INSIDE INFORMATION

The Company's Board of Directors has resolved unanimously to set-up a buy-back program for the repurchase of its own shares (the "**Buy-back Program**"), pursuant to the authorisation granted by resolution of the AmRest General Meeting of Shareholders held on 12 May 2022 under item nine of the agenda, relating to the authorisation to the Board of Directors for the derivative acquisition of AmRest shares.

The Buy-back Program will be conducted in accordance with the transparency and operational requirements under Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (Market Abuse Regulation) and Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 (the "**Delegated Regulation 2016/1052**") and will have the following features:

- Purpose of the Buy-back Program: to cover the settlements of the remuneration plans currently in force for AmRest Group executives and employees.
- Maximum investment: the Buy-back Program will have a maximum monetary amount of EUR 6.3 million. The maximum monetary amount of the Buy-back Program may be reduced by the amount applied by the Company, during its term, to the acquisition of its own shares in the block market or outside the market for the same purpose, which will be notified to the market in the periodic communications of other relevant information informing of the transactions carried out under the Buy-back Program or separately.
- Maximum number of shares: the maximum number of shares to be acquired in the execution of the Buy-back Program will depend on the average price at which purchases take place but will not exceed 10% of the Company's share capital.

- Price and volume: the acquisition of the shares will be carried out in accordance with the price and volume conditions set out in article 3 of Delegated Regulation 2016/1052. Specifically:
 - o AmRest may not acquire shares at a price higher than the higher of (a) the price of the last independent transaction, or (b) the highest independent bid at that time on the trading venue where the purchase is made, even if the shares are traded on different trading venues. In addition, the limitations approved in the resolution authorizing the acquisition of treasury shares granted to the Board of Directors by AmRest's General Meeting of Shareholders held on 12 May 2022 will be considered.
 - o AmRest may not purchase on any trading day more than 25% of the average daily volume of AmRest shares on the Continuous Market of the Spanish Stock Exchanges or, as the case may be, the Warsaw Stock Exchange, during the 20 trading days preceding the date of purchase.
- Indicative duration of the program: the Buy-back Program will commence on 5 July 2023 and will remain in force until 4 July 2024. However, AmRest reserves the right to terminate the Buy-Back Program if, prior to its expiry date, it reaches the maximum monetary amount, or the maximum number of shares authorized by the Board of Directors or in the event of other circumstances that make it advisable to do so.
- Execution of the Buy-Back Program: Banco Santander, S.A. has been appointed as the manager of the Buy-Back Program, which will independently make decisions regarding the purchase of the AmRest shares without any influence or interference from the Company. Purchases under the Buy-back Program may be made on the Continuous Market of the Spanish Stock Exchanges or, as the case may be, the Warsaw Stock Exchange.

The interruption, termination and modification of the Buy-Back Program, as well as information on all share purchase transactions carried out thereunder, shall be duly communicated to the Spanish Securities Market Commission (CNMV) and the Polish Financial Supervision Authority (KNF) by means of the publication of the corresponding communications to the market, in accordance with the provisions of Delegated Regulation 2016/1052.
