

Promotora de Informaciones, S.A. ("**PRISA**" or the "**Company**"), in accordance with the provisions of Article 17 of Regulation (EU) No 596/2014 of the European Parliament and of the Council of April 16, 2014, on market abuse and Article 226 of Law 6/2023, of March 17, of the Securities Markets and Investment Services (*Ley de los Mercados de Valores y de los Servicios de Inversión*), hereby communicates the following

INSIDE INFORMATION

PRISA has signed today a novation agreement of its financing agreements known as the "Global Amendment and Restatement Agreement", subject to English law (the "**Novation Agreement**").

The purpose of the Novation Agreement is to amend certain basic terms of the Company's main financing agreements, including, in particular, the extension of their maturity dates by an additional period of three years (extension of the maturity date of the super senior debt tranche to June 2029 and of the senior debt tranche to December 2029). In addition, the agreements reached with the creditors of the financing agreements provide the full repayment of PRISA's junior debt tranche, using the funds obtained from the recent capital increase carried out by the Company (the result of which was announced to the market through the publication of the relevant communication of "inside information" on March 26, 2025, official registry number 2670), all of it with the aim of making PRISA's financial structure more flexible and improving the blended cost of debt.

The signing of the Novation Agreement, approved by a majority of PRISA's Board of Directors, took place after Madrid Commercial Court No. 18 (*Juzgado de lo Mercantil nº 18 de Madrid*) dismissed, on May 5, 2025, the request for precautionary measures (*medidas cautelares*) filed by two minority shareholders of the Company against the aforementioned financial agreements.

The repayment of the aforementioned junior debt tranche and the effective date of the new financial terms are expected to take place in the next days, once the formal conditions for their effectiveness set forth in the Novation Agreement have been met.

In Madrid, May 6, 2025
Pablo Jiménez de Parga Maseda
Secretary of the Board of Directors
