the Notes that have not been redeemed in connection with any optional redemption. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed as follows: (i) if the Notes are listed on any securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are listed or (ii) if the Notes are not listed on any securities exchange, on a *pro rata* basis, **provided**, **however**, **that** no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than €1,000.

9. **Repurchase at the Option of Holders**

If a Change of Control occurs, each holder of Notes shall have the right to require the Issuer (or the Guarantor, if the Guarantor makes the purchase offer referred to below) to repurchase all (equal to €1,000 or any integral multiple of €1 in excess thereof) of that holder's Notes pursuant to an offer (a "**Change of Control Offer**") on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer or the Guarantor shall offer a payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased, to the date of purchase (a "**Change of Control**

Payment"). Within ten days following any Change of Control, the Issuer or the Guarantor will (i) cause the Change of Control Offer to be published through (A) the newswire service of Bloomberg, or if Bloomberg does not then operate, any similar agency; and (B) if and for so long as the Notes are listed on the Exchange and if and to the extent that the rules of the Authority so require, the Issuer shall notify the Authority of any Change of Control Offer; and (ii) e-mail the Change of Control Offer to each registered holder. The Change of Control Offer will describe the transaction or transactions that constitute the Change of Control and will offer to repurchase the applicable series of Notes on the date (the "**Change of Control Payment Date**") specified therein, which date will be no earlier than 30 days and no later than 60 days from the date such notice is e-mailed, pursuant to the procedures required by the Indenture and described in such notice. The Issuer and the Guarantor will comply with the requirements of any securities laws and the regulations thereunder (including Rule 14e-1 under the Exchange Act) to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer and the Guarantor will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Change of Control provisions of the Indenture by virtue of such conflict.

10. **Denominations**

The Notes are in denominations of €1,000 or any integral multiple of €1 in excess thereof of principal amount at maturity. The transfer of Notes may be registered, and Notes may be exchanged, as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

11. **Unclaimed Money**

All moneys paid by the Issuer or the Guarantor to the Trustee or a Paying Agent for the payment of the principal of, or premium, if any, or interest on, any Notes that remain unclaimed at the end of two years after such principal, premium or interest has become due and payable may be repaid to the Issuer or the Guarantor, subject to applicable law, and the Holder of such Note thereafter may look only to the Issuer or the Guarantor for payment thereof.

12. **Discharge and Defeasance**

Subject to certain conditions, the Issuer at any time may terminate some or all of its obligations and the obligations of the Guarantor under the Notes, the Guarantees and the Indenture if the Issuer irrevocably deposits with the Trustee in Euros or European Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. **Amendment, Supplement and Waiver**

(a) Without the consent of any holder of Notes, the Guarantor, the Issuer, the Trustee and the other parties thereto (if applicable) may amend or supplement the Indenture or the Notes:

(i) to cure any ambiguity, defect or inconsistency;

(ii) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(iii) to provide for the assumption of the Guarantor's or the Issuer's obligations to holders of Notes in the case of a merger, consolidation or sale of all or substantially all of the Guarantor's assets;

(iv) to release any Guarantor in accordance with and if permitted by the terms and limitations set forth in the Indenture and to add a Guarantor under the Indenture;

(v) to make such changes as are necessary to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture;

(vi) to make any change that would provide any additional rights or benefits to the holders of Notes or additional covenants or other obligations of the Issuer or any Guarantor or that does not adversely affect the legal rights under the Indenture of any such holder in any material respect;

(vii) [reserved];

(viii) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee thereunder pursuant to the requirements thereof; or

(ix) to provide for the issuance of Additional Notes in accordance with the terms of the Indenture.

For the avoidance of doubt, Articles 470-1 to 470-19 of the Luxembourg amended companies law dated August 10, 1915 do not apply and no noteholders' meetings need to be convened to collect any necessary consent.

(b) Except as provided in Section 9.02(b) of the Indenture, the Indenture, the Notes or the Guarantees may be modified, amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes) and any existing Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). Without the consent of the Holders of 90% (or 75% for so long as the Notes are subject to stapling restrictions in connection with shares in [New Topco]) (or, in the case of clause (ii)(C) below, 60%)of the then outstanding aggregate principal amount of Notes, an amendment, modification or waiver may not (with respect to any such series of Notes held by a non-consenting holder):

(i) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver of provisions of the Indenture;

(ii) (A) reduce the principal (or Additional Amounts, if any) of or change the Stated Maturity of the principal of, or any instalment of Additional Amounts or premium (other

than in the circumstances referred to in (C) below), if any, or interest on, any Note, (B) alter the provisions with respect to the redemption of or premium on the Notes (other than provisions relating to Article Three of this Indenture or in the circumstances referred to in (C) below) or (C) in connection with any transaction involving or which, but for a redemption of the Notes in full, would otherwise result in a Change of Control, waive the requirement to pay, or reduce the amount of, a premium payable on a redemption on any Note;

(iii) reduce the rate of or change the time for payment of interest on any Note;

(iv) waive a Default or Event of Default in the payment of principal of, or interest or premium, or Additional Amounts, if any, on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(v) modify the right to institute suit for the enforcement of any payment of any Note in accordance with the provisions of such Note and the Indenture;

(vi) make any Note payable in money other than that stated in the Notes;

(vii) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or interest or premium or Additional Amounts, if any, on the Notes;

(viii) waive a redemption payment with respect to any Note (other than a payment required by Section 4.15 of the Indenture);

(ix) release the Issuer or any Guarantor from any of its obligations under the Notes, the Guarantees or the Indenture, except in accordance with the terms of the Indenture; or

(xi) make any change in the preceding amendment and waiver provisions.

The consent of the Holders is not necessary to approve the particular form of any proposed amendment, modification, supplement or waiver. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement or waiver.

For the avoidance of doubt, Articles 470-1 to 470-19 of the Luxembourg amended companies law dated August 10, 1915 do not apply and no noteholders' meetings need to be convened to collect any necessary consent.

14. **Defaults and Remedies**

In the case of an Event of Default under Section 6.01(a)(viii) and (ix) of the Indenture, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the holders of at least 25% in principal amount of the then outstanding Notes may, and the Trustee, upon the request of such holders, shall declare all the Notes to be due and payable immediately.

Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

15. **Subordination Agreement**

Each Holder by accepting this Note agrees that the Indenture, including the Guarantees, is subject to the limitations on enforcement and other terms of the Subordination Agreement and that such Holder may not take any Enforcement Action in respect of the Guarantee other than through the Trustee in accordance with the Indenture.

16. **Trustee Dealings with the Issuer**

Subject to certain limitations, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, the Guarantor or any of their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-Registrar, or co-Paying Agent may do the same with like rights.

17. **No Recourse Against Others**

No director, officer, employee, incorporator or stockholder of the Issuer or the Guarantor, as such, shall have any personal liability for any obligations of the Issuer or such Guarantor under the Notes, the Indenture, the Subordination Agreement, the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

18. **Authentication**

This Note shall not be valid until an authorized officer of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

19. **Governing Law**

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAW RULES THEREOF. FOR THE AVOIDANCE OF DOUBT, ARTICLES 470-1 TO 470-19 OF THE LUXEMBOURG AMENDED COMPANIES LAW DATED AUGUST 10, 1915 DO NOT APPLY.

(ii) to net or set off in relation to a Multi-account Overdraft,

in accordance with the terms of the relevant Credit Facility Agreement and to the extent that the demand is required to reduce, or the netting or set-off represents a reduction from, the Permitted Gross Outstandings of that Multi-account Overdraft to or towards an amount equal to its Designated Net Amount.

4. SURETY BOND PROVIDER AND SURETY BOND FACILITY LIABILITIES

4.1 Payment of Surety Bond Facility Liabilities

The Debtors may make Payments of the Surety Bond Facility Liabilities at any time in accordance with, and subject to the provisions of, the Surety Bond Facility Agreements.

4.2 Security: Surety Bond Providers

In addition to the Surety Bond Only Security and the Common Transaction Security, the Surety Bond Providers may take, accept or receive the benefit of:

(a) any Security in respect of the Surety Bond Facility Liabilities from any member of the Group, which to the extent legally possible is, at the same time, also offered either:

(i) to the Security Agent as trustee for (and/or as *mandatario con rappresentanza* of) the other Secured Parties in respect of their Liabilities; or

(ii) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Security Agent as trustee for (and/or as *mandatario con rappresentanza* of) the Secured Parties, to the other Secured Parties in respect of their Liabilities,

and (subject to the terms of this Agreement) ranks in the same order of priority as that contemplated in Clause 2.2 (*Transaction Security*); and

(b) any guarantee, indemnity or other assurance against loss from any member of the Group in respect of the Pari Passu Debt Liabilities in addition to those in:

(i) this Agreement; or

(ii) any Common Assurance,

if and to the extent legally possible at the same time it also offered to the other Secured Parties in respect of their respective Liabilities and (subject to the terms of this Agreement) ranks in the same order of priority as that contemplated in Clause 2 (*Ranking and Priority*).

4.3 **Enforcement of Surety Bond Only Security**

Each Surety Bond Provider may take Enforcement Action in relation to the Surety Bond Only Security provided to it in connection with the relevant Surety Bond Facility at any time in accordance with the terms of the relevant Surety Bond Facility Agreement.

5. PARI PASSU DEBT CREDITORS AND PARI PASSU DEBT LIABILITIES

5.1 **Restriction on Payment: Pari Passu Debt Liabilities**

The Debtors shall not and shall procure that no other member of the Group will, make any Payments of the Pari Passu Debt Liabilities at any time unless:

(a) that Payment is permitted under Clause 5.2 (*Permitted Payments: Pari Passu Debt Liabilities*); or

(b) the taking or receipt of that Payment is permitted under paragraph 5.11(b)(iii) of Clause 5.11 (*Permitted Enforcement: Pari Passu Creditors*).

5.2 **Permitted Payments: Pari Passu Debt Liabilities**

The Debtors may:

(a) prior to the Super Senior Discharge Date, make Payments to the Pari Passu Creditors in respect of the Pari Passu Debt Liabilities then due in accordance with the Pari Passu Debt Documents:

(i) if:

(A) the Payment is of:

(1) any of the principal amount of or capitalised interest on the Pari Passu Debt Liabilities which is not prohibited from being paid by the Super Senior Debt Documents or the Surety Bond Facility Agreements; or

(2) any other amount which is not an amount of principal or previously capitalised interest (including any scheduled interest (whether cash-pay or payment-in-kind) and default interest);

(B) no Pari Passu Payment Stop Notice is outstanding; and

(C) no Super Senior Payment Default has occurred and is continuing; or

(ii) if the Required Super Senior Creditors give prior consent to that Payment being made; and

(b) prior to the Super Senior Discharge Date, redeem or refinance the Senior Secured Notes in full in a manner which is not prohibited by the Super Senior Debt Documents, the Surety Bond Facility Agreements or the Pari Passu Debt Documents; and

(c) on or after the Super Senior Discharge Date, make Payments to the Pari Passu Creditors in respect of the Pari Passu Debt Liabilities owed to them in accordance with the Pari Passu Debt Documents.

5.3 **Issue of Pari Passu Payment Stop Notice**

(a) A Pari Passu Payment Stop Notice is "outstanding" during the period from the date on which, following the occurrence of a Pari Passu Payment Stop Event, a Super Senior Creditor Representative or a Surety Bond Provider issues a notice (a "**Pari Passu Payment Stop Notice**") to each Pari Passu Creditor Representative advising that that Pari Passu Payment Stop Event has occurred and is continuing and suspending Payments of the Pari Passu Debt Liabilities until the first to occur of:

(i) the date which is 179 days after the date of issue of the Pari Passu Payment Stop Notice;

(ii) if a Pari Passu Standstill Period commences after the issue of a Pari Passu Payment Stop Notice, the date on which that Pari Passu Standstill Period expires;

(iii) the date on which the Pari Passu Payment Stop Event in respect of which that Pari Passu Payment Stop Notice was issued is no longer continuing;

(iv) the date on which the Super Senior Creditor Representative or Surety Bond Provider which issued the Pari Passu Payment Stop Notice cancels that Pari Passu Payment Stop Notice by notice to each Pari Passu Creditor Representative; and

(v) the Super Senior Discharge Date.

(b) No Pari Passu Payment Stop Notice may be served by a Super Senior Creditor Representative or Surety Bond Provider in reliance on a particular Pari Passu Payment Stop Event more than 60 days after the date that Super Senior Creditor Representative or Surety Bond Provider, as applicable, received notice of the occurrence of the event constituting that Pari Passu Payment Stop Event.

(c) No more than one Pari Passu Payment Stop Notice may be served with respect to the same event or set of circumstances.

(d) No Pari Passu Payment Stop Notice may be served in respect of a Super Senior Event of Default notified to a Super Senior Creditor Representative or a Surety Bond Provider at the time at which it issued an earlier Pari Passu Payment Stop Notice.

(e) No more than one Pari Passu Payment Stop Notice may be served in any period of 360 days.

5.4 **Effect of Pari Passu Payment Stop Event or Super Senior Payment Default**

Any failure to make a Payment due under the Pari Passu Debt Documents as a result of the issue of a Pari Passu Payment Stop Notice or the occurrence of a Super Senior Payment Default shall not prevent:

(a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Pari Passu Debt Documents; or

(b) the issue of a Pari Passu Enforcement Notice on behalf of the Pari Passu Creditors.

5.5 **Payment obligations and capitalisation of interest continue**

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Pari Passu Debt Document by the operation of Clauses 5.1 (*Restriction on Payment: Pari Passu Debt Liabilities*) to 5.4 (*Effect of Pari Passu Payment Stop Event or Super Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest in accordance with the Pari Passu Debt Documents shall continue notwithstanding the issue of a Pari Passu Payment Stop Notice.

5.6 **Cure of Payment Stop: Pari Passu Creditors**

If:

(a) at any time following the issue of a Pari Passu Payment Stop Notice or the occurrence of a Super Senior Payment Default, that Pari Passu Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Super Senior Payment Default ceases to be continuing; and

(b) the relevant Debtor then promptly pays to the Pari Passu Creditors an amount equal to any Payments which had accrued under the Pari Passu Debt Documents and which would have been Permitted Pari Passu Debt Payments but for that Pari Passu Payment Stop Notice or Super Senior Payment Default,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Pari Passu Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Pari Passu Creditors.

5.7 **Pari Passu Debt Purchase Transactions**

(a) Subject to paragraph (b) below, the Debtors shall not, and shall procure that no other member of the Group will, enter into any Pari Passu Debt Purchase Transaction or beneficially own all or any part of the share capital of a company that is a Pari Passu Creditor or a party to a Pari Passu Debt Purchase Transaction of

the type referred to in paragraphs (b) or (c) of the definition of Pari Passu Debt Purchase Transaction.

(b) Paragraph (a) above shall not apply in respect of:

(i) any redemption in full of the Senior Secured Notes in a manner which is not prohibited by the Super Senior Debt Documents, the Surety Bond Facility Agreements or the Pari Passu Debt Documents; or

(ii) any action which occurs:

(A) either:

(1) on or after the Super Senior Discharge Date; or

(2) in accordance with the Super Senior Debt Documents; and

(B) in accordance with the Pari Passu Debt Documents.

5.8 **Amendments and Waivers: Pari Passu Creditors**

The Pari Passu Debt Creditors and the Debtors may amend or waive the terms of the Pari Passu Debt Documents in accordance with their terms (and subject to any consent required under them) at any time.

5.9 **Security: Pari Passu Debt Creditors**

At any time prior to the Super Senior Discharge Date, the Pari Passu Debt Creditors may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from (or over the assets of or over the shares in) any Oldco Guarantor or member of the Group in respect of the Pari Passu Debt Liabilities other than:

(a) the Common Transaction Security;

(b) any guarantee, indemnity or other assurance against loss contained in:

(i) the original form of the Senior Secured Notes Indenture;

(ii) this Agreement; or

(iii) any Common Assurance; and

(c) as otherwise contemplated by Clause 3.2 (*Security: Super Senior Debt Creditors*),

unless the prior consent of the Required Super Senior Creditors is obtained.

5.10 **Restriction on Enforcement: Pari Passu Creditors**

Subject to Clause 5.11 (*Permitted Enforcement: Pari Passu Creditors*), no Pari Passu Creditor shall be entitled to take any Enforcement Action in respect of any of the Pari Passu Debt Liabilities prior to the Super Senior Discharge Date.

5.11 **Permitted Enforcement: Pari Passu Creditors**

(a) Each Pari Passu Creditor may take Enforcement Action which would be available to it but for Clause 5.10 (*Restriction on Enforcement: Pari Passu Creditors*) in

respect of any of the Pari Passu Debt Liabilities if at the same time as, or prior to, that action and subject to Clause 5.12 (*Restriction on Enforcement against Debtors: Pari Passu Creditors*):

(i) a Super Senior Debt Acceleration Event or a Surety Bond Facility Acceleration Event has occurred in which case each Pari Passu Creditor may take the same Enforcement Action (but in respect of the Pari Passu Liabilities) as constitutes that Super Senior Debt Acceleration Event or Surety Bond Facility Acceleration Event;

(ii) an Oldco Super Senior Acceleration Event has occurred in which case each Pari Passu Creditor may take the same Enforcement Action (but in respect of the Pari Passu Liabilities) as constitutes that Oldco Super Senior Acceleration Event;

(iii)

(A) a Pari Passu Creditor Representative has given notice (a "**Pari Passu Enforcement Notice**") to each Super Senior Creditor Representative, each Surety Bond Provider and each Super Senior Hedge Counterparty specifying that a Pari Passu Event of Default other than an Oldco Event of Default has occurred and is continuing; and

(B) a period (a "**Pari Passu Standstill Period**") of not less than 179 days has elapsed from the date on which that Pari Passu Enforcement Notice becomes effective in accordance with Clause 28.4 (*Delivery*); and

(C) that Pari Passu Event of Default is continuing at the end of the Pari Passu Standstill Period; or

(iv) the Required Super Senior Creditors have given their prior consent.

(b) After the occurrence of an Insolvency Event in relation to any member of the Group, each Pari Passu Creditor may (unless otherwise directed by the Security Agent or unless the Security Agent has taken, or has given notice that it intends to take, action on behalf of that Pari Passu Creditor in accordance with Clause 10.5 (*Filing of claims*)) exercise any right they may otherwise have against that member of the Group to:

(i) accelerate any of that member of the Group's Pari Passu Debt Liabilities or declare them prematurely due and payable or payable on demand;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Group in respect of any Pari Passu Debt Liabilities;

(iii) exercise any right of set-off or take or receive any Payment in respect of any Pari Passu Debt Liabilities of that member of the Group; or

(iv) claim and prove in any insolvency process of that member of the Group for the Pari Passu Debt Liabilities owing to it.

(c) After the occurrence of an Insolvency Event in relation to any Oldco Guarantor, each Pari Passu Creditor may (unless otherwise directed by the Security Agent or unless the Security Agent has taken, or has given notice that it intends to take, action on behalf of that Pari Passu Creditor in accordance with Clause 10.5 (*Filing of claims*)) exercise any right they may otherwise have against that Oldco Guarantor to:

(i) accelerate any of that Oldco Guarantor's Pari Passu Debt Liabilities or declare them prematurely due and payable or payable on demand;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Oldco Guarantor in respect of any Pari Passu Debt Liabilities;

(iii) exercise any right of set-off or take or receive any Payment in respect of any Pari Passu Debt Liabilities of that Oldco Guarantor; or

(iv) claim and prove in any insolvency process of that Oldco Guarantor for the Pari Passu Debt Liabilities owing to it.

5.12 **Restriction on Enforcement against Debtors: Pari Passu Creditors**

(i) the date which is 179 days after the date on which the Security Agent (or that Receiver or Delegate) gave that notice; and

(ii) the Security Agent (or that Receiver or Delegate) notifying the Pari Passu Creditor Representatives (which it shall do promptly) that such action is no longer being taken.

(b) Paragraph (a) above shall not apply:

(i) to the extent that the Security Agent is taking that action on the instructions of the Pari Passu Creditors pursuant to Clause 13.4 (*Manner of enforcement*); and

(ii) to action taken pursuant to paragraph 5.11(b) of Clause 5.11 (*Permitted Enforcement: Pari Passu Creditors*).

6. HEDGE COUNTERPARTIES AND HEDGING LIABILITIES

(a) Subject to paragraph (b) below, no entity providing hedging arrangements to any Debtor shall be entitled to share in any of the Transaction Security or in the benefit of any guarantee or indemnity in respect of any of the liabilities and obligations arising in relation to those hedging arrangements nor shall those liabilities and obligations be treated as Hedging Liabilities unless that entity is or becomes a Party as a Hedge Counterparty.

(b) Paragraph (a) above shall not apply to a Hedging Ancillary Lender.

6.2 Restriction on Payments: Hedging Liabilities

The Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Hedging Liabilities at any time unless:

(a) that Payment is permitted under Clause 6.3 (*Permitted Payments: Hedging Liabilities*); or

(b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 6.9 (*Permitted Enforcement: Hedge Counterparties*).

6.3 Permitted Payments: Hedging Liabilities

(a) Subject to paragraph (b) below, the Debtors may make Payments to any Hedge Counterparty in respect of the Hedging Liabilities then due to that Hedge Counterparty under any Hedging Agreement in accordance with the terms of that Hedging Agreement:

(i) if the Payment is a scheduled Payment arising under the relevant Hedging Agreement;

(ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:

(A) any of sections 2(d) (*Deduction or Withholding for Tax*), 2(e) (*Default Interest; Other Amounts*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*) and 11 (*Expenses*) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) any of sections 2(d) (*Deduction or Withholding for Tax*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*), 9(h)(i) (*Prior to Early Termination*) and 11 (*Expenses*) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;

(iv) to the extent that:

(A) the relevant Debtor's obligation to make the Payment arises from:

(1) a Credit Related Close-Out in relation to that Hedging Agreement; or

(2) a Permitted Automatic Early Termination under that Hedging Agreement which arises as a result of an event relating to a Debtor; and

(B) no Event of Default is continuing at the time of that Payment or would result from that Payment;

(v) to the extent that no Event of Default is continuing or would result from that Payment and the relevant Debtor's obligation to make the Payment arises as a result of a close-out or termination arising as a result of:

(A) section 5(a)(vii) (*Bankruptcy*) of the 1992 ISDA Master Agreement (if the relevant Hedging Agreement is based on a 1992 ISDA Master Agreement) and the Event of Default (as defined in the relevant Hedging Agreement) has occurred with respect to the relevant Hedge Counterparty;

(B) section 5(a)(vii) (*Bankruptcy*) of the 2002 ISDA Master Agreement (if the relevant Hedging Agreement is based on a 2002 ISDA Master Agreement) and the Event of Default (as defined in the relevant Hedging Agreement) has occurred with respect to the relevant Hedge Counterparty;

(C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement) and the equivalent event of default has occurred with respect to the relevant Hedge Counterparty; or

(D) the relevant Debtor terminating or closing-out the relevant Hedging Agreement as a result of a Hedging Force Majeure and the Termination Event (as defined in the relevant Hedging Agreement in the case of a Hedging Agreement based on an ISDA Master Agreement) or the equivalent termination event (in the case of a Hedging Agreement not based on an ISDA Master Agreement) has occurred with respect to the relevant Hedge Counterparty; or

(vi) if the Required Super Senior Creditors and the Required Pari Passu Creditors (in each case excluding the Hedge Counterparty which is to receive the Payment) give prior consent to the Payment being made.

(b) No Payment may be made to a Hedge Counterparty under paragraph (a) above if any scheduled Payment due from that Hedge Counterparty to a Debtor under a Hedging Agreement to which they are both party is due and unpaid unless the prior consent of the Required Super Senior Creditors and the Required Pari Passu Creditors (in each case excluding the Hedge Counterparty party to the relevant Hedging Agreement) is obtained.

(c) For the avoidance of doubt, no payment will be due and unpaid if a Hedge Counterparty is entitled to withhold any payment pursuant to Section 2(a)(iii) of the ISDA Master Agreement, or if the Hedging Agreement is not based on an ISDA Master Agreement, any provision which is similar in meaning and effect to such provision.

(d) Failure by a Debtor to make a Payment to a Hedge Counterparty which results solely from the operation of paragraph (b) above shall, without prejudice to Clause 6.4 (*Payment obligations continue*), not result in a default (however described) in respect of that Debtor under that Hedging Agreement.

6.4 **Payment obligations continue**

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 6.2 (*Restriction on Payments: Hedging Liabilities*) and 6.3 (*Permitted Payments: Hedging Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

6.5 **No acquisition of Hedging Liabilities**

The Debtors shall not, and shall procure that no other member of the Group will:

(a) enter into any Liabilities Acquisition; or

6.7 **Security: Hedge Counterparties**

The Hedge Counterparties may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any member of the Group in respect of the Hedging Liabilities other than:

(a) the Common Transaction Security;

(c) as otherwise contemplated by Clauses 3.2 (*Security: Super Senior Debt Creditors*) and 5.9 (*Security: Pari Passu Debt Creditors*); and

(d) the indemnities contained in the ISDA Master Agreements (in the case of a Hedging Agreement which is based on an ISDA Master Agreement) or any indemnities which are similar in meaning and effect to those indemnities (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement).

6.8 **Restriction on Enforcement: Hedge Counterparties**

Subject to Clause 6.9 (*Permitted Enforcement: Hedge Counterparties*) and Clause 6.10 (*Required Enforcement: Hedge Counterparties*) and without prejudice to each Hedge Counterparty's rights under Clauses 13.3 (*Enforcement Instructions*) and 13.4 (*Manner of enforcement*), the Hedge Counterparties shall not take any Enforcement Action in respect of any of the Hedging Liabilities or any of the hedging transactions under any of the Hedging Agreements at any time.

6.9 **Permitted Enforcement: Hedge Counterparties**

(a) To the extent it is able to do so under the relevant Hedging Agreement, a Hedge Counterparty may terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement prior to its stated maturity:

Non-Credit Related Close-Outs

(i) if, prior to a Distress Event, the Parent has certified to that Hedge Counterparty that that termination or close-out would not result in a breach of any term of a Super Senior Debt Document, a Surety Bond Facility Agreement or a Pari Passu Debt Document;

(ii) if a Hedging Force Majeure has occurred in respect of that Hedging Agreement;

(iii) to the extent necessary to comply with paragraph (c) of Clause 6.13 (*Total Interest Rate Hedging and Total Exchange Rate Hedging*);

(iv) to ensure that the Common Currency Amount of a Hedge Counterparty's Debt Related Hedging Liabilities does not exceed its Allocated Super Senior Hedging Amount;

(v) on or immediately following:

(A) a refinancing (or repayment) and cancellation in full of the Super Senior Debt Liabilities and/or Pari Passu Debt Liabilities; or

(B) a refinancing (or repayment) and cancellation in part of the Super Senior Debt Liabilities and/or Pari Passu Debt Liabilities to the extent that:

(1) the relevant Hedging Agreement was entered into to hedge such Super Senior Debt Liabilities and/or Pari Passu Debt Liabilities (as applicable); or

(2) if the relevant Hedge Counterparty was also a Pari Passu Debt Creditor and/or a Super Senior Debt Creditor immediately prior to such refinancing (or repayment) and cancellation, as a result thereof it is neither a Pari Passu Debt Creditor nor a Super Senior Debt Creditor.

Credit Related Close-Outs

(vi) if a Distress Event has occurred;

(vii) if an Event of Default has occurred under Section 6.01(a)(viii), (ix) or (xi) (*Events of Default*) of the Initial Super Senior Notes Indenture (or any substantially equivalent provision of a Credit Facility Agreement, Surety Bond Facility Agreement, Super Senior Notes Indenture, Pari Passu Facility Agreement or Pari Passu Notes Indenture) in relation to a Debtor which is party to that Hedging Agreement;

(viii) if the Required Super Senior Creditors and the Required Pari Passu Creditors (in each case excluding the Hedge Counterparty that is party to the relevant Hedging Agreement) give prior consent to that termination or close-out being made.

(b) If a Debtor has defaulted under a Hedging Agreement for failing to make any Payment due (after allowing any applicable notice or grace periods) and the default has continued unwaived for more than five (5) Business Days after notice of that default has been given to the Security Agent pursuant to paragraph (h) of Clause 27.3 (*Notification of prescribed events*), with a copy to the relevant Debtor, the relevant Hedge Counterparty:

(i) may, to the extent it is able to do so under the relevant Hedging Agreement, terminate or close-out in whole or in part all hedging transactions under that Hedging Agreement; and

(ii) until such time as the Security Agent has given notice to that Hedge Counterparty that the Transaction Security is being enforced (or that any formal steps are being taken to enforce the Transaction Security), shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Agreement.

(c) After the occurrence of an Insolvency Event in relation to any member of the Group, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that member of the Group to:

(i) prematurely close-out or terminate any Hedging Liabilities of that member of the Group;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Group in respect of any Hedging Liabilities;

(iii) exercise any right of set-off or take or receive any Payment in respect of any Hedging Liabilities of that member of the Group; or

(iv) claim and prove in any insolvency process of that member of the Group for the Hedging Liabilities owing to it.

6.10 **Required Enforcement: Hedge Counterparties**

(a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:

(i) the occurrence of a Super Senior Acceleration Event and delivery to it of a notice from the Security Agent that that Super Senior Acceleration Event has occurred; and

(ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of the Instructing Group) instructing it to do so.

(b) Paragraph (a) above shall not apply to the extent that that Super Senior Acceleration Event occurred as a result of an arrangement made between any Debtor and any Primary Creditor with the purpose of bringing about that Super Senior Acceleration Event.

(c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 6.9 (*Permitted Enforcement: Hedge Counterparties*) (or would have been able to if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Security Agent (acting on the instructions of the Instructing Group).

6.11 **Treatment of Payments due to Debtors on termination of hedging transactions**

(a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.

(b) The payment of that amount by the Hedge Counterparty to the Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

6.12 **Terms of Hedging Agreements**

The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:

(a) each Hedging Agreement documents only hedging arrangements entered into for the purpose of hedging the types of liabilities described in the definition of "**Hedging Agreement**" and that no other hedging arrangements are carried out under or pursuant to a Hedging Agreement;

(b) each Hedging Agreement is based either:

(i) on an ISDA Master Agreement; or

(ii) on another framework agreement which is similar in effect to an ISDA Master Agreement;

(c) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

(i) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or

(ii) an event similar in meaning and effect to either of those described in paragraph (i) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

(A) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "**Second Method**" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

(B) if it is based on a 2002 ISDA Master Agreement, make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or

(C) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour;

(d) each Hedging Agreement will not provide for Automatic Early Termination other than to the extent that:

(i) the provision of Automatic Early Termination is consistent with practice in the relevant derivatives market, taking into account the legal status and jurisdiction of incorporation of the parties to that Hedging Agreement; and

(ii) that Automatic Early Termination is:

(A) as provided for in section 6(a) (Right to Terminate following Event of Default) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) as provided for in section 6(a) (Right to Terminate Following Event of Default) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) similar in effect to that described in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(e) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to Clause 6.10 (*Required Enforcement: Hedge Counterparties*); and

(f) each Hedging Agreement will permit the relevant Hedge Counterparty and each relevant Debtor to take such action as may be necessary to comply with Clause 6.13 (*Total Interest Rate Hedging and Total Exchange Rate Hedging*).

6.13 **Total Interest Rate Hedging and Total Exchange Rate Hedging**

(a) The Parent shall procure that, at all times:

(i) the Total Interest Rate Hedging with respect to a Relevant Hedged Debt does not exceed the Term Outstandings with respect to that Relevant Hedged Debt; and

(ii) the Total Exchange Rate Hedging with respect to a Relevant Hedged Debt does not exceed the Term Outstandings with respect to that Relevant Hedged Debt.

(b) Subject to paragraph (a) above, if:

(i) the Total Interest Rate Hedging with respect to a Relevant Hedged Debt is less than the Term Outstandings with respect to that Relevant Hedged Debt, a Debtor may (but, shall be under no obligation to) enter into additional

hedging arrangements to increase the Total Interest Rate Hedging with respect to that Relevant Hedged Debt; or

(ii) the Total Exchange Rate Hedging with respect to a Relevant Hedged Debt is less than the Term Outstandings with respect to that Relevant Hedged Debt, a Debtor may (but, shall be under no obligation to) enter into additional hedging arrangements to increase the Total Exchange Rate Hedging with respect to that Relevant Hedged Debt.

(c) If:

(i) transactions have been entered into under Hedging Agreements (the "**Relevant Hedging Transactions**") to hedge currency or interest rate risk in respect of Super Senior Debt Liabilities and/or Pari Passu Debt Liabilities (the "**Relevant Hedged Debt**");

(ii) the Relevant Hedged Debt relating to such Relevant Hedging Transactions is reduced (in whole or in part) in accordance with the Super Senior Debt Documents and the Pari Passu Debt Documents, as the case may be; and

(iii) the reduction in such Relevant Hedged Debt results in:

(A) an Interest Rate Hedge Excess with respect to that Relevant Hedged Debt then, on the same day as that reduction becomes effective in accordance with the terms of the relevant Debt Document (save as otherwise expressly agreed between the relevant Debtor and the relevant Hedge Counterparty in the relevant Hedging Agreement), the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Interest Rate Hedging with respect to that Relevant Hedged Debt by that Hedge Counterparty's Interest Rate Hedging Proportion, with respect to that Relevant Hedged Debt, of that Interest Rate Hedge Excess by terminating or closing out all Relevant Hedging Transaction(s) in full or in part, as may be necessary; or

(B) an Exchange Rate Hedge Excess with respect to that Relevant Hedged Debt then, on the same day as that reduction becomes effective in accordance with the terms of the relevant Debt Document (save as otherwise expressly agreed between the relevant Debtor and the relevant Hedge Counterparty in the relevant Hedging Agreement), the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Exchange Rate Hedging with respect to that Relevant Hedged Debt by that Hedge Counterparty's Exchange Rate Hedging Proportion, with respect to that Relevant Hedged Debt, of that Exchange Rate Hedge Excess by terminating or closing out all Relevant Hedging Transaction(s) in full or in part, as may be necessary.

(d) The relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) will, pay to that Hedge Counterparty (in accordance with the relevant Hedging Agreement) an amount equal to the sum of all payments (if any) that become due from each relevant Debtor to a Hedge Counterparty under the relevant Hedging Agreement(s) as a result of any action described in paragraph (c) above.

(e) Each Hedge Counterparty shall co-operate in any process described in paragraph (c) above and shall pay (in accordance with the relevant Hedging Agreement(s)) any amount that becomes due from it under the relevant Hedging Agreement(s) to a Debtor as a result of any action described in paragraph (c) above.

6.14 **Allocation of Super Senior Hedging Liabilities**

(a) The Parent may from time to time allocate (or reallocate or effect the release of any previous allocation of) the Super Senior Hedging Amount in whole or in part to one or more Hedge Counterparties subject to this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*).

(b) Any allocation or reallocation or release of any previous allocation of the Super Senior Hedging Amount (whether in whole or in part) by the Parent shall only take effect on receipt by the Security Agent (which receipt shall be acknowledged promptly) of a Super Senior Hedging Certificate which complies with the conditions set out in this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*).

(c) The Security Agent shall only be required to recognise and give effect to any allocation, reallocation or release of the Super Senior Hedging Amount to a Hedge Counterparty requested by the Parent pursuant to any Super Senior Hedging Certificate to the extent such Super Senior Hedging Certificate:

(ii) has been duly executed by: (A) the Parent; (B) the Hedge Counterparty to whom any portion of the available Super Senior Hedging Amount is to be allocated and (C) if applicable, any Hedge Counterparty who is to release any portion of any Super Senior Hedging Amount previously allocated to it in accordance with this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*);

(iii) has been delivered to the Security Agent on or prior to the later of (A) the Effective Date and (B) entry into the first Hedging Agreement with such Hedge Counterparty in respect of which an allocation of the Super Senior Hedging Amount is being requested;

(iv) identifies the portion of the Super Senior Hedging Amount (by reference to an amount in the Common Currency) that is to be allocated to the proposed new Super Senior Hedge Counterparty and/or released by an existing Super Senior Hedge Counterparty;

(v) identifies the relevant Hedging Agreement pursuant to which the relevant Hedging Liabilities arise; and

(vi) complies with paragraph (d) below and does not otherwise purport to allocate any part of the Super Senior Hedging Amount which is not available for allocation or which has previously been allocated and not released to any other Hedge Counterparty pursuant to this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*).

(d) No Allocated Super Senior Hedging Amount may, whether on an individual basis or when aggregated with all previously Allocated Super Senior Hedging Amounts to the extent not released pursuant to this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*) exceed the lower of:

(i) the Super Senior Hedging Amount; and

(ii) any hedging limit specified in any Super Senior Debt Document, Surety Bond Facility Agreement or any Pari Passu Debt Document entered into after the Effective Date and notified in writing to the Security Agent by the relevant Creditor Representative or Surety Bond Provider to the extent that such limit is not lower than the aggregate of all Allocated Super Senior Hedging Amounts existing as at the date of notification.

(e) The Security Agent shall not accept or give effect to any Super Senior Hedging Certificate to the extent it allocates or purports to allocate any part of the Super Senior Hedging Amount in breach of paragraph (d) above and if, for any reason, the aggregate Allocated Super Senior Hedging Amount at any time exceeds the Super Senior Hedging Amount, only the amounts so notified to the Security Agent, which, taken in the order of being accepted by the Security Agent, add up to, but do not exceed, the Super Senior Hedging Amount shall be treated as Allocated Super Senior Hedging Amounts.

(f) An Allocated Super Senior Hedging Amount may not be:

(i) subject to paragraph (e) above, changed without the prior written consent of the relevant Hedge Counterparty to whom such Allocated Super Senior Hedging Amount has been allocated pursuant to this Clause 6.14 (*Allocation of Super Senior Hedging Liabilities*); or

(ii) allocated to another Hedge Counterparty or to any other Hedging Liabilities or Hedging Agreement other than through delivery of a Super Senior Hedging Certificate duly executed by the Parent and each Hedge Counterparty who agrees to release or reallocate any part of the Allocated Super Senior Hedging Amount.

(g) The Security Agent shall maintain a register for the recording of the names and addresses of the Hedge Counterparties and the Allocated Super Senior Hedging Amounts of each such Hedge Counterparty (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Parent, the Security

Agent and the Hedge Counterparties shall treat each person whose name is recorded in the Register as a Super Senior Hedge Counterparty for the purposes of this Agreement to the extent of its Super Senior Hedging Liabilities. The Register shall be available for inspection by the Parent and any Hedge Counterparty, at all reasonable times and on reasonable notice to the Security Agent.

(vii) the transfer is made without recourse to, or representation or warranty from, the Super Senior Debt Creditors, except that each Super Senior Debt Creditor shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.

12.2 **Reversal of redistribution**

(a) If any part of the Shared Amount received or recovered by a Recovering Creditor becomes repayable or returnable to a Debtor and is repaid or returned by that Recovering Creditor to that Debtor, then:

(ii) hold any Non-Cash Recoveries through another person; and

(iii) hold any amount of Non-Cash Recoveries for so long as that Creditor Representative shall think fit for later application pursuant to paragraph (a) above.

16.4 **Alternative to Non-Cash Consideration**

(a) If any Non-Cash Recoveries are to be distributed pursuant to Clause 18 (*Application of Proceeds*), the Security Agent shall (prior to that distribution and taking into account the Liabilities then outstanding and the cash value of those Non-Cash Recoveries) notify the Primary Creditors entitled to receive those Non-Cash Recoveries pursuant to that distribution (the "**Entitled Creditors**").

(b) If:

(i) it would be unlawful for an Entitled Creditor to receive such Non-Cash Recoveries (or it would otherwise conflict with that Entitled Creditor's constitutional documents for it to do so); and

(ii) that Entitled Creditor promptly so notifies the Security Agent and supplies such supporting evidence as the Security Agent may reasonably require,

that Primary Creditor shall be a "**Cash Only Creditor**" and the Non-Cash Recoveries to which it is entitled shall be "**Retained Non-Cash**".

(c) To the extent that, in relation to any distribution of Non-Cash Recoveries, there is a Cash Only Creditor:

(i) the Security Agent shall not distribute any Retained Non-Cash to that Cash Only Creditor (or to any Credit Facility Agent on behalf of that Cash Only

Creditor) but shall otherwise treat the Non-Cash Recoveries in accordance with this Agreement;

(ii) if that Cash Only Creditor is a Credit Facility Creditor or a Pari Passu Facility Creditor the Security Agent shall notify the relevant Credit Facility Agent of that Cash Only Creditor's identity and its status as a Cash Only Creditor; and

(iii) to the extent notified pursuant to paragraph (ii) above, no Credit Facility Agent shall distribute any of those Non-Cash Recoveries to that Cash Only Creditor.

(d) Subject to Clause 16.5 (*Security Agent protection*), the Security Agent shall hold any Retained Non-Cash and shall, acting on the instructions of the Cash Only Creditor entitled to it, manage, exploit, collect, realise and dispose of that Retained Non-Cash for cash consideration and shall distribute any Cash Proceeds of that Retained Non-Cash to that Cash Only Creditor in accordance with Clause 18 (*Application of Proceeds*).

(e) On any such distribution of Cash Proceeds which are attributable to a disposal of any Retained Non-Cash, the extent to which such distribution is treated as discharging the Liabilities due to the relevant Cash Only Creditor shall be determined by reference to:

(i) the valuation which determined the extent to which the distribution of the Non-Cash Recoveries to the other Entitled Creditors discharged the Liabilities due to those Entitled Creditors; and

(ii) the Retained Non-Cash to which those Cash Proceeds are attributable.

(f) Each Primary Creditor shall, following a request by the Security Agent (acting in accordance with Clause 15.8 (*Security Agent's actions*)), notify the Security Agent of the extent to which paragraph (b)(i) above would apply to it in relation to any distribution or proposed distribution of Non-Cash Recoveries.

16.5 **Security Agent protection**

(a) No Distressed Disposal or Debt Disposal may be made in whole or part for Non-Cash Consideration if the Security Agent has reasonable grounds for believing that its receiving, distributing, holding, managing, exploiting, collecting, realising or disposing of that Non-Cash Consideration would have an adverse effect on it.

(b) If Non-Cash Consideration is distributed to the Security Agent pursuant to Clause 11.3 (*Turnover by the Creditors*) the Security Agent may, at any time after notifying the Creditors entitled to that Non-Cash Consideration and notwithstanding any instruction from a Creditor or group of Creditors pursuant to the terms of any Debt Document, immediately realise and dispose of that Non-Cash Consideration for cash consideration (and distribute any Cash Proceeds of that Non-Cash Consideration to the relevant Creditors in accordance with Clause 18 (*Application of Proceeds*)) if the Security Agent has reasonable grounds for believing that

holding, managing, exploiting or collecting that Non-Cash Consideration would have an adverse effect on it.

(c) If the Security Agent holds Retained Non-Cash for a Cash Only Creditor (each as defined in Clause 16.4 (*Alternative to Non-Cash Consideration*)) the Security Agent may at any time, after notifying that Cash Only Creditor and notwithstanding any instruction from a Creditor or group of Creditors pursuant to the terms of any Debt Document, immediately realise and dispose of that Retained Non-Cash for cash consideration (and distribute any Cash Proceeds of that Retained Non-Cash to that Cash Only Creditor in accordance with Clause 18 (*Application of Proceeds*)) if the Security Agent has reasonable grounds for believing that holding, managing, exploiting or collecting that Retained Non-Cash would have an adverse effect on it.

17. FURTHER ASSURANCE – DISPOSALS AND RELEASES

(a) Each Creditor and Debtor will:

(i) do all things that the Security Agent requests in order to give effect to Clause 14 (*Non-Distressed Disposals*) and Clause 15 (*Distressed Disposals and Appropriation*) (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary to give effect to the releases or disposals contemplated by those Clauses); and

(ii) if the Security Agent is not entitled to take any of the actions contemplated by those Clauses or if the Security Agent requests that any Creditor or Debtor take any such action, take that action itself in accordance with the instructions of the Security Agent,

provided that the proceeds of those disposals are applied in accordance with Clause 14 (*Non-Distressed Disposals*) or Clause 15 (*Distressed Disposals and Appropriation*) as the case may be. For the purpose of this Clause 17, each Secured Party exempts the Security Agent from any restrictions imposed by article 1394 of the Italian Civil Code (and any equivalent restriction under any other applicable law) in this respect (to the extent legally possible).

(b) Without prejudice to paragraph (a) above, the Security Agent shall (at the cost and expense of the relevant Debtor or the Parent but without the need for any further consent, sanction, authority or further confirmation from any Creditor or Debtor) promptly enter into (or procure that any relevant person enters into) and deliver such documentation and/or take such other action as the Parent (acting reasonably) shall require to give effect to any release or other matter contemplated by Clause 14 (*Non-Distressed Disposals*) and Clause 15 (*Distressed Disposals and Appropriation*).

(c) Notwithstanding anything to the contrary in any Debt Document, nothing in any Security Document shall operate or be construed so as to prevent any transaction, matter or other step not prohibited by the terms of this Agreement and the other Debt Documents (a "**Permitted Transaction**"). The Security Agent (on behalf of

the Secured Parties) hereby agrees (and is irrevocably authorised and instructed by the Secured Parties to do so without any consent, sanction, authority or further confirmation from any Party) that it shall (at the request and cost of the Parent) promptly execute any release or other document and/or take such other action under or in relation to any Debt Document (or any asset subject or expressed to be subject to any Security Document) as is requested by the Parent in order to complete, implement or facilitate a Permitted Transaction.

18.4 **Surety Bond Only Security**

All amounts from time to time received or recovered by a Surety Bond Provider in connection with the realisation or enforcement of all or any part of the relevant Surety Bond Only Security shall be applied, to the extent permitted by applicable law (and subject to the provisions of this Clause 18), in the following order of priority:

(a) first, for application towards the relevant Surety Bond Facility Liabilities (in accordance with the terms of the relevant Surety Bond Facility Agreement) up to an aggregate maximum amount equal to the Relevant Surety Bond Facility Priority Amount; and

(b) the balance, if any, in accordance with Clause 18.1 (*Order of application*).

18.5 **Investment of Cash Proceeds**

Prior to the application of the proceeds of the Security Property in accordance with Clause 18.1 (*Order of application*) the Security Agent may, in its discretion, hold all or part of any Cash Proceeds in one or more interest bearing suspense or impersonal accounts in the name of the Security Agent with such financial institution (including itself) and for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those monies in the Security Agent's discretion in accordance with the provisions of this Clause 18.

18.6 **Currency conversion**

(a) For the purpose of, or pending the discharge of, any of the Secured Obligations the Security Agent may:

18.8 **Good Discharge**

(a) Any distribution or payment to be made in respect of the Secured Obligations by the Security Agent:

(i) may be made to the relevant Creditor Representative on behalf of its Primary Creditors;

(ii) may be made to the Relevant Issuing Bank or Relevant Ancillary Lender in accordance with paragraph (b)(i) of Clause 18.3 (*Treatment of Credit Facility Cash Cover and Credit Facility Lender Cash Collateral*);

(iii) shall be made directly to each Surety Bond Provider; or

(c) The Security Agent is under no obligation to make the payments to the Creditor Representatives, Surety Bond Providers or the Hedge Counterparties under paragraph (a) above in the same currency as that in which the Liabilities owing to the relevant Primary Creditor are denominated pursuant to the relevant Debt Document.

18.9 **Calculation of Amounts**

For the purpose of calculating any person's share of any amount payable to or by it, the Security Agent shall be entitled to:

(a) notionally convert the Liabilities owed to any person into a common base currency (decided in its discretion by the Security Agent), that notional conversion to be made at the spot rate at which the Security Agent is able to purchase the notional base currency with the actual currency of the Liabilities owed to that person at the time at which that calculation is to be made; and

(b) assume that all amounts received or recovered as a result of the enforcement or realisation of the Security Property are applied in discharge of the Liabilities in accordance with the terms of the Debt Documents under which those Liabilities have arisen.

19. EQUALISATION

19.1 Equalisation Definitions

For the purposes of this Clause 19:

"**Enforcement Date**" means the first date (if any) on which a Super Senior Creditor takes enforcement action of the type described in paragraphs (a)(i), (a)(iii), (a)(iv) or (c) of the definition of "**Enforcement Action**" in accordance with the terms of this Agreement.

"**Exposure**" means:

(a) in relation to a Credit Facility Lender, the aggregate amount of its participation (if any, and without double counting) in all Utilisations outstanding under the Credit Facility Agreements at the Enforcement Date (assuming all contingent liabilities

which have become actual liabilities since the Enforcement Date to have been actual liabilities at the Enforcement Date (but not including, for these purposes only, any interest that would have accrued from the Enforcement Date to the date of actual maturity in respect of those liabilities) and assuming any transfer of claims between Credit Facility Lenders pursuant to any loss-sharing arrangement in the Credit Facility Agreements which has taken place since the Enforcement Date to have taken place at the Enforcement Date) together with the aggregate amount of all accrued interest, fees and commission owed to it under the Credit Facility Agreement and amounts owed to it by a Debtor in respect of any Ancillary Facility but excluding:

(i) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that Credit Facility Cash Cover has been provided by a Debtor in respect of that amount and is available to that Credit Facility Lender pursuant to the relevant Credit Facility Cash Cover Document; and

(ii) any amount outstanding in respect of a Letter of Credit to the extent (and in the amount) that Credit Facility Cash Cover has been provided by a Debtor in respect of that amount and is available to the party it has been provided for pursuant to the relevant Credit Facility Cash Cover Document; and

(b) in relation to a Hedge Counterparty:

(i) if that Hedge Counterparty has terminated or closed out any hedging transaction under any Hedging Agreement in accordance with the terms of this Agreement on or prior to the Enforcement Date, the amount, if any, payable to it under that Hedging Agreement in respect of that termination or close-out as of the date of termination or close-out (taking into account any interest accrued on that amount) to the extent that amount is unpaid at the Enforcement Date (that amount to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement) and to the extent that amount constitutes Super Senior Hedging Liabilities; and

(ii) if that Hedge Counterparty has not terminated or closed out any hedging transaction under any Hedging Agreement on or prior to the Enforcement Date:

(A) if the relevant Hedging Agreement is based on an ISDA Master Agreement the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

(B) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable

to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

to the extent that amount constitutes Super Senior Hedging Liabilities, such amount, in each case, to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement.

"**Utilisation**" means a "Utilisation" under and as defined in the relevant Credit Facility Document.

19.2 **Implementation of equalisation**

(a) The provisions of this Clause 19 shall be applied at such time or times after the Enforcement Date as the Security Agent shall consider appropriate.

(b) Without prejudice to the generality of paragraph (a) above, if the provisions of this Clause 19 have been applied before all the Liabilities have matured and/or been finally quantified, the Security Agent may elect to re-apply those provisions on the basis of revised Exposures and the relevant Creditors shall make appropriate adjustment payments amongst themselves.

19.3 **Equalisation**

If, for any reason, any Super Senior Liabilities remain unpaid after the Enforcement Date and the resulting losses are not borne by the Credit Facility Lenders and the Hedge Counterparties in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the Credit Facility Lenders and the Hedge Counterparties at the Enforcement Date, the Credit Facility Lenders and the Hedge Counterparties will make such payments amongst themselves as the Security Agent shall require to put the Credit Facility Lenders and the Hedge Counterparties in such a position that (after taking into account such payments) those losses are borne in those proportions.

19.4 **Turnover of enforcement proceeds**

If:

(a) the Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Transaction Security to the relevant Super Senior Creditors but is entitled to pay or distribute those amounts to Creditors (such Creditors, the "**Receiving Creditors**") who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Super Senior Creditors; and

(b) the Super Senior Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments or distributions to the relevant Super Senior Creditors as the Security Agent shall require to place the relevant Super Senior Creditors in the position they would have been in had such amounts been available for application against the Super Senior Liabilities.

19.5 **Notification of Exposure**

Before each occasion on which it intends to implement the provisions of this Clause 19, the Security Agent shall send notice to each Hedge Counterparty and the relevant Creditor Representative (on behalf of the Credit Facility Lenders) requesting that it notify it of, respectively, its Exposure and that of each Credit Facility Lender (if any).

19.6 **Default in payment**

If a Super Senior Creditor fails to make a payment due from it under this Clause 19, the Security Agent shall be entitled (but not obliged) to take action on behalf of the Super Senior Creditor(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Super Senior Creditor(s) in respect of costs) but shall have no liability or obligation towards such Super Senior Creditor(s) or any other Primary Creditor as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.

20. ADDITIONAL DEBT

20.1 **Debt Refinancing**

(a) Notwithstanding anything to the contrary in this Agreement or any Security Document, any of the Borrowing Liabilities or the Guarantee Liabilities may be refinanced, replaced or increased in whole or in part from time to time (each a "**Debt Refinancing**") provided that the terms of that Debt Refinancing are not otherwise prohibited by the Debt Documents.

(b) Notwithstanding anything to the contrary in any Debt Document, no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified, replaced or released (followed by an immediate retaking of Security of at least equivalent ranking over the same assets) pursuant to such Debt Refinancing unless contemporaneously with such amendment, extension, replacement, restatement, supplement, modification, renewal or release (followed by an immediate retaking of Security of at least equivalent ranking over the same assets), the Parent delivers to the Security Agent one of the following:

(i) a solvency opinion, in form and substance satisfactory to the Security Agent, from an investment banking firm, appraisal firm or accounting firm of international standing confirming the solvency of the Parent and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement;

(ii) an Officer's Certificate (as defined in the Initial Super Senior Notes Indenture or any other Super Senior Notes Indenture or Pari Passu Notes Indenture) from the Parent (acting in good faith), that confirms the solvency of the Parent and its subsidiaries after giving effect to any transaction related to such amendment, extension, renewal, restatement, replacement, supplement, modification or release; or

(iii) an opinion of counsel acceptable to the Security Agent, in form and substance satisfactory to the Security Agent, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Transaction Security securing the Liabilities created under the Security Documents, as so amended, extended, renewed, restated, supplemented, modified or replaced, is valid and perfected Transaction Security not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Transaction Security was not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

(c) At the direction of the Parent and without the consent of any Secured Party, the Security Agent may from time to time enter into one or more amendments to the Security Documents or enter into any additional or supplemental security documents to: (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Security permitted under the terms of the Debt Documents (subject to compliance with paragraph (b) above); (iii) add to the Transaction Security or guarantees of the Liabilities (subject to compliance with paragraph (b) above); (iv) ensure that any Debt Refinancing can be secured with the ranking contemplated under paragraph (a) above (subject to compliance with paragraph (b) above); and (v) make any other change thereto that does not adversely affect the rights of any of the Secured Parties provided that any amendment to a Security Document that prejudices the validity, enforceability or priority of any Security created or purported to be created thereunder shall be an amendment that adversely affects the Secured Parties.

20.2 **Debt Refinancing terms**

For the avoidance of doubt:

(a) a Debt Refinancing may be made available on a basis which is *pari passu* with those Liabilities which it is refinancing, replacing or increasing;

(b) a Debt Refinancing shall be entitled to benefit from all or any of the Transaction Security;

(c) a Debt Refinancing may be made available on a secured or unsecured basis; and

(d) a Debt Refinancing may be effected in whole or in part by way of a debt exchange, non-cash rollover or other similar or equivalent transaction,

in each case unless otherwise prohibited by the Debt Documents.

21. THE SECURITY AGENT

21.1 Security Agent as trustee and *mandatario con rappresentanza*

(a) The Security Agent declares that it holds the Security Property (other than any created or expressed to be created under or pursuant to any Italian Security Document or Spanish Security Document) on trust for the Secured Parties on the terms contained in this Agreement.

(b) Each of the Primary Creditors authorises the Security Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Security Agent under or in connection with the Debt Documents together with any other incidental rights, powers, authorities and discretions.

(c) Each of the Secured Parties (other than the Security Agent), for the purposes of the Italian Security Documents, hereby:

(i) appoints, with the express consent pursuant to articles 1394 and 1395 of the Italian Civil Code and express faculty of granting sub-power of attorney, sub-empowering or multiple representation, the Security Agent to be its *mandatario con rappresentanza* and *procuratore speciale* (special attorney-in-fact) so that, acting in the name and on behalf of each Secured Party, but also in its own name and on its own interest, it takes all the actions that it considers proper or necessary as provided under this Agreement and for the purpose of executing, in the name and on behalf of the Secured Parties, any Italian Security Document, and the Security Agent hereby accepts such appointment;

(ii) grants the Security Agent the power to negotiate and approve the terms and conditions of such Italian Security Document, and any amendment, confirmation and extension thereof, execute any other agreement or instrument, give or receive any notice or declaration, identify and specify to third parties the names of the Secured Parties at any given date, collect any and all amounts due to the Secured Parties under each Italian Security Document and take any other action in relation to the creation, perfection, maintenance, confirmation and extension, enforcement and release of the security created thereunder and the performance of the Italian Security Documents and any amendments and/or waivers thereof, in each case in the name and on behalf of the Secured Parties;

(iii) confirms that the Security Agent is entitled to release the security created under any Italian Security Documents upon payment in full of the relevant secured obligations before the expiry of the applicable claw-back or ineffectiveness period, subject to (A) no Events of Default being continuing and (B) customary comfort documents being delivered to the Security Agent, in form and substance satisfactory to it (acting reasonably);

(iv) confirms that in the event that any security created under the Italian Security Documents remains registered in the name of a Secured Party after it has ceased to be a Secured Party, then the Security Agent shall remain empowered to execute a release of such security in its name and on its behalf; and

(v) undertakes to ratify and approve any such action taken in the name and on behalf of the Secured Parties by the Security Agent acting in its appointed capacity.

(d) In respect of any Italian Security Document, each other Secured Party acknowledges and agrees that:

(i) the Security Agent may enter in its name and on its behalf as direct representative into contractual arrangements pursuant to or in connection with the Security Documents to which the Security Agent is also a party (in its capacity as agent, trustee, *mandatario con rappresentanza* or otherwise) and expressly authorises the Security Agent, pursuant to article 1395 of the Italian Civil Code. The Secured Parties expressly waive any right they may have under article 1394 of the Italian civil code in respect of contractual arrangements entered into by the Security Agent in their name and on their behalf pursuant to or in connection with the Italian Security Documents in each case to the extent legally possible to such Secured Party; and

(ii) the Security Agent will not be a creditor or beneficiary in respect of any parallel debt arrangement in respect of any Italian Security Documents.

21.2 **Appointment of the Security Agent as agent (*apoderado*) and administrator in relation to Spanish Security**

(a) In relation to the Spanish Security Documents, the Security Agent shall:

(i) accept, hold, administer and (subject to the same having become enforceable and to the terms of this Agreement) realise any such Spanish Security which is Security granted, transferred or assigned or otherwise granted under a non-accessory security right to the Secured Parties or to the Security Agent in its own name as trustee or security agent for the benefit of the Secured Parties or on behalf of the Secured Parties; and

(ii) administer, enforce and (subject to the same having become enforceable and to the terms of this Agreement) realise in the name of and on behalf of the Secured Parties any Spanish Security which is pledged or otherwise transferred to any Secured Party under an accessory security right in the name and on behalf of the Secured Parties.

(b) Each Secured Party (other than the Security Agent) hereby authorises the Security Agent to accept as its representative any pledge or other creation of any accessory security right made to such Secured Party in relation to the Spanish Security Documents and to act and execute on its behalf as its representative, subject to the

terms of the Spanish Security Documents, amendments or releases of, accessions and alterations to, and to carry out similar dealings with regard to any Spanish Security Document which creates a pledge or any other accessory security right.

(c) Each Secured Party which becomes a party to any Spanish Security Documents ratifies and approves all acts and declarations previously done by the Security Agent on such Secured Party's behalf.

(d) Each relevant Secured Party agrees that the Spanish Security Documents entered into between them in addition to this Agreement shall be subject to the relevant terms of this Agreement.

(e) The Security Agent shall and is hereby authorised by each of the Secured Parties (and to the extent it may have any interest therein, every other party hereto) to execute on behalf of itself and each other Party where relevant without the need for any further referral to, or authority from, any other person all necessary releases or confirmations of any security created under the Spanish Security Documents in relation to the disposal of any asset which is permitted under the Spanish Security Documents or consented or agreed upon in accordance with the Spanish Security Documents.

(f) Each Secured Party hereby irrevocably authorises the Security Agent to act on its behalf and if required under applicable law, or if otherwise appropriate, in its name and on its behalf in connection with the acceptance, preparation, execution, amendment, enforcement and delivery of the Spanish Security and the Spanish Security Documents and the perfection and monitoring of the Spanish Security and the Spanish Security Documents, including but not limited to, any share pledge, mortgage, assignment or transfer of title for security purposes and each Secured Party shall grant in favour of the Security Agent (and maintain in force at all times) such power of attorney as the Security Agent may require for such purpose. The Security Agent is authorised to make all statements necessary or appropriate in connection with the foregoing sentence and collect all amounts payable to any Secured Party in respect of any Security Document in one or more accounts opened by the Security Agent for such purpose, and the Security Agent shall thereafter distribute any such amounts due to the Secured Parties in accordance with the provisions of this Agreement.

(g) It is hereby agreed that, in relation to any jurisdiction the courts of which would not recognise or give effect to the trust expressed to be created by this Clause 21, the relationship of the Secured Parties to the Security Agent in relation to any Spanish Security shall be construed as one of principal and agent but, to the extent permissible under the laws of such jurisdiction, all the other provisions of this Clause 21 shall have full force and effect.

(h) This Agreement has been executed in a private document. Each Party shall be entitled to request to the others the formalisation of this Agreement as a Spanish Public Document before a Spanish Notary Public at any moment. The public deed

by which this Agreement is raised to the status of public document will confirm in Spain the appointment of the Security Agent under this Clause 21.

21.3 **Instructions**

(a) The Security Agent shall:

(i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, power, authority or discretion vested in it as Security Agent in accordance with any instructions given to it by:

(A) the Instructing Group; or

(B) the Required Pari Passu Creditors (to the extent that they are entitled to give instructions to the Security Agent pursuant to Clause 13.3 (*Enforcement Instructions*));

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, in accordance with instructions given to it by that Creditor or group of Creditors); and

(iii) be entitled to assume that:

(A) any instructions received by it from the Creditors or group of Creditors are duly given in accordance with the terms of the Debt Documents; and

(B) unless it has received actual notice of revocation, that those instructions or directions have not been revoked.

(b) The Security Agent shall be entitled to request instructions, or clarification of any direction or instruction, from the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Security Agent may refrain from acting unless and until it receives those instructions or that clarification.

(c) Save in the case of decisions stipulated to be a matter for any other Creditor or group of Creditors under this Agreement and unless a contrary intention appears in this Agreement, any instructions given to the Security Agent by the Instructing Group shall override any conflicting instructions given by any other Parties and will be binding on all Secured Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement;

(ii) where this Agreement requires the Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Security Agent's own position in its personal capacity as opposed to its role of Security Agent for the Secured Parties including, without limitation, Clause 21.6 (*No duty to account*) to Clause 21.11 (*Exclusion of liability*), Clause 21.14 (*Confidentiality*) to Clause 21.20 (*Custodians and nominees*) and Clause 21.23 (*Acceptance of title*) to Clause 21.26 (*Disapplication of Trustee Acts*);

(iv) in respect of the exercise of the Security Agent's discretion to exercise a right, power or authority under any of:

(A) Clause 14 (*Non-Distressed Disposals*);

(B) Clause 18.1 (*Order of application*);

(C) Clause 18.2 (*Prospective liabilities*);

(D) Clause 18.3 (*Treatment of Credit Facility Cash Cover and Credit Facility Lender Cash Collateral*); and

(E) Clause 18.7 (*Permitted Deductions*).

(e) If giving effect to instructions given by the Instructing Group would (in the Security Agent's opinion) have an effect equivalent to an Intercreditor Amendment, the Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Security Agent) whose consent would have been required in respect of that Intercreditor Amendment.

(f) In exercising any discretion to exercise a right, power or authority under the Debt Documents where either:

(i) it has not received any instructions as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Security Agent shall:

(A) other than where paragraph (B) below applies, do so having regard to the interests of all the Secured Parties; or

(B) if (in its opinion) there is a Creditor Conflict in relation to the matter in respect of which the discretion is to be exercised, do so having regard only to the interests of the Super Senior Creditors.

(g) The Security Agent may refrain from acting in accordance with any instructions of any Creditor or group of Creditors until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Debt Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.

(h) Without prejudice to the provisions of Clause 13 (*Enforcement of Transaction Security*) and the remainder of this Clause 21.3, in the absence of instructions, the

Security Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.

21.4 **Duties of the Security Agent**

(a) The Security Agent's duties under the Debt Documents are solely mechanical and administrative in nature.

(b) The Security Agent shall promptly:

(i) forward to each Creditor Representative, each Surety Bond Provider and to each Hedge Counterparty a copy of any notice or document received by the Security Agent from any Debtor under any Debt Document; and

(ii) forward to a Party the original or a copy of any document which is delivered to the Security Agent for that Party by any other Party.

(c) Except where a Debt Document specifically provides otherwise, the Security Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(d) Without prejudice to Clause 27.3 (*Notification of prescribed events*), if the Security Agent receives notice from a Party referring to any Debt Document, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the Primary Creditors.

(e) To the extent that a Party (other than the Security Agent) is required to calculate a Common Currency Amount, the Security Agent shall upon a request by that Party, promptly notify that Party of the relevant Security Agent's Spot Rate of Exchange.

(f) The Security Agent shall have only those duties, obligations and responsibilities expressly specified in the Debt Documents to which it is expressed to be a party (and no others shall be implied).

21.5 **No fiduciary duties to Debtors or Subordinated Creditors**

Nothing in this Agreement constitutes the Security Agent as an agent, trustee or fiduciary of any Debtor or any Subordinated Creditor.

21.6 **No duty to account**

The Security Agent shall not be bound to account to any other Secured Party for any sum or the profit element of any sum received by it for its own account.

21.7 **Business with the Group**

The Security Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any Oldco Guarantor or member of the Group.

21.8 **Rights and discretions**

(a) The Security Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) assume that:

(A) any instructions received by it from the Instructing Group, any Creditors or any group of Creditors are duly given in accordance with the terms of the Debt Documents;

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(C) if it receives any instructions to act in relation to the Transaction Security, that all applicable conditions under the Debt Documents for so acting have been satisfied; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Security Agent may assume (unless it has received notice to the contrary in its capacity as Security Agent for the Secured Parties) that:

(i) no Default has occurred;

(ii) any right, power, authority or discretion vested in any Party or any group of Creditors has not been exercised; and

(iii) any notice made by the Parent is made on behalf of and with the consent and knowledge of all the Debtors.

(c) The Security Agent may engage, pay for and rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Security Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Security Agent (and so separate from any lawyers instructed by any Primary Creditor) if the Security Agent in its reasonable opinion deems this to be desirable.

(e) The Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Security Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Security Agent, any Receiver and any Delegate may act in relation to the Debt Documents and the Security Property through its officers, employees and agents and shall not:

(i) be liable for any error of judgment made by any such person; or

(ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct.

(g) Unless this Agreement expressly specifies otherwise, the Security Agent may disclose to any other Party any information it reasonably believes it has received as Security Agent under this Agreement.

(h) Notwithstanding any other provision of any Debt Document to the contrary, the Security Agent is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(i) Notwithstanding any provision of any Debt Document to the contrary, the Security Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

21.9 **Responsibility for documentation**

None of the Security Agent, any Receiver nor any Delegate is responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Security Agent, a Debtor or any other person in or in connection with any Debt Document or the transactions contemplated in the Debt Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property; or

(c) any determination as to whether any information provided or to be provided to any Secured Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

21.10 **No duty to monitor**

The Security Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Debt Document; or

(c) whether any other event specified in any Debt Document has occurred.

21.11 **Exclusion of liability**

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Debt Document excluding or limiting the liability of the Security Agent, any Receiver or Delegate), none of the Security Agent, any Receiver nor any Delegate will be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or refraining from taking any action under or in connection with any Debt Document or the Security Property unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising or the failure to exercise any right, power, authority or discretion given to it by, or in connection with, any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Debt Document or the Security Property;

(iii) any shortfall which arises on the enforcement or realisation of the Security Property; or

(iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs, losses, any diminution in value or any liability whatsoever arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Security Agent, that Receiver or that Delegate (as applicable)) may take any proceedings against any officer, employee or agent of the Security Agent, a Receiver or a Delegate in respect of any claim it might have against the Security Agent, a Receiver or a Delegate or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Debt Document or any Security Property and any officer, employee or agent of the

Security Agent, a Receiver or a Delegate may rely on this Clause subject to Clause 1.6 (*Third party rights*) and the provisions of the Third Parties Act.

(c) Nothing in this Agreement shall oblige the Security Agent to carry out:

(i) any "know your customer" or other checks in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Primary Creditor,

on behalf of any Primary Creditor and each Primary Creditor confirms to the Security Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Security Agent.

(d) Without prejudice to any provision of any Debt Document excluding or limiting the liability of the Security Agent, any Receiver or Delegate, any liability of the Security Agent, any Receiver or Delegate arising under or in connection with any Debt Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Security Agent, Receiver or Delegate (as the case may be) or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Security Agent, Receiver or Delegate (as the case may be) at any time which increase the amount of that loss. In no event shall the Security Agent, any Receiver or Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Security Agent, Receiver or Delegate (as the case may be) has been advised of the possibility of such loss or damages.

21.12 **Primary Creditors' indemnity to the Security Agent**

(a) Each Primary Creditor (other than any Creditor Representative) shall (in the proportion that the Liabilities due to it bear to the aggregate of the Liabilities due to all the Primary Creditors (other than any Creditor Representative) for the time being (or, if the Liabilities due to the Primary Creditors (other than any Creditor Representative) are zero, immediately prior to their being reduced to zero)), indemnify the Security Agent and every Receiver and every Delegate, within three (3) Business Days of demand, against any cost, loss or liability incurred by any of them (otherwise than by reason of the relevant Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct) in acting as Security Agent, Receiver or Delegate under, or exercising any authority conferred under, the Debt Documents (unless the relevant Security Agent, Receiver or Delegate has been reimbursed by a Debtor pursuant to a Debt Document).

(b) For the purposes only of paragraph (a) above, to the extent that any hedging transaction under a Hedging Agreement has not been terminated or closed-out, the Hedging Liabilities due to any Hedge Counterparty in respect of that hedging transaction will be deemed to be:

(i) if the relevant Hedging Agreement is based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of those hedging transactions, if the date on which the calculation is made was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

(ii) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction, if the date on which the calculation is made was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case as calculated in accordance with the relevant Hedging Agreement.

(c) Subject to paragraph (d) below, the Parent shall immediately on demand reimburse any Primary Creditor for any payment that Primary Creditor makes to the Security Agent pursuant to paragraph (a) above.

(d) Paragraph (c) above shall not apply to the extent that the indemnity payment in respect of which the Primary Creditor claims reimbursement relates to a liability of the Security Agent to a Debtor.

21.13 **Resignation of the Security Agent**

(a) The Security Agent may resign and appoint one of its Affiliates as successor by giving notice to the Primary Creditors and the Parent.

(b) Alternatively the Security Agent may resign by giving thirty (30) days' notice to the Primary Creditors and the Parent, in which case the Instructing Group may appoint a successor Security Agent.

(c) If the Instructing Group has not appointed a successor Security Agent in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given, the retiring Security Agent (after consultation with (i) prior to the Super Senior Discharge Date, the Super Senior Creditor Representatives, each Surety Bond Provider and the Super Senior Hedge Counterparties or (ii) after the Super Senior Discharge Date, the Pari Passu Creditor Representatives and the Pari Passu Hedge Counterparties) may appoint a successor Security Agent.

(d) The retiring Security Agent shall:

(i) make available to the successor Security Agent such documents and records and provide such assistance as the successor Security Agent may reasonably

request for the purposes of performing its functions as Security Agent under the Debt Documents; and

(ii) enter into and deliver to the successor Security Agent those documents and effect any registrations as may be required for the transfer or assignment of all rights and benefits under the Debt Documents to the successor Security Agent.

The Parent shall, within three (3) Business Days of demand, reimburse the retiring Security Agent for the amount of all costs and expenses (including legal fees) properly incurred by the Security Agent in performing its obligations under this paragraph (d).

(e) The Security Agent's resignation notice shall only take effect upon:

(i) the appointment of a successor; and

(ii) the transfer of all the Security Property to that successor.

(f) Upon the appointment of a successor, the retiring Security Agent shall be discharged from any further obligation in respect of the Debt Documents (other than its obligations under paragraph (b) of Clause 21.24 (*Winding up of trust*) and paragraph (d) above) but shall remain entitled to the benefit of this Clause 21 and Clause 25.1 (*Indemnity to the Security Agent*).

Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.

(g) The Instructing Group may, by notice to the Security Agent, require it to resign in accordance with paragraph (b) above. In this event, the Security Agent shall resign in accordance with paragraph (b) above.

21.14 **Confidentiality**

(a) In acting as trustee for the Secured Parties, the Security Agent shall be regarded as acting through its trustee division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Security Agent, it may be treated as confidential to that division or department and the Security Agent shall not be deemed to have notice of it.

(c) Notwithstanding any other provision of any Debt Document to the contrary, the Security Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

21.15 **Information from the Creditors**

Each Creditor shall supply the Security Agent with any information that the Security Agent may reasonably specify as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent.

21.16 **Credit appraisal by the Secured Parties**

Without affecting the responsibility of any Debtor for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party confirms to the Security Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Debt Document including but not limited to:

(a) the financial condition, status and nature of each Oldco Guarantor and member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Debt Document, the Security Property and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property;

(c) whether that Secured Party has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Debt Document, the Security Property, the transactions contemplated by the Debt Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property;

(d) the adequacy, accuracy or completeness of any information provided by the Security Agent, any Party or by any other person under or in connection with any Debt Document, the transactions contemplated by any Debt Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of the Charged Property, the priority of any of the Transaction Security or the existence of any Security affecting the Charged Property.

21.17 **Reliance and engagement letters**

The Security Agent may obtain and rely on any certificate or report from any Debtor's auditor and may enter into any reliance letter or engagement letter relating to that certificate or report on such terms as it may consider appropriate (including, without limitation, restrictions on the auditor's liability and the extent to which that certificate or report may be relied on or disclosed).

21.18 **No responsibility to perfect Transaction Security**

The Security Agent shall not be liable for any failure to:

(a) require the deposit with it of any deed or document certifying, representing or constituting the title of any Debtor to any of the Charged Property;

(b) obtain any licence, consent or other authority for the execution, delivery, legality, validity, enforceability or admissibility in evidence of any Debt Document or the Transaction Security;

(c) register, file or record or otherwise protect any of the Transaction Security (or the priority of any of the Transaction Security) under any law or regulation or to give notice to any person of the execution of any Debt Document or of the Transaction Security;

(d) take, or to require any Debtor to take, any step to perfect its title to any of the Charged Property or to render the Transaction Security effective or to secure the creation of any ancillary Security under any law or regulation; or

(e) require any further assurance in relation to any Security Document.

21.19 **Insurance by Security Agent**

(a) The Security Agent shall not be obliged:

(i) to insure any of the Charged Property;

(ii) to require any other person to maintain any insurance; or

(iii) to verify any obligation to arrange or maintain insurance contained in any Debt Document,

and the Security Agent shall not be liable for any damages, costs or losses to any person as a result of the lack of, or inadequacy of, any such insurance.

(b) Where the Security Agent is named on any insurance policy as an insured party, it shall not be liable for any damages, costs or losses to any person as a result of its failure to notify the insurers of any material fact relating to the risk assumed by such insurers or any other information of any kind, unless the Instructing Group requests it to do so in writing and the Security Agent fails to do so within fourteen days after receipt of that request.

21.20 **Custodians and nominees**

The Security Agent may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset of the trust (as applicable) or any Charged Property as the Security Agent may determine, including for the purpose of depositing with a custodian this Agreement or any document relating to the trust created under this Agreement and the Security Agent shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Agreement or be bound to supervise the proceedings or acts of any person.

21.21 **Delegation by the Security Agent**

(a) Each of the Security Agent, any Receiver and any Delegate may, at any time, delegate by power of attorney or otherwise to any person for any period, all or any right, power, authority or discretion vested in it by any of the Debt Documents.

(b) That delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Security Agent, that Receiver or that Delegate (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties.

(c) No Security Agent, Receiver or Delegate shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

21.22 **Additional Security Agents**

(a) The Security Agent may at any time appoint (and subsequently remove) any person to act as a separate trustee or as a co-trustee jointly with it:

(i) if it considers that appointment to be in the interests of the Secured Parties;

(ii) for the purposes of conforming to any legal requirement, restriction or condition which the Security Agent deems to be relevant; or

(iii) for obtaining or enforcing any judgment in any jurisdiction,

and the Security Agent shall give prior notice to the Parent and the Primary Creditors of that appointment.

(b) Any person so appointed shall have the rights, powers, authorities and discretions (not exceeding those given to the Security Agent under or in connection with the Debt Documents) and the duties, obligations and responsibilities that are given or imposed by the instrument of appointment.

(c) The remuneration that the Security Agent may pay to that person, and any costs and expenses (together with any applicable VAT) incurred by that person in performing its functions pursuant to that appointment shall, for the purposes of this Agreement, be treated as costs and expenses reasonably incurred by the Security Agent.

21.23 **Acceptance of title**

The Security Agent shall be entitled to accept without enquiry, and shall not be obliged to investigate, any right and title that any Debtor may have to any of the Charged Property and shall not be liable for, or bound to require any Debtor to remedy, any defect in its right or title.

21.24 **Winding up of trust**

If the Security Agent, with the approval of each Creditor Representative, each Surety Bond Provider and each Hedge Counterparty, determines that:

(a) all of the Secured Obligations and all other obligations secured by the Security Documents have been fully and finally discharged; and

(b) no Secured Party is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Debtor pursuant to the Debt Documents,

then:

(i) the trusts set out in this Agreement shall be wound up and the Security Agent shall release, without recourse or warranty, all of the Transaction Security and the rights of the Security Agent under each of the Security Documents; and

(ii) any Security Agent which has resigned pursuant to Clause 21.13 (*Resignation of the Security Agent*) shall release, without recourse or warranty, all of its rights under each Security Document.

21.25 **Powers supplemental to Trustee Acts**

The rights, powers, authorities and discretions given to the Security Agent under or in connection with the Debt Documents shall be supplemental to the Trustee Act 1925 and the Trustee Act 2000 and in addition to any which may be vested in the Security Agent by law or regulation or otherwise.

21.26 **Disapplication of Trustee Acts**

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Agent in relation to the trusts constituted by this Agreement. Where there are any inconsistencies between the Trustee Act 1925 or the Trustee Act 2000 and the provisions of this Agreement, the provisions of this Agreement shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Agreement shall constitute a restriction or exclusion for the purposes of that Act.

21.27 **Intra-Group Lenders and Debtors: Power of Attorney**

Each Intra-Group Lender and Debtor by way of security for its obligations under this Agreement irrevocably appoints the Security Agent to be its attorney to do anything which that Intra-Group Lender or Debtor has authorised the Security Agent or any other Party to do under this Agreement or is itself required to do under this Agreement but has failed to do (and the Security Agent may delegate that power on such terms as it sees fit).

21.28 **No duty to appropriate**

Notwithstanding anything to the contrary expressed or implied in the Debt Documents, the Security Agent shall not be obliged to enforce any of the Transaction Security by appropriation or seizure (or any similar process) of any shares (other than any shares in the capital of a member of the Group (other than the Parent) incorporated in Luxembourg) forming part of the Transaction Security, even if so instructed by the Instructing Group and the Security Agent shall have no liability to any Party whatsoever as a result of not

appropriating or seizing any such shares or taking any action or inaction in relation to this Clause 21.28.

22. NOTES TRUSTEE PROTECTIONS

22.1 Limitation of Notes Trustee Liability

(a) It is expressly understood and agreed by the Parties that this Agreement is executed and delivered by each Notes Trustee not individually or personally but solely in its capacity as a Notes Trustee and representative also pursuant to, and for the purposes of, article 2414-*bis* paragraph 3 of the Italian Civil Code in the exercise of the powers and authority conferred and vested in it under the relevant Debt Documents for and on behalf of the Noteholders only for which the Notes Trustee acts as trustee and representative and nothing in this Agreement shall impose on it any obligations to pay any amount out of its personal assets.

(b) It is further understood and agreed by the Parties that in no case shall a Notes Trustee be (i) responsible or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by it in good faith in accordance with this Agreement and in a manner that the relevant Notes Trustee believed to be within the scope of the authority conferred on the Notes Trustee by this Agreement and the relevant Debt Documents or by law, or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party, provided however, that a Notes Trustee shall be personally liable under this Agreement for its own gross negligence or wilful misconduct. It is also acknowledged that a Notes Trustee shall not have any responsibility for the actions of any individual Noteholder.

22.2 Notes Trustee not fiduciary for other Creditors

The Notes Trustee shall not be deemed to owe any fiduciary duty to any of the Creditors (other than the Noteholders for which it is the Creditor Representative), any Oldco Guarantor or any member of the Group and shall not be liable to any Creditor (other than the Noteholders for which it is the Creditor Representative), any Oldco Guarantor or any member of the Group if the Notes Trustee shall in good faith mistakenly pay over or distribute to the Noteholders or to any other person cash, property or securities to which any Creditor (other than the Noteholders for which it is the Creditor Representative) shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors (other than the Noteholders for which it is the Creditor Representative), the Notes Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the relevant Debt Documents (including this Agreement) and no implied covenants or obligations with respect to Creditors (other than the Noteholders for which it is the Creditor Representative) shall be read into this Agreement against a Notes Trustee.

22.3 **Reliance on certificates**

A Notes Trustee may rely without enquiry on any notice, consent or certificate of the Security Agent, any other Creditor Representative or any Hedge Counterparty as to the matters certified therein.

22.4 **Notes Trustee**

In acting under and in accordance with this Agreement a Notes Trustee shall act in accordance with the relevant Note Indenture and shall seek any necessary instruction from the relevant Noteholders, to the extent provided for, and in accordance with, the relevant Note Indenture, and where it so acts on the instructions of the Noteholders, the Notes Trustee shall not incur any liability to any person for so acting other than in accordance with the Note Indenture. Furthermore, prior to taking any action under this Agreement or the relevant Debt Documents, as the case may be, the Notes Trustee may reasonably request and rely upon an opinion of counsel or opinion of another qualified expert, at the Parent's expense, as applicable; provided, however, that any such opinions shall be at the expense of the relevant Noteholders, if such actions are on the instructions of the relevant Noteholders.

22.5 **Turnover obligations**

Notwithstanding any provision in this Agreement to the contrary, a Notes Trustee shall only have an obligation to turn over or repay amounts received or recovered under this Agreement by it (i) if it had actual knowledge that the receipt or recovery is an amount received in breach of a provision of this Agreement (a "**Turnover Receipt**") and (ii) to the extent that, prior to receiving that knowledge, it has not distributed the amount of the Turnover Receipt to the Noteholders for which it is the Creditor Representative in accordance with the provisions of the relevant Note Indenture. 29. PRESERVATION

29.1 Partial invalidity

If, at any time, any provision of a Debt Document is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision under the law of any other jurisdiction will in any way be affected or impaired.

29.2 No impairment

If, at any time after its date, any provision of a Debt Document (including this Agreement) is not binding on or enforceable in accordance with its terms against a person expressed to be a party to that Debt Document, neither the binding nature nor the enforceability of that provision or any other provision of that Debt Document will be impaired as against the other party(ies) to that Debt Document.

29.3 **Remedies and waivers**

No failure to exercise, nor any delay in exercising, on the part of any Party, any right or remedy under a Debt Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any Debt Document. No election to affirm any Debt Document on the part of a Secured Party shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in each Debt Document are cumulative and not exclusive of any rights or remedies provided by law.

29.4 **Waiver of defences**

Subject to the Guarantee Limitations, and to the greatest extent permitted under applicable law, the provisions of this Agreement, the Surety Bond Only Security or any Transaction Security will not be affected by an act, omission, matter or thing which, but for this Clause 29.4, would reduce, release or prejudice the subordination and priorities expressed to be created by this Agreement including (without limitation and whether or not known to any Party):

(a) any time, waiver or consent granted to, or composition with, any Debtor or other person;

(b) the release of any Debtor or any other person under the terms of any composition or arrangement with any creditor of any Oldco Guarantor or member of the Group;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Debtor or other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Debt Document or any other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Debt Document or any other document or security;

(g) any intermediate Payment of any of the Liabilities owing to the Primary Creditors in whole or in part; or

(h) any insolvency or similar proceedings.

29.5 **Priorities not affected**

Except as otherwise provided in this Agreement the priorities referred to in Clause 2 (*Ranking and Priority*) will:

(a) not be affected by any reduction or increase in the principal amount secured by the Transaction Security in respect of the Liabilities owing to the Primary Creditors or by any intermediate reduction or increase in, amendment or variation to any of the Debt Documents, or by any variation or satisfaction of, any of the Liabilities or any other circumstances;

(b) apply regardless of the order in which or dates upon which this Agreement and the other Debt Documents are executed or registered or notice of them is given to any person; and

(c) secure the Liabilities owing to the Primary Creditors in the order specified, regardless of the date upon which any of the Liabilities arise or of any fluctuations in the amount of any of the Liabilities outstanding.

(G) each Hedge Counterparty (to the extent that the amendment or waiver would adversely affect the Hedge Counterparty); and

(H) the Security Agent.

(c) Any term of this Agreement or a Security Document may be amended or waived by the Security Agent and the Parent without the consent of any other Party if that amendment or waiver is:

(i) to cure defects or omissions, resolve ambiguities or inconsistencies or to reflect changes of a minor technical or administrative nature; or

(ii) otherwise for the benefit of all Secured Parties.

30.2 **Amendments and Waivers: Security Documents**

(a) Subject to paragraphs (b) and (c) below, to Clause 20 (*Additional Debt*) and to Clause 30.4 (*Exceptions*) and unless the provisions of any Debt Document expressly provide otherwise, the Security Agent may, if authorised by the Required Super Senior Creditors and the Required Pari Passu Creditors, and if the Parent consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Security Documents which shall be binding on each Party.

(b) Without prejudice to the generality of Clause 21.8 (*Rights and discretions*) the Security Agent may engage, pay for and rely on the services of lawyers in determining the consent level required for and effecting any amendment, waiver or consent under this Agreement.

30.4 **Exceptions**

(a) Subject to paragraphs (c) and (d) below, if the amendment, waiver or consent may impose new or additional obligations on or withdraw or reduce the rights of any Party other than:

(i) in the case of a Primary Creditor (other than any Creditor Representative or any Arranger), in a way which affects or would affect Primary Creditors of that Party's class generally; or

(ii) in the case of a Debtor, to the extent consented to by the Parent under paragraph (a) of Clause 30.2 (*Amendments and Waivers: Security Documents*),

the consent of that Party is required.

(b) Subject to paragraphs (c) and (d) below, an amendment, waiver or consent which relates to the rights or obligations of a Creditor Representative, an Arranger, the Security Agent (including, without limitation, any ability of the Security Agent to act in its discretion under this Agreement) or a Hedge Counterparty may not be effected without the consent of that Creditor Representative or, as the case may be, that Arranger, the Security Agent or that Hedge Counterparty.

(c) Neither paragraph (a) nor (b) above, nor paragraph (b) of Clause 30.2 (*Amendments and Waivers: Security Documents*) shall apply:

(i) to any release of Transaction Security, claim or Liabilities; or

(ii) to any consent

which, in each case, the Security Agent gives in accordance with Clause 14 (*Non-Distressed Disposals*) or Clause 15 (*Distressed Disposals and Appropriation*).

(d) Paragraphs (a) and (b) above shall apply to an Arranger only to the extent that Liabilities are then owed to that Arranger.

(a) Subject to paragraph (b) below, if in relation to:

(ii) a request to participate in any other vote of Super Senior Creditors or Pari Passu Creditors under the terms of this Agreement;

(iii) a request to approve any other action under this Agreement;

(iv) a request to provide any confirmation or notification under this Agreement; or

(v) a request to provide details of an Exposure,

any Primary Creditor:

(A) fails to respond to that request within ten (10) Business Days of that request being made; or

(B) (in the case of paragraphs (i) to (iii) above), fails to provide details of its Super Senior Credit Participation or Pari Passu Credit Participation to the Security Agent within the timescale specified by the Security Agent;

then:

(vi) in the case of paragraphs (i) to (iii) above, that Primary Creditor's Super Senior Credit Participation or Pari Passu Credit Participation (as the case may be) shall be deemed to be zero for the purpose of calculating the Super Senior Credit Participations or Pari Passu Credit Participations when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Super Senior Credit Participations or Pari Passu Credit Participations has been obtained to give that Consent, carry that vote or approve that action;

(vii) in the case of paragraphs (i) to (iii) above, that Primary Creditor's status as a Super Senior Creditor or Pari Passu Creditor shall be disregarded for the purposes of ascertaining whether the agreement of any specified group of Primary Creditors has been obtained to give that Consent, carry that vote or approve that action;

(viii) in the case of paragraph (iv) above, that confirmation or notification shall be deemed to have been given; and

(ix) in the case of paragraph (v) above, that Primary Creditor's Exposure shall be deemed to be zero.

(b) Paragraph (a)(A) above shall not apply to an amendment or waiver referred to in paragraphs (b)(i), (b)(ii) or (b)(iii) of Clause 30.1 (*Required consents*).

30.6 **Disenfranchisement of Defaulting Lenders**

(a) For so long as a Defaulting Lender has any Available Commitment:

(i) in ascertaining:

(A) the Required Super Senior Creditors or Required Pari Passu Creditors; or

(B) whether:

(1) any relevant percentage (including, for the avoidance of doubt, unanimity) of Super Senior Credit Participations or Pari Passu Credit Participations; or

(2) the agreement of any specified group of Primary Creditors,

has been obtained to approve any request for a Consent or to carry any other vote or approve any action under this Agreement,

that Defaulting Lender's Commitments will be reduced by the amount of its Available Commitments and, to the extent that that reduction results in that Defaulting Lender's Commitments being zero, that Defaulting Lender shall be deemed not to be a Super Senior Creditor or Pari Passu Creditor.

(b) For the purposes of this Clause 30.6, the Security Agent may assume that the following Primary Creditors are Defaulting Lenders:

(i) any Credit Facility Lender or Pari Passu Lender which has notified the Security Agent that it has become a Defaulting Lender; and

(ii) any Credit Facility Lender or Pari Passu Lender to the extent that the relevant Creditor Representative has notified the Security Agent that that Credit Facility Lender or Pari Passu Lender is a Defaulting Lender,

unless it has received notice to the contrary from the Credit Facility Lender or Pari Passu Lender concerned (together with any supporting evidence reasonably requested by the Security Agent) or the Security Agent is otherwise aware that the Credit Facility Lender or Pari Passu Lender has ceased to be a Defaulting Lender.

30.7 **Disenfranchised Creditors**

(a) For so long as a Super Senior Creditor or Pari Passu Creditor is a Disenfranchised Creditor:

(i) in ascertaining:

(2) the agreement of any specified group of Primary Creditors,

has been obtained to approve any request for a Consent or to carry any other vote or approve any action under this Agreement,

that Disenfranchised Creditor's Super Senior Credit Participation or Pari Passu Credit Participation (as the case may be) shall be deemed to be zero and its status as a Super Senior Creditor or Pari Passu Creditor shall be disregarded for the purposes of ascertaining whether the agreement of any specified group of Primary Creditors has been obtained to give that Consent, carry that vote or approve that action.

(b) For the purposes of this Clause 30.6, the Security Agent may assume that the following Super Senior Creditors or Pari Passu Creditors are Disenfranchised Creditors:

(i) any Super Senior Creditor or Pari Passu Creditor which has notified the Security Agent that it has become a Disenfranchised Creditor; and

(ii) any Super Senior Creditor or Pari Passu Creditor to the extent that the relevant Creditor Representative has notified the Security Agent that that Super Senior Creditor or Pari Passu Creditor is a Disenfranchised Creditor,

unless it has received notice to the contrary from the Super Senior Creditor or Pari Passu Creditor concerned (together with any supporting evidence reasonably requested by the Security Agent) or the Security Agent is otherwise aware that the Super Senior Creditor or Pari Passu Creditor has ceased to be a Disenfranchised Creditor.

30.8 **Calculation of Super Senior Credit Participations and Pari Passu Credit Participations**

For the purpose of ascertaining whether any relevant percentage of Super Senior Credit Participations or Pari Passu Credit Participations has been obtained under this Agreement, the Security Agent may notionally convert the Super Senior Credit Participations and/or Pari Passu Credit Participations into their Common Currency Amounts.

30.9 **Deemed consent**

If, at any time prior to the Super Senior Discharge Date, any Super Senior Notes Trustee (to the extent required under the Super Senior Notes Documents), the Super Senior Debt Creditors (to the extent required under the Super Senior Debt Documents), any Pari Passu

Notes Trustee (to the extent required under the Senior Secured Notes Documents) and the Pari Passu Debt Creditors (to the extent required under the Pari Passu Debt Documents) give a Consent in respect of their respective Debt Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders, the Parent and the Subordinated Creditors will (or will be deemed to):

(a) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and

(b) do anything (including executing any document) that the Primary Creditors may reasonably require to give effect to this Clause 30.9.

30.10 **Excluded consents**

Clause 30.9 (*Deemed consent*) does not apply to any Consent which has the effect of:

(a) increasing or decreasing the Liabilities;

(b) changing the basis upon which any Permitted Payments are calculated (including the timing, currency or amount of such Payments); or

(c) changing the terms of this Agreement or of any Security Document.

30.11 **No liability**

None of the Primary Creditors will be liable to any other Creditor, or Debtor for any Consent given or deemed to be given under this Clause 30.

(a) Subject to paragraph (b) below, unless expressly stated otherwise in this Agreement, this Agreement overrides anything in the Debt Documents to the contrary.

(b) Notwithstanding anything to the contrary in this Agreement, paragraph (a) above will not cure, postpone, waive or negate in any manner any default or event of default (however described) under any Debt Document as between any Creditor and any Debtor that are party to that Debt Document.

31. COUNTERPARTS

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

32. GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

33. ENFORCEMENT

33.1 **Jurisdiction**

(a) The parties hereto hereby submit to the exclusive jurisdiction of the courts of England with respect to any dispute arising out of or in connection with this

Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a "**Dispute**"), and expressly waive their right to any other jurisdiction that may apply by virtue of their present or any other future domicile or for any other reason.

(b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

33.2 **Service of process**

(a) Without prejudice to any other mode of service allowed under any relevant law:

(i) each Debtor (unless incorporated in England and Wales):

(A) irrevocably appoints Codere Finance 2 (UK) Limited as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement; and

(B) agrees that failure by a process agent to notify the relevant Debtor of the process will not invalidate the proceedings concerned;

(ii) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Parent (in the case of an agent for service of process for a Debtor) must immediately (and in any event within three (3) days of such event taking place) appoint another agent on terms acceptable to each Creditor Representative and each Hedge Counterparty. Failing this, the relevant Creditor Representative or Hedge Counterparty (as the case may be) may appoint another agent for this purpose.

(iii) Each Mexican Guarantor shall grant a special irrevocable power of attorney for lawsuits and collections (*pleitos y cobranzas*) notarised by a Mexican notary public in favour of the process agent in form and substance satisfactory to the Security Agent, and the parties hereto hereby agree that the granting of such power of attorney shall be irrevocable considering it shall be granted as a means to satisfy the obligation of such Mexican Guarantor contained herein.

This Agreement has been entered into on the date stated at the beginning of this Agreement and executed as a deed by the Intra-Group Lenders and the Debtors and is intended to be and is delivered by them as a deed on the date specified above.

AGREED SECURITY PRINCIPLES

1. **Agreed Security Principles**

1.1 The guarantees and Transaction Security to be provided will be given in accordance with the Agreed Security Principles. This Schedule addresses the manner in which the Agreed Security Principles will impact on the guarantees and Transaction Security that are proposed to be taken in relation to this transaction.

1.2 The Agreed Security Principles embody a recognition by all parties that there may be certain legal and practical difficulties in obtaining effective guarantees and Transaction Security from Oldco Guarantors or members of the Group in jurisdictions in which it has been agreed that guarantees and Transaction Security will be granted. In particular:

(a) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalisation" rules, tax restrictions, retention of title claims and similar principles may limit the ability of an Oldco Guarantor or a member of the Group to provide a guarantee or Transaction Security or may require that the guarantee or Transaction Security be limited by an amount or otherwise. If any such limit applies, the guarantees and Transaction Security provided will be limited to the maximum amount which the relevant Oldco Guarantor or member of the Group may provide having regard to applicable law (including any jurisprudence) and subject to fiduciary duties of management (a Transaction Security will not be required if taking such a Transaction Security would be reasonably likely to expose the directors of the relevant company to a risk of personal liability);

(b) a key factor in determining whether or not a guarantee or Transaction Security shall be granted is the applicable cost (including adverse effects on interest deductibility and stamp duty, notarisation and registration fees) which shall not be disproportionate to the benefit to the Secured Parties of obtaining such guarantee or security;

(c) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;

(d) where there is material incremental cost involved in creating a Transaction Security over all assets owned by a Debtor in a particular category the principle stated at paragraph (b) above shall apply and, subject to the Agreed Security Principles, only the material assets in that category shall be subject to security;

(e) any assets subject to third party arrangements which may prevent those assets from being charged will be excluded from any relevant Security Document provided that reasonable endeavours to obtain consent to charging any such assets shall be used

by the relevant Oldco Guarantor or member of the Group if the Security Agent determines the relevant asset to be material;

(f) Oldco Guarantors and members of the Group will not be required to give guarantees or enter into Security Documents if it is not within the legal capacity of the relevant Oldco Guarantors or members of the Group or if the same would conflict with the fiduciary duties of the directors of those companies or contravene any legal prohibition (including, without limitation, capital maintenance rules) or would be reasonably likely to result in personal or criminal liability on the part of any officer provided that the relevant Oldco Guarantor or member of the Group shall use reasonable endeavours to overcome any such obstacle;

(g) for the avoidance of doubt, the parties acknowledge that any guarantees or Transaction Security that will (if customary in the relevant jurisdiction) be granted as up-stream or cross-stream guarantee/Transaction Security will be subject to agreed limitation language which applies equally when granting such guarantee/Transaction Security as well as during the lifetime of such guarantee/Transaction Security (subject to the provisions made therein);

(h) the giving of a guarantee, the granting of a Transaction Security or the perfection of the Transaction Security granted will not be required if it would have a material adverse effect on the ability of the relevant Oldco Guarantor or member of the Group to conduct its operations and business in its ordinary course of trading as otherwise permitted by the Debt Documents, provided that the relevant Oldco Guarantor or member of the Group shall use reasonable endeavours to overcome any such obstacle;

(i) to the extent possible, all Transaction Security shall be granted in favour of the Security Agent and not the Secured Parties individually; "parallel debt" provisions will be used where necessary and such provisions will be contained in the Intercreditor Agreement and not in the individual Security Documents unless required under local laws;

(j) to the extent possible, there should be no action required to be taken in relation to the guarantees or Transaction Security when any Secured Party assigns or transfers any of its rights and obligations under any Debt Document to an acceding Secured Party; and

(k) the costs of any re-execution, notarisation, re-registration, amendment or other perfection requirement for any Transaction Security on any assignment or transfer of any rights and obligations under any Debt Document from a Secured Party to an acceding Secured Party shall be for the account of the acceding Secured Party.

2. **Terms of Security Documents**

The following principles will be reflected in the terms of any Transaction Security taken as part of this transaction:

(a) Transaction Security will not be enforceable until an Event of Default has occurred which is continuing and any notice of acceleration in connection therewith has been given by the relevant Creditor Representative in accordance with the terms of a Debt Document;

(b) the Security Documents should only operate to create Transaction Security rather than to impose new commercial obligations. Accordingly, they should not contain any additional representations or undertakings unless these are covenants required for the creation, perfection, protection or preservation of the Transaction Security and are no more onerous than any equivalent representation or undertaking in the relevant Debt Document;

(c) in respect of the share pledges, until an Event of Default has occurred which is continuing and any notice of acceleration in connection therewith has been given by the relevant Creditor Representative in accordance with the terms of the relevant Debt Document, the pledgors shall be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not adversely affect the validity or enforceability of the Transaction Security or cause an Event of Default to occur, and the pledgors should be permitted to pay dividends upstream on pledged shares to the extent permitted under the Debt Documents;

(d) the Secured Parties should only be able to exercise a power of attorney granted to them under a Security Document if an Event of Default has occurred which is continuing and any notice of acceleration in connection therewith has been given by the relevant Creditor Representative in accordance with the terms of the relevant Debt Document or after a failure to comply with a further assurance or perfection obligation or in order to remedy a breach of covenant by the relevant Debtor in the relevant Debt Document or in the relevant Security Document;

(e) no Transaction Security will be created over the shares in Alta Cordillera S.A. or Codematica S.R.L.; and

(f) notwithstanding the foregoing in no event will any Oldco Guarantor or member of the Group be required to enter into any control agreements or other control arrangements.

3. **Obligations to be secured**

Subject to the Agreed Security Principles, the obligations to be secured are the Secured Obligations. The Transaction Security is to be granted in favour of the Security Agent on behalf of the Secured Parties.

4. **Intercreditor Agreement**

Each Security Document shall state that in the event of a conflict between the terms of that Security Document and this Agreement, the terms of this Agreement shall prevail. Where appropriate, defined terms in the Security Documents should mirror those in this Agreement.

Schedule 6

HEDGE COUNTERPARTIES' GUARANTEE AND INDEMNITY

1. **Guarantee**

Each Debtor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Hedge Counterparty punctual performance by each other Debtor of all that Debtor's obligations under the Hedging Agreements;

(b) undertakes with each Hedge Counterparty that whenever another Debtor does not pay any amount when due under or in connection with any Hedging Agreement, that Debtor shall immediately on demand pay that amount as if it was the principal Debtor; and

(c) agrees with each Hedge Counterparty that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Hedge Counterparty immediately on demand against any cost, loss or liability it incurs as a result of a Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Hedging Agreement on the date when it would have been due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Schedule 6 if the amount claimed had been recoverable on the basis of a guarantee.

2. **Continuing guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Hedging Agreements, regardless of any intermediate payment or discharge in whole or in part.

3. **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is made by a Hedge Counterparty in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Debtor under this Schedule 6 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

4. **Waiver of defences**

The obligations of each Debtor under this Schedule 6 will not be affected by an act, omission, matter or thing which, but for this Schedule 6, would reduce, release or prejudice any of its obligations under this Schedule 6 (without limitation and whether or not known to it or any Hedge Counterparty) including:

(a) any time, waiver or consent granted to, or composition with, any Debtor or other person;

(b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any Oldco Guarantor or member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;

(e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Hedging Agreement or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any hedging arrangements or the addition of any new hedging arrangements under any Hedging Agreement or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Hedging Agreement or any other document or security; or

(g) any insolvency or similar proceedings.

5. **Debtor intent**

Without prejudice to the generality of paragraph 4 (*Waiver of defences*), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Hedging Agreements and/or any hedging made available for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

6. **Immediate recourse**

Each Debtor waives any right it may have of first requiring any Hedge Counterparty (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Schedule 6. This waiver applies irrespective of any law or any provision of a Hedging Agreement to the contrary.

7. **Appropriations**

Until all amounts which may be or become payable by the Debtors under or in connection with the Hedging Agreements have been irrevocably paid in full, each Hedge Counterparty (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Hedge Counterparty (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from any Debtor or on account of any Debtor's liability under this Schedule 6.

8. **Deferral of Debtors' rights**

Until all amounts which may be or become payable by the Debtors under or in connection with the Hedging Agreements have been irrevocably paid in full, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Hedging Agreements or by reason of any amount being payable, or liability arising, under this Schedule 6:

(a) to be indemnified by a Debtor;

(b) to claim any contribution from any other guarantor of any Debtor's obligations under the Hedging Agreements;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Hedge Counterparties under the Hedging Agreements or of any other guarantee or security taken pursuant to, or in connection with, the Hedging Agreements by any Hedge Counterparty;

(d) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under paragraph 1 (*Guarantee*);

(e) to exercise any right of set-off against any Debtor; and/or

(f) to claim or prove as a creditor of any Debtor in competition with any Hedge Counterparty.

If a Debtor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Hedge Counterparties by the Debtors under or in connection with the Hedging Agreements to be repaid in full on trust for the Hedge Counterparties and shall promptly pay or transfer the same to the relevant Hedge Counterparty.

9. **Release of Debtors' right of contribution**

If any Debtor (a "**Retiring Debtor**") ceases to be a Debtor in accordance with the terms of the Hedging Agreements for the purpose of any sale or other disposal of that Retiring Debtor then on the date such Retiring Debtor ceases to be a Debtor:

(a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under the Hedging Agreements; and

(b) each other Debtor waives any rights it may have by reason of the performance of its obligations under the Hedging Agreements to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Hedge Counterparties under any Hedging Agreement or of any other security taken pursuant to, or in connection with, any Hedging Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

10. **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Hedge Counterparty.

11. **Guarantee Limitations**

Guarantee Limitations for Argentine Guarantors

This guarantee does not apply to any liability of any Argentine Guarantor to the extent that it would result in this guarantee:

(a) breaching or contravening any provisions of the Argentine Insolvency and Bankruptcy Act No. 24,522, as amended; or

(b) breaching or contravening sections 338 through 342 of the Argentine Civil and Commercial Code.

Guarantee Limitations for Colombian Guarantors

(a) This guarantee is subject to any limitation set forth by applicable bankruptcy, insolvency, reorganisation, restructuring, liquidation, moratorium, administrative intervention, or similar Colombian laws affecting creditors' rights generally (including Law 1116 of 2006), and is subject to statute of limitations limiting the period for commencement for actions in Colombia, and to statutory preferences granted under the laws of Colombia.

(b) For the purposes of the collection, sale, enforcement or other realisation of any guarantee granted by a Colombian Guarantor, each Colombian Guarantor undertakes to make any filings to be made before the Colombian foreign exchange authorities and provide written notifications, if required under applicable law, to the Colombian Central Bank (*Banco de la República*) of its guarantee of the liabilities and, to the extent applicable, any Transaction Security and/or any channelling, to

the extent applicable, through the foreign exchange market resulting from the enforcement of such guarantee or Transaction Security (as the case may be). For such purposes, each Colombian Guarantor specifically undertakes to carry out the following activities in respect of the enforcement of its guarantee, to the extent required under applicable law:

(i) complete and file with the Colombian Central Bank, the foreign exchange declaration (and any amendments thereof) required to inform the Colombian Central Bank of the granting of the guarantee (Form 7 – "*Reporting of External Indebtedness granted to Nonresidents*" or any successor form thereto) and to execute all related documentation which may be required to effect such filing; and

(ii) complete and file with the Colombian Central Bank, the foreign exchange declaration (and any amendments thereof) required to channel foreign currency resulting from the enforcement of the guarantee (Form 3 – "*Foreign Exchange Declaration for Foreign Indebtedness and Avals and/or Guarantees*" or any successor form thereto).

Republic of Italy Guarantee Limitations

(c) In this paragraph "**Italian Hedging Guarantor**" means a Hedging Guarantor incorporated under the laws of Italy.

(d) This guarantee does not apply to any liability to the extent that it would result in this guarantee being illegal or contravening any applicable law or regulation in any relevant jurisdiction concerning financial assistance by a company for the acquisition of, or subscription for, shares or concerning the protection of shareholders' capital. Any guarantee, indemnity, obligations and liability granted or assumed pursuant to this Schedule 6 by any Italian Guarantor shall not include and shall not extend, directly or indirectly, to any amount lent to acquire or subscribe, directly or indirectly, shares or quotas in the relevant Italian Guarantor or any direct or indirect controlling entity of such Italian Guarantor (or the refinancing of any indebtedness incurred for that purpose).

(e) The obligations of each Italian Hedging Guarantor under this Schedule 6 in respect of the obligations of any other Debtor which is not a subsidiary (pursuant to article 2359, paragraph 1, numbers 1 and/or 2, of the Italian Civil Code) of that Italian Hedging Guarantor shall not exceed, at any time, an amount equal to the aggregate of:

(i) the aggregate principal amount of the indebtedness of such Italian Hedging Guarantor (and/or any of its direct or indirect subsidiaries pursuant to article 2359 paragraph 1, numbers 1 and/or 2 of the Italian Civil Code); and

(ii) the aggregate principal amount of any intercompany loans or other financial support by way of any form (such term, for the avoidance of doubt, not including equity contributions) of cash contribution advanced to such Italian Hedging Guarantor (or any of its direct or indirect subsidiaries pursuant to

article 2359 paragraph 1, numbers 1 and/or 2 of the Italian Civil Code) by the other Debtors after the date of first issuance of Senior Secured Notes, and outstanding at the time of the enforcement of the guarantee.

In addition, notwithstanding any provisions of this Agreement and/or the Debt Documents to the contrary, no Italian Hedging Guarantor shall be liable as a guarantor under this Agreement in relation to the obligations of any Debtor, which is not a subsidiary (pursuant to article 2359, paragraph 1, numbers 1 and/or 2, of the Italian Civil Code) of such Italian Hedging Guarantor, in respect of any amount owed under any Hedging Agreement in excess of an amount equal to the amount that such Italian Hedging Guarantor is entitled to (and actually can) set-off against its claims of recourse or subrogation (*regresso* or *surrogazione*) arising as a result of any payment made by such Italian Hedging Guarantor under the guarantee given pursuant to this Schedule 7 (the "**Hedging Set-Off Right**"), it remaining understood that any provision establishing a deferral of guarantors' rights in any Debt Documents, including this Agreement, shall not prejudice, and will not apply to, the Hedging Set-Off Right.

(f) Notwithstanding any provision to the contrary in this Agreement and/or in any other Debt Documents:

(i) in order to comply with the provisions of Italian law in relation to financial assistance (namely, article 2358 and article 2474 of the Italian Civil Code (as the case may be)), any guarantee, indemnity, obligations and liability granted or assumed pursuant to this Schedule 7 by any Italian Hedging Guarantor shall not include and shall not extend, directly or indirectly, to any amount which is used or intended to be used, directly or indirectly, to acquire or subscribe, directly or indirectly, shares or quotas in the relevant Italian Hedging Guarantor or any direct or indirect controlling entity of such Italian Hedging Guarantor (or the refinancing of any indebtedness incurred for that purpose), including any related costs and expenses, or to any Hedging Agreement entered into in connection with any such amount; and

(ii) in order to comply with the mandatory provisions of Italian law in relation to (A) maximum interest rates (including the Italian Usury Law and article 1815 of the Italian Civil Code) and (B) capitalisation of interest (including article 1283 of the Italian Civil Code and article 120 of the Italian Banking Law), the obligations of any Italian Hedging Guarantor under this Schedule 7 shall not extend to (x) any interest qualifying as usurious pursuant to the Italian Usury Law and (y) any interest on overdue amounts compounded in violation of the provisions set forth by article 1283 of the Italian Civil Code and/or article 120 of the Italian Banking Law, respectively.

(g) Without prejudice to the paragraphs above, in any event, pursuant to article 1938 of the Italian Civil Code, the maximum amount that any Italian Hedging Guarantor may be required to pay in respect of its obligations as guarantor of the other Debtors' obligations under the Hedging Agreements shall not exceed one hundred and twenty per cent. (120%) of the amount of the relevant Hedging Agreements.

Luxembourg Guarantee Limitation

The guarantee granted by any Debtor which is incorporated and established in the Grand-Duchy of Luxembourg (a "**Luxembourg Guarantor**") shall be limited at any time to an aggregate amount not exceeding the higher of:

(a) ninety-nine per cent. (99%) of such Luxembourg Guarantor's *capitaux propres* (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the commercial register and annual accounts, as amended (the "**2002 Law**"), and as implemented by the Grand-Ducal regulation dated 18 December 2015 setting out the form and the content of the presentation of the balance sheet and profit and loss account (the "**Regulation**")) determined as at the date on which a demand is made under the guarantee, increased by the amount of any Intra-Group Liabilities; and

(b) ninety-nine per cent. (99%) of such Luxembourg Guarantor's *capitaux propres* (as referred to in article 34 of the 2002 Law) determined as at the Restructuring Effective Date or, if later, the date such Luxembourg Guarantor became a Party as a Debtor, increased by the amount of any Intra-Group Liabilities.

The amount of the *capitaux propres* shall be determined by the Security Agent acting in its sole commercially reasonable discretion and shall be adjusted (by derogation to the rules contained in the 2002 Law and the Regulation) to take into account the fair value rather than book value of the assets of the Luxembourg Guarantor.

For the purpose of this Clause, "**Intra-Group Liabilities**" shall mean any amounts owed by the Luxembourg Guarantor to any other member of the group and that have not been financed (directly or indirectly) by a borrowing under the Debt Documents.

The above limitation shall not apply:

(i) in respect of any amounts due under the Debt Documents by the Luxembourg Guarantor and by a Debtor which is a direct or indirect subsidiary of that Luxembourg Guarantor;

(ii) in respect of any amounts due under the Debt Documents by the Luxembourg Guarantor and by a Debtor which is not a direct or indirect subsidiary of that Luxembourg Guarantor and which have been on-lent to or made available by whatever means, directly or indirectly, to that Luxembourg Guarantor or any of its direct or indirect subsidiaries.

If a demand has been made under a guarantee given by a Luxembourg Guarantor under another Debt Document (excluding for the avoidance of doubt any payments made under a Security Document), then the amount determined under above shall be reduced by the amount paid under such other guarantee by such Luxembourg Guarantor (it being understood that the amount determined under (a) above does reflect the demand made under such guarantee) even where such payment is made after the demand under this guarantee.

Panamanian Guarantee Limitation

Pursuant to Panamanian public policy provisions, a guarantee given by a Panamanian Guarantor:

(a) would be unenforceable against the Panamanian Guarantor if the main obligation is unenforceable against the primary obligor (the borrower or the issuer) as a guarantee is accessory to the main obligation and cannot exist without a validly existing main obligation;

(b) may not extend to encompass more than the main obligation in the amount, terms or conditions of said main obligation notwithstanding any agreement to the contrary which may be given by a Panamanian Guarantor; and

(c) may be reduced to the aggregate amount of the main obligation by a court in such circumstances.

Guarantee Limitations for Spanish Guarantors

(a) The guarantee granted by any Spanish Guarantor does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance within the meaning of articles 143 or 150 of the Spanish Companies Law, or any equivalent and applicable provisions under the laws of the jurisdiction in which the relevant Guarantor was incorporated and, with respect to any Guarantor who accedes to this Agreement after the date hereof, is subject to any limitations set out in the Debtor Accession Deed applicable to such acceding Guarantor.

(b) The limitation set out in paragraph (a) above shall apply *mutatis mutandis* to any Transaction Security created by any Spanish Obligors under the Security Documents and to any guarantee, undertaking, obligation, indemnity and payment, including (but not limited to) distributions, cash sweeps, credits, loans and set-offs, pursuant to or permitted by the Finance Documents and made by a Spanish Obligor.

12. **Additional Debtor limitations**

The guarantee of any Debtor who accedes to this Agreement after the date hereof is subject to any limitations relating to that acceding Debtor set out in any relevant Debtor Accession Deed.

13. **Keepwell**

2.2 **Fractional Entitlement**

(a) If the number of New Topco A Shares or Subordinated PIK Notes to be delivered to, or on behalf of, a Beneficiary resulting from any calculation made in accordance with the Consent Solicitation Statement is not a whole number and that number is rounded down to the nearest whole number of New Topco A Shares or nearest €1.00 of Subordinated PIK Notes, the relevant Beneficiary shall have no entitlement to any resulting fractional amount.

(b) Any New Topco A Shares or Subordinated PIK Notes not delivered to, or on behalf of, a Beneficiary following any rounding referred in paragraph (a) of Clause 2.2 shall remain in the Holding Period Trust (if such Trust Property is in the Holding Period Trust as at the date of such rounding) or shall be issued, transferred or allocated (as applicable) to the Holding Period Trustee (if such Trust Property is not in the Holding Period Trust as at the date of such rounding) (as applicable) (such Trust Property, the "**Rounding Residual Trust Property**"), and any Rounding Residual Trust Property shall be dealt with in accordance with Clause 5.2.

2.3 **Trust Property and Instructions**

(a) The Holding Period Trustee is hereby instructed to comply with the terms of this Deed, the Consent Solicitation Statement and the Restructuring Implementation Deed.

(b) Without prejudice to paragraph (h) of Clause 2.1, the Beneficiaries shall (collectively), in reliance on their absolute entitlement to the Trust Property, be entitled to instruct the Holding Period Trustee in the application of the Trust Property.

(c) None of the Holding Period Trustee, Information Agent and/or the Selling Agent shall at any time whatsoever have any beneficial interest in the Trust Property or any Trust Property Consideration.

3. RELEASE OF TRUST PROPERTY FROM THE HOLDING PERIOD TRUST DURING THE HOLDING PERIOD

3.2 A SSN Holder may only procure that a Permitted Recipient receives any of its Trust Property if that Permitted Recipient is not an Ineligible Person.

3.3 New Topco and New Holdco shall take such steps as may reasonably be required by the Holding Period Trustee to effect a transfer of Trust Property to a Beneficiary (or a Permitted Recipient, if applicable).

3.4 Following the satisfaction of the requirements and conditions set out in paragraph (a) or (b) of Clause 3.1 above (as applicable) to the satisfaction of the Information Agent, the Holding Period Trustee shall, as soon as practicable thereafter, transfer the relevant Trust Property to the relevant Beneficiary or Permitted Recipient (as applicable).

3.5 Following the transfer of all of the Beneficiary's Trust Property pursuant to Clause 3.1(a) above:

(a) the Holding Period Trustee shall instruct the Subordinated PIK Notes Registrar to, and the Transfer Agent to instruct the New Topco Shares Registrar to, update all relevant registers and make all relevant filings; and

4.2 Subject to Clause 4.4 and 5.2 and provided that the Notice Period has expired, the Holding Period Trustee is hereby instructed:

(a) as soon as reasonably practicable following the Holding Period Expiry Date, to use reasonable endeavours, including by way of the appointment of a Selling Agent, to sell or otherwise dispose of any Entitlement Trust Property not previously transferred to a Beneficiary or Permitted Recipient (as the case may be) on Arm's Length Terms for such consideration as it (or its Selling Agent) is able to obtain in the market at the time of the sale; and

(b) within 3 Business Days of the Holding Period Expiry Date to transfer all Reinstated SSN Trust Property to the relevant Beneficiaries.

4.3 The Holding Period Trustee may only sell or otherwise dispose of any Entitlement Trust Property pursuant to Clause 4.2 if:

(ii) the transferee has certified to the Information Agent and the Holding Period Trustee that any relevant regulatory approvals have been obtained and any other relevant regulatory requirements have been met; and

(iii) the transferee (or its Affiliate(s), as the case may be) has delivered to the Holding Period Trustee the following documents duly executed and completed:

4.4 The Holding Period Trustee shall, for a period of six months after the Holding Period Expiry Date (the "**Trust Property Consideration Holding Period**"), hold any Trust Property Consideration realised from any such disposal pursuant to Clause 4.2 above on trust for each relevant Beneficiary *pro rata* to the proportion of the disposed Entitlement Trust Property represented by its Restructuring Instrument Entitlements.

4.5 The Holding Period Trustee shall use commercially reasonable endeavours to give each relevant Beneficiary who has made themselves known to the Holding Period Trustee and the Information Agent notice that it holds the Trust Property Consideration and that they are entitled to claim the relevant Trust Property Consideration and accrued Related Rights in cash in accordance with this Clause 4.6.

4.6 Subject at all times to Clause 4.7, at any time during the Trust Property Consideration Holding Period, a Beneficiary whose Entitlement Trust Property has been sold or otherwise disposed of by the Holding Period Trustee may instruct that the Holding Period Trustee transfers to it the relevant Trust Property Consideration and the accrued Related Rights in cash related to the disposed Entitlement Trust Property to which the Beneficiary is entitled to.

4.7 The Holding Period Trustee shall only be required to effect a transfer of any Trust Property Consideration and Related Rights pursuant to Clause 4.6 above if the following conditions have been satisfied:

5. TREATMENT OF UNCLAIMED AND UNSOLD TRUST PROPERTY FOLLOWING EXPIRY OF THE TRUST PROPERTY CONSIDERATION HOLDING PERIOD

5.1 The Holding Period Trustee is hereby instructed to give the other Parties, and use commercially reasonable endeavours to give all Beneficiaries who have made themselves known to the Holding Period Trustee and the Information Agent not less than 60 days' notice that the Trust Property Consideration Holding Period will expire.

5.2 Following expiry of the Trust Property Consideration Holding Period, if the Holding Period Trustee (or its Selling Agent) has been unable to sell or otherwise dispose of any Entitlement Trust Property in accordance with Clause 4.2 above and/or it holds any Rounding Residual Trust Property (together, the "**Residual Trust Property**") and/or any Trust Property Consideration or Related Rights could not be transferred to the relevant Beneficiary (for whatever reason, including any legal restrictions, lack of clear transfer instructions from, or the failure to provide the required information, confirmations, representations or undertakings referred to above by, the relevant Beneficiary or if the Beneficiary remains a KYC Outstanding Creditor) (the "**Residual Trust Property Consideration**"), then the Holding Period Trustee is instructed by the Beneficiaries to pay or deliver:

(a) the Subordinated PIK Notes Entitlements in the Residual Trust Property to New Holdco or a person nominated by New Holdco;

(b) the New Topco A Shares Entitlements in the Residual Trust Property to New Topco or any person nominated by New Topco; and

in each case, as soon as is reasonably practicable after the earliest to occur of (A) the date that is 6 months after the expiry of the Trust Property Consideration Holding Period and (B) the date on which any relevant regulatory approvals and other relevant regulatory requirements that arise as a result of such payment or delivery of such Residual Trust Property or Residual Trust Property Consideration have been obtained and met.

5.3 Upon receipt by New Holdco, New Topco or their nominees, as applicable, of any Residual Trust Property, New Holdco shall cancel the Subordinated PIK Notes and New Topco shall cancel the New Topco A Shares they receive under Clause 5.2, in each case provided that any relevant regulatory requirements have been met and there would not be any material adverse tax consequences.

5.4 For the avoidance of doubt, following expiry of the Trust Property Consideration Holding Period, a Beneficiary cannot call for the transfer to them (or to a Permitted Recipient, as applicable) of any Entitlement Trust Property, Trust Property Consideration, Residual Trust Property or Residual Trust Property Consideration.

6.2 **Information rights**

The Holding Period Trustee shall provide any Beneficiary, upon reasonable request, with:

7.1 **Instructions**

(a) The Holding Period Trustee hereby agrees in favour of the Beneficiaries that it shall deal with the Trust Property and/or any resulting Trust Property Consideration only as contemplated by this Deed. The Holding Period Trustee's duties under this Deed are solely mechanical and administrative in nature and the Holding Period Trustee may request clarification of any instruction or obligation placed upon it pursuant to this Deed from New Topco, New Holdco, the Issuer, Codere Finance UK or any Beneficiary (as applicable) as to whether, and in what manner, the Holding Period Trustee should act or refrain from acting (and shall not be liable).

(b) Wherever any provision of this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture (as applicable) refers to the Holding Period Trustee agreeing or consenting to any request, agreement or action, or where any reference is made to any action being taken at the direction of the Holding Period Trustee, such references shall be deemed to refer to the Holding Period Trustee agreeing, consenting or acting, as applicable, on, or pursuant to, the instructions of the Beneficiaries acting together. The Holding Period Trustee shall, unless instructed or directed otherwise, act (or refrain from acting) having regard to the interests of the Beneficiaries in accordance with its fiduciary duty as bare trustee of the Holding Period Trust.

(c) The Holding Period Trustee shall:

(i) have no discretion in the making or withholding of any distribution to a Beneficiary; and

(ii) be entitled to rely upon the instructions given by the Beneficiaries pursuant to this Deed, the Consent Solicitation Statement, the Shareholders' Agreement, the Reinstated SSN Indenture and the Subordinated PIK Notes Indenture (as applicable), or pursuant to each Account Holder Letter delivered to the Information Agent and all other information provided to it by the Information Agent without the need for further investigation or inquiry, and shall have no liability to any person for acting on the basis of such information.

7.2 **Rights attaching to the Trust Property**

The Holding Period Trustee shall not exercise any voting rights or any other rights arising out of the Trust Property or the Trust Property Consideration held in the Holding Period Trust.

7.3 **Duties of the Holding Period Trustee**

Nothing in this Deed constitutes the Holding Period Trustee as an agent, trustee or fiduciary of the Issuer, Codere Finance UK, New Topco, New Holdco or any of their direct or indirect subsidiaries from time to time.

7.5 **No duty to account**

The Holding Period Trustee shall not be bound to account to any Beneficiary for any sum or the profit element of any sum received by it for its own account.

7.6 **Rights and Information**

The Holding Period Trustee and the Information Agent may:

(a) rely on any written representation, communication, notice or document believed by it, acting in good faith, to be genuine, correct and appropriately authorised and received by it in the course of performing its obligations under this Deed (including information as to the entitlements of the Beneficiaries, the Issuer, Codere Finance UK, New Topco or New Holdco);

(b) rely on a certificate from any person received by it in the course of performing its obligations under this Deed (including, without limitation, for the purposes of determining whether a person is an Ineligible Person):

(i) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(ii) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (i) above, may assume the truth and accuracy of that certificate.

7.7 **Advice**

Subject to the other provisions of this Deed, the Holding Period Trustee may engage, pay for, rely on and act on the opinion or advice of, or information obtained, from any lawyer, accountant, tax advisers, surveyors or other professional advisers or experts engaged by the Holding Period Trustee or any member of the Group whose advice or services may at any time seem necessary, expedient or desirable and shall not be responsible to anyone for any damage, cost or loss, any diminution in value or any liability whatsoever occasioned by so acting or arising as a result of any such reliance whether such advice is obtained by or addressed to a member of the Group or the Holding Period Trustee. Any such opinion, advice or information may be sent or obtained by letter or any other method and the Holding Period Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means, even if it contains some error or is not authentic.

7.8 **Agent**

The Holding Period Trustee, the Information Agent and any Selling Agent may act in relation to this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Trust Property and the Trust Property Consideration through its officers, employees and agents and, provided that it has exercised reasonable care in the selection of any such officers, employees and agents, it shall not:

(a) be liable for any error of judgement made by any such person; or

(b) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person, unless such error or such loss was directly caused by the Holding Period Trustee's, Information Agent's or any Selling Agent's fraud, gross negligence or wilful misconduct.

7.9 **Action contrary to any law**

Notwithstanding any other provision of this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture, the Holding Period Trustee is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of:

(a) any law or regulation or a breach of a fiduciary duty or duty of confidentiality, in each case, applicable to it; or

(b) its internal policies regarding anti-money laundering or "know your customer" checks,

and the Holding Period Trustee may do anything that is, in its reasonable opinion, necessary to comply with any such law, regulation, directive or internal policies regarding anti-money laundering or "know your customer" checks.

7.10 **No obligation to spend own funds**

Notwithstanding any provision of this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture:

(a) neither the Holding Period Trustee nor the Information Agent is obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion; and

(b) the Holding Period Trustee is permitted to use any part of the Trust Property Consideration realised under Clause 4.2 to pay any properly incurred fees, costs expenses or other liabilities and to make any deductions or withholdings, in each case, in connection with or arising out of such sale or disposal (but excluding, for the avoidance of doubt, fees, costs and expenses of the Holding Period Trustee not relating to the sale or disposal of the Entitlement Trust Property). The use of the Trust Property Consideration for this purpose shall be attributed *pro rata* across the entitlements of all Beneficiaries to whom Clause 4 applies.

7.11 **Responsibility for documentation**

Neither the Holding Period Trustee nor the Information Agent is responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Holding Period Trustee or the Information Agent (unless as a result of gross negligence, wilful default or fraud on its part) or any other person in or in connection with this Deed, the Consent Solicitation Statement and the Restructuring Implementation Deed or the transactions contemplated by this Deed, the Consent Solicitation Statement or the Restructuring Implementation Deed or any other deed, arrangement or document entered into, made or executed in anticipation of, under or in connection with the Consent Solicitation Statement or the Restructuring Implementation Deed; or

(b) the legality, validity, effectiveness, adequacy or enforceability of the Consent Solicitation Statement, the Restructuring Implementation Deed, this Deed or any other deed, arrangement or document entered into, made or executed in anticipation of, under or in connection with this Deed, the Consent Solicitation Statement or the Restructuring Implementation Deed.

7.12 **No duty to monitor**

Neither the Holding Period Trustee nor the Information Agent shall be bound to:

(b) enquire whether any other event specified in the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement or the Subordinated PIK Notes Indenture has occurred; or

(c) verify or confirm the accuracy of any certification provided by a Beneficiary, Permitted Recipient and/or Nominated Recipient with respect to whether it has obtained all regulatory approvals or met any other applicable laws or regulatory requirements in order to receive its Trust Property.

7.13 **Exclusion of liability**

(a) The Holding Period Trustee shall not be liable in any way whatsoever to any Beneficiary, Party or any other person for any use, application, release or transfer of the Residual Trust Property or the Residual Trust Property Consideration in accordance herewith.

(b) Without limiting paragraph (c) below (and without prejudice to any other provision of the Consent Solicitation Statement, the Restructuring Implementation Deed, the

Shareholders' Agreement, Reinstated SSN Indenture or the Subordinated PIK Notes Indenture excluding or limiting the liability of the Holding Period Trustee or any Selling Agent), neither the Holding Period Trustee (both in its capacity as the Holding Period Trustee and as legal holder of the Trust Property) nor any Selling Agent will be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, Reinstated SSN Indenture or the Subordinated PIK Notes Indenture unless directly caused by its gross negligence, wilful default, or fraud;

(ii) exercising or not exercising any right, power, authority or discretion given to it by, or in connection with, this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture or any other deed, arrangement or document entered into, made or executed in anticipation of under or in connection with, this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, Reinstated SSN Indenture or the Subordinated PIK Notes Indenture, unless directly caused by its gross negligence, wilful default or fraud;

(iii) any shortfall which arises on any sale of the Entitlement Trust Property unless directly caused by its gross negligence, wilful default or fraud; or

(iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs, losses, any diminution in value or any liability whatsoever arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including in each case such damages, costs, losses, diminution in value or liability arising as a result of nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(c) No Party (other than the Holding Period Trustee) may take any proceedings against any officer, employee or agent of the Holding Period Trustee in respect of any claim it might have against the Holding Period Trustee, or in respect of any act or omission of any kind by that officer, employee or agent in relation to the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture.

(d) Without prejudice to any provision of this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture excluding or limiting the liability of the Holding Period Trustee arising under or in connection with this Deed,

the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture, the liability of the Holding Period Trustee shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered but without reference to any special conditions or circumstances known to the Holding Period Trustee at any time which increase the amount of that loss. In no event shall the Holding Period Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Holding Period Trustee has been advised of the possibility of such loss or damages.

7.14 **Resignation of the Holding Period Trustee**

(a) The Holding Period Trustee may resign and appoint one of its Affiliates as its successor by giving notice to the Issuer, New Topco and New Holdco, subject to such a successor agreeing to be bound by the terms of the Consent Solicitation Statement and the Restructuring Implementation Deed and agreeing to enter into a deed on substantially equivalent terms to this Deed.

(b) Alternatively the Holding Period Trustee may resign at any time by giving 30 Business Days' prior written notice to the Issuer, New Topco and New Holdco, in which case the Issuer, New Topco and New Holdco may appoint a successor Holding Period Trustee.

(c) If the Issuer, New Topco and New Holdco have not appointed a successor Holding Period Trustee in accordance with paragraph (b) above within 20 Business Days after notice of resignation was given, the retiring Holding Period Trustee may appoint, subject to that successor Holding Period Trustee agreeing to enter into a deed on substantially equivalent terms to this Deed, a successor Holding Period Trustee.

(d) The retiring Holding Period Trustee shall (at the cost of the Issuer) make available to the successor Holding Period Trustee such documents and records and provide such assistance as the successor Holding Period Trustee may reasonably request for the purposes of performing its functions as Holding Period Trustee under the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement and the Subordinated PIK Notes Indenture, including notifying Beneficiaries of the retirement of the existing Holding Period Trustee and appointment of its successor Holding Period Trustee. The retiring Holding Period Trustee shall transfer, without prejudice to the rights of the Beneficiaries, all the Trust Property and any Trust Property Consideration to the successor Holding Period Trustee. The retiring Holding Period Trustee shall be reimbursed from the Trust Property or from any indemnity which it has the benefit of from a member of the Group for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.

(e) The Holding Period Trustee's resignation notice shall only take effect upon:

(i) the appointment of a successor who agrees to be bound by the terms of the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement and the Subordinated PIK Notes Indenture and a deed on substantially equivalent terms to this Deed; and

(ii) the transfer, without prejudice to the rights of the Beneficiaries, of all the Trust Property and any Trust Property Consideration to that successor.

(f) The appointment of the retiring Holding Period Trustee will terminate without prejudice to any rights of or liabilities incurred by the retiring Holding Period Trustee prior to the termination of its appointment.

7.15 **Confidentiality**

(a) Notwithstanding any other provision of this Deed, the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Reinstated SSN Indenture or the Subordinated PIK Notes Indenture, the Holding Period Trustee is not obliged to disclose to any other person any confidential information or any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

(b) Unless this Deed expressly specifies otherwise, the Holding Period Trustee may disclose to any other Party any information it reasonably believes it has received as trustee under this Deed and in relation to which it has not entered into any other confidentiality agreement.

7.16 **Information from the Information Agent**

(a) The Information Agent shall supply the Holding Period Trustee with any information that the Holding Period Trustee may reasonably specify as being necessary or desirable to enable the Holding Period Trustee to perform its functions as Holding Period Trustee, including a list of the SSN Holders who have made themselves known to the Information Agent (including details of their SSNs and Restructuring Instrument Entitlements at such time), copies of any Qualifying Documentation submitted pursuant to the provisions of the Consent Solicitation Statement, and a confirmation as to whether and for what reason a Beneficiary is an Ineligible RED Recipient at that time, to the extent such form and confirmations relate to any Beneficiary known to the Information Agent.

(b) For the avoidance of doubt, the Holding Period Trustee shall not be required to make any determination in respect of any of the requirements or conditions referred to in Clauses 4.3, 4.7 and 5.2 above and may rely on any confirmation or information provided by the Information Agent for all purposes of this Deed.

(c) The Holding Period Trustee is authorised to disclose information concerning the Holding Period Trust, the Trust Property, the Trust Property Consideration and any Trust Escrow Accounts to its Affiliates and other providers of services as may be necessary in connection with its performance of this Deed (including lawyers and accountants for the Holding Period Trustee) and may disclose to third parties that it is providing the services contemplated by this Deed.

7.17 **Custodians and nominees**

(a) The Holding Period Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset of the Holding Period Trust as the Holding Period Trustee may determine, including for the purpose of depositing with a custodian this Deed, any Trust Property or any document relating to the Holding Period Trust created under this Deed and the Holding Period Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Deed (provided it has exercised reasonable care in the selection of such custodian or nominee) or be bound to supervise the proceedings or acts of any person, subject to the Holding Period Trustee using reasonable endeavours to recoup such loss, liability, expense, demand or cost.

(b) In order for an appointment of a nominee or custodian contemplated by paragraph (a) above to be effective, the agreement in respect of such appointment must be consistent with the terms of this Deed.

7.18 **Additional Holding Period Trustees**

(a) The Holding Period Trustee may at any time appoint (and subsequently remove) any person to act as a separate trustee or as a co-trustee jointly with it, subject to such trustee agreeing to be bound by the terms of the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Subordinated PIK Notes Indenture and this Deed:

(i) if it considers that appointment to be in the interests of the Beneficiaries;

(ii) for the purposes of complying with any legal requirement, restriction or condition which the Holding Period Trustee deems to be relevant; or

(iii) for obtaining or enforcing any judgment in any jurisdiction,

and the Holding Period Trustee shall give prior notice to the other Parties of that appointment.

(b) Provided that it has exercised reasonable care in the selection of the additional holding period trustee, the Holding Period Trustee shall not:

(i) be liable for any error of judgement made by any such additional holding period trustee; or

(ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person, unless such error or such loss was directly caused by the Holding Period Trustee's fraud, gross negligence or wilful misconduct.

(c) Any person so appointed shall have the rights, powers, authorities and discretions (not exceeding those given to the Holding Period Trustee under or in connection with the Consent Solicitation Statement, the Restructuring Implementation Deed, the Shareholders' Agreement, the Subordinated PIK Notes Indenture or this Deed) and the duties, obligations and responsibilities that are given or imposed by the instrument of appointment.

(d) The remuneration that the Holding Period Trustee may pay to that person, and any costs and expenses properly incurred by that person in performing its functions pursuant to that appointment shall, for the purposes of this Deed, be treated as costs and expenses incurred by the Holding Period Trustee, provided that the Holding Period Trustee has obtained the Issuer's prior written consent to any such remuneration, costs and/or expenses.

7.19 **Acceptance of title**

The Holding Period Trustee shall be entitled to accept without enquiry, and shall not be obliged to investigate, any right and title that any Beneficiary may have to any of the Trust Property and Trust Property Consideration and shall not be liable for, or bound to require any person to remedy, any defect in its right or title.

7.20 **Trustee Acts**

The terms of this Deed are supplemental to the provisions of the Trustee Acts and in addition to any which may be vested in the Holding Period Trustee by law or regulation or otherwise.

7.21 **Disapplication of Trustee Acts**

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Holding Period Trustee in relation to the trusts constituted by this Deed. Background

(A) As referred to in the Company's public announcements, the Group's operations continue to be severely affected by the Covid-19 pandemic and the consequential operating restrictions in force in many of the Group's markets during 2020 and into 2021, and the Group is now overleveraged.

(B) On 31 March 2021 the Issuer was due to pay interest on the NSSNs (defined below) and on 30 April 2021 the Issuer and Co-Issuer are due to pay interest on the SSNs (defined below).

(C) If the Group cannot meet its financial obligations within applicable grace periods, certain of its creditors (including the SSN Holders and NSSN Holders, each defined below) will have the right to take enforcement action pursuant to security interests granted by members of the Group, including by Luxco 1 over the entire issued share capital of Luxco 2 (the "**Luxco 2 Equity**").

(D) The Company has explored various avenues to obtain the financing the Group (defined below) requires to meet its obligations, including requesting further investment from the shareholders

of the Company. As at the date hereof, such further shareholder investment has not been provided and, having considered the other avenues available, the only feasible avenue available to the Company and the Group to ensure its viability is the transactions described herein.

(E) The Company and the Ad Hoc Group (defined below) have negotiated the terms for €100 million of cash funded bridge financing (the "**Bridge Financing**") to be provided to the Group in the form of notes issued under the NSSN Indenture (defined below) (the "**Bridge Notes**"). (F) The Company and the Ad Hoc Group have also negotiated the terms of a restructuring of the Group pursuant to which, among other things:

(i) the Luxco 2 Equity will be transferred to a new holding structure through enforcement of the Luxco 2 Share Pledge (defined below);

(ii) the NSSNs will be amended and the maturity thereof will be extended; and

(iii) SSN Holders (defined below) will be offered:

(a) in exchange for their current SSN holdings, a percentage of Reinstated SSNs, Subordinated PIK Notes and A Ordinary Shares in the new holding structure (each as defined below) in each case equal to their percentage holding of SSNs; and

(b) the opportunity to purchase a percentage equal to their percentage holding of SSNs of an additional €125 million cash funded new money tranche of NSSNs to be issued on completion of the Restructuring (defined below), which will be backstopped by the Ad Hoc Group.

(G) To facilitate a solvent continuance of the Group and avoid damages to its operations, work force, stakeholders and overall activities, the Consenting Noteholders (defined below) are willing to grant to the Company and other members of the Group certain entitlements in exchange for facilitating the Restructuring.

(H) The Parties have agreed to enter into this Agreement to confirm their support for and facilitate the implementation of the Restructuring subject to the terms and conditions of this Agreement.

(i) take, encourage, assist or support (or procure that any other person takes, encourages, assists or supports) directly or indirectly any action that would, or could reasonably be expected to, frustrate, delay, impede or prevent the Restructuring, or that is inconsistent with the Restructuring; or

(ii) encourage, assist, support, vote for or commit to any alternative extension transaction or restructuring procedure in relation to the Notes (or any of them), or the provision of new third-party financing or refinancing to any member of the Group from any person who is not a Party to this Agreement, in each case solely to the extent that this is inconsistent with the Restructuring Term Sheets.

(c) Each Initial Party shall as soon as reasonably practicable following the Effective Date, execute and provide to the Company Counsel signed but undated and undelivered signature pages to the Restructuring Release and provide the Company Counsel with authority to date, release and deliver the relevant Initial Party's signature pages to the Restructuring Release simultaneously with the release of the signature pages of all the other original parties thereto, without the need for further consents from that Initial Party. Upon release of the Restructuring Release, the Company Counsel will send an executed and dated copy to the Initial Parties.

3.3 **Negotiation of Restructuring Documents**

(a) The Company, the Issuer, the Consenting Noteholders and the NMT Backstop Providers shall negotiate in good faith with a view to agreeing the Restructuring Documents in a form consistent with the Restructuring Term Sheets (subject to any amendments or other matters agreed as a result of the Due Diligence), respectively, in order to finalise those documents and achieve Agreed Form as soon as reasonably practicable.

(b) Upon confirmation from the Company and the Ad Hoc Group Counsel (on behalf of the Majority Consenting Noteholders and the Majority NMT Backstop Providers) that the Restructuring Documents are in Agreed Form, each of the Parties shall execute each Restructuring Document to which it is a party and deliver such executed Restructuring Document (if applicable, via its own legal counsel) to the Company Counsel or the Information Agent, as the Company (via the Company Counsel or the Information Agent) may direct.

(c) No Party shall be obliged to execute a Restructuring Document, or (in the case of a Consenting Noteholder) support, provide a written direction (including giving relevant instructions to the applicable Note Trustee or the Security Agent) and/or vote for any process (including the Homologation or (as applicable) the Scheme/Plan or a Consent Solicitation/Exchange Offer) that includes any provision or brings into effect any document or take any action set out in this Clause 3.3:

(i) which is inconsistent with the Restructuring Term Sheets (subject to any amendments or other matters agreed as a result of the Due Diligence); and

(ii) where a term of a Restructuring Term Sheet does not expressly contemplate a matter (including where such matter is expressed 'to be agreed' by certain parties) and in the case of a Consenting Noteholder, the corresponding term of the proposed Restructuring Document would materially worsen that Consenting Noteholder's position relative to its position as reflected in the Notes Indentures, as applicable, or relative to any other Consenting Noteholder.

3.4 **Due Diligence**

(a) Each of the Company Parties acknowledge that the Consenting Noteholders may require, and that Company Counsel and Ad Hoc Group Advisers will undertake after the date of this Agreement, further due diligence on the Group and its creditworthiness, business, assets, operations, or financial condition of the Group and/or the impact or consequences of the Restructuring on the Group (the "**Due Diligence**").

(b) Without prejudice to the generality of Clause 3.4(a) but subject to Clause 7 (*Limitations*), the Company Parties shall provide to the Ad Hoc Group Advisers:

(i) all material information held by the Group concerning:

(A) its business and financial affairs, books and records and the material contracts to which it is party; and

(B) any litigation, arbitration, administrative or other investigations, proceedings or disputes, actual or threatened, against any member of the Group, its management or its shareholders, including any valuation or estimates of the value of the relevant claims that have been undertaken by or for the Group; and

(ii) reasonable access to the relevant management teams,

in each case, as reasonably requested by such Ad Hoc Group Adviser in order to perform the Due Diligence and carry out work in accordance with its appointment and/or in order to agree the Restructuring Documents and to facilitate the Restructuring, and subject to satisfactory arrangements for the protection of the confidentiality and (in the case of the

materials referred to under paragraph (i)(B) above, legally privileged nature of) such materials.

(c) The Company and Company Advisers shall enter into negotiations (in good faith) with the Ad Hoc Group Advisers with a view to agreeing and providing to all Noteholders a summary or summaries of the results or findings of any Due Diligence which the Ad Hoc Group Advisers or Majority Consenting Noteholders may reasonably require, it being acknowledged that the Company shall not be obliged to disclose information, the public disclosure of which it reasonably considers would be materially adverse to its business or operations, or which may waive any legal privilege that it may have.

(d) The Parties shall (and the Company shall procure that each member of the Group shall) enter into negotiations with a view to agreeing (in good faith) any amendment to the Restructuring Term Sheets and/or term of a Restructuring Document to which they are to be party as are reasonably requested by the Majority Consenting Noteholders and/or an Ad Hoc Group Adviser based on the Due Diligence.

(e) If, in the reasonable opinion of each of (i) the Company, (ii) the Majority Consenting Noteholders and (iii) the Majority NMT Backstop Providers, alternative or additional steps are required or would be a more effective way of implementing the Restructuring, the Company Counsel and the Ad Hoc Group Counsel will, in good faith, seek to agree those steps and, if agreed, the Company shall promptly notify each Consenting Noteholder in writing of the details of the alternative or additional steps and why they are to be implemented.

3.5 **Specific Undertakings by the Company Parties**

(a) Subject to Clause 7 (*Limitations*), the Company Parties shall not, and the Company shall procure that each other member of the Group shall not:

(i) assign any of its rights or transfer any of its rights or obligations under this Agreement;

(ii) take or consent to the taking of any action that supports or favours any proposed winding-up, dissolution, *concurso* or *pre-concurso* (Articles 583 *et seq.* of the Spanish Insolvency Act), administration or reorganisation of any member of the Group or any proposed composition, compromise, assignment or arrangement (including any scheme of arrangement, restructuring plan or homologation) with any creditor of any member of the Group, other than where necessary or reasonably desirable for the implementation and consummation of the Restructuring or if required by law;

material contracts, Authorisations and other arrangements which could be breached by or terminated as a result of the Restructuring.

(c) Paragraphs (a) and (b) above shall not prevent the Company or any member of the Group from taking any action that:

(ii) the Majority Consenting Noteholders and the Company agree is necessary or reasonably desirable to implement or consummate the Restructuring.

(d) The Company shall not (and the Company shall procure that each member of the Group shall not) enter into any agreement or arrangement for financing with a State Funding Provider without the prior written consent of the Majority Consenting Noteholders, the terms of which shall include consent by the Majority Consenting Noteholders to the use of proceeds of any such financing.

(e) The Company shall not (and the Company shall procure that each member of the Group shall not) in one or a series of related transactions, directly or indirectly, enter into, commit to enter into, allow, permit or make any payment or incur any debt or other liability to a third party in respect of:

in the case of each of (i) and (ii) with an aggregate value in excess of €50 million, or

(iii) transfer (in any manner whatsoever) any value to (including, other than as expressly permitted by Section 4.17 of the NSSN Indenture, the designation of) any Unrestricted Subsidiary (as defined in the NSSN Indenture),

in each case, without the prior written consent of the Majority Consenting Noteholders.

(f) No member of the Group shall pay, loan, indemnify, incur any liability for, dividend, distribute, upstream, contribute or otherwise transfer any amount or value to the Parent Guarantor other than (i) any indemnity to directors and officers of the Parent Guarantor as described in Annex 2 of the Implementation Term Sheet and (ii) an aggregate amount equal to €4,500,000 for Ongoing Funding Costs and the Costs Escrow.

(g) The Company shall:

(i) in consultation with the Ad Hoc Group Advisers, seek, use all reasonable endeavours to obtain, and cooperate with and provide assistance to any Consenting Noteholder in relation to, any:

(h) The Company shall use all reasonable endeavours to obtain the consent of the Surety Bond Provider to the Intercreditor Amendments on or prior to (i) the date of the Scheme/Plan Practice Statement Letter and in any event no later than the date of the Scheme/Plan Convening Hearing; or (ii) the date a Consent Solicitation/Exchange Offer is launched.

(i) The Company shall use all commercially reasonable endeavours to procure that the Shareholder Resolution is passed at the Shareholder Meeting. If the Shareholder Resolution is not passed at the Shareholder Meeting the Company shall promptly notify the Consenting Noteholders and the Majority Consenting Noteholders may, within 5 Business Days of receiving that notice, request by notice to the Company that the Company call a further general shareholders meeting of the Company to be held as soon as reasonably practicable to reconsider the Shareholder Resolution (a "**Further Shareholder Meeting**"). If the Majority Consenting Noteholders request that a Further Shareholder Meeting is called, the Company shall promptly call the Further Shareholder Meeting and use all commercially reasonable endeavours to procure that the Shareholder Resolution is passed at any Further Shareholder Meeting.

(j) The Company shall procure that, once the Homologation Documentation is in Agreed Form, each and any Homologation Obligor files a Homologation Request as soon as practicable.

(k) Codere Newco S.A.U. shall execute, and the Company shall procure that any other member of the Group who is to be a party executes, the engagement letter of the Ad Hoc Group Financial Advisers within 5 Business Days of the Effective Date.

3.6 **Specific Undertakings by the Consenting Noteholders**

(a) Subject to Clauses 7 (*Limitations*) and 20 (*Reservation of Rights*), each Consenting Noteholder agrees during the Lock-Up Period not to:

(i) take any Enforcement Action;

(b) Subject to Clauses 7 (*Limitations*) and 20 (*Reservation of Rights*), each Consenting Noteholder shall:

(ii) provide to the Information Agent within two Business Days of receipt of a request, an updated Confidential Annexure stating the amount of its Locked-Up Notes Debt from time to time during the Lock-Up Period;

(iv) as soon as reasonably practicable following provision of or any update to its Confidential Annexure in accordance with the foregoing paragraphs (i) through (iii), or, upon request from the Company or the Information Agent, supply one or more Proofs of Holdings to the Information Agent confirming the amount of its Locked-Up Notes Debt. The Information Agent shall be entitled (but shall not be required) to disregard any Confidential Annexure which is not supported by Proofs of Holdings; and

(v) if required by the Majority Consenting Noteholders, execute any agreement, document, letter or similar to confirm its support for the Restructuring or any forbearance agreement, standstill agreement or similar in relation to any of its rights under the SSN Indenture and/or NSSN Indenture (as applicable).

(c) Subject to Clauses 7 (*Limitations*) and 20 (*Reservation of Rights*), if the Company Support Termination Time has occurred and the Luxco 2 Equity Transfer has occurred, each Consenting SSN Holder shall:

(i) use commercially reasonable endeavours to procure, including providing or voting in favour of any instructions, proxies, directions, consents or notices, that:

(A) the Issuer and Co-Issuer accede to this Agreement as Company Parties (including, in respect of the Issuer, reaffirming its obligations to pay the Consent Fees pursuant to Clause 4 (*Consent Fees*));

(B) any other entity in the Target Group that was a Party to this Agreement prior to the Company Support Termination Time accedes to this Agreement as a Company Party; and

(C) Luxco 2 or another entity in the Target Group as the Majority Consenting SSN Holders may determine agrees to assume all of the undertakings and obligations under this Agreement of the Company; and

(*Consent Fees*) on the basis of the most recent Confidential Annexures and/or Transfer Certificates provided by the Consenting Noteholders on or prior to the Record Date.

4.3 The Information Agent shall notify each eligible Consenting Noteholder of the amount of its Early Bird Consent Fee and/or Consent Fee at least three (3) Business Days in advance of the anticipated Restructuring Effective Date.

(b) the Company may (though shall not be required to) agree, subject to receipt by it of all such "know your customer" and anti-money laundering information as it may require, that payment shall be made to such other account(s) in the name of a Consenting Noteholder as a Consenting Noteholder may request.

5. ACCESSIONS

5.1 Additional Consenting Noteholders

(a) A Noteholder, who is not an Original Consenting Noteholder, may become a Party as an Additional Consenting Noteholder by delivering a duly executed and completed Noteholder Accession Letter to the Information Agent. On delivery of a Noteholder Accession Letter to the Information Agent the acceding Noteholder agrees to be bound by the terms of this Agreement as a Consenting Noteholder from the date of the relevant Noteholder Accession Letter.

(b) A Noteholder must, within 1 Business Day of delivering its accession to this Agreement as a Consenting Noteholder, deliver to the Information Agent a duly executed and completed Restructuring Release Accession Deed. For the avoidance of doubt, a Noteholder that delivers a Noteholder Accession Letter but fails to deliver a completed Restructuring Release Accession Deed will be bound by this Agreement (including, without limitation, this paragraph (b)) but, without prejudice to any other rights or

remedies of any Company Party under this Agreement, will not be entitled to receive any Early Bird Consent Fee or Consent Fee.

(c) If a Noteholder that accedes to this Agreement pursuant to paragraph (a) above has, prior to the date of its accession, entered into a Transfer in respect of all or any part of its Locked-Up Notes Debt such that it does not have the power to vote, or direct the voting of, or approve changes in respect of that Locked-Up Notes Debt, either directly or indirectly, it shall use reasonable endeavours to procure that the entity that does control the vote or approval delivers to the Information Agent a Noteholder Accession Letter in respect of that Locked-Up Notes Debt and a Restructuring Release Accession Deed.

(d) The Company may, in its discretion, accept Noteholder Accession Letters and Restructuring Release Accession Deeds subject to non-material defects in the form and/or means of delivery without requiring such non-material defects to be resolved. The Company may, in its discretion, deem Noteholder Accession Letters and Restructuring Release Accession Deeds received subject to material defects that are later resolved to have been received at the time of receipt of the defective document.

5.2 **Additional Company Parties**

(a) The Company shall procure that each Obligor that is not an Original Guarantor Party shall become a Party as an Additional Company Party by delivering a duly executed and completed Company Party Accession Letter to the Information Agent, by no later than the earlier of (i) the date that such Obligor accedes to the First Tranche Bridge Notes Purchase Agreement and Bridge Notes Purchase and Backstop Agreement and (ii) the Second Tranche Bridge Issue Date.

(b) The Company shall procure that each Obligor, simultaneously with its accession to this Agreement as an Additional Company Party, delivers to the Information Agent a duly executed and completed Restructuring Release Accession Deed.

(c) A member of the Target Group and, with the prior consent of the Majority Consenting Noteholders, any other person may become a Party as an Additional Company Party (and as a particular Company Party) by delivering a duly executed and completed Company Party Accession Letter to the Information Agent.

(d) On delivery of a Company Party Accession Letter to the Information Agent, the acceding party agrees to be bound by the terms of this Agreement as an Additional Company Party (and in any other capacity as may be set out therein) from the date of the relevant Company Party Accession Letter.

6. TRANSFERS

6.1 Consenting Noteholders

Subject to Clause 3.6(b), during the Lock-Up Period no Consenting Noteholder may enter into a Transfer in connection with its Locked-Up Notes Debt or this Agreement in favour of any person unless the Information Agent has confirmed to the transferor that the transferee:

(a) is a Consenting Noteholder as of the date of the Transfer and the Notes Debt subject to the Transfer will remain Locked-Up Notes Debt; or

(b) has delivered an executed Noteholder Accession Letter and Restructuring Release Accession Deed to the Information Agent which shall become effective immediately upon receipt by it of Notes, such that it will then immediately become a Consenting Noteholder in accordance with Clause 5.1 (*Additional Consenting Noteholders*); and

in each case, each of the transferor and the transferee has delivered a duly completed and signed Transfer Certificate to the Information Agent confirming the total principal amount of Locked-Up Notes Debt held by or owed to it as at the date of and reflecting such Transfer. The Information Agent shall provide any confirmation requested pursuant to this Clause 6.1 (*Consenting Noteholders*) promptly.

6.2 **Additional Notes Debt**

(a) A Consenting Noteholder may acquire Notes Debt, pursuant to Transfers, in addition to their Locked-Up Notes Debt at any time ("**Additional Notes Debt**").

(b) A Consenting Noteholder who has acquired Additional Notes Debt shall, as soon as reasonably practicable after the date of the Transfer, deliver a duly completed and signed Transfer Certificate, including an updated Confidential Annexure, to the Information Agent. Any Additional Notes Debt shall automatically become Locked-Up Notes Debt.

6.3 **Bridge Notes Debt**

(a) With effect from the First Tranche Bridge Issue Date all First Tranche Bridge Notes purchased by an Original Consenting SSN Holder shall automatically become Locked-Up NSSN Debt.

(b) With effect from the Second Tranche Bridge Issue Date:

(i) all Second Tranche Bridge Notes purchased by a Party shall automatically become Locked-Up NSSN Debt; and

(ii) to the extent a Party who purchases Second Tranche Bridge Notes was not a Party to this Agreement in the capacity of a Consenting NSSN Holder prior to the Second Tranche Bridge Issue Date, such Party shall be deemed to be a Consenting NSSN Holder and agrees to be bound by the terms of this Agreement as a Consenting NSSN Holder.

(c) The Information Agent will be deemed to have notice of any NSSN Debt of a Party held in the form of Bridge Notes with effect from the First Tranche Bridge Issue Date or the Second Tranche Bridge Issue Date, as applicable.

6.4 **Consenting Noteholder Ceasing to be a Party**

Following the Transfer of all of its Locked-Up Notes Debt to another person in a manner permitted by this Agreement, a Consenting Noteholder shall cease to be a Consenting Noteholder, save that the Surviving Provisions shall remain in force in respect of that Consenting Noteholder and it shall remain liable for any breaches of this Agreement that occurred prior to the Transfer.

6.5 **Qualified Market-makers**

A Consenting Noteholder may Transfer Locked-Up Notes Debt to a Qualified Market-maker if such Qualified Market-maker has the purpose and intent of acting as a Qualified Market-maker in respect of the relevant Locked-Up Notes Debt, in which case such Qualified Market-maker

shall not be required to accede to this Agreement or otherwise agree to be bound by the terms and conditions of this Agreement in respect of such Locked-Up Notes Debt, provided that:

(a) the relevant Consenting Noteholder shall make such Transfer conditional on any person to whom the relevant Locked-Up Notes Debt is transferred by the Qualified Market-maker either:

(i) being a Consenting Noteholder; or

(ii) agreeing to execute and deliver a Noteholder Accession Letter,

and shall certify to the Information Agent that it has made its Transfer so conditional;

(b) the Qualified Market-maker in fact Transfers the relevant Locked-Up Notes Debt within five (5) Business Days of the settlement date in respect of its acquisition of Locked-Up Notes Debt to a Consenting Noteholder or a transferee who executes and delivers a Noteholder Accession Letter (as the case may be); and

(c) no such Transfer is made within seven (7) Business Days of the date of any Scheme/Plan Meeting or any meeting to consider a Consent Solicitation/Exchange Offer.

7. LIMITATIONS

(a) Nothing in this Agreement shall:

(i) be construed to prohibit any Party from asserting or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement or prevent any Party from enforcing this Agreement;

(ii) require any Party to take any action that would breach any legal or regulatory requirement beyond the control of that Party or any order or direction of any relevant court, Regulator, or Governmental Body, and which impediment cannot be avoided or removed by taking reasonable steps;

(iii) require any Party to take or procure the taking of or refrain from taking any action if doing so is reasonably likely to result in: (A) any Representative incurring personal liability or sanction due to a breach of any law, regulation or legal or fiduciary duty; or (B) a breach of law, regulation or legal duty applicable to that Party;

(iv) restrict, or attempt to restrict, any director (or equivalent or similar office holder) of the Company, the Issuer, the Co-Issuer or any other member of the Group from commencing any legal process under insolvency, bankruptcy or any analogous law in respect of that entity if that director (or equivalent or similar office holder) reasonably considers (on the basis of legal professional advice) it is required to do so by any law, regulation or legal duty, provided that the Company will, to the extent practicable and legally possible, notify the Consenting Noteholders at least 3 Business Days prior to the commencement of that process;

(v) restrict, or attempt to restrict, any director (or equivalent or similar office holder) of a Company Party from complying with any applicable securities laws in respect of any member of the Group;

(vi) require any Consenting Noteholder to make any additional equity or debt financing available to the Group, except as contemplated by this Agreement;

(vii) require any Consenting Noteholder to incur any material out-of-pocket expenses or other material financial obligations (including granting any indemnity);

(viii) prevent any Consenting Noteholder (or any of its Affiliates or Related Funds) from providing debt financing, equity capital or other services (including advisory services) or from carrying on its activities in the ordinary course and providing services to clients (including to others who may have a conflicting interest to the Restructuring);

(ix) prevent or restrict any Party from bringing proceedings or taking such action or steps which the Company and the Majority Consenting Noteholders consider to be necessary or desirable to implement or consummate the Restructuring;

(x) prevent (A) any member of the Group from considering or negotiating (but not committing to or entering into) any potential agreement or arrangement with a State Funding Provider; (B) any member of the Group from committing or entering into any such arrangement or agreement if the Majority Consenting Noteholders have given their consent pursuant to Clause 3.5(d); or (C) any Consenting Noteholder from consenting to any request from a member of the Group to commit or enter into any such arrangement or agreement pursuant to Clause 3.5(d), provided, in each case, that such action shall not materially delay, impede, or prevent the Restructuring for so long as this Agreement remains in full force and effect; or

(xi) restrict the Company, the Issuer, the Co-Issuer or any member of the Group from taking any step or action that is permitted pursuant to, or not prohibited by, Clause 3 (*Supporting and Implementing the Restructuring*).

(b) No Consenting Noteholder shall be obliged to vote in favour of the Scheme/Plan if, before the Scheme/Plan Meeting, or before the deadline for submitting a vote, there has been a Material Adverse Effect as notified to the Company in writing by the Majority Consenting Noteholders.

7.2 If a Party anticipates that it will, or is reasonably likely to, fail to take or refrain from taking action which would otherwise have been required were it not for this Clause 7 (*Limitations*), it shall so notify the Company, with a copy to the Ad Hoc Group Counsel, promptly upon becoming so aware.

7.3 If a Party fails to take or refrains from taking action which would otherwise have been required were it not for this Clause 7 (*Limitations*), it shall so notify the Company, with a copy to the Ad Hoc Group Counsel, promptly upon becoming so aware, and the Company or the Majority Consenting Noteholders shall be entitled to require the relevant Party to provide reasonably satisfactory evidence (without any obligation on such Party whatsoever to breach any relevant privilege) as to why taking or refraining from taking the action would have given rise to the breach of the applicable law, regulation, statute or legal or fiduciary duty referred to in this Clause 7 (*Limitations*).

8. TERMINATION

8.1 Automatic termination

This Agreement shall automatically terminate on the Restructuring Effective Date.

8.2 **Voluntary termination**

(B) the date that the Court makes a final order declining to convene the Scheme/Plan Meetings or to sanction any Scheme/Plan; or

(C) the date that the Bankruptcy Court enters a final, non-appealable order or an order which the Company confirms to the Consenting Noteholders that it does not intend to appeal (i) dismissing the Chapter 15 Proceedings; or (ii) declining to make the Chapter 15 Order; or

(f) at the election of either the Majority Consenting Noteholders or the Majority NMT Backstop Providers by and upon delivery of a written notice of termination to the other Parties, if:

(i) a majority of the votes cast in the Shareholder Meeting reject or otherwise do not vote in support of the Shareholder Resolution;

14. CONSENTING NOTEHOLDERS AND AD HOC GROUP

14.1 Agreements amongst the Consenting Noteholders

This Clause 14 (*Consenting Noteholders and Ad Hoc Group*) sets out certain rights and obligations amongst Consenting Noteholders only and is not intended to impact the rights and obligations of each Consenting Noteholder vis-à-vis any other Party.

14.2 **No representation**

Nothing in this Agreement shall create or imply any fiduciary duty, any duty of trust or confidence in any form on the part of the Ad Hoc Group or any member of the Ad Hoc Group (in its capacity as a member of the Ad Hoc Group and not in its capacity as a Noteholder and/or agent (as applicable)) to any other Party or the other Consenting Noteholders under or in connection with this Agreement, the Notes Indentures or the Restructuring.

14.3 **Ad Hoc Group not an agent**

The Ad Hoc Group is not an agent and does not and will not "act for" or act on behalf of or represent the Consenting Noteholders in any capacity, will have no fiduciary duties to the Consenting Noteholders and will have no authority to act for, represent, or commit the Consenting Noteholders. The Ad Hoc Group will have no obligations other than those for which express provision is made in this Agreement (and for the avoidance of doubt the Ad Hoc Group is not under any obligation to advise or to consult with any Consenting Noteholders on any matter related to this Agreement).

14.4 **No requirement to disclose information received in other capacities**

(a) No information or knowledge regarding the Company or the Group or their affairs received or produced by any Consenting Noteholder in connection with this Agreement shall be imputed to any other Consenting Noteholder and no Consenting Noteholder shall be bound to distribute or share any information received or produced pursuant to this Agreement to any other Consenting Noteholder or to any other Noteholder under the Notes Indentures or any other person.

(b) No information or knowledge regarding the Company or the Group or its affairs received or produced by any member of the Ad Hoc Group in connection with this Agreement or the Restructuring shall be imputed to any other member of the Ad Hoc Group.

14.5 **Ad Hoc Group may continue to deal with the Company**

The Ad Hoc Group members will remain free to deal with the Company Parties and the Group each on its own account and will therefore not be bound to account to any Party for any sum, or the profit element of any sum, received by it for its own account.

14.6 **Consenting Noteholders can seek their own advice**

For the benefit of the Ad Hoc Group, each Consenting Noteholder acknowledges and agrees that it will remain free to seek advice from its own advisers regarding its exposure as a Consenting Noteholder and will, as regards its exposure as a Consenting Noteholder, at all times continue to be solely responsible for making its own independent investigation and appraisal of the business, financial condition, creditworthiness, status and affairs of the Company and the Group.

14.7 **Assumptions as to authorisation**

The Ad Hoc Group may assume that (and shall not be required to verify):

(a) any representation, notice or document delivered to them is genuine, correct and appropriately authorised;

(b) any statement made by a director, authorised signatory or employee of any person regarding any matters are within that person's knowledge or within that person's power to verify; and

(c) any communication made by any Company Party or member of the Group is made on behalf of and with the consent and knowledge of all the Company Parties.

14.8 **Responsibility for documentation**

The Ad Hoc Group:

(a) will not be responsible for the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by any Consenting Noteholder, the Company Parties, the Group or any other person given in or in connection with this Agreement and any associated documentation or the transactions contemplated therein;

(b) will not be responsible for the legality, validity, effectiveness, completeness, adequacy or enforceability of the Restructuring, this Agreement or any agreement, arrangement or document entered into, made or executed in anticipation of or in connection with the Restructuring;

(c) will not be responsible for any determination as to whether any information provided or to be provided to any Consenting Noteholder is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing, market abuse or otherwise;

(d) will not be responsible for verifying that any information provided to the Consenting Noteholder (using reasonable endeavours and usual methods of transmission such as email or post) has actually been received and/or considered by each Consenting Noteholder. The Ad Hoc Group shall not be liable for any information not being received by any Consenting Noteholder;

(e) shall not be bound to distribute to any Consenting Noteholder or to any other person, any information received by it; and

(f) shall not be bound to enquire as to the absence, occurrence or continuation of any Default or Event of Default (as such terms are defined in the Notes Indentures), or the performance by the Company or any Company Party, in each case, of its obligations under the Notes Indentures or any other document or agreement.

14.9 **Own responsibility**

(a) It is understood and agreed by each Consenting Noteholder, for the benefit of the Ad Hoc Group, that at all times it has itself been, and will continue to be, solely responsible for making its own independent appraisal of, and investigation into, all risks arising in respect of the business of the Company and the Group or under or in connection with the Restructuring, this Agreement and any associated documentation including, but not limited to:

(i) the financial condition, creditworthiness, condition, affairs, status and nature of each member of the Group;

(ii) the legality, validity, effectiveness, completeness, adequacy and enforceability of any document entered into by any person in connection with the business or operations of the Company or the Group or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with the Restructuring;

(iii) whether such Consenting Noteholder has recourse (and the nature and extent of that recourse) against any Company Party or any other person or any of their respective assets under or in connection with the Restructuring and/or any associated documentation, the transactions therein contemplated or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with the Restructuring;

(iv) the adequacy, accuracy and/or completeness of any information provided by any Company Party and advisors or by any other person in connection with the Restructuring, and/or any associated documentation, the transactions contemplated therein, or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with the Restructuring; and

(v) the adequacy, accuracy and/or completeness of any advice obtained by the Ad Hoc Group or the Company Parties in connection with the Restructuring or in connection with the business or operations of the Company Parties or the Group.

(b) Each Consenting Noteholder acknowledges to the Ad Hoc Group that it has not relied on, and will not hereafter rely on, the Ad Hoc Group or any of them in respect of any of the matters referred to in paragraph (a) above and that consequently the Ad Hoc Group members shall not have any liability (whether direct or indirect, in contract, tort or otherwise) or responsibility to any Consenting Noteholder or any other person in respect of such matters.

14.10 **Exclusion of liability**

(a) Without limiting paragraph (b) below, a member of the Ad Hoc Group will not be liable for any action taken by it (or any inaction) under or in connection with the Restructuring or this Agreement, unless directly caused by its gross negligence or wilful misconduct.

(b) No Party (other than a member of the Ad Hoc Group) in respect of any director, officer, employee, agent, investment manager, investment adviser, general partner, Affiliate or Related Fund of that member of the Ad Hoc Group may take any proceedings against any director, officer, employee, agent, investment manager, investment adviser, general partner, Affiliate or Related Fund or any member of the Ad Hoc Group, in respect of (i) any claim it might have against the Ad Hoc Group or a member of the Ad Hoc Group or (ii) in respect of any act or omission of any kind by that director, officer, employee, agent, investment manager, investment adviser, general partner, Affiliate or Related Fund, in each case, in relation to this Agreement or the Restructuring and any associated documentation or transactions contemplated therein and, without prejudice to Clause 1.4 (*Third-party rights*) and the provisions of the Contracts (Rights of Third Parties) Act 1999, no such director, officer, employee, agent, investment manager, investment adviser, general partner, Affiliate or Related Fund shall be bound by any amendment or waiver of this Clause 14.10(b) (*Exclusion of liability*) without the consent of such director, officer, employee, agent, investment manager, investment adviser, general partner, Affiliate or Related Fund.

15. SEPARATE RIGHTS

15.1 The obligations of each Party under this Agreement are several. Failure by a Party to perform its obligations under this Agreement does not affect the obligations of any other Party under this Agreement. No Party is responsible for the obligations of any other Party under this Agreement.

15.2 The rights of each Party under or in connection with this Agreement are separate and independent rights. A Party may separately enforce its rights under this Agreement.

15.3 Nothing in this Agreement will be interpreted as creating the obligation of all or part of the Consenting Noteholders or NMT Backstop Providers that are shareholders of the Company to assume or implement any kind of common management policy with respect to the Company.

16. SPECIFIC PERFORMANCE

Without prejudice to any other remedy available to any Party, the obligations under this Agreement shall, subject to applicable law, be the subject of specific performance by the relevant Parties. Each Party acknowledges that damages shall not be an adequate remedy for breach of the obligations under this Agreement.

19. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Party, any right or remedy under this agreement shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. of the Collateral in accordance with the Intercreditor Agreement) or junior to the Liens on the Collateral securing the Notes or the Guarantees; *provided, however,* that this clause (c) shall be suspended as of the Fifth Supplemental Indenture Effective Date unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes," and

incurrence of such Debt, taken as one period, would be greater than 2.25 to 1.00, determined on a pro forma basis after giving effect to the incurrence of such Debt and the application of the net proceeds therefrom. As of the Fifth Supplemental Indenture Effective Date, the Issuer and Guarantors' ability to incur debt under the preceding Fixed Charge Coverage Ratio is hereby suspended, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes."

(ii) Section 4.06(b)(i)(A) is hereby amended as follows:

"(A) Debt represented by the Notes issued on the Issue Date and Debt incurred pursuant to the Revolving Credit Facility; provided that upon the refinancing of the Revolving Credit Facility, the Issuer or any Guarantor may incur Debt represented by Additional Notes issued to the Holders of the Existing Notes or Related Funds, that together with the Notes issued on the Issue Date, amount to an aggregate principal amount at any one time outstanding not to exceed ~~€2~~350.0 million;"

(iii) Section 4.06(b)(xix) is hereby amended as follows:

"(xix) the incurrence by the Issuer or any Guarantor of Debt in an aggregate principal amount not greater than the aggregate amount of net cash proceeds (other than Excluded Contributions) received by the Parent Guarantor after the Issue Date as a contribution to its common equity capital, or from the issue or sale of its Equity Interests (other than Disqualified Stock) at any time outstanding to the extent such cash proceeds have not been relied upon to make Restricted Payments pursuant to clause (b)(iii)(B) of Section 4.07;

provided, *however*, that clauses 4.06(b)(iv), 4.06(b)(vi), 4.06(b)(xi), 4.06(b)(xii), and 4.06(b)(xix) are suspended as of the Fifth Supplemental Indenture Effective Date unless the majority in aggregate principal amount of the outstanding Notes release the Issuer or any Guarantor from the requirements of this proviso with prior written consent; *provided*, *further*, that the further incurrence of debt under clauses 4.06(b)(iii) and Section 4.06(b)(xiv) shall be limited to the incurrence of Debt for working capital purposes (including, without limitation, the refinancing of existing debt, short term maturities and amortizations), as well as payments in respect of licenses."

"(xviii) any other Restricted Investment so long as after giving effect to such Restricted Investment on a pro forma basis, the Consolidated Net Leverage Ratio for the four full fiscal quarters for

"Section 4.17. *Designation of Unrestricted and Restricted Group Members.* The Board of Directors of the Parent Guarantor may designate any Restricted Group Member (other than the Issuer) to be an Unrestricted Group Member (a "Designation") if that Designation would not cause a Default. If a Restricted Group Member is designated as an Unrestricted Group Member, the Fair Market Value of the Parent Guarantor's interest in the Subsidiary or Non-Subsidiary Affiliate so designated shall be deemed to be an Investment made as of the time of the Designation and shall reduce without duplication the amounts available for Restricted Payments under Section 4.07(b) and/or the amount available for Permitted Investments, as determined by the Parent Guarantor. That Designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Group Member otherwise meets the definition of an Unrestricted Group Member. The Board of Directors may redesignate any Unrestricted Group Member to be a Restricted Group Member (a "Redesignation") if the Redesignation would not cause a Default and if all Liens and Debt of such Unrestricted Group Member outstanding immediately following such Redesignation would, if incurred at that time, have been permitted to be incurred for all purposes of this Indenture; *provided*, *however*, that from the Fifth Supplemental Indenture Effective Date no Designation of any Unrestricted Subsidiaries shall be permitted other than the designation of a new Luxembourg subsidiary of Codere Newco, S.A.U. as an Unrestricted Subsidiary for purposes of a proposed internal restructuring; *provided*, *further*, that any entity designated as an Unrestricted Subsidiary prior to the Fifth Supplemental Indenture Effective Date other than CC JV S.A.P.I. de C.V. and HR Mexico City Project Co. S.A.P.I. de C.V. (for the avoidance of doubt this proviso shall also exclude Hotel ICELA

S.A.P.I. de C.V., Calle ICELA S.A.P.I. de C.V., Centro de Convenciones las Américas S.A. de C.V. and Hotel Entretenimiento las Américas S.A. de C.V.) shall after such date be subject to all the terms of this Indenture as if it had never been so designated and therefore shall be treated as if they were Restricted Group Members, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes."

Section 1.9 *Amendment of Section 4.30.* Section 4.30 (*Liquidity Covenant*) is hereby amended and replaced in its entirety with the following:

"Section 4.30. Liquidity Covenant. "(iv) failure by the Parent Guarantor or any Restricted Group Member for 60 days after notice from the Trustee or the holders of at least 25% in aggregate principal amount of the Notes to comply with any of the other agreements or obligations in this Indenture; *provided, however*, that failure to comply with Sections 4.04, 4.17, 4.26, ~~and Section~~ 4.27 and 4.30 shall result in an immediate Event of Default;"

(iii) Section 6.01(a)(viii) shall be amended as follows:

Any modification to or deletion of a provision under this Clause 9 (*Severability*) shall not affect the validity and enforceability of the rest of this Deed.

(b) agrees that failure by an agent for service of process to notify any relevant Party of the process will not invalidate the process concerned.

15.3 If any person appointed as an agent for service of process by an Original Company Party or Participating Company Party is unable for any reason to act as agent for service of process, such Original Company Party or Participating Company Party must immediately appoint another agent and notify the Parties of the name and address details of such agent for service of process.

Schedule 8
Intercreditor Amendments Term Sheet

Draft for discussion – not an offer or a commitment – not legally binding – subject to due diligence and internal approvals

Schedule 8 of the Lock-Up Agreement

Intercreditor Amendments Term Sheet

This term sheet forms part of the Lock-Up Agreement. Capitalised terms not otherwise defined herein will have the same meaning as provided in the Lock-up Agreement or the Intercreditor Agreement, as applicable.

This term sheet sets forth the principal terms of the proposed amendments to the Intercreditor Agreement.

The matters set out in this term sheet are summary terms only and are not intended to include all the terms and conditions which will be set out in full in the final documentation.

Intercreditor Amendments

Documentation:	The Intercreditor Agreement will be amended and restated or replaced by a new intercreditor agreement on the Restructuring Effective Date to reflect, *inter alia*, the amendments described in this Term Sheet (as amended or replaced, the "**Restated ICA**").
Consents:	The consent of the NSSN Holders and the SSN Holders, and instructions to their respective Creditor Representatives and the Security Agent, will be given as part of the Consent Solicitation/Exchange Offer or Scheme/ Plan (as applicable). The consent of the Surety Bond Provider will be obtained bilaterally as a pre-condition to effectiveness of the Restated ICA.
Consequential Amendments:	Amendments shall be made to reflect: • any change in group structure following any Luxco 2 Equity Transfer; • removal of references to the "Initial Revolving Facility" (and related definitions and terminology) and any provisions differentiating between the position prior to and following the "Revolving Facility Discharge Date" (unless required to be retained for ease of reference or comprehension); • updating of defined terms to more accurately reflect post-restructured capital structure, e.g. separate definitions for Super Senior Notes to be added (i.e. Super Senior Notes to no longer be "Credit Facility Liabilities").

Creditors as at the Restructuring Effective Date	• "Super Senior Creditors" comprising the Surety Bond Provider[, any Super Senior Hedge Counterparties] and the "Super Senior Debt Creditors", including the NSSN Holders and NSSN Trustee; and • "Pari Passu Debt Creditors" comprising [any Pari Passu Hedge Counterparties,] the SSN Holders and SSN Trustee.
Ranking of Debt:	Liabilities of the Debtors shall rank in right and priority of payment in the following order: • *First*: the Super Senior Debt Liabilities,[1] the Super Senior Hedging Liabilities, the Surety Bond Facility Liabilities and [the Arranger Liabilities][2] *pari passu* and without preference among them; and • *Second*: the Pari Passu Debt Liabilities and the Pari Passu Hedging Liabilities *pari passu* and without preference among them.
Ranking of Transaction Security:	Transaction Security shall secure the liabilities in the following order: • *First*: the Super Senior Debt Liabilities, the Super Senior Hedging Liabilities, the Surety Bond Facility Liabilities and [the Arranger Liabilities][3] *pari passu* and without preference among them; • *Second*: the Pari Passu Debt Liabilities and the Pari Passu Hedging Liabilities *pari passu* and without preference among them.
Subordinated and Intra-Group Liabilities	Subordinated Liabilities and the Intra-Group Liabilities shall be postponed and subordinated to the Liabilities owed by the Debtors to the Primary Creditors. The Restated ICA shall not purport to rank any of the Subordinated Liabilities or the Intra-Group Liabilities as between themselves.
Super Senior Debt Creditors and Super Senior Debt Liabilities:	No restriction on payment of Super Senior Debt Liabilities. Customary restrictions on Super Senior Debt Creditors taking additional security and guarantees unless offered to other Secured Parties (to the extent legally possible and subject to any Agreed Security Principles).

[1] **Explanatory note**: this definition to cover the NSSNs (including Bridge and NMT) as well as a placeholder for any future credit facility/notes ranking pari passu with the NSSNs
[2] Note: to be included to the extent relevant
[3] Note: to be included to the extent relevant

No substantive changes envisaged to provisions relating to Ancillary Lenders and Issuing Banks' ability to take additional security and guarantees and enforce Transaction Security.

Surety Bond Provider: No substantive changes envisaged to provisions relating to the Surety Bond Provider.

Pari Passu Debt Creditors and Pari Passu Debt Liabilities: Prior to the Super Senior Discharge Date, no member of the Group may make payments in respect of the Pari Passu Liabilities without the consent of the Required Super Senior Creditors except as permitted by the Restated ICA, including:

- If the payment is of
  - (i) any of the principal amount of or capitalised interest on the Pari Passu Debt Liabilities which is not prohibited from being paid by the Super Senior Debt Documents or the Surety Bond Facility Agreement or (ii) any other amount which is not an amount of principal or previously capitalized interest (including any scheduled interest (whether cash pay or payment-in-kind) and default interest);
  - no Pari Passu Payment Stop Notice (defined below) is outstanding; and
  - no Super Senior Payment Default (defined below) has occurred and is continuing; or
- Creditor Representative Amounts due to the Creditor Representative(s) of the Pari Passu Creditors.

Prior to the Super Senior Discharge Date, if any default in the payment of any amount due under the Super Senior Debt Documents or the Surety Bond Facility Agreement (a "**Super Senior Payment Default**") is continuing all payments in respect of the Pari Passu Liabilities (other than Creditor Representative Amounts and those for which the consent of the Required Super Senior Creditors has been obtained) will be suspended.

Pari Passu Payment Stop Notice: If an event of default (other than a Super Senior Payment Default) under the Super Senior Debt Documents or the Surety Bond Facility Agreement (a "**Super Senior Event of Default**") is continuing and each Pari Passu Creditor Representative has received a notice (a "**Pari Passu Payment Stop Notice**") from a Super Senior Creditor Representative or the Surety Bond Provider, respectively, all payments in respect of Pari Passu Liabilities (other than Creditor Representative

Amounts and those for which the consent of the Required Super Senior Creditors has been obtained) are suspended until the earliest of:

- 179 days after the receipt by the relevant Creditor Representative(s) of the Pari Passu Payment Stop Notice;
- if a Pari Passu Standstill Period (defined below) is in effect at any time after delivery of that Pari Passu Payment Stop Notice, the date on which that Pari Passu Standstill Period expires;
- the date on which there is a waiver or remedy of the relevant Super Senior Event of Default;
- the date on which the Creditor Representative or Surety Bond Provider which issued the Pari Passu Payment Stop Notice notifies the relevant Creditor Representative(s) of the Pari Passu Creditors that the Pari Passu Payment Stop Notice is cancelled; and
- the repayment and discharge of all obligations in respect of the Super Senior Liabilities.

No new Pari Passu Payment Stop Notice may be served unless 360 days have elapsed since the immediately prior Pari Passu Payment Stop Notice.

No Pari Passu Payment Stop Notice may be served in respect of a Super Senior Event of Default more than 60 days after the date that the relevant Creditor Representative of Super Senior Creditors or the Surety Bond Provider, as applicable, received notice of that Super Senior Event of Default.

No Creditor Representative of a Super Senior Creditor may serve more than one Pari Passu Payment Stop Notice with respect to the same event or set of circumstances, and no Pari Passu Payment Stop Notice may be served in respect of a Super Senior Event of Default notified to a Creditor Representative at the time at which it issued an earlier Pari Passu Payment Stop Notice.

If a Pari Passu Payment Stop Notice ceases to be outstanding or the relevant Super Senior Event of Default or Super Senior Payment Default has ceased to be continuing (by being waived by the relevant Super Senior Creditors or remedied) the relevant Debtor may then make those payments it would have otherwise been entitled to pay under the Pari Passu Liabilities and if it does so promptly any event of default under a Pari Passu Debt Document (a "**Pari Passu Event of Default**") (and any cross-default or similar provision under any other debt document) which may have occurred as a result of that suspension of

payments shall be waived and any notice which may have been issued as a result of that Pari Passu Event of Default shall be waived.

A Super Senior Payment Default is remedied by the payment of all amounts then due.

- a Pari Passu Event of Default is continuing;
- the Creditor Representative(s) of the Super Senior Creditors and the Surety Bond Provider have received notice of the specified Pari Passu Event of Default from the Creditor Representative(s) of the Pari Passu Debt Creditors;
- a Pari Passu Standstill Period has expired;
- the relevant Pari Passu Event of Default is continuing at the end of the Pari Passu Standstill Period.

A "**Pari Passu Standstill Period**" shall mean the period starting on the date that a Creditor Representative of the Pari Passu Debt Creditors serves an enforcement notice on each of the Creditor Representative(s) of the Super Senior Creditors and the Surety Bond Provider until the earliest of:

- 179 days after such date;
- the date on which a Super Senior Creditor takes Enforcement Action in relation to a particular guarantor of the Pari Passu Debt Liabilities, provided that the Pari Passu Debt Creditors and their Creditor Representative(s) may only take the same Enforcement Action against the same entity as is taken by the Super Senior Creditors (or their Creditor Representative(s));
- the date on which an insolvency event occurs in respect of any guarantor of the Pari Passu Debt Liabilities against whom Enforcement Action is to be taken;

	• the date of receipt of consent from the Required Super Senior Creditors; and • the expiration of any other Pari Passu Standstill Period which was outstanding at the date that the current Pari Passu Standstill Period commenced (other than as a result of a cure, waiver or permitted remedy thereof).

Enforcement of Transaction Security:	The Security Agent will act in accordance with enforcement instructions received from the Majority Super Senior Creditors. Following the expiration of a Pari Passu Standstill Period, if the Majority Super Senior Creditors have not either: • made a determination as to the method of Enforcement they wish to instruct the Security Agent to pursue (and notified the Security Agent of that determination in writing); or • appointed a Financial Adviser to assist them in making such a determination, then the Security Agent will act in accordance with Enforcement Instructions received from the Majority Pari Passu Creditors.

If an Insolvency Event is continuing with respect to a Debtor then the Security Agent will, to the extent the Majority Super Senior Creditors elect to provide such Enforcement Instructions, act in accordance with Enforcement Instructions received from the Majority Super Senior Creditors until the Super Senior Discharge Date has occurred.

Each Surety Bond Provider may take Enforcement Action in relation to the Surety Bond Only Security in connection with the relevant Surety Bond Facility at any time in accordance with the terms of the relevant Surety Bond Facility Agreement.

On the Restructuring Effective Date, provided that neither the Termination Date nor the Company Support Termination Time has occurred prior to such date, the B Shareholder will be allocated equity warrants (the "**Warrants**") on the following terms:

i. the Warrants will give the Warrant holder the right to a 15% share (subject to dilution for the MIP) in any realisation of the equity value of New Topco above a net equity proceeds hurdle of €220 million (the "**Strike Price**");

a) the Strike Price being reduced to zero;

b) a Listing;

c) a Qualifying Merger (as defined below);

d) a Drag-along transaction; or

e) a transaction which enables the B Shareholder(s) to exercise their Tag-along right provided that, in such a circumstance, the Warrant holders will be deemed to have elected to Tag-along in respect of the C Ordinary Shares received on exercise of the Warrants,

in which case all of the Warrants shall be exercisable to the extent "in the money" (and if not exercised or not "in the money" shall lapse);

iii. the subscription price for a C Ordinary Share shall be its nominal value;

iv. the Warrants will be able to be cashless exercised;

ix. on a merger of New Topco with a third party (where New Topco is the surviving or the merged entity) as a result of which the Shareholders receive less than 50%

of the equity capital in the "mergeco" (a "**Qualifying Merger**"), the C Ordinary Shares received on exercise of the Warrants (if any) shall be immediately exchanged for shares in the "mergeco" representing the fair value that the C Ordinary Shares represent of New Topco based on its implied net equity value in the Qualifying Merger[2];

x. if there is a merger of New Topco with a third party (where New Topco is the surviving or the merged entity) as a result of which the Shareholders receive 50% or more of the equity capital in the "mergeco", then the Warrants will not be exercisable and will survive such merger. In such circumstances, the Warrants will be entitled to receive a 15% share (subject to dilution for the MIP) in any realisation of the equity value of the shares in "mergeco" that are allocated to the Shareholders in New Topco in such a merger above a net equity proceeds hurdle equal to the Strike Price (as may be adjusted from time to time)[3];

i. the CEO; and

ii. up to four independent non-executive directors appointed by a Simple Shareholder Majority (as defined below) (each an "**INED**"),

each a "**Director**".

[2] **Note to draft:** any requirement for New Topco to obtain an independent valuation for a merger to be discussed in the context of the long-form documents once the jurisdiction and corporate form of New Topco is confirmed.
[3] **Explanatory Note:** in these circumstances the terms of the Warrants would continue on substantially the same terms, provided that their economics would be linked to the equity interest in "mergeco" which is allocated to the New Topco shareholders in the merger, and not by reference to the entire equity value of "mergeco".
[4] **Note to draft:** approval thresholds to be discussed in the context of the long-form documents.
[5] **Note to draft:** subject to review from a local tax residency perspective.

	At any time, a Simple Shareholder Majority may (i) remove any Director; and (ii) appoint such other Directors as they see fit. At any time, any shareholder of New Topco (a "**Shareholder**") holding 20% or more of the Shares (a "**Qualifying Shareholder**") may appoint one Director (a "**Qualifying Shareholder Director**"). A Qualifying Shareholder Director may only be removed (i) by its Qualifying Shareholder or (ii) if the Shareholder who appointed that Qualifying Shareholder Director ceases to be a Qualifying Shareholder.
Chairperson	To be appointed by the Board from among the INEDs. The chairperson shall have a casting vote in the event of a deadlock.
Board Meetings	*Quorum* – the presence of two or more Directors including (i) at least two INEDs and (ii) each Qualifying Shareholder Director (if any) provided the relevant Shareholder remains entitled to appoint such Director. If a Board meeting is adjourned for lack of quorum, the quorum required for the reconvened meeting only shall be the presence of any two or more Directors. *Voting* – each Director shall be entitled to one vote on a Board resolution. *Decision making* – subject to "Board Reserved Matters", decisions shall be made by simple majority.
Board Reserved Matters	The Board of New Topco shall be the main governance forum and decision-making body for the strategic and supervisory control of New Topco and the New Codere Group. In particular, no New Codere Group Company shall take any of the actions listed in Schedule 1 without the prior approval of the Board, including the approval of a majority of the INEDs appointed at such time (the "**Board Reserved Matters**"). The list of Board Reserved Matters may be updated by Simple Shareholder Majority from time to time.
Shareholders' meetings	*Quorum* – provided that applicable legal requirements are also satisfied, the presence of Shareholders representing more than 50% of the Shares. If a Shareholders' meeting is adjourned for lack of quorum, the quorum required for the reconvened meeting only shall be, provided that applicable legal requirements are also satisfied, any two or more Shareholders. *Voting Rights* – each Shareholder is entitled to one vote for each Share held by that Shareholder. *Decision making* – subject to applicable legal requirements, decisions shall generally be made by simple majority of the Shares voted (a "**Simple Shareholder Majority**") save for Shareholder Reserved Matters which shall require the approval of Shareholders holding at least 66.67% of the Shares voted at a shareholders' meeting where the Shareholders present represent more than 50% of the Shares (an "**Enhanced Shareholder Majority**"). Any decision regarding a variation in any class rights attaching to any individual class of Shares shall require the approval of Shareholders holding at least 66.67% of such class of Shares at a class meeting of the relevant Shareholders where the Shareholders present represent more than 50% of such class of Shares.

Shareholder Reserved Matters

No New Codere Group Company shall take any of the actions listed in Schedule 2 without the prior approval of an Enhanced Shareholder Majority (the "**Shareholder Reserved Matters**").

If the necessary consent for a Shareholder Reserved Matter is not achieved where:

i. Shareholders have failed to consent to the receipt of relevant Inside Information[6] or opted not to receive such information and are unable to vote; and

ii. those Shareholders together with any other Shareholders who vote in favour of the matter hold in aggregate at least 66.67% of the Shares,

then, subject to applicable legal requirements and provided that New Topco has advised the Shareholders when it expects the relevant Inside Information to be cleansed and given the Shareholders at least seven calendar days to consider if they wish to receive such information, a second vote shall be held and the relevant Shareholder Reserved Matter shall be approved if Shareholders holding at least 66.67% of the Shares present vote in favour, provided that the Shareholders present hold at least 35% of the Shares.

Business Plans and Budgets[7]

Initial Business Plan and Budget

The initial budget and a document setting out the main terms of the initial business plan shall be agreed prior to the Restructuring Effective Date including, where practicable, approval from the persons proposed to be the Directors from the Restructuring Effective Date. If this is not practicable, any such Directors may, following the Restructuring Effective Date, request that the CEO submit a new budget and a new document setting out the main terms of the initial business plan to the Board for approval as a Board Reserved Matter. The final initial business plan shall be approved by the Board as a Board Reserved Matter on or prior to 31 December 2021.

Replacement Business Plans and Budgets

Any deviation of more than [•]% in respect of [•] from the current approved business plan or budget shall require prior approval as a Board Reserved Matter.

Issue of Securities

New Issues

Subject to "Board Reserved Matters" and "Shareholder Reserved Matters" above, a New Codere Group Company shall not issue any equity or debt securities of any nature (or grant any options or rights to subscribe for any such securities or grant any similar rights of any nature) unless the issue or opportunity is first offered to the Shareholders on a *pro rata* basis

[6] **Explanatory Note**: definition of Inside Information to be determined following finalisation of post-RED debt and equity structure.

[7] **Note to draft:** outstanding information and reference points to be agreed by Majority Consenting SSN Holders following consultation with the Company.

for a period of 45 calendar days (a "**New Issue**"). Each Shareholder will be entitled to receive the same information in relation to any New Issue.

Any New Issue that is intended to comprise Subordinated PIK Notes or Shares will be structured such that is comprised of both Subordinated PIK Notes and Shares (which will be A Ordinary Shares) and issued in the then current staple ratio (i.e. the amount of Subordinated PIK Notes to A Ordinary Shares in issue). Any participant (whether a current Shareholder or a third party) in any New Issue shall be required to subscribe for Subordinated PIK Notes and A Ordinary Shares in such ratio.

Any New Issue not taken up by a Shareholder will be offered to the other Shareholders on the same terms.

If any New Issue is not fully subscribed by existing Shareholders, New Topco may, for a period of up to 45 calendar days, offer the remainder to third party investors (other than Restricted Transferees) on the same or no more favourable terms than as offered to existing Shareholders.

Certain limited exceptions to the above will exist for:

i. emergency funding, in which case the New Codere Group shall obtain funding which allows the Shareholders to catch-up or otherwise acquire the relevant securities within an agreed period;

ii. issuing shares as non-cash consideration for the purposes of funding a corporate acquisition, merger, joint venture or similar; and

iii. any agreed management incentive plan.

MIP

Shareholders (provided that applicable legal requirements are also satisfied, with Simple Shareholder Majority approval) to agree the terms of a MIP providing for dilution to the Shares of not more than [•]% (by reference to the Shares outstanding on the Restructuring Effective Date and subject to dilution for New Issues) (the "**MIP**"). Such MIP shares shall be a non-voting security. The MIP may also include other, non-security based, forms of incentivisation.

Share Transfers

Transfer Restrictions[8]

Neither Shares nor Warrants may be transferred to any person who is a Restricted Transferee other than where a Drag-along is exercised or as part of an Exit. The definition of "**Restricted Transferees**" to be agreed prior to the Restructuring Effective Date but shall solely include sanctioned persons and competitors of the New Codere Group.

The definition of Restricted Transferees may be amended with the approval of an Enhanced Shareholder Majority provided that it shall at all times include sanctioned persons, who may not be excluded from such definition.

[8] **Note to draft:** to discuss application of the Transfer Restrictions to the distribution of Shares and Warrants following a post-RED liquidation of Codere, S.A. in the context of the long-form documents.

Stapling[9] Transfers of A Ordinary Shares will only be permitted where the transferor is also transferring an equivalent portion of its holding of Subordinated PIK Notes to the same transferee. De-stapling to occur (i) on a repayment or refinancing in full of the Subordinated PIK Notes or (ii) with the approval of an Enhanced Shareholder Majority.

Stapling will be on an investor group basis such that: (i) commitments under the A Ordinary Shares and the Subordinated PIK Notes may be held by or subscribed for by different Affiliates or Related Funds of a holder of the A Ordinary Shares; and (ii) any such Affiliate or Related Fund shall be free to transfer A Ordinary Shares to any other Affiliate or Related Fund of the relevant holder of the Subordinated PIK Notes without being required to transfer an equivalent proportion of its Subordinated PIK Notes, and vice versa.

In order to assist the holders of the A Ordinary Shares and Subordinated PIK Notes in determining how many Subordinated PIK Notes (on the one hand) must be transferred concurrently with a given number of A Ordinary Shares (on the other hand), and vice versa, illustrative "stapling ratios" shall be published by the Issuers. Such stapling ratios shall be updated periodically to reflect relevant changes to the New Codere Group's capital structure (including the issuance of Subordinated PIK Notes as PIK interest) from time to time.

Drag-along If any Shareholder(s) wish(es) to transfer some or all of its (their) Shares (in one or a series of related transactions) to a third party (who may be a current Shareholder) in an arm's length transaction and where such Shares represent more than 66.67% of the Shares, the selling Shareholder(s) may require that all other Shareholders sell all (and not some only) of their Shares at the same time and implied price and on substantially the same other terms agreed between the dragging Shareholder(s) and the transferee, provided that dragged Shareholders (i) receive cash or cash equivalents for their Shares; and (ii) will not be required to provide any representations, warranties or indemnities other than in respect of title (free from encumbrances), capacity and authorisation (a "**Drag-along**").

In any Drag-along transaction and as a condition to completion of any transfer by the dragging Shareholders to the transferee, the Subordinated PIK Notes (if any) held by the dragged Shareholders must be acquired by the transferee for a price equal to par plus accrued interest.

Tag-along If any Shareholder(s) wish(es) to transfer some or all of its (their) Shares (in one or a series of related transactions) to any person (who may also be a current Shareholder) such that the proposed transferee would, on completion of such transfer, hold more than (x) 50% or (y) 66.67% of the Shares then, as a condition to completion of such transfer, the other Shareholders shall have the right to require that the transferee acquire all (and not some only) of their Shares at the same time and at the higher of (i) the implied price in the triggering transaction; and (ii) the highest price the transferee has paid for a Share in the prior 12-month period, and otherwise on substantially the same other terms agreed between the selling Shareholder(s) and the transferee, provided that tagging Shareholders (a) receive cash or cash equivalents for their Shares; and (b) will not be required to provide any representations, warranties or indemnities other than in respect of title (free from encumbrances), capacity and authorisation (a "**Tag-along**").

[9] **Note to draft**: Stapling mechanics subject to ongoing review and to be determined by the Majority Consenting SSN Holders.

In any Tag-along transaction and as a condition to completion of any transfer by the selling Shareholders to the transferee, the Subordinated PIK Notes (if any) held by the tagging Shareholders must be acquired by the transferee for the higher of (1) if relevant, the price paid for the stapled Subordinated PIK Notes in the triggering transaction and (2) the highest price the transferee has paid for any Subordinated PIK Notes in the prior 12-month period.

Breach of transfer restrictions

If any Shareholder breaches any of the provisions set out in "Transfer Restrictions", "Stapling", "Drag-along" or "Tag-along" above, (i) where such would constitute a "direct" transfer of shares in New Topco, the constitutional documents of New Topco shall deem such transfer to be void; or (ii) where such would constitute an "indirect" transfer, the rights (but not the obligations) of such Shareholder (including its economic rights in respect of the Shares) will be suspended and its Qualifying Shareholder Director (if any) shall be removed, in each case until the breach is cured or otherwise waived by a Simple Shareholder Majority.

Listing

It is intended that the Board will consider the suitability of the New Codere Group for a Listing prior to the end of calendar year 2023 and, following such assessment and if approved as a Board Reserved Matter, recommend to the Shareholders that they, by Simple Shareholder Majority, approve the Board initiating a Listing process and engaging advisers. Implementation of such an Exit would still require approval as a Shareholder Reserved Matter.

"**Listing**" means the admission of the whole or any material part of the issued share capital of New Topco (or a new holding company) to trading on a recognised investment exchange, recognised overseas investment exchange or a designated investment exchange, in each case for the purposes of FSMA or local equivalent, with a minimum 25% secondary offering for the benefit of the Shareholders.

Exit

The Shareholders by Simple Shareholder Majority may, at any time, request that the Board initiate an Exit process. Implementation of such an Exit would still require approval as a Shareholder Reserved Matter.

"**Exit**" means:

i. a Listing;

ii. a merger of New Topco with a third party or any other transaction for non-cash consideration; or

iii. the sale of all or substantially all of the New Codere Group's business, assets and undertakings to a single buyer or to one or more buyers as part of a single transaction or series of connected transactions, whether by way of a sale of shares or otherwise.

Dear Sir,

Support for restructuring transaction

1. We understand that Codere, S.A. Further, we understand that the Company Parties and the Ad-Hoc Group, amongst others, have or intend to enter into a lock-up agreement in connection with the Restructuring (the "**Lock-Up Agreement**"). In addition, certain Noteholders have agreed to provide the Issuer with additional liquidity in the form of Bridge Financing to support the Group while the Restructuring is implemented.

2. Capitalised terms used in this letter but not otherwise defined have the meanings given to them in the Lock-Up Agreement attached as Annex I to this letter.

   (e) to enter into the Deeds of Release (A) and Deeds of Release (B) on the Restructuring Effective Date in order to give effect to the Releases more particularly described in the Implementation Term Sheet; and

   (f) on the date hereof, to enter into the Restructuring Release.

   (a) to take any action that would breach, (i) any applicable legal or regulatory requirement to which we are subject, or (ii) or any order or direction of any relevant court, Regulator, or Governmental Body with jurisdiction over us, and which impediment cannot be avoided or removed by taking reasonable steps;

   (b) to take or procure the taking of or refrain from taking any action if doing so is reasonably likely to result in: (A) any of our Representatives incurring personal liability or sanction due to a breach of any law, regulation or legal or fiduciary duty; or (B) a breach of law, regulation or legal duty applicable to us;

(c) or any of our Representatives to breach any provision of the shareholders agreement relating to the Company dated 6 July 2016 (the "**Shareholders Agreement**");

4.4 In the event that the Board determines that extraordinary political, economic or social

circumstances or natural disasters have occurred or are imminent that would interfere with the normal activities of the Company at its registered office, the registered office may be temporarily transferred abroad until the complete cessation of these extraordinary circumstances; such temporary measures shall not affect the nationality of the Company which, notwithstanding the temporary transfer of its registered office, shall remain a Luxembourg company.

B. SHARE CAPITAL – SHARES

Article 5 Share capital

5.1 The Company's share capital is set at **[***]** euro (EUR **[***])**[1], represented by **[***]** (**[***]**) Shares consisting of:

6.3 The authorised capital of the Company may be increased or reduced by a resolution of the general meeting of Shareholders adopted in the manner required for an amendment of these Articles.

6.4 The above authorisations may be renewed through a resolution of the general meeting of the Shareholders adopted in the manner required for an amendment of these Articles and subject to the provisions of the Law, each time for a period not exceeding five (5) years.

9.2 Provided that any such Transfer is undertaken in compliance with the terms of the Shareholders' Agreement and these Articles, if, following a Transfer of the Class B Ordinary Shares from Old Codere Luxco 1 to Old Codere (whether pursuant to a liquidating distribution (or similar) or otherwise), Old Codere is to be liquidated, wound up or similar, the Class B Ordinary Shares held by Old Codere may be Transferred whether pursuant to a liquidating distribution (or similar) or otherwise) to each shareholder of Old Codere that is not a Restricted Transferee (each an "**Old Codere Shareholder**") provided that, as a condition to completion of such Transfer (whether pursuant to a liquidating distribution (or similar) or otherwise), each such Old Codere Shareholder executes a Deed of Adherence.

Article 14 Pre-emption on new issue

Equity Securities and Subordinated PIK Notes

14.1 Subject to the terms of the Shareholders' Agreement, if, from time to time, any Group Company proposes to issue any equity securities, Subordinated PIK Notes (if still outstanding and provided that the De-Staple Date has not occurred) or preferred equity (or similar) in the capital of the Company (or other Group Company) of any nature or other securities (whether debt or equity) convertible into Shares or other equity securities in the

capital of the Company (or other Group Company) ("**Relevant Securities**") or grant any options or rights to subscribe for any Relevant Securities (a "**New Issue**"), the Company shall procure that:

(a) no such Relevant Securities will be so issued or granted unless:

(i) it has been made pursuant to this Article 14.1;

(ii) if still outstanding and provided that the De-Staple Date has not occurred, to the extent the Relevant Securities are to be Subordinated PIK Notes or equity securities (or convertible into equity securities or comprise options or rights to subscribe for equity securities) of the Company, the New Issue shall be structured such that it comprises both Subordinated PIK Notes and Class A Ordinary Shares to be issued in proportion to the Staple Ratio (or as nearly as practicable if the exact equivalent proportion cannot be so allocated) and each Ordinary Shareholder shall, as a condition to participating in any such New Issue, be required to subscribe (or have its Affiliate subscribe) for both Subordinated PIK Notes and Class A Ordinary Shares in the Staple Ratio; and

(iii) each Ordinary Shareholder has first been given an opportunity which shall remain open for not less than twenty (20) Business Days (such date as chosen being the "**End Date**") to subscribe (or have its Affiliate subscribe), at the same time and on the same terms (including the same price per Relevant Security), for up to his, her or its Relevant Entitlement;

(b) each New Issue opportunity shall be offered to each Ordinary Shareholder in the form of a notice in writing from the Company and if the Company (or the relevant other Group Company) proposes to offer such Relevant Securities with a corresponding proportion of bonds, loan notes, preference shares or other securities or debt instruments issued by the Company or other Group Company ("**Other Securities**") that has, in each case, been approved in accordance with the provisions of the Shareholders' Agreement, the notice shall include the relevant terms and conditions of the offer to subscribe for each holder's Relevant Entitlement of such Other Securities (a "**New Issue Notice**");

(c) any New Issue Notice shall indicate the total number of Relevant Securities and Other Securities to be issued and their respective proportions, the Relevant Entitlement of each Ordinary Shareholder and the subscription price of each Relevant Security and each Other Security. If and to the extent that an Ordinary Shareholder wishes to accept the offer set out in the New Issue Notice and subscribe (or have its Affiliate subscribe) for, subject to Article 14.1 (ii), any or all of his, her or its Relevant Entitlement (but always including a corresponding proportion of Other Securities) either through itself or an Affiliate, it shall give notice of such acceptance in writing to the Company on or before the End Date (each such notice, an "**Acceptance Notice**" and each Ordinary Shareholder giving such Acceptance Notice, a "**Participating Shareholder**"), failing which the Ordinary Shareholder shall be deemed to have declined to subscribe for any of its Relevant Entitlement in connection with the New Issue Notice. Any Acceptance Notice given by a

Participating Shareholder pursuant to this Article 14.1 (c) shall be irrevocable;

(d) if by five (5.00) p.m. on the End Date, the Company has not received Acceptance Notice in an amount equal to the Relevant Securities and Other Securities the subject of the New Issue Notice (the Relevant Securities and Other Securities in respect of which no Acceptance Notice has been received being the "**Excess Securities**"), the Board shall offer such Excess Securities to the Participating Shareholders. Such Participating Shareholders shall be given a further reasonable period of time (being not less than five (5) Business Days, such date chosen being the "**Second End Date**") to apply to subscribe for such number of Excess Securities as they wish (save that the Excess Securities may be subscribed for by an Affiliate of such Participating Shareholder in place of that Participating Shareholder provided such Affiliate is not a Restricted Transferee) and on the same terms (including the same price per Relevant Security and the same price per Other Security) on which that Participating Shareholder agreed to subscribe for the Relevant Securities and Other Securities pursuant to the New Issue Notice. If there are applications by Participating Shareholders for, in aggregate, a greater number than the number of Excess Securities, they shall be satisfied pro rata to the numbers applied for by each relevant Participating Shareholder;

(e) within five Business Days of the End Date (or the Second End Date, as applicable), the Company shall give notice in writing to each Participating Shareholder of:

(i) the number and price of the Relevant Securities and Other Securities (and Excess Securities, as applicable) for which that Participating Shareholder has committed to subscribe (or have its Affiliate subscribe); and

(ii) the place and time on which the subscription is to be completed and the account details for the telegraphic transfer of the required subscription price being not less than fifteen (15) Business Days from the date of such notice;

(f) if, following the procedure set out in this Article 14.1 (a) to (e), there still remain any Relevant Securities or Other Securities for which holders of Ordinary Shares have either (i) not committed to subscribe; or (ii) failed to make a payment at the required time in connection with their commitment to subscribe for, then such Relevant Securities and Other Securities may be allotted to such persons (who may or may not be existing shareholders in the Company) as the Board may nominate for a period of not more than forty-five (45) calendar days, provided that (1) no such person may be a Restricted Transferee and (2) the terms of such allotment are no more favourable than those previously offered to the holders of Ordinary Shares; and

(g) notwithstanding any other provision of this Article 14.1, a Participating Shareholder or any other person participating in any New Issue may only subscribe for Relevant Securities (including Excess Securities) if such person also subscribes (either through itself or one of its Affiliates), if applicable, for the same proportion of the Other Securities (on the terms set out in the New Issue Notice).

14.2 **I**f, as a matter of applicable securities law, all or any (i) Relevant Securities proposed to be issued as part of any New Issue; or (ii) part of any New Debt Issue, from time to time, may not be offered to, or subscribed for or accepted by, such party (a "**Non-Qualifying**

Shareholder"), then the Company shall not be required to offer any such Relevant Securities or New Debt Issue to, or to accept any purported subscription or acceptance of any such Relevant Securities or New Debt Issue by, any Non-Qualifying Shareholder. Each Non-Qualifying Shareholder in respect of any New Issue or New Debt Issue expressly waives any rights conferred or to be conferred in connection with any New Issue or New Debt Issue pursuant to applicable law, the Shareholders' Agreement, these Articles, the articles of any Group Company or otherwise, and undertakes to take such steps as are from time to time reasonably requested by the Company (including any affirmation of this waiver) and as are within its power to enable any relevant New Issue or New Debt Issue.

14.3 Article 14.1 shall not apply to:

(c) an issue of Relevant Securities to any Group Company;

(e) an issue of Relevant Securities approved in accordance with the provisions of the Shareholders' Agreement as non-cash consideration to a third party for the purposes of a corporate acquisition, merger, joint venture or similar that has itself been separately approved in accordance with the provisions of the Shareholders' Agreement.

14.4 If the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the consent of an INED) proposes an Accelerated Securities Issue it shall, so far as is reasonably practicable (taking into account the urgency of the Group's financing requirements) and permitted under Law, give prior written notice of a reasonable period of time (being not less than fifteen (15) Business Days) to each Shareholder of any such Accelerated Securities Issue (such notice, an "**Accelerated Securities Issue Notice**") and, notwithstanding any other provision in the Shareholders' Agreement or in the Articles, each party shall:

(a) consent to any board or Shareholders' meeting of a Group Company being held on short notice to implement the Accelerated Securities Issue and procure that any director appointed by it, her or him will so consent (subject always to his or her fiduciary duties);

(b) vote in favour of all resolutions as a shareholder, and procure (subject to their fiduciary duties) that directors of all relevant Group Companies vote in favour of all resolutions, which are proposed by the Board to implement the Accelerated Securities Issue; and

(c) procure the circulation to the board of directors or shareholders of the relevant Group

Company of such board or shareholder written resolutions (respectively) proposed by the Board to implement the Accelerated Securities Issue and (subject to their fiduciary duties as a director of the relevant Group Company) to sign (or to the extent permitted by Law in the case of a written resolution, to indicate their agreement to) such resolutions and return them (or the relevant indication) to the Company as soon as reasonably practicable.

14.5 Subject to the proviso below, each Shareholder hereby appoints the Company (acting by the Chairperson or, if not appointed, any Director) to act as the Shareholder's true and lawful attorney and in the Shareholder's name and on its behalf with full power to perform, execute, complete and deliver in the name of, and as agent for, the Shareholder any action and any document necessary to give effect to Article B.14.4 after the expiry of the Accelerated Securities Issue Notice (if applicable). This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of each Shareholder under Article B.14.4. Subject to the proviso below, in particular and without limitation, the Board may authorise the Chairperson or, if not appointed, any other Director, to execute, complete and deliver as agent for and on behalf of such Shareholder:

(a) a written consent to any board or shareholders' meeting of any Group Company being held on short notice to implement the Accelerated Securities Issue;

(b) any shareholder written resolutions of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue;

(c) a proxy form appointing any director as that Shareholder's proxy to vote in his, her or its name and on his, her or its behalf in favour of all resolutions proposed at a shareholders' meeting of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue; and

(d) any other documents required to be signed by or on behalf of that Shareholder in connection with the Accelerated Securities Issue,

provided that the Company shall not be entitled to: (i) provide any indemnity; (ii) provide any guarantee; or (iii) or incur any payment obligations on behalf of any such Shareholder.

14.6 Catch-Up Offer

(a) Subject to Article B.14.2, the Company shall procure that, as part of any Accelerated Securities Issue, the Allottees shall, within twenty (20) Business Days following any Accelerated Securities Issue, offer (such offer to remain open for forty-five (45) calendar days) to sell to each Ordinary Shareholder such number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue in accordance with Article 14.1 at the same price and on the other terms thereof (the "**Catch-Up Offer**"), provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall only be required to make a Catch-Up Offer in respect of Relevant Securities acquired in such Accelerated Securities Issue to

the extent such Relevant Securities are in excess of the number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue in accordance with Article 14.1.

(b) If any Ordinary Shareholders do not accept any part of the Catch-Up Offer, then the Company shall procure that such remaining Relevant Securities shall be offered by the Allottees to the Ordinary Shareholders who have accepted the Catch-Up Offer in accordance with the procedure set out in Article 14.1 (d) mutatis mutandis, provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall be entitled to retain at least its pro rata share of such remaining Relevant Securities calculated by reference to (i) the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue compared to (ii) the sum of the number of Ordinary Shares held by the Ordinary Shareholders who participated in the Catch-Up Offer plus the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue.

(c) If any Allottee fails to comply with any provision of this Article 7.6, it shall not be entitled to exercise any voting rights, or enjoy any economic rights, in connection with any Shares held by it until such time as it has complied with such requirements.

(3) **CODERE FINANCE 2 (LUXEMBOURG) S.A.** as the Issuer, an Original Intra-Group Lender and an Original Debtor;

(4) **CODERE NEWCO S.A.U.** as an Original Intra-Group Lender and an Original Debtor;

(5) **THE PERSONS** listed in Section 1 of Schedule 1 (together with Codere S.A., Codere Finance 2 (Luxembourg) S.A. and Codere Newco S.A.U., the "**Debtors**");

(6) **THE PERSONS** listed in Section 2 of Schedule 1 (together with the Original Intra-Group Lenders, the "**Intra-Group Lenders**");

(7) **GLAS TRUST CORPORATION LIMITED** as the Senior Secured Note Trustee and Creditor Representative in relation to the Senior Secured Noteholders;

(8) **GLAS TRUSTEES LIMITED** as the Super Senior Notes Trustee and Creditor Representative in relation to the Super Senior Noteholders;

(each a "**Party**" and together the "**Parties**").

WHEREAS:

(A) The Parties and Amtrust Europe Limited are parties to an intercreditor agreement originally dated 7 November 2016 as amended and restated on 23 July 2020 (the "**Intercreditor Agreement**").

(B) Certain of the Group's financial creditors and other stakeholders have agreed the terms of a restructuring transaction (the "**Restructuring**"), pursuant to the terms of a lock-up agreement dated 22 April 2021.

(C) The steps pursuant to which the Restructuring will be implemented are set out in a restructuring implementation deed dated [●] (the "**Restructuring Implementation Deed**"). Clause [6.3] of the Restructuring Implementation Deed contemplates an enforcement by the Security Agent of the existing security granted by Codere Luxembourg 1 S.à r.l over the shares in Codere Luxembourg 2 S.à r.l (the "**Restructuring Enforcement**"). The Restructuring Enforcement will constitute a Distressed Disposal under the Intercreditor Agreement.

(D) Amtrust Europe Limited acceded to the Intercreditor Agreement as a Surety Bond Provider (in this capacity, the "**Original Surety Bond Provider**") on 4 May 2017. In a letter dated [●] 2021 (the "**Surety Bond Consent Letter**"), the Original Surety Bond Provider provided its consent, pursuant to Clause 28.1 (*Required consents*) of the Intercreditor Agreement, to the amendments, waivers and consents set out in this Agreement. Having provided this consent, the Security Agent is authorised by Clause 28.3 (*Effectiveness*) of the Intercreditor Agreement to execute this Agreement on behalf of the Original Surety Bond Provider.

(E) The requisite majority of the Senior Secured Noteholders have authorized and instructed the Senior Secured Note Trustee as their Creditor Representative and on behalf of the Senior Secured Noteholders and the Security Agent to enter into and give effect to this Agreement pursuant to consents delivered to a consent solicitation contained in an offer and consent solicitation memorandum dated [●] 2021 relating to the Restructuring (the "**Consent Solicitation Statement**").

(F) The requisite majority of the holders of the following instruments (together, the "**NSSNs**"):

(i) the Super Senior Notes;

(ii) the EUR 165,000,000 Fixed Rate Super Senior Secured Notes due 2023 designated as a Credit Facility on 30 October 2020;

(iii) the EUR 30,928,000 Super Senior Secured Notes due 2023 designated as a Credit Facility on 27 April 2021; and

(iv) the EUR 72,165,000 Super Senior Secured Notes designated as a Credit Facility on 24 May 2021,

have authorized and instructed the Super Senior Notes Trustee as their Creditor Representative and on behalf of the Credit Facility Lenders and the Security Agent to enter into and give effect to this Agreement pursuant to consents delivered to the Consent Solicitation Statement (the Consent Solicitation Statement and the Surety Bond Consent Letter together, the "**Consent Documentation**").

(G) The Revolving Lender Discharge Date occurred on 30 October 2020. As a result of the occurrence of the Revolving Lender Discharge Date, the amendments, waivers and consents set out in this Agreement may be effected without the consent of the Revolving Agent, Revolving Lenders and Revolving Arrangers.

(H) No Investor has acceded to the Intercreditor Agreement and therefore the amendments, waivers and consents set out in this Agreement may be effected without the consent of an Investor.

(J) No Hedge Counterparty has acceded to the Intercreditor Agreement and therefore the amendments, waivers and consents set out in this Agreement may be effected without the consent of a Hedge Counterparty.

(K) Pursuant to clause 28.3 (*Effectiveness*) of the Intercreditor Agreement, the Security Agent may effect, on behalf of any Primary Creditor, any amendment, waiver or consent permitted by clause 28 of the Intercreditor Agreement.

6. COSTS AND EXPENSES

The Issuer shall, as soon as reasonably practicable following written demand, pay to the Security Agent, the Senior Secured Note Trustee and the Super Senior Notes Trustee all reasonable costs and expenses incurred by such person in connection with the negotiation, preparation, execution and delivery of this Agreement (including fees of its external counsel).

7. RESERVATION OF RIGHTS

6.7.3. Each of the Parties acknowledges and agrees that all of the Implementation Steps are inter-conditional. The validity of each of the Implementation Steps depends, therefore, on the execution of all of the other Implementation Steps.

6.7.4. In the event that :

(i) any of the steps described in Clause 6 (*Restructuring Steps*) of the RID have not been completed or waived (in accordance with the RID) on or before the Long Stop Date); or

(ii) the LUA is terminated in accordance with its terms, the RID will automatically terminate and, in accordance with Clause 9 (*Termination*) (d) (*Termination*) of the RID,

then each of the Parties acknowledges and agrees:

(iii) that any of the steps described in Clause 6 (*Restructuring Steps*) of the RID which are completed prior to termination will be deemed not to have been completed or taken and shall have no legal or binding effect (in law or otherwise) and will be deemed to be null and void and to have never occurred and, therefore, any deed, document or agreement executed, delivered or released in accordance with, or pursuant to Clause 6 (*Restructuring Steps*) of the RID shall be rescinded (insofar as legally possible) and deemed never to have become effective;

(iv) to the extent permitted by law, and subject to paragraph (vi) below, to take, and to instruct or direct the relevant Administrative Party (as this term is defined in the RID), to take, such steps necessary or desirable to reverse any steps for the implementation of the Restructuring described in Clause 6 (*Restructuring Steps*) of the RID already taken such that each relevant person, to the extent legally and practically possible, shall be put back into the position it was in prior to such step, with any such reasonable costs or expenses incurred by a party arising therefrom to be borne by the Issuer (provided that the Issuer has agreed in writing to meet such costs and expenses) and the reasonable costs or expenses incurred by an Administrative Party to be borne by the Issuer; and

(v) to the extent that the Issuer does not agree to pay the costs and expenses of a Party set out in paragraph (iv) above, no Party shall be required to take steps necessary or desirable to reverse any steps for the implementation of the Restructuring described in Clause 6 (*Restructuring Steps*) of the RID already taken if those steps would necessitate the incurrence of material out-of-pocket expenses by that Party.

11.1. Entry into Force

This Agreement shall be effective and binding on all Parties from the Agreement Date.

11.2. Term

11.2.1. Subject to Clause 12 (*Early Termination*) and provided that the Restructuring Conditions Precedent have occurred before the Long-Stop Date, this Agreement shall remain in force until all of the obligations envisaged in each of the Restructuring Documents and the Debt Instruments as modified according to the Restructuring Terms described in Clause 6 (*Restructuring*) have been fulfilled.

11.2.2. Any default by the Homologation Obligors shall entitle the Consenting Creditors to request the Court declaration of default as provided in article 628 et seq. of the Spanish Insolvency Law, with the effects provided therein.

11.2.3. 12. EARLY TERMINATION

12.1. Voluntary Termination

This Deed may be terminated by unanimous written consent of the Parties.

12.2. Automatic Termination

Without prejudice to the terms of Clause 11 (*Entry into Force and Term of*), this Agreement shall automatically terminate on the date on which the RID is terminated pursuant to Clause 9 (*Termination*) of the RID.

12.3. Effect of the early termination

12.3.1. General effect of termination

This Agreement will cease to have any further effect on the date on which it is terminated in accordance with this Clause 12, save in respect of breaches of this Agreement that occurred before such termination, and the Debt Instruments and Affected Claims will be reinstated to the same terms applicable prior to the execution of this Agreement.

12.3.2. Additional effect of termination on payments and security

(i) If this Agreement is terminated in accordance with this Clause 12 (*Early Termination*), the Parties expressly acknowledge and agree that any payments in accordance with the new terms applicable to the Debt Instruments (by virtue of the Restructuring, as described in Clause 6 (*Restructuring*), including, without limitation, any payments of interests,

principal and fees) (the "**Existing Payments**") shall not be rescinded and will remain valid and protected against any insolvency clawback actions on the terms set out in articles 697 et seq. of the Spanish Insolvency Law, and shall be applied to the relevant Debt Instruments in accordance to the existing terms and conditions prior to the Restructuring Effective Date.

(ii) Upon a breach of this Agreement declared by the Court in accordance with article 628 et seq of the Spanish Insolvency Law, and provided that the Court declares the disappearance of the effects over the Affected Claims, the Existing Payments shall be applied to the relevant Debt Instruments in accordance to the existing terms and conditions prior to the Restructuring Effective Date.

12.4. Notification of termination

Each Party to this Agreement shall promptly notify each other Party if it becomes aware that this Agreement may be, or has been, terminated in accordance with this Clause12.1.

13. HOMOLOGATION

13.1. Homologation Request

13.1.1. Without prejudice to this Agreement being considered a collective refinancing agreement (*acuerdo colectivo de refinanciación*) for the purposes of articles 597 et seq. of the Spanish Insolvency Law, the Homologation Obligors have undertaken to request the Homologation of this Agreement by no later than the Homologation Request Deadline Date.

13.1.2. Therefore, no later than the Homologation Request Deadline Date, the Homologation Obligors shall have filed before the relevant Commercial Courts the Homologation Request (*solicitud de homologación*) of this Agreement together with a copy of the Viability Plans and the Majorities Certificates, for the purposes of:

(i) the Agreement being sanctioned and homologated by the Court; and

(ii) obtaining the protection and the effects set out in the Spanish Insolvency Law, including, without limitation, protection against insolvency clawback

actions on the terms set out in article 698 of the Spanish Insolvency Law, and which protection shall comprise, to the extent possible:

(a) this Agreement;

(b) the RID;

(c) the Restructuring Documents (including, for the avoidance of doubt, the New Security and the Existing Security and their extension to secure the obligations arisen from the issuance of the New Money NSSNs and their ratification with respect to the obligations under the NSSNs and the SSNs);

(d) in general, all actions, transactions, acts and repayments to be carried out in order to implement the Restructuring; and

(e) any other document or transaction related thereto, as well as any security perfected as to secure the Homologation Obligors' obligations under these documents and agreements (in all cases regardless of whether any of them is formalized before or after the Agreement Date);

(iii) the Bridge NSSNs and the New Money NSSNs benefitting from the regime and privileges set out in the Spanish Insolvency Law for loans which imply new cash flow revenues (*nuevos ingresos de tesorería*);

(iv) the Creditors (particularly those who capitalise and convert part of their claims into A Ordinary Shares in the context of the Restructuring); benefiting from the protections from equitable subordination with respect to the Homologation Obligors set forth in article 283.2 of the Spanish Insolvency Law regarding the non-consideration of specially related persons with respect to the Homologation Obligors in spite of the capitalization and conversion of part of their claims in shares of a Group company and the other transactions and rights resulting or deriving from, or pursuant to, this Agreement and/or the Restructuring Documents (including, without limitation, the appointment of any directors as a consequence of such capitalization and conversion).

13.1.3. The Homologation Obligors undertake to keep the Consenting Creditors (and, in particular, the Ad-Hoc Group) timely informed (through the Notes Trustees) of the status of the Homologation Request. In particular:

(i) the Homologation Obligors shall communicate to the Notes Trustees, promptly and in any case within three (3) Business Days from the date on which they receive:

(a) copies of the decisions of the Court in relation to the Homologation;

(b) copies of any other relevant notices from the Court relating to the Homologation, including any potential challenge received; and

(c) any writs received in relation to the Homologation; and

(ii) Upon submission of the Homologation Request, Codere Newco shall send (on the same day the Homologation Request is made or, if not possible, on the following Business Day) to the Notes Trustees a copy of the Homologation Request along with:

(a) proof of submission of the Homologation Request with the stamp of the competent Court or Lexnet excerpt, which must be accompanied with, among others, a copy of the Majorities Certificate evidencing the majorities necessary to request the Homologation; and

(b) in the event that the Homologation Request has been oversubscribed and prevented the filing of all attachments (*haya dado exceso de cabida impidiendo la presentación de todos sus documentos adjuntos*), copy with the entry stamp in the dean's office of the competent Court (*decanato del Juzgado competente*) to deal with the Homologation, of the Homologation Request and of all the attached documentation; and

(c) as soon as it is received by its court agent (*procurador*), a copy of the resolution accepting the filing (*providencia de admission a trámite*) of the Homologation Request.

13.1.4. Given the fact that the Homologation Request is made for the benefit of the Creditors, the Homologation Obligors shall liaise with the Notes Trustees (following the instructions of the Creditors) on any procedural strategy related to the Homologation. The above shall be understood without prejudice to the right of any Consenting Creditors to defend their interests in the Homologation.

13.1.5. If the Homologation Obligors do not file the Homologation on or before the Homologation Request Deadline Date, any of the Consenting Creditors may proceed with the Homologation Request on their behalf.

13.1.6. Each of the Parties undertakes vis-à-vis the other Parties to take the appropriate steps in order to evidence any aspects that may be necessary at the Court in order to obtain the Homologation Court Order.

13.2. Intended effects of the Court Homologation Order

13.2.1. The Parties agree that the Homologation will have the effects described in Clauses 13.2.2 to 13.2.5 (both included).

13.2.2. Syndicate rule

(i) Given that (x) each of the SSNs and the NSSNs constitute agreements subject to a syndication regime (*régimen o pacto de sindicación*) in accordance with articles 599.2 and 607.4 of the Spanish Insolvency Law and (z) the Consenting SSNs and Consenting NSSNs represent at least:

(a) seventy-five percent (75.00%) of the aggregate principal amount of SSNs; and

(b) seventy-five percent (75.00%) of the aggregate principal amount of NSSNs (including, for the avoidance of doubt, the Bridge NSSNs),

it shall be deemed that all the SSNs and the NSSNs have approved, in full, and for all purposes, this Agreement and, consequently, the Restructuring and its implementation through the Restructuring Documents and that their provisions form part of a global and interrelated proposal.

(ii) As a result of the above, all the SSNs and the NSSNs of the relevant issuances shall be considered for all legal purposes as signatories and subscribers of this Agreement and of all the remaining Restructuring Documents.

13.2.3. Treatment of the Bridge NSSNs and the New Money NSSNs in a subsequent insolvency proceeding.

(i) The Parties represent that the Bridge NSSNs and the New Money NSSNs imply the provision of new cash to be received in execution of refinancing agreement protected against insolvency clawback.

(ii) Therefore, in the event of a subsequent insolvency proceeding, the Bridge NSSNs and the New Money NSSNs shall be treated in accordance with the privileges vested under the Spanish Insolvency Law which, for informative purposes, as of the date of this Agreement imply:

(a) as a "post-petition claim" (*crédito contra la masa*) in an amount equal to fifty percent (50.00%) of the Bridge NSSNs and the New Money NSSNs; and

(b) as a "claim with general privilege" (*crédito con privilegio general*) with respect to the remaining fifty percent (50.00%) of the Bridge NSSNs and the New Money NSSNs;

all of the foregoing pursuant to article 704 of the Spanish Insolvency Law and without prejudice to recognition of any special privilege (*privilegio especial*) that may correspond to the NSSNs Noteholders holding Bridge NSSNs and/or New Money NSSNs.

13.2.4. Protection against any clawback actions

(i) The Homologation Obligors shall request to the Court to rule that, in the event of any subsequent insolvency proceedings in respect to the Homologation Obligors, the following agreements, documents, actions, steps transactions or acts shall be protected from any clawback actions as provided for in article 698 of the Spanish Insolvency Law:

(a) this Agreement;

(b) the RID;

(c) all Restructuring Documents (including, for the avoidance of doubt, the New Security, the Existing Security and its extension to secure the obligations arisen from the issuance of the New Money NSSNs);

(d) all actions, transactions, acts and repayments to be carried out in order to implement the Restructuring; and

(e) any other document or transaction related thereto, as well as any security perfected as to secure the Homologation Obligors' obligations under these documents and agreements (in all cases regardless of whether any of them is formalized before or after the Agreement Date).

13.2.5. Protection from equitable subordination

(i) The Parties acknowledge that none of the SSNs Noteholders and the NSSNs Noteholders will be considered as a specially related person (*persona especialmente relacionada*) of any of the Homologation Obligors as a result of:

(a) the capitalisation and conversion of any part of their claims; and/or

(b) any of the transactions and/or rights resulting or deriving from, or pursuant to, this Agreement, the Viability Plans and/or the Restructuring Documents (including, without limitation, the appointment of any directors).

(ii) Therefore, in the event of a subsequent insolvency proceeding or restructuring transaction, the claims held by the relevant SSNs Noteholders that, in the context of the Restructuring, capitalize and covert part of their claims under the Existing Debt into A Ordinary Shares and/or appoint any directors will not be considered as subordinated claims (*créditos subordinados*) by the fact that such SSNs Noteholders have become shareholders and/or appointed directors as a consequence of the Restructuring, all of the foregoing pursuant to article 283.2 of the Spanish Insolvency Law.

14. OTHER ADMINISTRATIVE PARTIES

15. LIMITATIONS GENERALLY

15.1. Nothing in this Agreement shall:

19.1.1. The Agreement supersedes all other agreements or contracts, written or oral, concluded between the Parties prior to the execution of this Agreement (except for the LUA, the RID and the Restructuring Documents) in relation to the subject matter hereof, and which shall be rendered null and void from the Agreement Date.

19.1.2. For the avoidance of doubt, all relevant provisions of the LUA, the RID and any Restructuring Document remain unaffected by Clause 19.1.1 above.

(ii) shall not be deemed a waiver of the right to seek performance in the future of any obligation or to exercise or seek any rights or remedies provided for in the Agreement.

19.4.2. The dispensation, deferral or waiver of any of the rights established in the Agreement, or of a part of such rights:

It shall make determinations on all matters concerning the general remuneration policy of the Group and the emolument and fees of any Employee or consultant of the Group with a basic salary, fees or remuneration of more than such amount as may be determined by the ARCG Committee from time to time. The ARCG Committee shall be empowered to administer the Management Incentive Plan. The ARCG Committee shall be responsible for ensuring plans are in place for orderly succession to both the Board and senior management positions of the Group and may recommend nominees to the Board for appointment as Directors to fill

vacancies. The appointment of any such nominee as a Director shall be subject to the approval of the Board and the Shareholders in accordance with the terms of this Agreement.

2.19 The Audit Committee shall meet at least twice per annum at appropriate intervals in the financial reporting and audit cycle and otherwise as required. It shall review the financial statements of the Group before approval and, as necessary, take advice to be assured that the principles and policies adopted comply with statutory requirements and with the best practices in accounting standards, consult with the auditors regarding the extent of their work and review with them all major points arising from the auditor's management letters and the responses thereto, seek to satisfy itself that the internal control and compliance environment within the Group is adequate and effective and recommend to the Board the appointment and level of remuneration of the auditors.

2.20 The Compliance Committee shall meet at least four times per annum and otherwise as required. 2.21 The Board Committees shall act by majority (including, other than in a Control Shareholder Scenario, the approval of at least a majority of the INEDs forming part of the relevant Board Committee) and, other than in a Control Shareholder Scenario, at least half of each Board Committee's members shall be INEDs. In a Control Shareholder Scenario the Board Committees shall be comprised of an INED and such other Directors as are appointed to each such Board Committee by the Control Shareholder Directors.

Board Meetings

2.22 The Directors shall hold regular meetings, at least once every two months, unless the Directors, acting by Board Simple Majority, agree otherwise, at the Company's registered office. To the extent any Board meeting is to be conducted by way of telephone or video conference, such conferencing facility shall be originated from the Company's registered office by the Company Secretary. Such Board meetings shall (unless a simple majority of Directors agree otherwise) be convened by giving to the Directors not less than 5 Business Days' notice, enclosing an agenda and copies of any appropriate supporting papers.

2.23 Any Director may call a Board meeting by giving at least 5 Business Days' notice of the meeting to the other Directors, provided that such notice period can be shortened or waived with the unanimous consent of all Directors.

2.24 The Chairperson will preside at any Board meeting or general meeting of the Company at which he or she is present.

2.25 Subject to Clause 2.26, the quorum for the transaction of business at a Board meeting shall be the presence of not less than half of the Directors including (i) other than in a Control Shareholder Scenario, at least two INEDs (or, if there is only one INED or no INED then appointed, one INED or none (as relevant)) and (ii) each Qualifying Shareholder Group Director (if any) who has been appointed, and is entitled to remain appointed, as a Director provided that at least half of the Directors present are Lux Residents. It is expected that all Lux Resident Directors physically attend all Board meetings at the Company's registered office to the extent that they are reasonably able to do so.

2.26 If within one hour from the time appointed for a meeting of the Board a quorum is not present or during any such meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week, at the same time and place or to such later date and at such

other time and place as determined by the Chairperson (a "**Reconvened Meeting**"), and if at the Reconvened Meeting a quorum is not present within one hour from the time appointed for the meeting, or during any such meeting a quorum ceases to be present, the quorum required for such Reconvened Meeting only shall be the presence of not less than half of the Directors provided that, for the avoidance of doubt, any Board Reserved Matter may only be approved in accordance with Clause 3 and no matter may be discussed or voted on at any Reconvened Meeting if it has not been set out in reasonably sufficient detail in the notice for both the original Board meeting which was adjourned and the Reconvened Meeting.

2.27 Each Director at a meeting of the Board shall have one vote. Subject to Clause 3, any decision of the Directors at a meeting of the Board must be a majority decision. If the numbers of votes for and against a proposal at a Board meeting are equal, the Chairperson shall have a casting vote, provided that the Chairperson shall not have a casting vote in respect of any matter requiring the Board to act by Board Super Majority.

2.28 The Board may also pass resolutions by means of a Board circular with the unanimous written consent of all Directors, without the need for a Board meeting, in accordance with the Articles. The date of such resolutions shall be the date of the last signature.

Company Secretary

2.29 The Board, acting by Board Simple Majority, shall appoint (and may replace from time to time) one of the Class B Directors as the company secretary (the "**Company Secretary**") who shall be responsible for co-ordinating Board meetings, including circulating notice for, and the agenda of, such meetings to Directors (alongside board packs), administering Board meetings including taking minutes of such meetings and collating and storing evidence of physical attendance in Luxembourg of those Directors who so attend.

Exclusions

2.30 For the avoidance of doubt, the Holding Period Trustee shall be disregarded for the purposes of Board appointment rights set out in this Clause 2 and confirms that it shall not exercise any of its rights to propose the appointment or removal of any Director whether under this Agreement, the Articles or otherwise.

Subsidiary Boards

2.31 Subject to Clause 3.3, the Board shall, having regard to any qualifications required by applicable Law with regards to the functions to be performed by the relevant board, ensure that, for as long as each Luxembourg Company (excluding for this purpose, New Topco) is resident in Luxembourg, at least half of the members of the board of each such Group Company shall be Lux Residents.

2.32 Without prejudice to any other provision of this Agreement but subject to applicable Law, any person may serve as a director (or equivalent) on any number of Group Company boards (or equivalent).

3. CONDUCT OF BUSINESS AND RESERVED MATTERS

3.1 The Board shall be the main governance forum and decision-making body for the strategic and supervisory control of the Company and the Group. Each of the parties acknowledges that the place of central management of each Luxembourg Company shall be its registered office in Luxembourg.

3.2 Unless otherwise determined by Enhanced Shareholder Majority and subject to the remainder of this Clause 3, the management and control of each Luxembourg Company must be exercised in Luxembourg. Each of the parties agrees to use all reasonable endeavours to ensure that each Luxembourg Company is treated for all purposes, including Taxation, as resident solely in Luxembourg, provided that there will be no requirement for the Corporate Director, an INED or a Qualifying Shareholder Group Director to be a Lux Resident. If the Board (acting by Board Super Majority) deems it necessary for the purposes of this Clause 3.2, the Company will propose for appointment additional Class B Directors who are Lux Resident and the Shareholders agree to exercise their voting rights in New Topco in order to appoint such Class B Directors.

3.3 The Company undertakes to each of the Shareholders that it shall, and shall procure that each other Group Company shall, perform its obligations as set out in Parts A, B and C of Schedule 1 (except to the extent that this would constitute an unlawful fetter on its or their statutory powers, its or their articles of association (or equivalent) or violation of any applicable Law) and each of Parts A, B and C of Schedule 1 shall be a separate and severable undertaking. In particular, the Company undertakes that it shall not, and shall procure that no Group Company shall take, any action in respect of those matters set out in:

(a) Part B of Schedule 1 (the "**Board Reserved Matters**") without the prior approval of a Board Super Majority or in accordance with Clause 2.28; and

(b) Part C of Schedule 1 (the "**Shareholder Reserved Matters**") without the prior approval of an Enhanced Shareholder Majority in accordance with Clause 4.7,

except to the extent that this would constitute an unlawful fetter on its or their statutory powers, its or their articles of association (or equivalent) or violation of any applicable Law.

3.4 The Company undertakes to (i) procure that a board protocol shall be established as soon as reasonably practicable following the date of this Agreement in respect of each Group Company board to require each such board's compliance with Clause 3.3 and (ii) procure compliance by each Group Company with such board protocols except to the extent that this would constitute an unlawful fetter on such Group Company's or Group Companies' statutory powers, its or their articles of association (or equivalent) or violation of any applicable Law by any such Group Company or Group Companies. Without prejudice to the rights of the Shareholders, if any Group Company fails to comply with the requirements of Clause 3.3 and/or the board protocols, from time to time, New Topco may take such action (or none) as the Board deems reasonable and appropriate in the circumstances.

3.5 Part B of Schedule 1 may be updated by a Simple Shareholder Majority (including by notice to the Company) from time to time.

3.6 A series of related transactions shall be construed as a single transaction, and any amounts involved in the related transactions shall be aggregated, to determine whether a matter is a Board Reserved Matter and/or a Shareholder Reserved Matter.

3.7 Without prejudice to the generality of Clause 3.1, Board approval (acting by Board Super Majority) in respect of any matter requiring approval as a Shareholder Reserved Matter is required before the Company (or any Group Company) may propose such matter to the Shareholders for approval as a Shareholder Reserved Matter.

3.8 During the Codere Online Carve-Out Period neither Codere Online, nor any member of the Codere Online Group, shall be required to comply with (i) the undertakings provided in Parts A, B and C of Schedule 1; or (ii) any board protocol issued to it in accordance with Clause 3.4.

3.9 During the Codere Online Carve-Out Period, no Group Company shall be required to procure that Codere Online, or any member of the Codere Online Group, complies with (i) the undertakings provided in Parts A, B and C of Schedule 1; or (ii) any board protocol issued to Codere Online, or any member of the Codere Online Group, in accordance with Clause 3.4, provided that this provision shall operate without prejudice to any right that any person may have by virtue of its voting rights or other rights or powers vested in them, as a shareholder, via contract or otherwise (whether acting alone or with others).

3.10 It is the parties' understanding that, promptly following the commencement of the Codere Online Carve-Out Period, Codere Online intends to establish and enforce appropriate governance protocols in respect of the Codere Online Group, similar to those contained in Parts A, B and C of Schedule 1, but solely to the extent it considers such Parts appropriate for a publicly-traded company, such matters to require the approval of the Codere Online board of directors prior to implementation by any relevant Codere Online Group Company.

4. SHAREHOLDER MATTERS

4.1 Shareholders' meetings will be governed by the Articles, Law and the provisions of this Agreement.

4.2 At least 14 days' notice of each meeting of the Shareholders will be given to each Shareholder of record on the date such notice is sent or deemed sent and the notice will contain the date, time, place and be accompanied by an agenda and papers setting out in such reasonable detail as may be practicable in the circumstances the subject matter of the meeting and any resolutions to be considered at the meeting. Shareholders' meetings shall be held in Luxembourg.

4.3 Subject to the requirements of Law, a quorum will exist at a meeting of Shareholders if Shareholder Groups representing at least a majority of all Ordinary Shares are present (whether in person, by representative, attorney or proxy).

4.4 If within one hour from the time appointed for a Shareholders' meeting a quorum is not present or during any such meeting a quorum ceases to be present, the meeting shall stand adjourned to the date falling eight calendar days (or the first Business Day following such day if it is not a Business Day) following the date of the adjourned meeting, at the same time and place (in Luxembourg) or to such later date and at such other time and place as determined by the Chairperson (a "**Reconvened Shareholders' Meeting**"), and if at the Reconvened Shareholders' Meeting a quorum is not present within one hour from the time appointed for the meeting, or during any such meeting a quorum ceases to be present, the quorum required for such Reconvened Shareholders' Meeting only shall be reduced to (i) other than in a Control Shareholder Scenario, provided that applicable legal requirements are also satisfied, any two or more Shareholder Groups which hold Ordinary Shares; or (ii) in a Control Shareholder Scenario, any Ordinary Shareholder(s) representing the minimum number of Ordinary Shares required by Law (in each case, by reference to the resolutions to be proposed at any such Reconvened Shareholders' Meeting) present or represented, provided that, for the avoidance of doubt, any Shareholder Reserved Matter may only be approved in accordance with Clause 3 and no matter may be discussed or voted on at any Reconvened Shareholders' Meeting if it has not been set out in reasonably sufficient detail in the notice for both the

original Shareholders' meeting which was adjourned and the Reconvened Shareholders' Meeting.

4.5 At any Shareholders' meeting an Ordinary Shareholder will have such number of votes as is equal to the number of Ordinary Shares held by it.

4.6 Subject to the following sentence, Clause 4.7 and any more stringent requirements of Law, if a matter is reserved by Law to the Shareholders, any such matter may be approved by a simple majority vote of the Ordinary Shareholders attending a validly held and quorate Shareholders' meeting (a "**Simple Shareholder Majority**"). For the avoidance of doubt, to the maximum extent permitted by, and subject to any more stringent requirements of, Law, Shareholders holding at least a simple majority of the Ordinary Shares may (i) exercise any and all rights reserved for a Simple Shareholder Majority under this Agreement by written notice to the Company (for itself and as agent for and on behalf of all other parties); and (ii) consent to any matter under this Agreement which requires the consent of the Shareholders acting by Simple Shareholder Majority, in writing or via the Designated Website.

4.7 Subject to the following sentence and any more stringent requirements of Law, if a matter is a Shareholder Reserved Matter every such matter may only be approved by Ordinary Shareholders holding at least 66.67% of the votes of the Ordinary Shareholders attending a validly held and quorate Shareholders' meeting where Ordinary Shareholders holding more than 50% of the Ordinary Shares are present or represented (an "**Enhanced Shareholder Majority**"). For the avoidance of doubt, to the maximum extent permitted by, and subject to any more stringent requirements of, Law, Shareholders holding at least 66.67% of the Ordinary Shares may (i) exercise any and all rights reserved for an Enhanced Shareholder Majority under this Agreement by written notice to the Company (for itself and as agent for and on behalf of all other parties); and (ii) consent to any matter under this Agreement which requires the consent of the Shareholders acting by Enhanced Shareholder Majority, in writing or via the Designated Website.

4.8 If an Enhanced Shareholder Majority approval for a Shareholder Reserved Matter is not achieved in accordance with Clause 3 where:

(a) there are Declining Shareholders who are, as such, unable to vote; and

(b) such Declining Shareholders, together with any other Ordinary Shareholders who vote in favour of the relevant Shareholder Reserved Matter hold in aggregate more than 66.67% of the Ordinary Shares in issue,

then, subject to any more stringent requirements of Law and provided that the Company has advised the Shareholders when it reasonably expects that the relevant Inside Information will be publicly announced or cleansed and given the Shareholders at least eight (8) calendar days' notice to consider whether or not they wish to receive such Inside Information, a second Shareholders' vote shall be held on the expiry of such period (or the first Business Day following such day if it is not a Business Day), where such Shareholder Reserved Matter is once more put to the Ordinary Shareholders for approval as a Shareholder Reserved Matter (a "**Second Request**"), provided that, in such a circumstance, and subject to the requirements of Law, in determining whether an Enhanced Shareholder Majority has been obtained in relation to the Second Request, an Enhanced Shareholder Majority shall be deemed to be obtained if Ordinary Shareholders holding at least 66.67% of the votes of the Ordinary Shareholders voting, vote in favour of the Shareholder Reserved Matter provided that those voting Ordinary Shareholders hold at least 35% of the Ordinary Shares.

4.9 The Holding Period Trustee hereby undertakes to the Company, and the Shareholders acknowledge, that the Holding Period Trustee shall not exercise any rights which it may have by Law to request or convene a Shareholders' meeting.

4.10 The Holding Period Trustee undertakes (i) to use reasonable endeavours to attend (in person or by proxy) all Shareholders' meetings and (ii) at each such Shareholders' meeting, to abstain from voting its Ordinary Shares on each resolution put to such Shareholders' meeting.

4.11 In furtherance of Clause 4.10 above, the Holding Period Trustee hereby appoints the Company (acting by the Chairperson or, if not appointed, any Director), to act as the Holding Period Trustee's true and lawful attorney, in its capacity as a Shareholder only and in the Holding Period Trustee's name and on its behalf with full power to perform, execute, complete and deliver in the name of, and as agent for, the Holding Period Trustee, any action and any document necessary for the Holding Period Trustee to attend (in person or by proxy) all Shareholders' meetings (to the extent it is not in attendance at any such meeting, from time to time, for any reason whatsoever) and, at each such Shareholders' meeting, to abstain from voting the Holding Period Trustee's Ordinary Shares on each resolution put to such Shareholders' meeting. This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of the Holding Period Trustee under Clause 4.10. The Holding Period Trustee shall face no liability for any loss, expense or liability which may arise in connection with the exercise by the Company of the attorney granted pursuant to this Clause 4.11.

4.12 Without prejudice and subject to each of Clause 3.3 and Clause 7, the parties agree that the Company shall at all times maintain an authorised, but unissued, share capital of:

(a) in the case of A Ordinary Shares:

(i) for the purposes of Accelerated Securities Issues, such number of A Ordinary Shares as represents [25%] of the A Ordinary Shares in issue at the relevant time; and

(b) in the case of B Ordinary Shares:

(ii) for the purposes of New Issues:

(A) prior to the De-Staple Date, zero; and

(B) thereafter, [25,000,000] B Ordinary Shares; and

(c) until such time as the Warrants are exercised or lapse in accordance with the terms of the Warrant Instrument, in the case of C Shares, 1,764,706 C Shares (or, to the extent the Participation Rate (as defined in the Warrant Instrument) has been amended in accordance with the terms of the Warrant Instrument, such number of C Shares which would need to be issued were the Strike Price (as defined in the Warrant Instrument) reduced to zero and were the Warrants to be exercised in full in accordance with the terms of the Warrant Instrument),

to issue new Shares in accordance with the terms of this Agreement, the Warrant Instrument and the Articles. The Shareholders agree to vote their Shares from time to time in order to give full effect to this Clause 4.12.

each such written notice shall be referred to as an "**Inside Information Notice**".

6.2 If and to the extent that a Shareholder is willing to receive Inside Information, it shall give notice in writing to the Company within seven calendar days following receipt by the Shareholders of an Inside Information Notice, failing which each such Shareholder shall be deemed to have declined to receive such Inside Information (each a "**Declining**

6.5 Each Shareholder shall promptly notify the Company if it becomes, or any member of its Shareholder Group becomes, a Competitor.

6.6 If the Company fails to provide any of the information referred to in, or required by, this Clause 6 or Schedule 2 within the applicable period specified therein, a Shareholder Group holding 10% or more of the Ordinary Shares may, following notice to the Company and without prejudice to any other rights the other Shareholders may have, be entitled to appoint a firm of accountants to produce such information at the Company's expense and the Company agrees to provide, and shall procure that all Group Companies provide, all information and assistance required by such accountants for that purpose.

6.7 To the extent permitted by Law, the Company shall satisfy its obligations under this Agreement to deliver any information, notices and/or communication under this Agreement or in connection with the matters contemplated herein by posting (either directly or by way of another Group Company posting) this information, notice and/or other communication onto an electronic website designated by the Company (the "**Designated Website**") if each relevant Shareholder is aware of the address of and any relevant password specifications for the Designated Website.

6.11 The Company shall, on request from a Shareholder from time to time, promptly provide such Shareholder with certified copies of those pages of the Company's Shareholders' register identifying the number of each class of Shares that is held by such Shareholder and the total number of Shares of each such class that are currently in issue.

7. PRE-EMPTION ON NEW ISSUE

Equity Securities and Subordinated PIK Notes

7.1 Subject to Clause 3, 7.2 and 7.3, if, from time to time, any Group Company proposes to issue any equity securities, Subordinated PIK Notes (if still outstanding and provided that the De-Staple Date has not occurred) or preferred equity (or similar) in the capital of the Company (or other Group Company) of any nature or other securities (whether debt or equity) convertible into Shares or other equity securities in the capital of the Company (or other Group Company) ("**Relevant Securities**") or grant any options or rights to subscribe for any Relevant Securities (a "**New Issue**"), the Company shall procure that:

(a) no such Relevant Securities will be so issued or granted unless:

(i) it has been made pursuant to this Clause 7.1;

(ii) if still outstanding and provided that the De-Staple Date has not occurred, to the extent the Relevant Securities are to be Subordinated PIK Notes or equity securities (or convertible into equity securities or comprise options or rights to subscribe for equity securities) of the Company, the New Issue shall be structured such that it comprises both Subordinated PIK Notes and A Ordinary Shares to be issued in proportion to the Staple Ratio (or as nearly as practicable if the exact equivalent proportion cannot be so allocated) and each Ordinary Shareholder shall, as a condition to participating in any such New Issue, be required to subscribe (or have its Affiliate subscribe) for both Subordinated PIK Notes and A Ordinary Shares in the Staple Ratio; and

(iii) each Ordinary Shareholder has first been given an opportunity which shall remain open for not less than 20 Business Days (such date as chosen being the "**End Date**") to subscribe (or have its Affiliate subscribe), at the same time and on the same terms (including the same price per Relevant Security), for up to his, her or its Relevant Entitlement;

(b) each New Issue opportunity shall be offered to each Ordinary Shareholder in the form of a notice in writing from the Company and if the Company (or the relevant other Group Company) proposes to offer such Relevant Securities with a corresponding

proportion of bonds, loan notes, preference shares or other securities or debt instruments issued by the Company or other Group Company ("**Other Securities**") that has, in each case, been approved in accordance with Clause 3, the notice shall include the relevant terms and conditions of the offer to subscribe for each holder's Relevant Entitlement of such Other Securities (a "**New Issue Notice**");

(c) any New Issue Notice shall indicate the total number of Relevant Securities and Other Securities to be issued and their respective proportions, the Relevant Entitlement of each Ordinary Shareholder and the subscription price of each Relevant Security and each Other Security. If and to the extent that an Ordinary Shareholder wishes to accept the offer set out in the New Issue Notice and subscribe (or have its Affiliate subscribe) for, subject to Clause 7.1(a)(ii), any or all of his, her or its Relevant Entitlement (but always including a corresponding proportion of Other Securities) either through itself or an Affiliate, it shall give notice of such acceptance in writing to the Company on or before the End Date (each such notice, an "**Acceptance Notice**" and each Ordinary Shareholder giving such Acceptance Notice, a "**Participating Shareholder**"), failing which the Ordinary Shareholder shall be deemed to have declined to subscribe for any of its Relevant Entitlement in connection with the New Issue Notice. Any Acceptance Notice given by a Participating Shareholder pursuant to this Clause 7.1(c) shall be irrevocable;

(d) if by 5.00 p.m. on the End Date, the Company has not received Acceptance Notices in an amount equal to the Relevant Securities and Other Securities the subject of the New Issue Notice (the Relevant Securities and Other Securities in respect of which no Acceptance Notice has been received being the "**Excess Securities**"), the Board shall offer such Excess Securities to the Participating Shareholders. Such Participating Shareholders shall be given a further reasonable period of time (being not less than 5 Business Days, such date chosen being the "**Second End Date**") to apply to subscribe for such number of Excess Securities as they wish (save that the Excess Securities may be subscribed for by an Affiliate of such Participating Shareholder in place of that Participating Shareholder provided such Affiliate is not a Restricted Transferee) and on the same terms (including the same price per Relevant Security and the same price per Other Security) on which that Participating Shareholder agreed to subscribe for the Relevant Securities and Other Securities pursuant to the New Issue Notice. If there are applications by Participating Shareholders for, in aggregate, a greater number than the number of Excess Securities, they shall be satisfied pro rata to the numbers applied for by each relevant Participating Shareholder;

(e) within five Business Days of the End Date (or the Second End Date, as applicable), the Company shall give notice in writing to each Participating Shareholder of:

  (i) the number and price of the Relevant Securities and Other Securities (and Excess Securities, as applicable) for which that Participating Shareholder has committed to subscribe (or have its Affiliate subscribe); and

  (ii) the place and time on which the subscription is to be completed and the account details for the telegraphic transfer of the required subscription price being not less than 15 Business Days from the date of such notice;

(f) if, following the procedure set out in Clause 7.1(a) to (e), there still remain any Relevant Securities or Other Securities for which holders of Ordinary Shares have either (i) not committed to subscribe; or (ii) failed to make a payment at the required time in

connection with their commitment to subscribe for, then such Relevant Securities and Other Securities may be allotted to such persons (who may or may not be existing shareholders in the Company) as the Board may nominate for a period of not more than 45 calendar days, provided that (1) no such person may be a Restricted Transferee and (2) the terms of such allotment are no more favourable than those previously offered to the holders of Ordinary Shares; and

(g) notwithstanding any other provision of this Clause 7.1, a Participating Shareholder or any other person participating in any New Issue may only subscribe for Relevant Securities (including Excess Securities) if such person also subscribes (either through itself or one of its Affiliates), if applicable, for the same proportion of the Other Securities (on the terms set out in the New Issue Notice).

7.2 Each party acknowledges and agrees that if, as a matter of applicable securities Law, all or any (i) Relevant Securities proposed to be issued as part of any New Issue; or (ii) part of any New Debt Issue, from time to time, may not be offered to, or subscribed for or accepted by, such party (a "**Non-Qualifying Shareholder**"), then the Company shall not be required to offer any such Relevant Securities or the New Debt Issue to, or to accept any purported subscription or acceptance of any such Relevant Securities or New Debt Issue by, any Non-Qualifying Shareholder. Each party agrees that if it is a Non-Qualifying Shareholder in respect of any New Issue or New Debt Issue it expressly waives any rights conferred or to be conferred in connection with any New Issue or New Debt Issue pursuant to applicable Law, this Agreement, the Articles, the articles of any Group Company or otherwise, and undertakes to take such steps as are from time to time reasonably requested by the Company (including any affirmation of this waiver) and as are within its power to enable any relevant New Issue or New Debt Issue.

7.3 Each party agrees that Clause 7.1 shall not apply to:

(a) an issue of Relevant Securities in connection with an Accelerated Securities Issue that has been approved by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) and that, for the purposes of implementing an Accelerated Securities Issue, the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) may, subject to Clause 7.6, determine the number of Relevant Securities and Other Securities to be issued and the timing and other terms of that issue;

(b) an issue of Warrant Shares in accordance with the Warrant Instrument;

(c) an issue of Relevant Securities to any Group Company;

(d) an issue of Shares (or other securities) as part of the Management Incentive Plan; or

(e) an issue of Relevant Securities approved in accordance with Clause 3 as non-cash consideration to a third party for the purposes of a corporate acquisition, merger, joint venture or similar that has itself been separately approved in accordance with Clause 3.

7.4 If the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the consent of an INED) proposes an Accelerated Securities Issue it shall, so far as is reasonably practicable (taking into account the urgency of the Group's financing requirements) and permitted under Law, give prior written notice of a reasonable period of time (being not less than 15 Business Days) to each Shareholder of any such Accelerated Securities Issue (such

notice, an "**Accelerated Securities Issue Notice**") and, notwithstanding any other provision in this Agreement or in the Articles, each party shall:

(a) consent to any board or shareholders' meeting of a Group Company being held on short notice to implement the Accelerated Securities Issue and procure that any director appointed by it, her or him will so consent (subject always to his or her fiduciary duties);

(b) vote in favour of all resolutions as a shareholder, and procure (subject to their fiduciary duties) that directors of all relevant Group Companies vote in favour of all resolutions, which are proposed by the Board to implement the Accelerated Securities Issue; and

(c) procure the circulation to the board of directors or shareholders of the relevant Group Company of such board or shareholder written resolutions (respectively) proposed by the Board to implement the Accelerated Securities Issue and (subject to their fiduciary duties as a director of the relevant Group Company) to sign (or to the extent permitted by Law in the case of a written resolution, to indicate their agreement to) such resolutions and return them (or the relevant indication) to the Company as soon as reasonably practicable.

7.5 Subject to the proviso below, each Shareholder hereby appoints the Company (acting by the Chairperson or, if not appointed, any Director) to act as the Shareholder's true and lawful attorney and in the Shareholder's name and on its behalf with full power to perform, execute, complete and deliver in the name of, and as agent for, the Shareholder any action and any document necessary to give effect to Clause 7.4 after the expiry of the Accelerated Securities Issue Notice (if applicable). This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of each Shareholder under Clause 7.4. Subject to the proviso below, in particular and without limitation, the Board may authorise the Chairperson or, if not appointed, any other Director, to execute, complete and deliver as agent for and on behalf of such Shareholder:

(a) a written consent to any board or shareholders' meeting of any Group Company being held on short notice to implement the Accelerated Securities Issue;

(b) any shareholder written resolutions of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue;

(c) a proxy form appointing any director as that Shareholder's proxy to vote in his, her or its name and on his, her or its behalf in favour of all resolutions proposed at a shareholders' meeting of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue; and

(d) any other documents required to be signed by or on behalf of that Shareholder in connection with the Accelerated Securities Issue,

provided that the Company shall not be entitled to: (i) provide any indemnity; (ii) provide any guarantee; or (iii) or incur any payment obligations on behalf of any such Shareholder.

7.6 Catch-Up Offer

(a) Subject to Clause 7.2, the Company shall procure that, as part of any Accelerated Securities Issue, the Allottees shall, within twenty Business Days following any

Accelerated Securities Issue, offer (such offer to remain open for 45 calendar days) to sell to each Ordinary Shareholder such number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue in accordance with Clause 7.1 at the same price and on the other terms thereof (the "**Catch-Up Offer**"), provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall only be required to make a Catch-Up Offer in respect of Relevant Securities acquired in such Accelerated Securities Issue to the extent such Relevant Securities are in excess of the number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue in accordance with Clause 7.1.

(b) If any Ordinary Shareholders do not accept any part of the Catch-Up Offer, then the Company shall procure that such remaining Relevant Securities shall be offered by the Allottees to the Ordinary Shareholders who have accepted the Catch-Up Offer in accordance with the procedure set out in Clause 7.1(d) *mutatis mutandis*, provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall be entitled to retain at least its pro rata share of such remaining Relevant Securities, calculated by reference to (i) the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue compared to (ii) the sum of the number of Ordinary Shares held by the Ordinary Shareholders who participated in the Catch-Up Offer plus the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue.

(c) If any Allottee fails to comply with any provision of this Clause 7.6, it shall not be entitled to exercise any voting rights, or enjoy any economic rights, in connection with any Shares held by it until such time as it has complied with such requirements.

Debt Issuance

7.7 Subject at all times to Clause 7.1, Clause 7.2 and unless the Ordinary Shareholders, acting by Enhanced Shareholder Majority, have agreed to dis-apply the following pre-emption right in respect of any particular New Debt Issue (as defined below), if, from time to time, any Group Company proposes to raise any debt and/or issue any debt securities of any kind (excluding (i) Subordinated PIK Notes (if still outstanding and provided that the De-Staple Date has not occurred); (ii) equity securities or preferred equity (or similar) in the capital of the Company (or other Group Company); (iii) Other Securities to be offered in connection with a New Issue; and (iv) other securities (whether debt or equity) convertible into Shares or other equity securities in the capital of the Company (or other Group Company)) or grant any options or rights to subscribe for any such debt or debt securities for, in each case, an aggregate principal amount in excess of EUR50 million (a "**New Debt Issue**"), the Company shall procure that:

(a) no such New Debt Issue will be made unless each Ordinary Shareholder has first been given an opportunity which shall remain open for not less than 15 Business Days (such date as chosen being the "**Debt End Date**") to participate (or have its Affiliate participate), at the same time and on the same terms, for up to his, her or its Relevant Debt Entitlement of such New Debt Issue;

(b) each New Debt Issue opportunity shall be offered to each Ordinary Shareholder in the form of a notice in writing from the Company (a "**New Debt Issue Notice**");

(c) any New Debt Issue Notice shall indicate the terms and conditions of the New Debt Issue and the Relevant Debt Entitlement of each Ordinary Shareholder. If and to the

extent that an Ordinary Shareholder wishes to accept such terms and conditions and participate in the New Debt Issue (or have its Affiliate participate) for any or all of his, her or its Relevant Debt Entitlement, either through itself or an Affiliate, it shall give notice of such acceptance in writing to the Company on or before the Debt End Date (each such notice, a "**Debt Acceptance Notice**" and each Ordinary Shareholder giving such Debt Acceptance Notice, a "**Participating Debt Shareholder**"), failing which the Ordinary Shareholder shall be deemed to have declined to participate in respect of any of its Relevant Debt Entitlement in connection with the New Debt Issue Notice. Any Debt Acceptance Notice given by a Participating Shareholder pursuant to this Clause 7.7(c) shall be irrevocable;

(d) if by 5.00 p.m. on the Debt End Date, the Company has not received Debt Acceptance Notices in an amount equal to the total amount of the New Debt Issue the subject of the New Debt Issue Notice (the proportion of such New Debt Issue in respect of which no Debt Acceptance Notice has been received being the "**Excess Debt**"), the Board shall offer such Excess Debt to the Participating Debt Shareholders. Such Participating Debt Shareholders shall be given a further reasonable period of time (being not less than 15 Business Days, such date chosen being the "**Second Debt End Date**") to apply to be allocated such amount of Excess Debt as they wish (save that the Excess Debt may be accepted by an Affiliate of such Participating Debt Shareholder in place of that Participating Debt Shareholder provided such Affiliate is not a Restricted Transferee) and on the same terms on which that Participating Debt Shareholder agreed to participate in the New Debt Issue pursuant to the New Debt Issue Notice. If there are applications by Participating Debt Shareholders for, in aggregate, a greater amount of the New Debt Issue than is represented by the Excess Debt, they shall be satisfied pro rata to the amount applied for by each relevant Participating Debt Shareholder;

(e) within five Business Days of the Debt End Date (or the Second Debt End Date, as applicable), the Company shall give notice in writing to each Participating Debt Shareholder of:

  (i) the amount of the New Debt Issue (and Excess Debt, as applicable) for which that Participating Debt Shareholder has committed to (or had its Affiliate commit to); and

  (ii) the place and time on which the New Debt Issue is to be completed and the account details for the telegraphic transfer of the required amount being not less than 15 Business Days from the date of such notice;

(f) if, following the procedure set out in this Clause 7.7, there still remains any amount of the New Debt Issue for which holders of Ordinary Shares have either (i) not committed to provide; or (ii) failed to make a payment at the required time in connection with their commitment to provide, then such amount of the New Debt Issue may be offered to such persons (who may or may not be existing shareholders in the Company) as the Board may nominate for a period of not more than three calendar months from (as applicable) the Debt End Date or the Second Debt End Date, provided that (1) no such person may be a Restricted Transferee and (2) the terms of such offer are no more favourable than those previously offered to the holders of Ordinary Shares except that the coupon may be increased by up to 100 basis points on the proviso that, if the coupon is so increased, the terms of the New Debt Issue accepted by Participating Debt Shareholders shall be automatically amended to reflect such terms; and

(g) not later than 5 Business Days after the earlier of the Second End Date (or the Debt End Date if the New Debt Issue is fully accepted by such date) and any decision by the Company to no longer pursue a New Debt Issue, to the extent that the Company has shared Inside Information with any Shareholder (or any of its Affiliates) in connection with a New Debt Issue, the Company shall cleanse such Inside Information via the Designated Website.

Holding Period Trustee

7.8 The parties agree and acknowledge that the Holding Period Trustee shall not (and shall not be required by any Shareholder to) exercise any pre-emption or catch-up rights under this Clause 7.

8. MANAGEMENT INCENTIVE PLAN

8.1 The ARCG Committee shall design, having given the Opco Group CEO an opportunity to discuss, a new Group management incentive plan within six months of the date of this Agreement, which shall reflect terms customary for a management incentive plan of this nature and which shall be put to (i) the Board for approval as a Board Reserved Matter and, subsequently, (ii) the Shareholders for approval as a Shareholder Reserved Matter, in each case in accordance with Clause 3, the "**Management Incentive Plan**".

8.2 Each party agrees to approve any resolution and sign any documentation in connection with implementing the Management Incentive Plan or implementing any changes to an existing Management Incentive Plan (in either case, subject to prior approval in accordance with Clause 3), including but not limited to passing resolutions, authorising the new issuance of shares (or other securities) pursuant to the Management Incentive Plan and procuring that any amendments to this Agreement, the Articles, the articles of association or equivalent constitutional documents of any other Group Company, or any other documents required to implement the Management Incentive Plan, or the approved changes to the Management Incentive Plan, are given effect.

8.3 The fees, costs and expenses associated with implementing or making any material changes to the Management Incentive Plan shall be borne by the Company or another Group Company.

9. ROLE OF THE HOLDING PERIOD TRUSTEE

9.1 It is expressly understood and agreed by the parties that this Agreement is executed and delivered by the Holding Period Trustee not individually or personally but solely in its capacity as Holding Period Trustee in the exercise of the powers and authority conferred and vested in it under the Holding Period Trust Agreement. It is further understood by the parties that in no case shall the Holding Period Trustee be:

(a) responsible or accountable in damages or otherwise to any other party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by it without fraud, gross negligence or wilful misconduct in accordance with this Agreement and in a manner that the Holding Period Trustee believed to be within the scope of the authority conferred on the Holding Period Trustee by this Agreement and the Holding Period Trust Agreement or by Law; or

(b) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other party, all such liability, if any, being expressly waived by the parties and any person claiming by, through or under

such party, provided however, that the Holding Period Trustee shall be liable under this Agreement for its own fraud, gross negligence or wilful misconduct.

9.2 It is also acknowledged that the Holding Period Trustee shall not have any responsibility for the actions of any individual Shareholder.

9.3 The Holding Period Trustee shall, at all times, act in accordance with the terms set forth in the Holding Period Trust Agreement.

9.4 In acting or otherwise exercising its rights or performing its duties under this Agreement or the Holding Period Trust Agreement, the Holding Period Trustee shall act in accordance with the provisions of this Agreement and the Holding Period Trust Agreement and shall seek any necessary instruction or direction in accordance with the Holding Period Trust Agreement and where it so acts on such instructions or directions, the Holding Period Trustee shall not incur any liability to any person for so acting. In so acting, the Holding Period Trustee shall have all the rights, benefits, protections, indemnities and immunities set out in this Agreement and the Holding Period Trust Agreement.

9.5 In the event there is an inconsistency or conflict between the rights, duties, benefits, obligations, protections, immunities or indemnities of the Holding Period Trustee as contained in this Agreement, on the one hand, and the Holding Period Trust Agreement, on the other hand, the provisions in the Holding Period Trust Agreement shall prevail and apply.

9.6 The Holding Period Trustee shall not have any obligation to take any action under this Agreement unless it is indemnified and/or secured to its satisfaction (whether by way of payment in advance or otherwise) by the Company or the Shareholders. The Holding Period Trustee is not required to indemnify any other person, whether or not a party in respect of the transactions contemplated by this Agreement.

9.7 The Holding Period Trustee shall be under no obligation to instruct or direct any Shareholder to take any action unless it shall have been instructed to do so in accordance with the Holding Period Trust Agreement and indemnified and/or secured to its satisfaction.

9.8 The Holding Period Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Agreement.

9.9 The provisions relating to the Holding Period Trustee contained in the Holding Period Trust Agreement are for the benefit of the Holding Period Trustee and shall survive the discharge or termination of the Holding Period Trust Agreement and the replacement or resignation of the Holding Period Trustee.

10. STAPLE

10.1 Notwithstanding any other provisions of this Agreement or the Articles but subject to Clause 10.3 and 10.4, each Shareholder agrees (for and on behalf of itself and, where applicable, its Shareholder Group) that no Shareholder or, where applicable, Shareholder Group shall Transfer to any person (including pursuant to Clause 13, 14 or 15):

(a) any A Ordinary Shares unless such Shareholder or, as applicable, Shareholder Group simultaneously transfers to the same transferee (or an Affiliate of the same transferee) the proportion of Subordinated PIK Notes held by it as represents the Staple Ratio (or as nearly as practicable if the exact equivalent proportion cannot be so transferred); or

(b) any Subordinated PIK Notes unless such Shareholder or, as applicable, Shareholder Group simultaneously transfers to the same transferee (or an Affiliate of the same

transferee) the proportion of A Ordinary Shares held by it as represents the Staple Ratio (or as nearly as practicable if the exact equivalent proportion cannot be so transferred).

10.2 The stapling described in Clause 10.1 shall operate, where applicable, on a "Shareholder Group" basis, such that:

(a) the A Ordinary Shares held by a Shareholder and the Subordinated PIK Notes held by a Shareholder may be held separately by such Shareholder and any of its Affiliates; and

(b) any such Shareholder or its Affiliates shall be free to transfer A Ordinary Shares to such Shareholder or any other Affiliate of such Shareholder without being required to transfer any Subordinated PIK Notes, and vice versa,

provided (in either case (a) or (b)) that where any such person ceases to be an Affiliate of such Shareholder any Shares and any Subordinated PIK Notes held by such person shall promptly, and in any event within seven days of such cessation, be transferred back to the Shareholder or any of its Affiliates.

10.3 The provisions of Clause 10.1 will terminate upon the earlier of:

(a) the Subordinated PIK Notes being repaid or refinanced in full; and

(b) a de-stapling decision in respect of the Subordinated PIK Notes being taken (or notified to the Company) by an Enhanced Shareholder Majority,

the date of such termination being the "**De-Staple Date**".

10.4 The provisions of Clause 10.1:

(a) will not apply to any transfer to New Holdco as a result of any partial redemption of the Subordinated PIK Notes in accordance with the provisions of the Subordinated PIK Note Indenture provided that such partial redemption is applied pro rata and pari passu to all holders of Subordinated PIK Notes; and

(b) will terminate with respect to a particular Shareholder and Shareholder Group if all Subordinated PIK Notes held by that Shareholder and Shareholder Group are redeemed in full in accordance with the provisions of the Subordinated PIK Note Indenture.

10.5 The Company shall provide the Equity Agent with the initial Staple Ratio as soon as reasonably practicable following the date of this Agreement. The Company shall update the Staple Ratio from time to time to reflect (i) any issuance or redemption of Subordinated PIK Notes in accordance with the terms of the Subordinated PIK Note Indenture, (ii) any issuance or redemption of Ordinary Shares in accordance with this Agreement and the Articles and (iii) any accrual and/or capitalisation of any interest on the Subordinated PIK Notes in accordance with the terms of the Subordinated PIK Note Indenture.

11. EQUITY AGENT

11.1 Subject to Clause 11.2, the Company may from time to time appoint a person for the purposes of monitoring and enforcing the provisions of Clause 10 and the related provisions of this Agreement and the Articles (such person who is appointed from time to time the "**Equity Agent**"). As of the date of this Agreement, the Company has appointed the Initial Equity Agent as the Equity Agent.

11.2 Any person to be appointed as Equity Agent must have acceded to this Agreement in the capacity of Equity Agent and, upon such accession, any preceding Equity Agent shall no longer be considered to be party to this Agreement in the capacity of Equity Agent.

11.3 In furtherance of Clause 10, (i) the Company shall establish, and agree with the Equity Agent, a Transfer Guide (including illustrative examples which shall be updated periodically to reflect relevant changes to the Group's capital structure (including the issuance of Subordinated PIK Notes as PIK interest)) in relation to the A Ordinary Shares and the Subordinated PIK Notes (the "**Transfer Guide**") and (ii) the Equity Agent shall publish such Transfer Guide and the Staple Ratio as may be provided to it from time to time by the Company on an online portal established by the Equity Agent for such purposes. The Equity Agent will have no obligation to publish any Transfer Guide or Staple Ratio if such has not been provided to it by the Company. The Equity Agent shall be entitled to receive (a) a fee from the Company (as agreed in the Equity Agent's engagement and fee letter with the Company) for its role as Equity Agent; and (b) a transfer fee (provided in the Transfer Guide) in connection with any Transfer of A Ordinary Shares and/or Subordinated PIK Notes which shall be payable by the transferee via the online portal.

11.4 The parties acknowledge and agree that the implementation of the Transfer Guide shall be monitored and facilitated by the Equity Agent, in consultation with the Company as required, from the date of this Agreement.

11.5 The Transfer Guide shall set out the procedure that must be followed in respect of any Transfer of A Ordinary Shares, which procedure shall include, without limitation, a requirement for any transferor and/or transferee of A Ordinary Shares to provide the Equity Agent and the Company with:

(a) any and all documents and information which the Company and/or the Equity Agent may require in order to enable each of them to comply with customary "know your client" laws or regulations, anti-money laundering procedures and regulations, and any other obligations provided by Law relating to identification and verification of the beneficial owners of the Company or as may be required by the Company to identify the nature and source of funding made available to the Company; and

(b) such confirmations as the Company and/or the Equity Agent may require from the transferor and transferee that such Transfer is made in compliance with this Agreement, the Articles and applicable securities Laws.

11.6 It is expressly understood by the parties that (i) the Equity Agent's duties under this Agreement are solely mechanical in nature and shall be limited to those expressly set forth in this Agreement and its engagement and fee letter with the Company and (ii) no other duties, responsibilities or obligations shall be inferred or implied. Further, the parties acknowledge that the Equity Agent's engagement and fee letter contains customary limitations on liability and exculpation provisions on which the Equity Agent is entitled to rely in relation to the performance of its obligations as the Equity Agent and which shall be included in the Transfer Guide.

11.7 In order to enable the Equity Agent to fulfil its role (as envisaged by this Clause 11): (i) where a copy of any notice (including, but not limited to, a Drag Notice, a Tag Along Offer or a Squeeze-Out) is required to be delivered to the Company in accordance with Clause 13, Clause 14 or Clause 15, the Company shall send a copy of such notice to the Equity Agent promptly upon receipt; and (ii) when any instrument of transfer in respect of any A Ordinary

Share is lodged with the Company for registration, a copy of such instrument shall be promptly sent by the Company to the Equity Agent.

11.8 The Company shall provide the Equity Agent with such information and instructions as it reasonably requires relating to the discharge of its obligations under this Agreement.

11.9 If the Equity Agent receives conflicting instructions in connection with its duties, responsibilities and obligations under this Agreement, the Equity Agent shall refrain from acting until such conflict is resolved to its satisfaction.

12. TRANSFERS

General principles

12.1 Provided that any such Transfer is undertaken in compliance with the remainder of this Agreement and the Articles, the Holding Period Trustee may freely Transfer legal and/or beneficial title to the Shares to the beneficiaries of the Holding Period Trust as set out in the Holding Period Trust Agreement.

12.2 Provided that any such Transfer is undertaken in compliance with the remainder of this Agreement and the Articles, if, following a Transfer of the B Ordinary Shares from Old Codere Luxco 1 to Old Codere (whether pursuant to a liquidating distribution (or similar) or otherwise), Old Codere is to be liquidated, wound up or similar, the B Ordinary Shares held by Old Codere may be Transferred (whether pursuant to a liquidating distribution (or similar) or otherwise) to each shareholder of Old Codere that is not a Restricted Transferee (each an "**Old Codere Shareholder**") provided that, as a condition to completion of such Transfer (whether pursuant to a liquidating distribution (or similar) or otherwise), each such Old Codere Shareholder executes a Deed of Adherence.

12.3 Subject to the Articles and Clause 10, the remainder of this Clause 12 and Clauses 13 and 14, a Shareholder may freely Transfer legal and/or beneficial title to the Shares to any person provided that the transferee has executed a Deed of Adherence and delivered to the Company a share transfer agreement in such form as may be approved by the Board (acting reasonably) from time to time which may include representations from the transferee in relation to relevant securities Law.

12.4 Other than a Transfer to a Competitor forming part of a Drag Sale (including a Transfer under the Sale Agreement in accordance with which the relevant Shareholder(s) exercised the right to serve a Drag Notice and effect such a Drag Sale), a Non-Qualifying Merger, a Qualifying Merger or a Sale, no Shares may be Transferred to a Restricted Transferee. The definition of Restricted Transferees (including the definition of Sanctioned Persons, Competitors and Specified Competitors) may be amended by Enhanced Shareholder Majority from time to time (including by notice to the Company) provided that, at all times, it shall include Sanctioned Persons and Competitors.

12.5 Notwithstanding anything to the contrary provided by Law, the Company shall not register any Transfer of Shares unless such Transfer is required or permitted pursuant to, and in each case carried out in accordance with, the provisions of this Agreement and the Articles, and, in respect of the Transfer of any A Ordinary Share, in accordance with the Transfer Guide, and the Board shall be entitled to seek evidence to that effect prior to registering any Transfer.

12.6 Any purported Transfer of any portion of a Shareholder's direct or indirect beneficial interest in any Share in breach of, or the effect of which would be to circumvent any provision of, this Agreement will be void and of no effect and will not operate to Transfer any such interest to

the purported transferee. Without limiting the foregoing, the parties further agree that Transfer restrictions in this Agreement may not be avoided by the holding of Shares or other interests directly or indirectly through a person that can itself be sold, the effect of which would be to Transfer an interest in Shares free of such restrictions, and any such indirect Transfers shall be deemed Transfers subject to the terms of this Agreement, and if not effected in compliance with the terms of this Agreement such Transfers shall be null and void, and the parties shall take such actions required to unwind such Transfers.

12.7 The parties agree not to encumber (in any way) its legal and/or equitable interest in any Share in any manner which may inhibit the completion of an Exit, a Drag Sale or a Squeeze-Out unless such encumbrance provides that such encumbrance will be automatically released in relation to any such Share upon such Share becoming a Drag Security or a Squeeze-Out Security or otherwise subject to an Exit or Pre-Exit Reorganisation in respect of an Exit.

13. DRAG-ALONG

13.1 Excluding Transfers to Affiliates, if a person (together with its Affiliates and its and their concert parties) (a "**Proposed Drag Buyer**") agrees to acquire 66.67% or more of the Ordinary Shares on "arm's length" terms (excluding, for the avoidance of doubt, any Shares held or acquired by the Proposed Drag Buyer prior to execution of a Sale Agreement) pursuant to a proposed bona fide sale by one or more Shareholders acting together (the "**Dragging Shareholders**"), the Proposed Drag Buyer or the Dragging Shareholders (on behalf of and at the instruction of the Proposed Drag Buyer) may, following execution of a binding agreement (whether conditional or unconditional) for the purchase of Ordinary Shares (a "**Sale Agreement**"), require each other Shareholder, the Holding Period Trustee and the Warrantholders (the "**Dragged Shareholders**") to transfer all (and not less than all) of:

(a) their Equity Securities (including any C Shares to be issued immediately prior to the completion of the Sale Agreement pursuant to the terms of the Warrant Instrument); and

(b) if still outstanding and provided that the De-Staple Date has not occurred, their Subordinated PIK Notes (and not some only),

not subject to the Sale Agreement (the "**Drag Securities**") to the Proposed Drag Buyer (the "**Drag Sale**") by serving a notice on the Company (as agent for and on behalf of the Dragged Shareholders) not less than 20 Business Days prior to the proposed completion date of the Sale Agreement ("**Drag Notice**"). The Company shall promptly serve such Drag Notice on the Dragged Shareholders. The Proposed Drag Buyer shall promptly notify the Company (as agent for and on behalf of the Dragged Shareholders) of any change to the proposed completion date of the Sale Agreement at least 15 Business Days prior to the revised proposed completion date of the Sale Agreement. The Company shall promptly serve such notice on the Dragged Shareholders.

13.2 The Drag Notice shall set out the material terms and conditions of the Drag Sale, including and specifying (i) that the Dragged Shareholders are required to transfer their Drag Securities in accordance with this Clause 13; (ii) the name of the Proposed Drag Buyer; (iii) the envisaged closing date; (iv) the form of any sale agreement or form of acceptance or any other document of similar effect that the Dragged Shareholders are required to sign in connection with such Drag Sale, and the consideration payable for the Drag Securities, which shall be:

(a) at a price equal to in the case of (i) an Equity Security, the consideration payable for an Ordinary Share under the Sale Agreement; and (ii) a Subordinated PIK Note, the par

value of a Subordinated PIK Note plus any accrued but unpaid interest thereon or, if higher, the consideration paid by the Proposed Drag Buyer for a Subordinated PIK Note in connection with the Sale Agreement;

(b) (i) in the case of Equity Securities, in the same form as is to be received by the Dragging Shareholders provided that such is cash and, to the extent it is Non-Cash Consideration, the Proposed Drag Buyer shall be required to pay the Cash Equivalent Value of such Non-Cash Consideration in cash and (ii) in the case of Subordinated PIK Notes, cash; and

(c) otherwise subject to the same payment terms and other terms as offered for each Ordinary Share and, if still outstanding, Subordinated PIK Note (as relevant) in the Sale Agreement.

13.3 A Drag Notice shall be irrevocable but shall lapse if the Sale Agreement and Drag Sale do not complete within 90 calendar days from the date of the Drag Notice or such longer period as is required in order to satisfy any applicable mandatory regulatory or anti-trust conditions, in which case within 15 calendar days of satisfaction of such conditions. If a Drag Notice lapses, the Transfer of Ordinary Shares the subject of the Sale Agreement may not complete unless and until (i) a new Drag Notice has been served in accordance with Clause 13.1 and the provisions of this Clause 13 are complied with in respect of such new Drag Notice; or (ii) a Tag Along Offer has been made in accordance with Clause 14.1 and the provisions of Clause 14 in respect of such Tag Along Offer have been complied with.

13.4 A Proposed Drag Buyer shall be required to pay all of the documented costs (other than Taxes in respect of the transaction proceeds which shall be borne by the Dragged Shareholders liable for such Tax) reasonably incurred by the Dragged Shareholders in connection with the exercise of the Drag Notice. The Drag Sale shall complete on the date of completion of the Sale Agreement.

13.5 The Drag Notice shall be accompanied by all documents required to be executed by the Dragged Shareholders in order to transfer legal and beneficial title to the Drag Securities to the Proposed Drag Buyer, provided that a Dragged Shareholder shall not be required to give any warranties, representations or indemnities in the context of the transaction other than (i) warranties (1) that such Dragged Shareholder has title to, and ownership of, the Drag Securities (free from encumbrances) and (2) as to capacity and authorisation and (ii) if applicable, a customary leakage indemnity in respect of leakage (as defined in the Sale Agreement) from the date of the accounts of the Company (or any other Group Company) being used as the locked box accounts in the Sale Agreement up until the date of completion of the Sale Agreement, which shall endure for a period of not more than six months from the date of completion of the Sale Agreement and which shall be given by each Dragged Shareholder in respect of itself only on a several basis. Where a Dragged Shareholder is a Warrantholder, if such Warrantholder exercises its Warrants in accordance with the terms of the Warrant Instrument it shall automatically be deemed to be a Dragged Shareholder for the purposes of this Agreement and the Company shall request that each such Warrantholder deliver all documents necessary to be executed to give effect to the disposal of its Drag Securities in accordance with this Clause 13.5 to the Proposed Drag Buyer not later than five Business Days prior to the proposed completion date of the Sale Agreement.

13.6 Each Dragged Shareholder appoints the Chairperson (or, if not appointed, any INED or, if not appointed, any other Director) to act as its true and lawful attorney and in its name and on its behalf with full power to execute, complete and deliver in the name of and as agent for the

Dragged Shareholder any instruments of transfer and other documents necessary to give effect to the transfer of the Drag Securities to the Proposed Drag Buyer in accordance with this Clause 13. This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of each Dragged Shareholder under this Clause 13.

14. TAG-ALONG

14.1 Save for Transfers pursuant to Clause 12.1, if one or more Shareholders (each a "**Selling Shareholder**") propose to make a disposal of Ordinary Shares to a proposed transferee, in one transaction or a series of related transactions, which, if completed, would result in such transferee, together with its Affiliates and its and its Affiliates' concert parties) ("**Tag Transferee**"), holding (i) more than 50% (where such Tag Transferee did not hold 50% or more of the Ordinary Shares immediately prior to such proposed Transfer) or (ii) 66.67% or more (where such Tag Transferee did not hold 66.67% or more of the Ordinary Shares immediately prior to such proposed Transfer), in each case, of the Ordinary Shares in issue from time to time (each a "**Tag Transfer**"), the Selling Shareholder(s) shall not complete such Transfer unless it or they ensure(s) that the proposed Tag Transferee makes a separate offer in writing to each of the other Shareholders, the Holding Period Trustee and the Warrantholders (each a "**Non-Selling Shareholder**") to buy from it, all of:

(a) their Equity Securities (including any C Shares to be issued immediately prior to the completion of the Tag Transfer pursuant to the terms of the Warrant Instrument); and

(b) if still outstanding and provided that the De-Staple Date has not occurred, their Subordinated PIK Notes,

held by such Non-Selling Shareholder (and not some only) ("**Tag Securities**"), by serving notice on the Company (as agent for and on behalf of the Non-Selling Shareholders) not less than 20 Business Days prior to the proposed completion date of the Tag Transfer (such offer being a "**Tag Along Offer**"). Any agreement to effect a Tag Transfer must be conditional upon a Tag Along Offer being made in accordance with, and the Selling Shareholder(s) and the Tag Transferee otherwise complying with the provisions of, this Clause 14. The Company shall promptly serve such Tag Along Offer on the Non-Selling Shareholders.

14.2 The consideration payable under a Tag Along Offer shall be:

(a) at a price equal to in the case of (i) an Equity Security, the consideration offered by the Tag Transferee (or, if higher, the highest consideration the Tag Transferee (or any of its Affiliates or any of its or its Affiliates' concert parties) has paid for an Ordinary Share in the previous twelve months) to the Selling Shareholder(s) for an Ordinary Share in the Tag Transfer; and (ii) a Subordinated PIK Note, the consideration offered by the Tag Transferee (or, if higher, the highest consideration the Tag Transferee (or any of its Affiliates or any of its or its Affiliates' concert parties) has paid for a Subordinated PIK Note in the previous twelve months) to the Selling Shareholder(s) for a Subordinated PIK Note in the Tag Transfer;

(b) (i) in the case of Equity Securities, in the same form as is to be received by the Selling Shareholder(s) provided that such is cash and, to the extent it is Non-Cash Consideration, the Tag Transferee shall pay the Cash Equivalent Value of such Non-Cash Consideration in cash and (ii) in the case of Subordinated PIK Notes, cash; and

(c) subject to the same payment terms and other terms, in each case as offered to the Selling Shareholder(s) for Ordinary Shares and, if still outstanding, Subordinated PIK Notes.

14.3 Each Tag Along Offer shall:

(a) be an irrevocable and unconditional offer;

(b) be in writing addressed to each Non-Selling Shareholder (a "**Tag Along Notice**") and accompanied by copies of all documents necessary to be executed by a Non-Selling Shareholder to give effect to the disposal of its Tag Securities to the Tag Transferee should it decide to accept the Tag Along Offer, including all the terms and conditions of the proposed disposal of Tag Securities by a Non-Selling Shareholder to the Tag Transferee and the envisaged closing date. The Tag Transferee shall promptly notify the Company (as agent for and on behalf of the Non-Selling Shareholders) of any change to the proposed completion date of the Sale Agreement at least 15 Business Days prior to the completion date of the Tag Transfer. The Company shall promptly serve such notice on the Non-Selling Shareholders;

(c) be open for acceptance by each Non-Selling Shareholder (in respect of all (and not some only) of the Tag Securities) during a period of not less than 10 Business Days and not more than 20 Business Days after its receipt of the Tag Along Notice by the Non-Selling Shareholder giving notice of acceptance in writing to the Tag Transferee (any Non-Selling Shareholder on giving such acceptance being a "**Tagging Person**"); and

(d) not require any Tagging Person to give any warranties, representations or indemnities in the context of the transaction other than (i) warranties (1) that such Tagging Person has title to, and ownership of, the Tag Securities (free from encumbrances) and (2) as to capacity and authorisation and (ii) if applicable, a customary leakage indemnity in respect of leakage (as defined in the definitive transaction documentation for the Tag Transfer) from the date of the accounts of the Company (or any other Group Company) being used as the locked box accounts for the Tag Transfer up until the date of completion of the Tag Transfer, which shall endure for a period of not more than six months from the date of completion of the Tag Transfer and which shall be given by each Tagging Person in respect of itself only on a several basis.

14.4 Subject to the following sentence, each Tagging Person shall execute and send or make available to the Selling Shareholder(s) all documents necessary to be executed to give effect to the disposal of its Tag Securities in accordance with this Clause 14 to the Tag Transferee simultaneously with its acceptance of the Tag Along Offer in accordance with Clause 14.3(c). Where a Tagging Person is a Warrantholder, if such Warrantholder exercises its Warrants in accordance with the terms of the Warrant Instrument it shall automatically be deemed to be a Tagging Person for the purposes of this Agreement and the Company shall request that each such Warrantholder deliver all documents necessary to be executed to give effect to the disposal of its Tag Securities in accordance with this Clause 14 to the Tag Transferee not later than five Business Days prior to the proposed completion date of the Tag Along Offer.

14.5 The disposal of Tag Securities by each Tagging Person to the Tag Transferee shall be completed at the same time as the Tag Transfer, which shall be not more than 60 calendar days from the expiry of the acceptance period provided in Clause 14.3(c) above (unless a longer period is required in order to satisfy any applicable mandatory regulatory or anti-trust conditions, in which case within 15 calendar days of satisfaction of such conditions). The Tagging Persons shall be bound to sell the Tag Securities on the terms of and pursuant to the Tag Along Offer and their acceptance of it and this Clause 14 provided that, if the disposal of Tag Securities and the Tag Transfer do not complete prior to the expiry of the period set out in the prior sentence then (i) each Tagging Person's acceptance of the Tag Along Offer shall

lapse; and (ii) the Tag Transfer shall not complete unless and until the Tag Transferee makes a new Tag Along Offer in accordance with Clause 14.1 and the provisions of this Clause 14 are complied with in respect of such new Tag Along Offer.

14.6 A Tag Transferee shall be required to pay all of the documented costs (other than Taxes in respect of the transaction proceeds which shall be borne by the Tagging Persons liable for such Tax) reasonably incurred by the Tagging Persons in connection with an acceptance of a Tag Along Offer.

14.7 No Tag Along Offer shall be required if a Drag Notice has been served in accordance with Clause 13.1.

14.8 The Holding Period Trustee is not required to respond to any Tag Along Notice or other notice or respond or otherwise participate in any Tag Along Offer from time to time.

15. SQUEEZE-OUT

15.1 If a Shareholder Group holds 90% or more of the Ordinary Shares (the "**Squeeze-Out Shareholder**") it shall be entitled to require each other Shareholder and the Holding Period Trustee (the "**Minority Shareholders**") to sell and transfer all (and not some only) of their Equity Securities and, if still outstanding and provided that the De-Staple Date has not occurred, their Subordinated PIK Notes (the "**Squeeze-Out Securities**") to the Squeeze-Out Shareholder (the "**Squeeze-Out**") by serving a notice on the Company (as agent for and on behalf of the Minority Shareholders) which shall set out the proposed timing for completion of the Squeeze-Out and the consideration to be paid for the Squeeze-Out Securities (a "**Squeeze-Out Notice**"). The Company shall promptly serve such Squeeze-Out Notice on the Minority Shareholders.

15.2 The consideration payable under a Squeeze-Out Notice shall be a price equal to in the case of (i) an Equity Security, the highest consideration the Squeeze-Out Shareholder has paid for an Ordinary Share in the previous twelve months or, in the absence of such a reference transaction, the Fair Value of an Ordinary Share and (ii) a Subordinated PIK Note, the par value of a Subordinated PIK Note plus any accrued but unpaid interest thereon (or, if higher, the highest consideration the Squeeze-Out Shareholder has paid for a Subordinated PIK Note in the previous twelve months).

15.3 If a Squeeze-Out Shareholder serves a Squeeze-Out Notice, it shall:

(a) be irrevocable and unconditional but shall lapse if completion of the Squeeze-Out does not occur within 90 calendar days from the date of the Squeeze-Out Notice; and

(b) specify that: (i) the Minority Shareholders are bound to transfer all of their Shares and Subordinated PIK Notes to the Squeeze-Out Shareholder on the terms of the Squeeze-Out Notice (including the envisaged transfer date) provided that (x) the consideration for the Squeeze-Out Securities must be in cash and, to the extent the consideration for the reference transaction is Non-Cash Consideration, the Cash Equivalent Value of such Non-Cash Consideration in cash; and (y) the Minority Shareholders are only required to give warranties that such Minority Shareholder has title to, and ownership of, the relevant Squeeze-Out Securities (free from encumbrances) and as to capacity and authorisation; and (ii) the identity of the Squeeze-Out Shareholder; and

(c) be in writing addressed to each Minority Shareholder and accompanied by copies of all documents necessary to be executed by a Minority Shareholder to give effect to the disposal of its Squeeze-Out Securities to the Squeeze-Out Shareholder.

15.4 The transfer of all Squeeze-Out Securities necessary to effect the Squeeze-Out shall be completed simultaneously.

15.5 A Squeeze-Out Shareholder shall be required to pay all of the documented costs (other than Taxes in respect of the transaction proceeds which shall be borne by the Minority Shareholders liable for such Tax) reasonably incurred by the Minority Shareholder in connection with the completion of the Squeeze-Out.

15.6 Each Minority Shareholder appoints the Chairperson (or, if not appointed, any INED or, if not appointed, any other Director) to act as its true and lawful attorney and in its name and on its behalf with full power to execute, complete and deliver in the name of and as agent for the Minority Shareholder any instruments of transfer and other documents necessary to give effect to the transfer of the Squeeze-Out Securities to the Squeeze-Out Shareholder in accordance with this Clause 15. This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of each Minority Shareholder under this Clause 15.

16. EXIT

16.1 It is the intention of the parties that the Board will consider the suitability of the Group for a Listing prior to the end of the calendar year 2023 and, following such suitability assessment and if approved by the Board as a Board Reserved Matter, recommend to the Shareholders that they, by Simple Shareholder Majority, approve the Board initiating a Listing process and engaging advisers. Notwithstanding the foregoing, it is acknowledged that no undertaking is given by any party that a Listing will occur and that the implementation of a Listing will require the approval of the Shareholders as a Shareholder Reserved Matter in accordance with Clause 3.

16.2 The Shareholders, acting by Simple Shareholder Majority may, by notice to the Company, at any time and from time to time, direct the Board to initiate an Exit and, following such decision, the Company (at the cost of the Company) shall appoint relevant advisers to advise on the proposed Exit (as appropriate).

16.3 If the Shareholders, acting by Simple Shareholder Majority, propose (by notice to the Company) an Exit, the Company shall, and shall procure that each Group Company shall, take such steps (as a shareholder or otherwise), execute such documents, pass such resolutions or otherwise give such cooperation and assistance to implement the Exit or Pre-Exit Reorganisation as is required by (on notice to the Company) the Shareholders, acting by Simple Shareholder Majority. In the case of the Company, such steps shall include the preparation of an information memorandum, the giving of presentations to potential purchasers, investors, financiers and their advisers and the provision of assistance in any syndication process as is necessary or desirable to facilitate an Exit or Pre-Exit Reorganisation.

16.4 Notwithstanding the foregoing, it is acknowledged that no undertaking is given by any party that an Exit will occur and that the implementation of an Exit will still require the approval of the Shareholders as a Shareholder Reserved Matter in accordance with Clause 3.

16.5 It is agreed by the parties that, in the event of an Exit, the Shareholders (other than Management Shareholders who may be required to provide customary business warranties on a limited recourse basis in accordance with market practice) will not be required to give any representations, warranties, indemnities or restrictive covenants in connection therewith to any person, save for:

(a) a warranty given by each Shareholder as to title to any Shares (free from encumbrances) it is to sell and as to its authority and capacity to sell such Shares; and

(b) if applicable, a customary leakage indemnity given by each Shareholder in respect of leakage (as defined in the sale and purchase agreement entered into in connection with the Exit) from the date of the accounts of the Company (or any other Group Company) being used as the locked box accounts up until the date of completion of the Exit, which shall endure for a period of not more than six months from the date of completion of the Exit and which shall be given by each Shareholder in respect of itself only on a several basis.

16.6 Each of the parties acknowledges and agrees that immediately prior to, but conditional upon, an Exit the share capital and legal form of any relevant Group Company may, as reasonably determined by the Board (acting by Board Super Majority), be reorganised for the purpose of enabling or assisting an Exit to occur (a "**Pre-Exit Reorganisation**") and each party agrees to take such action (including voting in favour of relevant resolutions of the Company) and give such cooperation and assistance as the Board may reasonably request to effect a Pre-Exit Reorganisation and shall act reasonably to consider in good faith any other arrangements that may be proposed by the Board (acting by Board Super Majority) to facilitate or implement such Exit; provided that any such Pre-Exit Reorganisation shall preserve the economic rights of the Shares and the Warrants in all material respects.

16.7 The parties agree that, on a Sale, the Shareholders shall procure that the total of all and any consideration in whatever form to be received or receivable by the Shareholders for the sale of their Shares shall be allocated among the Shareholders in accordance with Article [●] but as if: (i) the date of such Sale were the date of the return of capital under such Article; and (ii) the consideration for such Sale represented all the surplus resulting from the realisation of the assets and the payment of the liabilities of the Company. The parties agree to take such actions as they are reasonably able to give effect to the foregoing sentence.

16.8 Promptly following an Asset Sale, the Company shall take such steps (insofar as it has the power to do so) as are necessary to achieve a Winding-Up and to distribute the surplus assets of the Group in accordance with the Articles as soon as reasonably practicable following completion of such Asset Sale.

16.9 Where there is a Listing it is the parties' intention that such Listing shall extend to the Ordinary Shares and the C Shares (if any), or shares in any Group Company or in a New Holding Company that is the subject of the Listing as a result of a Pre-Exit Reorganisation, held by the Ordinary Shareholders (and any C Shareholder as the case may be). The Shareholders (and their nominees) shall be entitled to deal freely in any Ordinary Shares, or shares in any Group Company or in a New Holding Company that is the subject of the Listing as a result of a Pre-Exit Reorganisation, held by them in respect of which permission has been granted for dealings on any stock exchange, subject to any orderly marketing arrangements required or advised by any underwriter or financial adviser appointed to act for the Company in relation to the Listing.

16.10 Each Shareholder acknowledges that, in the event of a Listing, they will agree such reasonable restrictions on the disposal of their Ordinary Shares (and C Shares (if any)) or shares in any Group Company or in a New Holding Company that is the subject of the Listing as a result of a Pre-Exit Reorganisation (or those held by their permitted transferees) for a reasonable period after the Listing, provided that these restrictions apply to all Shareholders equally, unless otherwise agreed by an Enhanced Shareholder Majority.

16.11 In the event that the share capital structure of the Company is replicated in all material respects in a New Holding Company, this Agreement shall apply mutatis mutandis to such New Holding Company as if it was the Company (and the New Holding Company shall agree to adhere to and be bound by the provisions of this Agreement), with such amendments as may be determined by the Board (acting by Board Super Majority).

17. CONSEQUENCES OF BREACH

If a Shareholder is in breach of any of the provisions set out in Clauses 12, 13, 14 or 15 (a "**Defaulting Shareholder**"), (i) the rights (but not the obligations) of such Defaulting Shareholder under this Agreement and the Articles (including its economic rights in respect of the Shares) will be suspended until such breach is cured to the reasonable satisfaction of the Board (acting by Board Super Majority) or otherwise waived with the written consent of a Simple Shareholder Majority; and (ii) the Shareholders and the Company shall take such actions as are necessary to remove any relevant Qualifying Shareholder Group Director or any relevant Control Shareholder Directors proposed for appointment by such Defaulting Shareholder (in accordance with Clause 2.4 or 2.5, as the case may be) from the Board without delay.

18. WARRANTIES

19. CONFIDENTIALITY AND ANNOUNCEMENTS

19.1 Subject to Clauses 19.2 to 19.4, each party:

(a) shall treat as strictly confidential:

(i) the provisions of this Agreement and the process of its negotiation; and

19.4 It is acknowledged and agreed by the parties that, subject to their respective fiduciary duties to the Company, each Qualifying Shareholder Group Director and Control Shareholder

Director may disclose to the Qualifying Shareholder Group or Control Shareholder Group (as relevant) by whom he or she was appointed, any of their respective Affiliates, or each of their Representatives, such information concerning the Group as he, she or they thinks fit, provided that the prior written consent of the Company (not to be unreasonably withheld, delayed or conditioned) shall be required before any Confidential Information is disclosed to a Competitor.

19.5 Each of the parties undertakes to the Company and the Shareholders that he, she or it shall not make any announcement (otherwise than as required by Law or by any competent regulatory authority or by any relevant stock exchange) concerning this Agreement or the Group without the prior written consent of any Shareholder named in such announcement and the Company. Communications with investors and/or potential investors in any of the Shareholders, any of their Affiliates, any funds managed by any of the Shareholders or any of their Affiliates shall not constitute announcements for the purpose of this Clause 19.5.

20. ASSIGNMENT

20.1 Subject to Clause 20.2, no person shall assign, transfer, charge or otherwise deal with all or any of his, her or its rights under this Agreement nor grant, declare, create or dispose of any right or interest in it.

20.2 Subject to Clause 20.4, if any Shares held by a Shareholder are transferred in accordance with this Agreement and the Articles, the benefit of this Agreement shall be assignable in whole or in proportionate part to the transferee of such Shares.

20.3 Notwithstanding any other provision of this Agreement or the Articles to the contrary, no Shares shall be Transferred or issued to any person who is not a party to this Agreement (a "**New Shareholder**"), unless at the time of or prior to such transfer or issuance the New Shareholder:

(a) enters into a Deed of Adherence; and

(b) satisfies the reasonable requirements that the Company, or any regulated services provider to it, may have for the purposes of (but not limited to) enabling it to comply with customary "know your client" laws or regulations, anti-money laundering procedures and regulations, and any other obligations provided by Law relating to identification and verification of the beneficial owners of the Company or as may be required by the Company to identify the nature and source of funding made available to the Company.

20.4 A New Shareholder who enters into a Deed of Adherence shall have all the rights and obligations under this Agreement as if it were named in this Agreement as a Shareholder.[1]

20.5 Where a New Shareholder enters into a Deed of Adherence, the parties to this Agreement (including for this purpose the New Shareholder, but excluding, in the case of a Transfer of Shares, the transferor if the transferor retains no Shares after the relevant transfer) agree to adhere to and be bound by the provisions of this Agreement as if the New Shareholder were an original party to the Agreement and, in the case of a Transfer, in place of the transferor (in whole or in proportionate part as the case may be) and this Agreement shall have effect accordingly.

21. DURATION

This Agreement shall, except for the provisions of Clauses [18], [19] and [22] to [33] and any rights or liabilities of any party that have accrued prior to that time, cease to have effect:

(a) with respect to the rights and obligations of any Shareholder, upon that Shareholder ceasing to be the legal or beneficial owner of any Shares;

(b) in the case of the Holding Period Trustee, upon the Holding Period Trustee ceasing to be the legal owner of any Shares;

(c) other than as a result of a Pre-Exit Reorganisation in which case Clause 16.11 shall apply, if there is only one Shareholder; and

(d) the date on which the Company completes an Exit,

provided that where a Shareholder or Holding Period Trustee ceases to be the legal or beneficial owner of any Shares as a result of a Transfer to a transferee, the transferee of such Shares shall have first entered into a Deed of Adherence.

22. ENTIRE AGREEMENT AND REMEDIES

22.1 This Agreement together with the other Transaction Documents and any documents expressed to be entered into in connection with them (once entered into) set out the entire agreement between the parties relating to the subject matter of this Agreement and, save to the extent expressly set out in this Agreement, supersede and extinguish (and the parties hereby waive any rights arising from) any prior drafts, agreements, undertakings, representations, warranties, promises, assurances and arrangements of any nature whatsoever, whether or not in writing, relating thereto. This Clause 22.1 shall not exclude any liability for or remedy in respect of fraud.

22.2 In the event of any conflict or inconsistency between the provisions of this Agreement and the Articles, the terms of this Agreement shall prevail on all the parties hereto (other than the Company) and the parties (other than the Company) shall procure that the terms of the Articles are amended so as to accord with the provisions of this Agreement.

22.3 The rights, powers, privileges and remedies provided in this Agreement are cumulative and not exclusive of any rights, powers, privileges or remedies provided by Law.

22.4 Save as expressly set out in this Agreement, none of the parties shall be entitled to rescind or terminate this Agreement in any circumstances whatsoever at any time, and the parties waive

[1] ***Note:*** Provision not to be renumbered prior to Restructuring Effective Date.

any rights of rescission or termination they may have other than as expressly set out in this Agreement and in the case of fraud.

23. WAIVER AND VARIATION

23.1 A failure or delay by a party to exercise any right or remedy provided under this Agreement or by Law, whether by conduct or otherwise, shall not constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under this Agreement or by Law, whether by conduct or otherwise, shall preclude or restrict the further exercise of that or any other right or remedy.

23.2 A waiver of any right or remedy under this Agreement shall only be effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. A party that waives a right or remedy provided under this Agreement or by Law in relation to another party does not affect his, her or its rights in relation to any other party.

23.3 Each party agrees that this Agreement (or any of its terms) may be modified, varied or amended (i) by agreement in writing duly executed by Shareholders representing at least 75% of the Ordinary Shares provided that the agreement of the Holding Period Trustee shall not be required and each of the parties agrees that the Ordinary Shares for which the Holding Period Trustee is the registered legal owner shall be excluded (in both the numerator and the denominator) from the calculation of such percentage threshold and (ii) as otherwise expressly provided for in this Agreement. Schedule 7

DISCLOSURE

In Mexico, LIFO recently self-reported to the Mexican tax authorities ("**SAT**"), within the statutory 30-day remedy period, 111 transactions involving player deposits that exceeded the required reporting thresholds (under currently applicable Mexican anti-money laundering legislation) and which had not been duly reported. In addition, prior to the closing date of the Online Transaction, LIFO expects to self-report to the SAT 264 additional transactions which had not been duly reported and will be reported outside the statutory 30-day remedy period. We believe that this self-reporting may mitigate both the risk of being sanctioned and, if applicable, the amount of any sanction fees imposed. However there is a risk that, in addition to any economic sanctions imposed by the SAT, which could be material, the Mexican gaming regulator ("**SEGOB**") could impose additional sanctions on LIFO including a potential revocation of the LIFO License. There is also a risk that, because this self-reporting option can only be invoked once and LIFO already self-reported certain transactions outside the statutory remedy period in the past, SAT may determine that LIFO may not use this compliance through self-reporting option for the 264 additional transactions that LIFO expects to self-report, and LIFO may be deemed a "repeat offender." If LIFO is considered a "repeat offender" for such reason or because, following the self-reporting of the 264 transactions, LIFO commits a similar or otherwise qualifying infraction within two years, SEGOB could impose additional or more severe sanctions on LIFO including a potential revocation of the LIFO License. Although we have designed and implemented a risk-mitigation action plan in Mexico to address these risks and to ensure all transactions are duly and timely reported in the future, if LIFO is deemed an offender or a "repeat offender," significant economic sanctions could be imposed on LIFO and/or the LIFO License could be revoked, any of which could have a material adverse effect on our business, results of operations and financial condition.

5.4 If after the end of the subscription period not all of the preferential subscription rights offered to the existing Shareholders have been subscribed by the latter, third parties may be allowed to participate in the share capital increase, except if the Board decides that the preferential subscription rights shall be offered to the existing Shareholders who have already exercised

[1] **Arendt note**: share capital TBC.

6.3 The authorised capital of the Company may be increased or reduced by a resolution of the general meeting of Shareholders adopted in the manner required for an amendment of these Articles.

6.4 The above authorisations may be renewed through a resolution of the general meeting of the Shareholders adopted in the manner required for an amendment of these Articles and subject to the provisions of the Law, each time for a period not exceeding five (5) years.

7.3 The Shares of the Company are in registered form.

7.4 A register of Shares shall be kept at the registered office of the Company, where it shall be available for inspection by any shareholder. This register shall contain all the information required by the Law. Ownership of Shares is established by registration in said share register. Certificates evidencing registrations made in the register with respect to a shareholder shall be issued upon request and at the expense of the relevant shareholder.

7.5 The Company will recognise only one (1) holder per share. In case a share is owned by several persons, they shall appoint a single representative who shall represent them in respect of the Company. The Company has the right to suspend the exercise of all rights attached to that share, except for relevant information rights, until such representative has been appointed.

7.6 The Shares are redeemable Shares in accordance with the provisions of article 430-22 of the Law. Subscribed and fully paid in redeemable Shares shall be redeemable, upon request of the Company, in accordance with the provisions of article 430-22 of the Law or as may be provided for herein and the Shareholder's Agreement. The redemption of the redeemable Shares can only be made by using sums available for distribution in accordance with article 461-2 of the Law (distributable funds, inclusive of the extraordinary reserve established with the funds received by the Company as an issue premium) or the proceeds of a new issue made with the purpose of such redemption. Redeemed Shares bear no voting rights, and have no rights to receive dividends or the liquidation proceeds. Redeemed Shares may be cancelled upon request of the Board by a positive vote of the general meeting of Shareholders held in accordance with Article 18.

7.7 An amount equal to the nominal value, or, in the absence thereof, the accounting par value, of all the Shares redeemed must be included in a reserve which cannot be distributed to the Shareholders except in the event of a capital reduction of the subscribed share capital; the reserve may only be used to increase the subscribed share capital by capitalization of reserves.

9.1 Subject to the provisions of the Shareholders' Agreement and the Articles and specifically the remainder of this Article 9, Article 10, Article 11 and Article 12, the Shares are freely transferable in accordance with the provisions of the Law provided that the transferee has executed a Deed of Adherence and delivered to the Company a share transfer agreement in such form as may be approved by the Board (acting reasonably) from time to time and may include representations from the transferee in relation to relevant securities law.

9.2 Provided that any such Transfer is undertaken in compliance with the terms of the Shareholders' Agreement and these Articles, if, following a Transfer of the Class B Ordinary Shares from Old Codere Luxco 1 to Old Codere (whether pursuant to a liquidating distribution (or similar) or otherwise), Old Codere is to be liquidated, wound up or similar, the Class B Ordinary Shares held by Old Codere may be Transferred whether pursuant to a liquidating distribution (or similar) or otherwise) to each shareholder of Old Codere that is not a Restricted Transferee (each an "**Old Codere Shareholder**") provided that, as a condition to completion of such Transfer (whether pursuant to a liquidating distribution (or similar) or otherwise), each such Old Codere Shareholder executes a Deed of Adherence.

9.3 Other than a Transfer to a Competitor forming part of a Drag Sale (including a Transfer under the Sale Agreement in accordance with which the relevant Shareholder(s) exercised the right to serve a Drag Notice and effect such a Drag Sale), a Non-Qualifying Merger, a Qualifying Merger or a Sale, no Shares may be Transferred to a Restricted Transferee. Without limiting the foregoing, the parties further agree that Transfer restrictions in this Agreement may not be avoided by the holding of Shares or other interests directly or indirectly through a person that can itself be sold, the effect of which would be to Transfer an interest in Shares free of such restrictions, and any such indirect Transfers shall be deemed Transfers subject to the terms of this Agreement, and if not

effected in compliance with the terms of this Agreement such Transfers shall be null and void, and the parties shall take such actions required to unwind such Transfers.

10.3 The provisions of Article 10.1 will terminate upon the earlier of:

(a) the Subordinated PIK Notes being repaid or refinanced in full; and

(b) a de-stapling decision in respect of the Subordinated PIK Notes being taken (or notified to the Company) by an Enhanced Shareholder Majority,

the date of such termination being the "**De-Staple Date**".

(a) no such Relevant Securities will be so issued or granted unless:

(i) it has been made pursuant to this Article 14.1;

(ii) if still outstanding and provided that the De-Staple Date has not occurred, to the extent the Relevant Securities are to be Subordinated PIK Notes or equity securities (or convertible into equity securities or comprise options or rights to subscribe for equity securities) of the Company, the New Issue shall be structured such that it comprises both Subordinated PIK Notes and Class A Ordinary Shares to be issued in proportion to the Staple Ratio (or as nearly as practicable if the exact equivalent proportion cannot be so allocated) and each Ordinary Shareholder shall, as a condition to participating in any such New Issue, be required to subscribe (or have its Affiliate subscribe) for both Subordinated PIK Notes and Class A Ordinary Shares in the Staple Ratio; and

(iii) each Ordinary Shareholder has first been given an opportunity which shall remain open for not less than twenty (20) Business Days (such date as chosen being the "**End Date**") to subscribe (or have its Affiliate subscribe), at the same time and on the same terms (including the same price per Relevant Security), for up to his, her or its Relevant Entitlement;

(b) each New Issue opportunity shall be offered to each Ordinary Shareholder in the form of a notice in writing from the Company and if the Company (or the relevant other Group Company) proposes to offer such Relevant Securities with a corresponding proportion of bonds, loan notes, preference shares or other securities or debt instruments issued by the Company or other Group Company ("**Other Securities**") that has, in each case, been approved in accordance with the provisions of the Shareholders' Agreement, the notice shall include the relevant terms and conditions of the offer to subscribe for each holder's Relevant Entitlement of such Other Securities (a "**New Issue Notice**");

(c) any New Issue Notice shall indicate the total number of Relevant Securities and Other Securities to be issued and their respective proportions, the Relevant Entitlement of each Ordinary Shareholder and the subscription price of each Relevant Security and each Other Security. If and to the extent that an Ordinary Shareholder wishes to accept the offer set out in the New Issue Notice and subscribe (or have its Affiliate subscribe) for, subject to Article 14.1 (ii), any or all of his, her or its Relevant Entitlement (but always including a corresponding proportion of Other Securities) either through itself or an Affiliate, it shall give notice of such acceptance in writing to the Company on or before the End Date (each such notice, an "**Acceptance Notice**" and each Ordinary Shareholder giving such Acceptance Notice, a "**Participating Shareholder**"), failing which the Ordinary Shareholder shall be deemed to have declined to subscribe for any of its Relevant Entitlement in connection with the New Issue Notice. Any Acceptance Notice given by a Participating Shareholder pursuant to this Article 14.1 (c) shall be irrevocable;

(d) if by five (5.00) p.m. on the End Date, the Company has not received Acceptance

Notice in an amount equal to the Relevant Securities and Other Securities the subject of the New Issue Notice (the Relevant Securities and Other Securities in respect of which no Acceptance Notice has been received being the "**Excess Securities**"), the Board shall offer such Excess Securities to the Participating Shareholders. Such Participating Shareholders shall be given a further reasonable period of time (being not less than five (5) Business Days, such date chosen being the "**Second End Date**") to apply to subscribe for such number of Excess Securities as they wish (save that the Excess Securities may be subscribed for by an Affiliate of such Participating Shareholder in place of that Participating Shareholder provided such Affiliate is not a Restricted Transferee) and on the same terms (including the same price per Relevant Security and the same price per Other Security) on which that Participating Shareholder agreed to subscribe for the Relevant Securities and Other Securities pursuant to the New Issue Notice. If there are applications by Participating Shareholders for, in aggregate, a greater number than the number of Excess Securities, they shall be satisfied pro rata to the numbers applied for by each relevant Participating Shareholder;

(e) within five Business Days of the End Date (or the Second End Date, as applicable), the Company shall give notice in writing to each Participating Shareholder of:

(i) the number and price of the Relevant Securities and Other Securities (and Excess Securities, as applicable) for which that Participating Shareholder has committed to subscribe (or have its Affiliate subscribe); and

(ii) the place and time on which the subscription is to be completed and the account details for the telegraphic transfer of the required subscription price being not less than fifteen (15) Business Days from the date of such notice;

(f) if, following the procedure set out in this Article 14.1 (a) to (e), there still remain any Relevant Securities or Other Securities for which holders of Ordinary Shares have either (i) not committed to subscribe; or (ii) failed to make a payment at the required time in connection with their commitment to subscribe for, then such Relevant Securities and Other Securities may be allotted to such persons (who may or may not be existing shareholders in the Company) as the Board may nominate for a period of not more than forty-five (45) calendar days, provided that (1) no such person may be a Restricted Transferee and (2) the terms of such allotment are no more favourable than those previously offered to the holders of Ordinary Shares; and

(g) notwithstanding any other provision of this Article 14.1, a Participating Shareholder or any other person participating in any New Issue may only subscribe for Relevant Securities (including Excess Securities) if such person also subscribes (either through itself or one of its Affiliates), if applicable, for the same proportion of the Other Securities (on the terms set out in the New Issue Notice).

14.2 **I**f, as a matter of applicable securities law, all or any (i) Relevant Securities proposed to be issued as part of any New Issue; or (ii) part of any New Debt Issue, from time to time, may not be offered to, or subscribed for or accepted by, such party (a "**Non-Qualifying Shareholder**"), then the Company shall not be required to offer any such Relevant Securities or New Debt Issue to, or to accept any purported subscription or acceptance of any such Relevant Securities or New Debt Issue by, any Non-Qualifying Shareholder. Each Non-

Qualifying Shareholder in respect of any New Issue or New Debt Issue expressly waives any rights conferred or to be conferred in connection with any New Issue or New Debt Issue pursuant to applicable law, the Shareholders' Agreement, these Articles, the articles of any Group Company or otherwise, and undertakes to take such steps as are from time to time reasonably requested by the Company (including any affirmation of this waiver) and as are within its power to enable any relevant New Issue or New Debt Issue.

14.3 Article 14.1 shall not apply to:

(a) an issue of Relevant Securities in connection with an Accelerated Securities Issue that has been approved by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) and that, for the purposes of implementing an Accelerated Securities Issue, the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) may, subject to Article 14.6, determine the number of Relevant Securities and Other Securities to be issued and the timing and other terms of that issue;

(b) an issue of Warrant Shares in accordance with the Warrant Instrument;

(c) an issue of Relevant Securities to any Group Company;

(d) an issue of Shares (or other securities) as part of the Management Incentive Plan; or

(e) an issue of Relevant Securities approved in accordance with the provisions of the Shareholders' Agreement as non-cash consideration to a third party for the purposes of a corporate acquisition, merger, joint venture or similar that has itself been separately approved in accordance with the provisions of the Shareholders' Agreement.

14.4 If the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the consent of an INED) proposes an Accelerated Securities Issue it shall, so far as is reasonably practicable (taking into account the urgency of the Group's financing requirements) and permitted under Law, give prior written notice of a reasonable period of time (being not less than fifteen (15) Business Days) to each Shareholder of any such Accelerated Securities Issue (such notice, an "**Accelerated Securities Issue Notice**") and, notwithstanding any other provision in the Shareholders' Agreement or in the Articles, each party shall:

(a) consent to any board or Shareholders' meeting of a Group Company being held on short notice to implement the Accelerated Securities Issue and procure that any director appointed by it, her or him will so consent (subject always to his or her fiduciary duties);

(b) vote in favour of all resolutions as a shareholder, and procure (subject to their fiduciary duties) that directors of all relevant Group Companies vote in favour of all resolutions, which are proposed by the Board to implement the Accelerated Securities Issue; and

(c) procure the circulation to the board of directors or shareholders of the relevant Group Company of such board or shareholder written resolutions (respectively) proposed by the Board to implement the Accelerated Securities Issue and (subject to their fiduciary duties as a director of the relevant Group Company) to sign (or to the extent

permitted by Law in the case of a written resolution, to indicate their agreement to) such resolutions and return them (or the relevant indication) to the Company as soon as reasonably practicable.

14.5 Subject to the proviso below, each Shareholder hereby appoints the Company (acting by the Chairperson or, if not appointed, any Director) to act as the Shareholder's true and lawful attorney and in the Shareholder's name and on its behalf with full power to perform, execute, complete and deliver in the name of, and as agent for, the Shareholder any action and any document necessary to give effect to Article 14.4 after the expiry of the Accelerated Securities Issue Notice (if applicable). This power of attorney shall be irrevocable and is given by way of security to secure the performance of the obligations of each Shareholder under Article 14.4. Subject to the proviso below, in particular and without limitation, the Board may authorise the Chairperson or, if not appointed, any other Director, to execute, complete and deliver as agent for and on behalf of such Shareholder:

(a) a written consent to any board or shareholders' meeting of any Group Company being held on short notice to implement the Accelerated Securities Issue;

(b) any shareholder written resolutions of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue;

(c) a proxy form appointing any director as that Shareholder's proxy to vote in his, her or its name and on his, her or its behalf in favour of all resolutions proposed at a shareholders' meeting of the relevant Group Company which are proposed by the Board (acting by Board Super Majority or, in a Control Shareholder Scenario, with the agreement of an INED) to implement the Accelerated Securities Issue; and

(d) any other documents required to be signed by or on behalf of that Shareholder in connection with the Accelerated Securities Issue,

provided that the Company shall not be entitled to: (i) provide any indemnity; (ii) provide any guarantee; or (iii) or incur any payment obligations on behalf of any such Shareholder.

14.6 Catch-Up Offer

(a) Subject to Article 14.2, the Company shall procure that, as part of any Accelerated Securities Issue, the Allottees shall, within twenty (20) Business Days following any Accelerated Securities Issue, offer (such offer to remain open for forty-five (45) calendar days) to sell to each Ordinary Shareholder such number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue in accordance with Article 14.1 at the same price and on the other terms thereof (the "**Catch-Up Offer**"), provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall only be required to make a Catch-Up Offer in respect of Relevant Securities acquired in such Accelerated Securities Issue to the extent such Relevant Securities are in excess of the number of Relevant Securities as would have represented such Ordinary Shareholder's Relevant Entitlement had such Accelerated Securities Issue been undertaken as a New Issue

in accordance with Article 14.1.

(b) If any Ordinary Shareholders do not accept any part of the Catch-Up Offer, then the Company shall procure that such remaining Relevant Securities shall be offered by the Allottees to the Ordinary Shareholders who have accepted the Catch-Up Offer in accordance with the procedure set out in Article 14.1 (d) mutatis mutandis, provided that an Allottee who was an Ordinary Shareholder prior to such Accelerated Securities Issue shall be entitled to retain at least its pro rata share of such remaining Relevant Securities calculated by reference to (i) the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue compared to (ii) the sum of the number of Ordinary Shares held by the Ordinary Shareholders who participated in the Catch-Up Offer plus the number of Ordinary Shares held by the relevant Allottee prior to the Accelerated Securities Issue.

(c) If any Allottee fails to comply with any provision of this Article 7.6, it shall not be entitled to exercise any voting rights, or enjoy any economic rights, in connection with any Shares held by it until such time as it has complied with such requirements.

Debt Issuance

14.7 Subject at all times to Article 14.1, Article 14.2 and unless the Ordinary Shareholders, acting by Enhanced Shareholder Majority, have agreed to dis-apply the following pre-emption right in respect of any particular New Debt Issue (as defined below), if, from time to time, any Group Company proposes to raise any debt and/or issue any debt securities of any kind (excluding (i) Subordinated PIK Notes (if still outstanding and provided that the De-Staple Date has not occurred); (ii) equity securities or preferred equity (or similar) in the capital of the Company (or other Group Company); (iii) Other Securities to be offered in connection with a New Issue; and (iv) other securities (whether debt or equity) convertible into Shares or other equity securities in the capital of the Company (or other Group Company)) or grant any options or rights to subscribe for any such debt or debt securities for, in each case, an aggregate principal amount in excess of fifty million euro (EUR 50,000,000) (a "**New Debt Issue**"), the Company shall procure that:

(a) no such New Debt Issue will be made unless each Ordinary Shareholder has first been given an opportunity which shall remain open for not less than fifteen (15) Business Days (such date as chosen being the "**Debt End Date**") to participate (or have its Affiliate participate), at the same time and on the same terms, for up to his, her or its Relevant Debt Entitlement of such New Debt Issue;

(b) each New Debt Issue opportunity shall be offered to each Ordinary Shareholder in the form of a notice in writing from the Company and if the Company (or the relevant other Group Company) (a "**New Debt Issue Notice**");

(c) any New Debt Issue Notice shall indicate the terms and conditions of the New Debt Issue and the Relevant Debt Entitlement of each Ordinary Shareholder. If and to the extent that an Ordinary Shareholder wishes to accept such terms and conditions and participate in the New Debt Issue (or have its Affiliate participate) for any or all of his, her or its Relevant Debt Entitlement, either through itself or an Affiliate, it shall give notice of such acceptance in writing to the Company on or before the Debt End Date (each such notice, a "**Debt Acceptance Notice**" and each Ordinary Shareholder giving such Debt Acceptance Notice, a "**Debt Participating Shareholder**"), failing

which the Ordinary Shareholder shall be deemed to have declined to participate in respect of any of its Relevant Entitlement in connection with the New Debt Issue Notice. Any Debt Acceptance Notice given by a Participating Shareholder pursuant to this Article 1(c) shall be irrevocable;

(d) if by five (5.00) p.m. on the Debt End Date, the Company has not received Debt Acceptance Notices in an amount equal to the total amount of the New Debt Issue the subject of the New Debt Issue Notice (the proportion of such New Debt Issue in respect of which no Debt Acceptance Notice has been received being the "**Excess Debt**"), the Board shall offer such Excess Debt to the Participating Debt Shareholders. Such Debt Participating Shareholders shall be given a further reasonable period of time (being not less than fifteen (15) Business Days, such date chosen being the "**Second Debt End Date**") to apply to be allocated such amount of Excess Debt as they wish (save that the Excess Debt may be subscribed for by an Affiliate of such Participating Debt Shareholder in place of that Participating Debt Shareholder provided such Affiliate is not a Restricted Transferee) and on the same terms on which that Participating Debt Shareholder agreed to participate in the New Debt Issue pursuant to the New Debt Issue Notice. If there are applications by Debt Participating Shareholders for, in aggregate, a greater amount of the New Debt Issue than is represented by the Excess Debt, they shall be satisfied pro rata to the Amount applied for by each relevant Participating Debt Shareholder;

(e) within five (5) Business Days of the Debt End Date (or the Second Debt End Date, as applicable), the Company shall give notice in writing to each Participating Debt Shareholder of:

(i) the amount of the New Debt Issue (and Excess Debt, as applicable) for which that Participating Debt Shareholder has committed to (or had its Affiliate commit to); and

(ii) the place and time on which the New Debt Issue is to be completed and the account details for the telegraphic transfer of the required amount being not less than fifteen (15) Business Days from the date of such notice; and

(f) if, following the procedure set out in the Article 14.1, there still remains any amount of the New Debt Issue for which holders of Ordinary Shares have either (i) not committed to provide; or (ii) failed to make a payment at the required time in connection with their commitment to provide, then such amount of the New Debt Issue may be offered to such persons (who may or may not be existing shareholders in the Company) as the Board may nominate for a period of not more than three calendar months from (as applicable the Debt End Date or the Second Debt End Date, provided that (1) no such person may be a Restricted Transferee and (2) the terms of such offer are no more favourable than those previously offered to the holders of Ordinary Shares except that the coupon may be increased by up to one hundred (100) basis points on the proviso that, if the coupon is so increased, the terms of the New Debt Issue accepted by Debt Participating Shareholders shall be automatically amended to reflect such terms; and

(g) not later than five (5) Business Days after the earlier of the Second End Date (or the Debt End Date if the New Debt Issue is fully accepted by such date) and any decision by the Company to no longer pursue a New Debt Issue, to the extent that the

Company has shared Inside Information with any Shareholder (or any of its Affiliates) in connection with a New Debt Issue, the Company shall cleanse such Inside Information via the Designated Website.

14.8 The Holding Period Trustee shall not (and shall not be required by any Shareholder to) exercise any pre-emption or catch-up rights under this Article 14.

C. GENERAL MEETINGS OF SHAREHOLDERS

Article 15 Powers of the general meeting of Shareholders

15.1 The Shareholders exercise their collective rights in the general meeting of Shareholders. Any regularly constituted general meeting of Shareholders of the Company shall represent the entire body of Shareholders of the Company. The general meeting of Shareholders is vested with the powers expressly reserved to it by the Law and by these Articles.

15.2 If the Company has only one shareholder, any reference made herein to the "general meeting of Shareholders" shall be construed as a reference to the "sole shareholder", depending on the context and as applicable and powers conferred upon the general meeting of Shareholders shall be exercised by the sole shareholder.

Article 16 Convening of general meetings of Shareholders

16.1 The general meeting of Shareholders of the Company may at any time be convened by the Board or, as the case may be, by the statutory auditor(s) in accordance with the provisions of Luxembourg law.

16.2 It must be convened by the Board or the statutory auditor(s) upon the written request of one or several Shareholders in accordance with the provisions of Luxembourg law.

16.3 The convening notice for every general meeting of Shareholders shall contain the date, time, place and agenda of the meeting and papers setting out in such reasonable detail as may be practicable in the circumstances the subject matter of the meeting and may be made through announcements filed with the Luxembourg Trade and Companies Register and published in accordance of the provisions of Luxembourg law, on the *Recueil électronique des sociétés et associations* and in a Luxembourg newspaper. In such case, notices by mail shall be sent at least fourteen (14) days before the meeting to the registered Shareholders by ordinary mail (*lettre missive*). Alternatively, the convening notices may be exclusively made by registered mail in case the Company has only issued registered Shares or if the addressees have individually agreed to receive the convening notices by another means of communication ensuring access to the information, by such means of communication.

16.4 If all of the Shareholders are present or represented at a general meeting of Shareholders and have waived any convening requirements, the meeting may be held without prior notice or publication.

Article 17 Conduct of general meetings of Shareholders

17.1 The annual general meeting of Shareholders shall be held within six (6) months of the end

of the financial year in the Grand Duchy of Luxembourg at the registered office of the Company or at such other place in the Grand Duchy of Luxembourg as may be specified in the convening notice of such meeting. Other meetings of Shareholders may be held at such place and time as may be specified in the respective convening notices.

17.2 A board of the meeting (*bureau*) shall be formed at any general meeting of Shareholders, composed of a Chairperson, a secretary and a scrutineer who need neither be Shareholders nor members of the Board. The board of the meeting shall ensure that the meeting is held in accordance with applicable rules and, in particular, in compliance with the rules in relation to convening, majority requirements, vote tallying and representation of Shareholders.

17.3 An attendance list must be kept at all general meetings of Shareholders.

17.4 A shareholder may act at any general meeting of Shareholders by appointing another person as his proxy in writing or by facsimile, electronic mail or any other similar means of communication. One person may represent several or even all Shareholders.

17.5 Shareholders taking part in a meeting by conference call, through video conference or by any other means of communication allowing for their identification, allowing all persons taking part in the meeting to hear one another on a continuous basis and allowing for an effective participation of all such persons in the meeting, are deemed to be present for the computation of the quorums and votes, subject to such means of communication being made available at the place of the meeting.

17.6 Subject to the terms of the Shareholders' Agreement, the Law and these Articles, each shareholder may vote at a general meeting through a signed voting form sent by post, electronic mail, facsimile or any other means of communication to the Company's registered office or to the address specified in the convening notice. The Shareholders may only use voting forms provided by the Company which contain at least the place, date and time of the meeting, the agenda of the meeting, the proposals submitted to the Shareholders, as well as for each proposal three boxes allowing the shareholder to vote in favour thereof, against, or abstain from voting by ticking the appropriate box.

17.7 Voting forms which, for a proposed resolution, do not show only (i) a vote in favour or (ii) a vote against the proposed resolution or (iii) an abstention are void with respect to such resolution. The Company shall only take into account voting forms received prior to the general meeting to which they relate.

17.8 The Board may determine further conditions that must be fulfilled by the Shareholders for them to take part in any general meeting of Shareholders.

Article 18 Quorum, majority and vote

18.1 Each Ordinary Share is entitled to one vote in general meetings of Shareholders. The Class C Shares and the Class E Shares shall have no voting rights.

18.2 In accordance with the provisions of the Shareholders' Agreement, the Board may suspend the voting and economic rights of any shareholder in breach of his obligations as described by these Articles, the Shareholders' Agreement or any relevant contractual arrangement

entered into by such shareholder.

18.3 A shareholder may individually decide not to exercise, temporarily or permanently, all or part of his voting rights. The waiving shareholder is bound by such waiver and the waiver is mandatory for the Company upon notification to the latter.

18.4 In case the voting rights of one or several Shareholders are suspended in accordance with Article 18.2 or the exercise of the voting rights has been waived by one or several Shareholders in accordance with Article 18.3, such Shareholders may attend any general meeting of the Company but the Shares they hold are not taken into account for the determination of the conditions of quorum and majority to be complied with at the general meetings of the Company.

18.5 Subject to the requirements of the Law, a quorum will exist at a meeting of Shareholders if Shareholder Groups representing at least a majority of all Ordinary Shares are present or represented (whether in person, by representative, attorney or proxy).

18.6 If within one (1) hour from the time appointed for a Shareholders' meeting a quorum is not present or during any such meeting a quorum ceases to be present, the meeting shall stand adjourned to the date falling eight (8) calendar days (or the first Business Day following such day if it is not a Business Day) following the date of the adjourned meeting, at the same time and place (in Luxembourg) or to such later date and at such other time and place as determined by the Chairperson (a "**Reconvened Shareholders' Meeting**"), and if at the Reconvened Shareholders' Meeting a quorum is not present within one (1) hour from the time appointed for the meeting, or during any such meeting a quorum ceases to be present, the quorum required for such Reconvened Shareholders' Meeting only shall be reduced (i) other than in a Control Shareholder Scenario, provided that applicable legal requirements are also satisfied, any two or more Shareholder Groups which hold Ordinary Shares; or (ii) in a Control Shareholder Scenario, any Ordinary Shareholder(s) representing the minimum number of Ordinary Shares required by Law (in each case, by reference to the resolutions to be proposed at any such Reconvened Shareholders' Meeting) present or represented, provided that, for the avoidance of doubt, any Shareholder Reserved Matter may only be approved in accordance with the provisions of the Shareholders' Agreement and no matter may be discussed or voted on at any Reconvened Shareholders' Meeting if it has not been set out in reasonably sufficient detail in the notice for both the original Shareholders' meeting which was adjourned and the Reconvened Shareholders' Meeting.

18.7 Subject to Article 23 and any more stringent requirements of law, if a matter is reserved by Law to the Shareholders, any such matter may be approved by a simple majority vote of the Ordinary Shareholders attending a validly held and quorate Shareholders' meeting (a "**Simple Shareholder Majority**"). For the avoidance of doubt, to the maximum extent permitted by, and subject to any more stringent requirements of Law, Shareholders holding at least a simple majority of the Ordinary Shares may (i) exercise any and all rights reserved for a Simple Shareholder Majority under the Shareholders' Agreement by written notice to the Company (for itself and as agent for and on behalf of all other parties); and (ii) consent to any matter under the Shareholders' Agreement which requires the consent of the Shareholders acting by Simple Shareholder Majority, in writing or via the Designated Website.

18.8 The Shareholders undertake to take any necessary steps (including without limitation voting

in favour of a any permitted transfers of Shares under the Shareholders' Agreement) in order to give the maximum effect to the relevant provisions of the Shareholders' Agreement.

Article 19 Amendments of the Articles

19.1 Except as otherwise provided herein or by the Law, these Articles may be amended by a majority of at least two thirds of the votes validly cast at a general meeting at which a quorum of more than half of the Company's share capital is present or represented. If no quorum is reached in a meeting, a second meeting may be convened in accordance with the provisions of Article 16.3 which may deliberate regardless of the quorum and at which resolutions are adopted at a majority of at least two thirds of the votes validly cast. Abstentions and nil votes shall not be taken into account.

19.2 In case the voting rights of one or several Shareholders are suspended in accordance with Article 18.2 or the exercise of the voting rights has been waived by one or several Shareholders in accordance with Article 18.3, the provisions of article 18.4 of these Articles apply *mutatis mutandis*.

Article 20 Change of nationality

The Shareholders may change the nationality of the Company by a resolution of the general meeting of Shareholders adopted in the manner required for an amendment of these Articles.

Article 21 Adjournment of general meeting of Shareholders

Subject to the provisions of the Law, the Board may, during the course of any general meeting, adjourn such general meeting for four (4) weeks. The Board shall do so at the request of one or several Shareholders representing at least ten per cent (10%) of the share capital of the Company. In the event of an adjournment, any resolution already adopted by the general meeting of Shareholders shall be cancelled.

Article 22 Minutes of general meetings of Shareholders

22.1 The board of any general meeting of Shareholders shall draw up minutes of the meeting which shall be signed by the members of the board of the meeting as well as by any shareholder upon its request.

22.2 Any copy and excerpt of such original minutes to be produced in judicial proceedings or to be delivered to any third party, shall be certified as a true copy of the original by the notary having had custody of the original deed in case the meeting has been recorded in a notarial deed, or shall be signed by the Chairperson of the Board, if any, or by any two (2) of its members.

Article 23 Shareholders Reserved Matters

23.1 Subject to the following sentence and any more stringent requirements of law, if a matter is a Shareholder Reserved Matter every such matter may only be approved by Ordinary Shareholders holding at least sixty-six point sixty-seven percent (66.67%) of the votes of the Ordinary Shareholders attending a validly held and quorate Shareholders' meeting where

Ordinary Shareholders holding more than fifty percent (50%) of the Ordinary Shares are present or represented (an "**Enhanced Shareholder Majority**"). For the avoidance of doubt, to the maximum extent permitted by, and subject to any more stringent requirements of law, Shareholders holding at least sixty-six point sixty-seven percent (66.67%) of the Ordinary Shares may (i) exercise any and all rights reserved for an Enhanced Shareholder Majority under the Shareholders' Agreement by written notice to the Company (for itself and as agent for and on behalf of all other parties); and (ii) consent to any matter under the Shareholders' Agreement which requires the consent of the Shareholders acting by Enhanced Shareholder Majority, in writing or via the Designated Website.

23.2 If an Enhanced Shareholder Majority approval for a Shareholder Reserved Matter is not achieved where:

(a) there are Declining Shareholders who are, as such, unable to vote; and

(b) such Declining Shareholders, together with any other Ordinary Shareholders who vote in favour of the relevant Shareholder Reserved Matter hold in aggregate more than sixty-six point sixty-seven percent (66.67%) of the Ordinary Shares in issue,

then, subject to any more stringent requirements of Law and provided that the Company has advised the Shareholders when it reasonably expects that the relevant Inside Information will be publicly announced or cleansed and given the Shareholders at least eight (8) calendar days' notice to consider whether or not they wish to receive such Inside Information, a second Shareholders' vote shall be held on the expiry of such period (or the first Business Day following such day if it is not a Business Day), where such Shareholder Reserved Matter is once more put to the Ordinary Shareholders for approval as a Shareholder Reserved Matter (a "**Second Request**"), provided that, in such a circumstance, and subject to the requirements of Law, in determining whether an Enhanced Shareholder Majority has been obtained in relation to the Second Request, an Enhanced Shareholder Majority shall be deemed to be obtained if Ordinary Shareholders holding at least sixty-six point sixty-seven percent (66.67%) of the votes of the Ordinary Shareholders voting, vote in favour of the Shareholder Reserved Matter provided that those voting Ordinary hold at least thirty-five percent (35%) of the Ordinary Shares.

D. MANAGEMENT

Article 24 Composition and powers of the Board

24.1 The Company shall be managed by a board of directors (the "**Board**") composed of at least three (3) members consisting of (i) the Corporate Director, (ii) at least one and up to four (4) INEDs and (iii) such number of Lux Resident Directors that is equal to the number of Class A Directors appointed from time to time who are not Lux Resident (collectively, the "**Directors**" and each a "**Director**"). Notwithstanding any other provision of the Shareholders' Agreement, the Shareholders, acting by Enhanced Shareholder Majority, may require the size of the Board to be increased or decreased by notice to the Company.

24.2 The Board is vested with the broadest powers to act in the name of the Company and to take any action necessary or useful to fulfill the Company's corporate purpose, with the exception of the powers reserved by the Law or by these Articles to the general meeting of

Shareholders.

24.3 Subject to the provisions of the Shareholders' Agreement, the Board may dissolve or establish one or several committees from time to time. The composition and the powers of such committee(s), the terms of the appointment, removal, remuneration and duration of the mandate of its/their members, as well as its/their rules of procedure are determined by the Board. Article 25 Daily management

The daily management of the Company as well as the representation of the Company in relation to such daily management may be delegated to one or more Directors, officers or other agents, acting individually or jointly. Their appointment, removal and powers shall be determined by a resolution of the Board.

Article 26 Appointment, removal and term of office of Directors

26.1 Subject to the provisions of the Shareholders' Agreement, the Directors shall be appointed by the general meeting of Shareholders which shall determine their remuneration and term of office.

26.2 Any Shareholder Group holding six percent (6%) or more of the Ordinary Shares may, if there is a vacancy on the Board, nominate candidates for appointment to fill any such vacancy(ies) by notice in writing to the Company, it being understood that the number of candidates in such notice must include at least one more candidate than the number of positions the relevant Shareholder Group is proposing nominees for. The nominating Shareholder Group may indicate their preferred candidate(s) in such notice. Following receipt of any such notice, the Company shall promptly call a meeting of the Shareholders (the notice of which shall identify the relevant Shareholder Group's preferred candidate(s) (if any)) and table the relevant resolutions for the Ordinary Shareholders to vote in respect of the appointment of such candidates.

26.3 Subject to the provisions of the Shareholders' Agreement, the Shareholders, acting by a Simple Shareholder Majority, may:

(a) propose the appointment, replacement or removal of any Director to or from the Board; and/or

(d) for the avoidance of doubt, the entitlements of the holders of the Merger Warrants shall, subject to the terms and conditions of the Merger Warrants, following exercise and the issuance of Merger Securities (unless settled in cash) representing Fair Market Value to the Warrantholders, be limited to a pro rata participation in any shareholder payment made by "mergeco" to the holders of the Merger Securities and not the holders of any other security in "mergeco"; and

(e) the instrument constituting the Merger Warrants and the shareholders' agreement and/or constitutional documents for "mergeco" shall otherwise include terms that would allow the holders of the Merger Warrants to achieve liquidity and monetize on substantially the same economic and commercial terms as set out in this deed provided that the holders of the Warrants acknowledge that any securities in "mergeco" to which the holders of the Merger Warrants shall subscribe may be subject to transfer restrictions, rights of pre-emption, drag-along, tag-along or other similar provisions as the holders of the Merger Securities may similarly be subject to in respect of the Merger Securities.

5.2 **Cash Settlement**

(a) If any Warrantholder exercises its Subscription Rights in the event of a Sale, Drag Sale or Tag Transfer the Company may, in lieu of the issuance of Warrant Shares, elect to settle such Subscription Rights for cash by giving notice to any such Warrantholders at least five Business Days prior to the proposed date of the Liquidity Event specified in a notice (or any subsequent notice as the case may be) received from the Company pursuant to Clause 8.1. Where the Company so elects, the relevant Warrantholders shall be entitled to receive a sum equal to the Fair Market Value of the Warrant Shares to which they would otherwise be entitled, less the Subscription Price for such Warrant Shares (the "**Cash Settlement Amount**") and in consideration of which the Warrants being exercised shall immediately be cancelled pending receipt of such amount.

For so long as any Subscription Rights remain outstanding, the Company shall not modify the Articles or the Shareholders' Agreement in a manner which would have a disproportionately adverse effect on the economic rights of the Warrantholders (in their capacity as holders of the Warrants) or the Warrant Shares compared to the Ordinary Shareholders or the Ordinary Shares, respectively, without a Consent and subject to the requirements of the Shareholders' Agreement and the Articles.

9. DETERMINATION OF ISSUER EQUITY VALUE AND/OR FAIR MARKET VALUE

9.1 The Board, acting reasonably, shall determine the Issuer Equity Value, the Fair Market Value, the Strike Price and/or the Participation Rate (as applicable) from time to time and at the time of an Ordinary Share Issue, a Liquidity Event or a Non-Qualifying Merger, as the case may be, which, in the absence of manifest error, shall be final and binding on the Company and the Warrantholders.

9.2 In the event of a Sale, Drag Sale or Tag Sale, the valuation implied by the price required to be paid by the purchaser(s) for, in the case of (i) a Sale, the Ordinary Shares, (ii) a Drag Sale, the Dragged Securities which are Ordinary Shares or (iii) a Tag Sale, the Tagged Securities which are Ordinary Shares, less costs, shall be presumed to reflect the Issuer Equity Value.

9.3 In the event of a Listing, the valuation implied by the result of multiplying the total number of Ordinary Shares (or equity securities in the entity to be listed for which they are exchanged in connection with the Listing) in issue immediately before the Listing by the price per share offered in the Listing shall be presumed to reflect the Issuer Equity Value.

9.4 In the event of a Qualifying Merger, the equity value ascribed to the Ordinary Shares in the definitive transaction documents pursuant to which the Qualifying Merger is effected shall be presumed to reflect the Issuer Equity Value.

9.5 For the avoidance of doubt, the determination of Fair Market Value in connection with any Liquidity Event is intended to reflect the principle that rights of the Warrantholders under the Warrants are not penalized or adversely affected in any way by Liquidity Events occurring in respect of a New Holding Company as opposed to in respect of the Company.

9.6 Worked examples of the calculation of Fair Market Value are set out in Appendix 2.

10. TRANSFER OF WARRANTS

The provisions of Schedule 2 (*The Register and Transfers*) shall apply in relation to the transfer and transmission of Warrants.

Company and, in such case, the Company may modify this deed by deed poll executed as a deed by the Company so as to accord with the provisions of the Shareholders' Agreement.

a. Strike Price immediately prior to the Non-Qualifying Merger is €220,000,000.

f. The "Issuer Equity Value" of the Merger Securities following the Non-Qualifying Merger is equal to: (i) €500,000,000; *multiplied by* (ii) 60% being the pro rata portion of the equity securities of "mergeco" represented by the Merger Securities, which is equal to €300,000,000.

h. The Merger Participation Rate will equal the Participation Rate immediately prior to the Non-Qualifying Merger, being 15%.

i. Following the Non-Qualifying Merger there is a further issue of equity securities by "mergeco" of €100,000,000. The Merger Securities holders are entitled to participate in up to €60,000,000 of such capital increase. For the purposes of this example, 75% of the Merger Securities holders participate. The "Injection Amount" is, therefore, equal to: (i) €60,000,000; *multiplied by* (ii) 75%, which is equal to €45,000,000. The remaining €55,000,000 is subscribed for by shareholders in "mergeco" other than the Merger Securities holders. j. The Issuer Equity Value immediately prior to such "Ordinary Share Issue" is €300,000,000.

k. The Dilution Factor shall be equal to: (i) the Issuer Equity Value (€300,000,000); *divided by* (ii) the sum of the Issuer Equity Value *plus* the Injection Amount (€345,000,000), which is equal to 86.96%.

l. The Merger Strike Price immediately following the "Ordinary Share Issue" is €253,000,000.

m. The Merger Participation Rate immediately following the "Ordinary Share Issue" is 13.04%.

n. 100% of the equity securities of "mergeco" are to be sold for €600,000,000. The "Issuer Equity Value" is equal to: (i) the sale proceeds (€600,000,000); *multipled by* (ii) the pro rata interest of the Merger Securities holders (57.5%), which is equal to €345,000,000.

o. If the Merger Warrants are to be cash settled, their Fair Market Value shall equal: (i) the Merger Participation Rate (13.04%); *multipled by* (ii) the sum of the "Issuer Equity Value" (€345,000,000) *less* the Merger Strike Price (€253,000,000), which is equal to €12,000,000.

p. The Cash Settlement Amount due to the Warrantholders shall equal: (i) the Fair Market Value; *less* (ii) the Subscription Price for the Warrant Shares (by reference to the nominal value of the relevant equity securities in "mergeco" for which they are entitled to subscribe).

7. WORKED EXAMPLE G: TAG ALONG OFFER AT ISSUER EQUITY VALUE AT €300M

a. The Issuer Equity Value is presumed to be the valuation implied by the price required to be paid by the Tag Transferee for a Tag Security which is an Ordinary Share, for the purpose of this example, €300,000,000 (less relevant costs, assumed to be none for this example).

b. Immediately prior to the Tag Transfer there are 10,000,000 Ordinary Shares.

c. Strike Price immediately prior to the Tag Transfer is €220,000,000.

f. The number of C Shares to be issued on settlement of the Warrants immediately prior to the Tag Transfer shall together entitle the holders to receive Fair Market Value, which shall be the sum of: (i) Fair Market Value (€12,000,000); *divided by* (ii) the sum of: (a) Issuer Equity Value (€300,000,000) *less* the Fair Market Value (€12,000,000); *divided by* (b) the total number of Ordinary Shares (10,000,000), which is equal to 416,667 C Shares (rounded down to the nearest whole number).
