- (iv) Proposed resolutions issued by the board of directors.
- (v) Proxy Form and Distance Voting Form.
- (vi) Rules on proxies and distance voting.
- (vii) Rules on telematic attendance.
- (viii) Access instructions to follow the meeting in real time (live streaming).
- (ix) Regulations of the Electronic Shareholders' Forum.

In accordance with articles 197 and 520 of the LSC, 20 of the bylaws and 6 of the regulation of the general shareholders' meeting, until the fifth day before the date scheduled for the shareholders' meeting, shareholders may request from the board of directors, information or clarification, or submit any questions regarding the items on the agenda. For the above purposes, the shareholders may e-mail the Company at "oficina.accionista@molins.es", providing their first and last names or corporate name and documentation evidencing their identity and their position as shareholder. Unless the shareholder indicates otherwise, the Company may handle requests for information by replying to the e-mail of the shareholder in question.

In order to comply with articles 539 LSC, 17 of the bylaws and 6 of the shareholders' meeting regulations, as from this call, a Shareholders' Electronic Forum will be available on the corporate website. Its operating rules and the form to be completed to participate in said forum are available on said website.

### **Submission of proposals**

In accordance with articles 519.3 LSC, 17 of the bylaws and 5 of the shareholders' meeting regulations, shareholders representing at least three percent of the share capital, within five days following publication of the call, may submit supported proposed resolutions regarding matters included on the agenda for the meeting called. Such proposals must be sent through duly authenticated means that shall be received in the registered office. The Company shall make sure that such proposals are posted on the corporate website as and when they are received.

### **Right to attend and proxies**

In accordance with articles 18 of the bylaws and 7 of the regulation of the general shareholders' meeting, shareholders who evidence at least five days before the date scheduled for the meeting on first call that they are registered on the detailed registers of the entities participating in *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. (Iberclear)* will be entitled to attend the shareholders' meeting. In the event of telematic attendance, they must duly register themselves in the Company's corporate website pursuant to the proceeding foreseen in this call announcement and, in case of physical attendance, they must provide themselves, through the respective participating entity or by any other means allowed by the

legislation in force, with the appropriate attendance form or certificate issued by the corresponding depository entity. The registration of attendance forms will begin one hour before the meeting is scheduled to begin.

In accordance with the LSC, the pooling of shares and proxy appointments to attend the shareholders' meeting are permitted. The proxy may be evidenced by postal mail or by e-mail as indicated below. The personal attendance –either physical or telematic- of a shareholder at the meeting will revoke any proxy granted previously. Similarly, the proxy may always be revoked using the same means through which it was made. When the Proxy Form is provided to the Company without the name of the representative, the representation shall be deemed to be conferred on the chairman, the first deputy chairman, the chief executive officer, the non-directory secretary and the first deputy board secretary, without distinction. If, in relation to any of the items on the agenda, the shareholder that has granted the proxy has not checked the boxes provided for the purpose, the vote will be deemed to have been cast expressly in favor of the proposal by the board of directors. In the event that resolutions that have not been proposed by the board of directors are voted on, the voting representatives will vote as they understand is most favorable to the interests of the represented shareholder.

### **Proxies and distance voting**

In accordance with the agreement reached by the board of directors, shareholders with the right to attend may cast their vote on the proposals relating to the items included on the agenda before the meeting is held, using distance communication means provided that the identity of the individuals exercising their proxy or voting rights is adequately guaranteed, together with the security of the corresponding electronic communications. Shareholders who wish to delegate proxy representation or vote remotely must indicate the direction of their vote for each of the items on the agenda. As indicated in the preceding section, if they do not indicate the direction of their vote in relation to any of the items on the agenda, their vote will be deemed to have been cast expressly in favor of the proposals by the board of directors in relation to those items on the agenda submitted by the board. If the shareholders' meeting votes on proposed resolutions not submitted by the board of directors, the representatives will vote as they understand is most favorable to the interests of the shareholders they represent.

In order to facilitate the remote participation of the shareholders who wish to do so, in accordance with article 19 of the bylaws, proxies and votes cast using means of remote communication up to 24 hours prior to the date the meeting is scheduled on first call, this is, up to ten thirty hours (10:30) on February 19, 2026, shall be considered valid. The aim of this term is to enable the Company to verify that the individuals granting a proxy or voting by remote means are shareholders and the number of shares they hold. For this purpose, the Company will compare the information provided by each shareholder with the information provided by the entity responsible for the accounting register of their shares. In relation to proxies and votes cast electronically, the Company will implement an electronic dating system through a third party, based on an objective time source (time stamping system) to evidence the time of receipt of the proxy or electronic vote.

The means of communication that may be used to grant proxy or cast a distance vote are the following:

(a) By postal mail

To appoint a proxy or cast a vote by post, shareholders must complete and sign the Proxy Form or the Distance Voting Form, as applicable, which the Company posts on its corporate website ([www.molins.es](http://www.molins.es)) for this purpose. Once the relevant section of the Form has been completed and signed –with a handwritten signature– the shareholder must send it to the Company, at the registered office (Sant Vicenç dels Horts (Barcelona) 08620, Carretera N-340, números 2 al 38, km. 1,242), for the attention of the board secretary of Cementos Molins, S.A., together with a copy of the shareholder's identity document, certificate of ownership of shares and, where applicable, of the relevant representative authority.

(b) Electronically

The appointment of the proxy or, as the case may be, vote cast by electronic means, may be carried out through any of the following:

- (i) Downloading the Proxy Form or the Distance Voting Form, as applicable, from the corporate website, which can be found in the area “General Shareholders’ Meeting 2026”, and sending it duly completed and signed –with a handwritten signature– together with a copy of the shareholder's identity document and the certificate of ownership of shares and, where applicable, evidence of the relevant representative authority, by e-mail to “[oficina.accionista@molins.es](mailto:oficina.accionista@molins.es)”.
- (ii) Through the distance proxy and voting service available in the section provided for such purpose on the corporate website, by completing the Proxy Form or the Distance Voting Form, as applicable, according to the instructions indicated on such form, as well as any others that may be specified on each of the relevant screens of the computer application. In order to send the proxy or distance vote in this manner, shareholders must identify themselves through one of the following:
  - (i) Electronic National Identity Card.
  - (ii) Recognized valid electronic user certificate, in relation to which there is no record of its revocation, in accordance with Electronic Signature Law 59/2003, of December 19, 2003, issued by the Spanish Public Certification Authority (*Ceres*) attached to *Fábrica Nacional de Moneda y Timbre*.
  - (iii) “User and password” credentials which the shareholders or their representatives will receive at their email addresses, once their identity has been verified following a request in this regard, through the section set up for this purpose on the corporate website. Any shareholder wishing to prove their identity by means of the “user and password” credentials must request them from the Company before ten thirty hours (10:30) on February 19, 2026. In addition, proxies or attorneys-in-fact wishing to apply for credentials on behalf of a legal entity shareholder must first prove the power of attorney that allows them to act on behalf of the legal entity shareholder and their identity by sending the Proxy Form or Distance Voting Form issued in the name of the legal entity shareholder by the Company or by the entity in which the legal entity shareholder has the shares deposited, duly completed and signed,

together with a copy of the National Identity Card, Foreigner Identity Number or passport of the attorney-in-fact or proxy, as well as a copy of the document evidencing the power of attorney that enable them to act on behalf of the legal entity shareholder, to the e-mail address “oficina.accionista@molins.es”, until ten thirty hours (10:30) on February 19, 2026. Upon receipt of the documents and after verification by the Company, the relevant confirmation and the requested credentials shall be sent. Such proxy shall be presumed not revoked unless the Company is reliably informed to the contrary.

The Company reserves the right to modify, restrict, suspend or cancel the proxy or distance voting mechanism for technical or security reasons and shall not be liable vis-à-vis third parties for any of said decisions, beyond their control, when they are able to prevent the proxy or distance vote in the manner established. Neither shall the Company be liable for the damages that may be caused as a result of overloading, malfunctions, line failures, connection failures or other similar incidents beyond its control that may prevent the temporary use of said proxy or electronic voting systems.

#### **Attendance by telematic means**

The board of directors has resolved that the shareholders' meeting can also be held by telematic means, which enable real time connection with the general shareholders' meeting venue, following the rules approved for such purpose, as published on the corporate website, in the space “General Shareholders' Meeting 2026”.

- (a) Registration and connection of shareholders and proxies for telematic attendance purposes

Shareholders wishing to attend the shareholders' meeting electronically shall be required to register via the corporate website ([www.molins.es](http://www.molins.es)), as from 10:00 AM before 10:15 AM of the day on which the meeting is held on first call or second call, as the case may be. No connection will be accepted for the exercise of the right of attending by telematic means outside the time slot above referred.

Shareholders or their proxies must provide evidence of their identities by any of the following means:

- (i) Electronic National Identity Card.
- (ii) Recognized valid electronic user certificate, in relation to which there is no record of its revocation, in accordance with Electronic Signature Law 59/2003, of December 19, 2003, issued by the Spanish Public Certification Authority (*Ceres*) attached to *Fábrica Nacional de Moneda y Timbre*.
- (iii) “User and password” credentials which the shareholders or their representatives will receive at their email addresses, once their identity has been verified following a request in this regard, through the section set up for this purpose on the corporate website. Any shareholder wishing to prove their identity by means of the “user and password” credentials must request them from the Company before ten thirty hours (10:30) on February 19, 2026. In addition, proxies or attorneys-in-fact wishing to apply for credentials on behalf of a legal entity shareholder must first prove the power of attorney that allows them to act on behalf

of the legal entity shareholder and their identity by sending a copy of the National Identity Card, Foreigner Identity Number or passport of the attorney-in-fact or proxy and a copy of the document evidencing the power of attorney or position that enable them to act on behalf of the legal entity shareholder, to the e-mail address “oficina.accionista@molins.es”, until ten thirty hours (10:30) on February 19, 2026. Upon receipt of the documents and after verification by the Company, the relevant confirmation and the requested credentials shall be sent to the shareholder. Such proxy shall be presumed not to have been revoked unless the Company is reliably informed to the contrary.

For a shareholder to be able to register through the corporate website and attend the meeting electronically through their proxy or attorney-in-fact, the proxy or attorney-in-fact who is to complete the registration process in their name must first present evidence of the representative authority or power of attorney authorizing them to act on the shareholders' behalf, and of their identity; this shall be done by sending the Attendance Form issued in the shareholder's name by the Company or by the entity with which the shareholder's shares are deposited, duly completed and signed –with a handwritten signature–, along with a copy of the National Identity Card, Foreigner Identity Number or passport of the proxy or attorney-in-fact authorized to attend the shareholders' meeting by telematic means, plus a copy of the document evidencing the powers or position held which enable them to act on the shareholder's behalf, to the email address “oficina.accionista@molins.es”, by ten thirty hours (10:30) on February 19, 2026. Once the documentation has been received and verified by the Company, the proxy or attorney-in-fact may attend the meeting electronically, exercising their representative powers in accordance with the procedure approved by the board of directors.

The meeting may not be attended electronically by shareholders and proxies or attorneys-in-fact who have not met the prior registration requirements in the terms and within the periods envisaged above, and once the deadline set for registration purposes has passed, no further telematic attendances will be accepted.

(b) Rights to speak, receive information and present proposals

Addresses to the meeting, requests for information and resolution proposals, where appropriate, may be sent in writing via the link provided for this purpose on the Company's corporate website from the time of registration on such website and until the closure of the time for addresses to the meeting, which will be indicated during the course of the general shareholders' meeting. Written submissions must be of a maximum length of two thousand characters and will be available to the rest of shareholders through the aforementioned website. Likewise, telematic attendees may participate in real time in the meeting by video through the link provided for such purpose on the corporate website in order to exercise their rights to speak, receive information and present proposals. In the event of shareholders and proxies wanting their addresses to the meeting to be reflected in the minutes, they must indicate this clearly and expressly in the heading of their submission or at the beginning of their address to the meeting by video. Requests for information or clarification received from shareholders and proxies who will attend by telematic means shall be responded to verbally during the meeting or in writing, within the seven days following the holding of the meeting.

(c) Voting right

Shareholders and proxies who attend the general shareholders' meeting by telematic means, may vote on resolution proposals in respect of the items on the agenda using the link and voting form made available for this purpose on the Company's corporate website, from the time of their registration through to the closure of the voting process in respect of each resolution proposal at the meeting, as indicated during the course of the meeting. The Company shall send to each shareholder electronic confirmation of the receipt of their vote.

(d) Rules on order of priority

Physical or telematic attendance by the shareholder or its proxy will render ineffective any vote cast or proxy appointment made previously through any other procedure established by the Company. In the event of a shareholder voting validly by remote means and appointing a proxy, the remote voting shall prevail over the proxy appointment. Similarly, voting and proxy appointments by remote communication means shall prevail over voting or appointments formalized by postal correspondence.

(e) Other

The Company reserves the right to modify, restrict, suspend or cancel the mechanisms for attending the shareholders' meeting electronically where advisable or necessary for technical reasons or reasons of security. In such cases, the Company shall announce this situation in due form and sufficiently in advance, by whatever means it deems fitting, communicating any alternative mechanism which may, where appropriate, will be enabled and, in any event, any other means of remote communication available to the shareholders for the casting of votes or delegation of voting rights. The Company shall not be liable vis-à-vis third parties for any such decisions which are not of its own volition and may restrict or impede telematic attendance in the manner envisaged. Neither shall the Company be liable for any damages incurred as a result of overloads, breakdowns, line failures, connection faults or any similar events also not of its own volition which temporarily prevent the use of telematic attendance systems.

The shareholders are informed that the shareholders' meeting shall be streamed live via the corporate website ([www.molins.es](http://www.molins.es)), in the "General Shareholders' Meeting 2026" space, from which access instructions may be obtained. Shareholders should be aware that the fact of accessing the meeting through live streaming via the space referred to does not, in itself, imply telematic attendance of the meeting and shall not enable them to participate in it by exercising their voting rights or rights to speak, for which they must follow the expressly procedures and observe the access rules approved for this purpose, as referred to in the previous section.

### **Attendance of a notary public**

The board of directors informs the shareholders that it has resolved to request the attendance of a notary public to draw up the minutes of the extraordinary general shareholders' meeting in accordance with the provisions of articles 203 and 521 LSC.

The Company shall store such data until the possibility of action resulting from such processing becomes statute-barred, with the shareholders being entitled to file any complaint, where appropriate, with the Spanish Data Protection Agency (*Agencia Española de Protección de Datos*, AEPD), the authority competent in respect of data protection matters.
