RESULTS PRESENTATION

NOVEMBER 04TH, 2026

DISCLAIMER

This presentation has been prepared solely for use at this presentation of our results as of and for the quarter ended September 30th, 2025. By attending the conference call meeting where this presentation is made, or by reading the presentation slides, you agree to be bound by the following limitations.

This presentation is not an offer for sale of securities in the United States or in any other jurisdiction. This presentation has been prepared for information and background purposes only. It is confidential and does not constitute or form part of, and should not be construed as, an offer or invitation to subscribe for, underwrite or otherwise acquire, any securities of Gestamp Automoción, S.A. (the "Company") or any member of its group nor should it or any part of it form the basis of, or be relied on in connection with, any contract to purchase or subscribe for any securities of the Company or any member of its group or with any other contract or commitment whatsoever. Neither this presentation nor any part of it may be reproduced (electronically or otherwise) or redistributed, passed on, or the contents otherwise divulged, directly or indirectly, to any other person or published in whole or in part for any purpose without the prior written consent of the Company.

This presentation does not purport to be all-inclusive or to contain all of the information that any person may require to make a full analysis of the matters referred to herein. Each recipient of this presentation must make its own independent investigation and analysis of the Company.

This presentation may contain certain forward-looking statements and judgements that reflect the management's intentions, beliefs or current expectations. These forward-looking statements include, but are not limited to, all statements other than statements of historical facts, including, without, limitation, those regarding the Company's future financial position and results of operations, strategy, plans, objectives, goals and targets and future developments in the markets where the Company participates or is seeking to participate. The Company's ability to achieve its projected results is dependent on many factors which are outside management's control. Actual results may differ materially from (and be more negative than) those projected or implied in the forward-looking statements. Such forward-looking information involves risks and uncertainties that could significantly affect expected results and is based on certain key assumptions. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements as a prediction of actual results. All forward-looking statements included herein are based on information available to the Company as of the date hereof. The Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as may be required by applicable law. All subsequent written and oral forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. Growth at constant exchange rates is a numerical translation of our figures from local currencies to euros, and not a description of the situation if the currencies had not moved. Capex split in categories is a management judgement and should not be considered as a substitute for additions of tangible and intangible assets, nor depreciation and amortization.

In this presentation, we may rely on and refer to information regarding our business and the market in which we operate and compete. We have obtained this information from various third-party sources, including providers of industry data, discussions with our customers and our own internal estimates. We cannot assure you that any of this information is accurate or correctly reflects our position in the industry, and none of our internal surveys or information has been verified by any independent sources.

No representation or warranty, express or implied, is made as to the fairness, accuracy or completeness of the information contained herein. None of the Company, its advisers, connected persons or any other person accepts any liability for any loss howsoever arising, directly or indirectly, from this presentation or its contents. This shall not, however, restrict or exclude or limit any duty or liability to a person under any applicable laws or regulations of any jurisdiction which may not lawfully be disclaimed (including in relation to fraudulent misrepresentation).

APPENDIX – ALTERNATIVE PERFORMANCE MEASURES

*This results presentation and any related conference call or webcast (including any related question and answer session) (the "**Presentation**"), in addition to financial information detailed in the Gestamp Group's financial statements prepared in accordance with International Financial Reporting Standards, contains alternative performance measures ("**APMs**") as defined in the Guidelines on Alternative Performance Measures published by the European Securities and Markets Authority (ESMA) on October 5, 2015.*

A breakdown of the explanations and reconciliations of the APMs used in the Presentation, as well as further details about its definitions, can be found, as applicable, in Note 4.6. of the Notes to the Consolidated Financial Statements of the Gestamp Group as of December 31, 2024, in the Management Report of the Gestamp Group corresponding to the third quarter of 2025 as well as in the Presentation itself, available both on Gestamp's corporate website (https://gestamp.com/Investors-Shareholders/Economic-Financial-information) and on the website of the National Securities Market Commission (Comisión Nacional del Mercado de Valores) (www.cnmv.es).

Our APMs are described below:

- ***Outperformance:*** *Gestamp's organic growth at FX constant, compared to market production volume growth in Gestamp's production footprint according to IHS data for a given period*
- ***Weighted Outperformance:*** *Market and Gestamp weighted growth measured with Gestamp's previous year geographical weights as base for the given period*
- ***EBITDA:*** *Earnings before interests, taxes, depreciation and amortization*
- ***EBIT:*** *Earnings before interests and taxes*
- ***Capex:*** *Capital Expenditures calculated as sum of additions to other intangible assets and property, plant and equipment*
- ***FCF:*** *calculated as change in net debt excluding acquisitions, dividends, share repurchases and a neutral forex (calculated by including exchange gains and losses, hyperinflation effect and certain translation differences with equity impact)*
- ***Net Debt:*** *Total short-term and long-term debt, minus cash and equivalents*
- ***Backlog****: Represents sales of parts that the company expects to record including production and awarded business, over a period of time*
- ***Sales of Parts:*** *Revenues excluding revenues from Gescrap, as well as scrap and tooling prototypes*
- ***ROCE:*** *Return on capital employed calculated as EBIT divided by capital employed minus growth capex for the last 1.5 years*
- ***Capital Employed:*** *calculated by total assets adjusted for those balance sheet items that do not generate EBIT for the company and minus current liabilities*
- *Total Assets adjustments: Goodwill (excluding Gescrap Goodwill), Patents & Licences, Prepayment, Other NCA, Deferred Tax Liabilities, Other Receivables, Current Income Tax Assets, Receivables from Public Authorities, Cash and Cash Equivalents and Other Current Financial Assets*
