SUPPLEMENT TO THE CALL AND SUBMISSION OF PROPOSALS

Shareholders representing at least three percent of the share capital may request the publication of a supplement to this notice, including one or more items on the Agenda, provided that the new items are accompanied by an explanation or, as the case may be, an explained proposed resolution. The exercise of this right must be made by means of reliable notification to be received at the registered office of ROVI (Laboratorios Farmacéuticos Rovi, S.A., Junta General, c/ Julián Camarillo, 35, 28037, Madrid) within the five days following the publication of this notice.

Likewise, shareholders representing at least three percent of the share capital may, within the same period of five days following the publication of this notice, submit reasoned proposals for resolutions on matters included or which should be included on the Agenda pursuant to the provisions of Article 519.3 of the Corporate Enterprises Act.

The notification letter shall state the name or corporate name of the requesting shareholder or shareholders and shall be accompanied by the appropriate documentation (a copy of the attendance, proxy and remote voting card issued by the entity participating in IBERCLEAR or certificate of ownership) proving their status as shareholder, in order to check this information with that provided by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. In the event that the shareholder raises any new items on the Agenda, the shareholder may be required to also attach the proposal(s) and the supporting report(s) of proposals to which the items included in the supplement refer in cases in which it is legally required.

The supplement to the announcement will be published at least two weeks before the date scheduled for the meeting.

IN-PERSON ATTENDANCE AT THE GENERAL MEETING

Shareholders may attend the General Shareholders' Meeting regardless of the number of shares they own, provided that the shares are registered in their name in the corresponding book-entry register five days prior to the date on which the Meeting is to be held (i.e., 12 June, if the General Meeting is to be held on first call, as scheduled), and must provide proof of such fact at the entrance to the premises where the General Meeting is to be held from two hours prior to the scheduled start time of the meeting. In order to exercise the right to attend, the shareholder must obtain the corresponding attendance card indicating the number, class and series of the shares he/she owns, as well as the number of votes he/she may cast. The attendance card will be issued by the entities participating in IBERCLEAR in favour of the holders of the shares who can prove that they have them registered five days prior to the date on which the Meeting is to be held.

For the purpose of proving the identity of the shareholders, or whoever validly represents them, at the entrance to the premises where the General Shareholders' Meeting is held, the attendees may be asked,

together with the presentation of the attendance card, to prove their identity by presenting their National Identity Document or any other official document in force and generally accepted for such purposes.

REMOTE ATTENDANCE OR ATTENDANCE BY ELECTRONIC MEANS AT THE GENERAL SHAREHOLDERS' MEETING

The mechanisms for attending the Meeting by electronic means will be opened in the space dedicated to the General Shareholders' Meeting 2026 (*"Electronic attendance"*) on the Company's website (www.rovi.es) in the terms indicated below:

1. Pre-registration: in order to guarantee the identity of the attendees, the correct exercise of their rights and the proper functioning of the meeting, shareholders who wish to use the electronic attendance mechanisms must pre-register in the space dedicated to the 2026 General Shareholders' Meeting (*"Electronic attendance"*) of the corporate website, from 10 a.m. on 6 May 2026 until 11:59 p.m. on 16 June 2026, without prejudice to what is indicated below for proxies. After that time, no pre-registration will be accepted for the exercise of the right to electronic attendance.

Pre-registration will be carried out by means of a qualified electronic signature, under the terms of Law 6/2020, of 11 November, regulating certain aspects of electronic trust services ("**Law 6/2020**"), provided that it is based on a recognised electronic certificate in relation to which there is no record of its revocation and that (i) it is an Electronic User Certificate issued by the Spanish Public Certification Authority (CERES) under the Spanish Mint or (ii) it is incorporated into the National Identity Document issued in accordance with Royal Decree 255/2025, of 1 April, regulating the National Identity Document ("**Royal Decree 255/2025**").

If the person attending remotely, whether or not he/she is a shareholder, has been granted proxies, in order to exercise the rights inherent to such proxies, he/she must have notified the Company before 24 hours prior to the holding of the General Meeting, that is, before 16 June at 11 a.m, by electronic means (by e-mail to the address departamentolegal@rovi.es) or by post (c/ Julián Camarillo, 35, 28037, Madrid), indicating that they accept said proxies and identifying themselves by sending the attendance, proxy and remote voting card duly completed, and a copy of the proxy's DNI, NIE or passport, so that their identity can be proved on the day the Meeting is held. For clarification purposes, the representatives attending remotely shall be pre-registered by sending such email or postal mail to the Company in the manner and by the deadline indicated herein once the Company has confirmed their pre-registration.

The Company reserves the right to request from the shareholders and/or their representatives any additional means of identification that it deems necessary to duly guarantee the identity of the shareholders and/or their representatives, verify their status as shareholders and guarantee the authenticity of the vote or proxy.

Once the shareholder or, as the case may be, their representative, has pre-registered in accordance with the indicated means and within the established period, they may attend and vote at the General Meeting through electronic means by making the corresponding registration-connection on the day the General Meeting is held.

2. Registration-connection and attendance: in order to allow for the proper management of the electronic attendance systems, the shareholder or proxy who has pre-registered to attend the General Meeting electronically in accordance with section (1) above must register in the space dedicated to the 2026 General Shareholders' Meeting (*"Electronic attendance"*) on the Company's corporate website between 9 a.m. and 11 a.m. on 17 June 2026 (if, as expected, the General Meeting is held on first call) or on 18 June 2026 (if the General Meeting is held on second call) and identify himself/herself by means of a recognised electronic signature in accordance with one of

the means provided in section (1), second paragraph above or as indicated in the corresponding instructions. Attendee registration will not be accepted outside this time slot.

In the event that on 17 June 2026, it is determined that there is not a sufficient quorum to hold the General Shareholders' Meeting on first call, the Company will publish this circumstance through the space dedicated to the 2026 General Shareholders' Meeting on the Company's corporate website confirming that the General Shareholders' Meeting will be held on second call. In the event that the General Meeting is held on second call, those attending by electronic means who have registered on first call must register again in order to attend the General Meeting electronically on second call, in accordance with the provisions of this section.

A shareholder or assistant representative who has registered to attend remotely and wishes to express to the Notary or supporting personnel (or, in his/her absence, to the Secretary of the General Shareholders' Meeting) his/her express abandonment of the Meeting, they must do so by means of the form provided for such purpose in the remote attendance computer application. Once he/she has informed the Notary of his/her express will to leave the meeting, all subsequent actions shall be deemed not to have been carried out.

3. Speaking rights: in accordance with the provisions of the Corporate Enterprises Act, the interventions and proposed resolutions or requests for information or clarifications that, in accordance with the Law, shareholders or proxies attending by electronic means intend to make must be sent to the Company, in writing and in any case, in the form, terms and conditions established on the aforementioned website of the Company, from 9 a.m. on 17 June 2026 or, as the case may be, on 18 June 2026, depending on whether the General Meeting is held on first or second call, respectively, and until the time at which the Chairman or, as the case may be, the Secretary of the Meeting announces the beginning of the round of speaking turns for shareholders attending the General Meeting in person.

Those attending by electronic means who wish their contribution to be recorded verbatim in the minutes of the Meeting must expressly indicate this in the text of the contribution.

Requests for information or clarification from shareholders attending by electronic means may be answered verbally during the General Meeting or, where applicable, in writing during the seven days following the Meeting, in accordance with the provisions of the Corporate Enterprises Act.

In the event that the General Meeting is held on second call, attendees by electronic means who, having connected to the meeting on first call, have sent contributions and proposed resolutions or requests for information or clarifications must send them again the following day, under the terms indicated in this section (3); otherwise, they shall be deemed not to have been made.

4. Voting: Voting on the proposals relating to items included in the Agenda may be cast from the time the shareholder or, as the case may be, the proxy registers as an attendee on the day of the Meeting until the Chairman or, as the case may be, the Secretary of the Meeting announces that voting on the proposed resolutions relating to the items included in the Agenda has commenced.

Regarding the proposed resolutions on those matters which, by legal mandate, need not appear on the Agenda, those attending by electronic means may cast their votes from the moment at which said proposals are read out for voting and until the Chairman or, as the case may be, the Secretary of the Meeting, announces that the voting period for said proposed resolutions has commenced.

Voting on the proposed resolutions shall be carried out through the web page and in accordance with the corresponding voting form. The shareholder must indicate the direction of his vote for each of the items included in the Agenda. If, in relation to any of the items on the Agenda, the shareholder does not indicate the vote decision, it shall be understood that they are voting in favour of the

proposals made by the Board of Directors.

In any case, the remote voting process for all proposals submitted to the Meeting shall end when the Secretary of the Meeting reads the summaries of the proposed resolutions and the voting on the proposals begins.

In matters not expressly regulated in this notice, the same rules on voting and the adoption of resolutions set forth in the Regulations of the General Shareholders' Meeting for face-to-face meetings shall apply to shareholders attending the Meeting by electronic means, adapted, where appropriate, to the special features that may arise from the electronic nature of this Meeting.

5. Other matters: the Company may adapt, with the due guarantees, the means to allow electronic attendance at the General Shareholders' Meeting in the case of shareholders not residing in Spain, qualified investors and other similar cases.

Electronic attendance at the General Shareholders' Meeting renders proxy or voting by remote means of communication prior to the General Shareholders' Meeting null and void.

In the event of concurrence of co-owners of a securities depository, the co-owner who registers first shall be considered the attendee and, therefore, any subsequent access by the remaining co-owners shall be denied. For the purposes of Article 126 of the Corporate Enterprises Act, it is presumed that the co-owner who is registered first is designated by the rest of the co-owners to exercise the shareholder rights.

It is the sole responsibility of the shareholder (or his representative) to keep the means of identification necessary to access and use the electronic attendance service. In the case of a legal entity, the latter must notify any modification or revocation of the powers held by its representative, and, therefore, the Company declines any liability until such notification is made.

The Company reserves the right to modify, suspend, cancel or restrict the mechanisms for electronic representation or voting and/or electronic attendance at the Meeting when technical or security reasons so require or impose, both for the granting of proxies and the casting of votes through remote means of communication and for remote attendance at the Meeting.

The Company shall not be liable for any damages that may be caused to the shareholder as a result of breakdowns, overloads, line failures, connection failures or any other eventualities of the same or similar nature beyond the Company's control that prevent the use of the mechanisms for electronic representation or voting and/or remote attendance at the Meeting. Therefore, such circumstances shall not constitute an illegitimate deprivation of the shareholder's rights, without prejudice to the adoption of such measures as each situation may require, including the possible temporary suspension or extension of the Meeting if necessary to ensure the full exercise of their rights by the shareholders or their representatives.

PROXY, DELEGATION AND VOTING RIGHTS THROUGH REMOTE MEANS OF COMMUNICATION

I. Proxy and delegation through remote means

In accordance with the provisions of Articles 30 of the Company's Bylaws and 12 of the Regulations of the General Meeting, any shareholder entitled to attend may be represented at the General Meeting by another person, even if not a shareholder of the Company, pursuant to the requirements and formalities required by law, the Corporate Bylaws and other applicable internal regulations of the Company.

The proxy must be completed and signed by the shareholder, subscribing the corresponding attendance, proxy and voting card issued by the entity participating in IBERCLEAR and, if applicable, the document extracted from the corporate website.

The proxy must exercise the representation either by attending the meeting in person and giving the attendance, proxy and remote voting card issued by the IBERCLEAR institution to the shareholder registration desk in the place and on the date scheduled for the Shareholders' Meeting two hours before the time scheduled for the meeting; or by attending the General Shareholders' Meeting by remote electronic means in accordance with the provisions of the **"Remote or electronic attendance at the General Shareholders' Meeting"** section.

Proxies are always revocable. Attendance at the Meeting by the represented shareholder, whether in person, electronically or by remote voting, entails the revocation of any proxy, regardless of the date of the proxy. In the event that a shareholder makes several proxies or casts several votes, the last proxy or the last vote cast that has been received by the Company within the established term shall prevail.

The proxy must be conferred specifically for each General Meeting, in writing and may be conferred by means of remote communication.

In the event that instructions have been issued by the represented shareholder, the proxy shall vote in accordance with such instructions and shall be obliged to keep such instructions for one year from the date of the Meeting.

The proxy can represent more than one shareholder, and there is no limit to the number of represented shareholders. Where a single proxy holder holds proxies from several shareholders, he may cast votes for one shareholder differently from votes cast for another shareholder.

In any case, the number of shares represented by proxies will be taken into account when calculating the meeting quorum.

The documents containing the proxies for the General Meeting shall include at least the following:

- (a) The date and agenda of the Shareholders' Meeting.
- (b) The identity of the principal and of the proxy. If not specified, it shall be understood that the proxy has been granted, indistinctly, in favour of the Chairman of the Board of Directors (or, in their absence, the Chairman of the General Shareholders' Meeting) or the Secretary of the Board of Directors, without prejudice to what is indicated below in the event of a conflict of interest.
- (c) The number of shares owned by the shareholder granting the representation.
- (d) The voting instructions from the shareholder granting the representation for each item on the Agenda, where applicable.

The Chairman of the General Shareholders' Meeting or the persons appointed through him shall be empowered to determine the validity of the proxies granted and compliance with the requirements for attendance at the General Shareholders' Meeting.

The provisions of the preceding paragraphs will not be applicable if the proxy is the spouse, ancestor or descendant of the principal and provides proof thereof or when the representative holds general powers of attorney conferred in a public deed with powers to administer all the assets that the principal holds in Spain and provides proof thereof.

When the representation is granted through remote media, it will only be valid when it is made:

1. By postal correspondence

The attendance, proxy and voting card issued by the entity participating in IBERCLEAR, duly signed and completed by the shareholder, shall be sent to the Company's domicile (Laboratorios Farmacéuticos Rovi, S.A., General Meeting, c/ Julián Camarillo, 35, 28037, Madrid). The proxy granted and the identity of the principal shall be stated.

In the event that the attendance card issued by the entity participating in IBERCLEAR does not include the section relating to the proxy or is incomplete, the shareholder may use the attendance card made available to the shareholders by the Company on its website (www.rovi.es). Said attendance card, duly signed, must be sent to the Company by post to the address indicated in the previous paragraph, together with the corresponding attendance card issued by the entity participating in IBERCLEAR, duly signed.

2. By electronic communication

Proxies granted by electronic communication shall be admitted as from 10:00 a.m. on 6 May 2026 through the Company's website (www.rovi.es), by accessing the space dedicated for this purpose and following the procedure established therein.

To do so it will be necessary to have a qualified electronic signature, under the terms of Law 6/2020, provided that it is based on a recognised electronic certificate in relation to which there is no record of its revocation and that (i) it is an Electronic User Certificate issued by the Spanish Public Certification Authority (CERES) under the Spanish Mint or (ii) it is incorporated into the National Identity Document issued in accordance with Royal Decree 255/2025.

II. Voting rights and the exercise of remote voting rights

Shareholders with the right to attend and vote may cast their vote on the proposals relating to items included in the Agenda prior to the Meeting, by post or electronic communication, in accordance with the terms set forth in the Law, in Articles 32 and 34 of the Bylaws and in Articles 10 and 24 of the Regulations of the General Shareholders' Meeting.

1. Voting by postal correspondence

In order to vote by post, the shareholder must complete and sign the attendance card issued to him/her by the entity participating in IBERCLEAR, in which he/she will state his/her vote -in favour, against, abstention or blank-, marking with a cross in the corresponding box of the table that will appear in the attendance card issued by the entity participating in IBERCLEAR.

Once completed and signed, the shareholder must send it by post to the Company's address (Laboratorios Farmacéuticos Rovi, S.A., Junta General, c/ Julián Camarillo, 35, 28037, Madrid).

In the event that the attendance card issued by the entity participating in IBERCLEAR does not include the section relating to remote voting or is incomplete, the shareholder may use the attendance card made available to the shareholders by the Company on its website (www.rovi.es). Said attendance card, duly signed, must be sent to the Company by post to the address indicated in the previous paragraph, together with the corresponding attendance card issued by the entity participating in IBERCLEAR, duly signed.

2. Electronic voting

A shareholder may also cast their vote by means of electronic communication authorised with his legally recognized electronic signature under the same terms provided for in section I.2 above to grant proxy and in section III below. The vote shall be cast by means of a communication to the Company through its website (www.rovi.es) by accessing the space provided for this purpose and following the procedure established therein. The Company will send the shareholder casting their vote an electronic confirmation of the receipt of the vote.

III. Proxies, delegation and voting through remote means: common provisions

In order to be valid, a proxy granted and a vote cast by any means of remote communication (postal or electronic) must be received by the Company by 11:59 p.m. on the day immediately prior to the day scheduled for the General Shareholders' Meeting. Otherwise, the proxy shall be deemed not to have been granted and the vote shall be deemed not to have been cast. After the aforementioned deadline, only votes cast in person or by electronic means at the General Shareholders' Meeting by the shareholder

or by the person validly representing him/her shall be admissible.

In the event of in-person attendance, on the day and at the place where the Meeting is to be held, the appointed proxies, whether by postal correspondence or electronic communication, must identify themselves. They may do so from two hours prior to the scheduled time of the Meeting by means of their National Identity Card or any other valid official document generally accepted for these purposes in order that the Company may verify the representation conferred, along with a copy of the attendance card issued by the entity participating in IBERCLEAR sent to the Company (by post) or of the electronic document that the shareholder has filled in on the Company's website to confer the proxy.

In the event of attendance by electronic means, the proxy-holder who has pre-registered in accordance with paragraph 1 of the section of this Notice **"Remote Attendance or Attendance by Electronic Means at the General Meeting"** must register in the space dedicated to the 2026 General Shareholders' Meeting ("Electronic Attendance") on the Company's corporate website between 9 a.m. and 11 a.m. on the day the Meeting is held and identify him/herself by means of a recognised electronic signature in accordance with the provisions of paragraph 2 of the said section. At the time of pre-registration, the designated proxies, whether by post or electronic communication, must identify themselves by sending the duly completed attendance, proxy and remote voting card and a copy of the representative's ID card, NIE or passport, so that their identity can be verified on the day of the Meeting. Otherwise, the proxies shall be deemed not to have been made. For explanatory purposes, any proxies attending by electronic means must notify the Company of the proxies granted before the period of 24 hours preceding the holding of the General Meeting, that is, before 16 June at 11 a.m., by electronic means (by email to the address departamentolegal@rovi.es) or by post (c/ Julián Camarillo, 35, 28037, Madrid), indicating that they accept said proxies and identifying themselves by sending the attendance, proxy and remote voting card duly completed, and a copy of the proxy's DNI, NIE or passport so that their identity can be proved on the day the Meeting is held.

When the shareholder exercises their voting rights or grants his proxy using remote means of communication, their shares must be recorded in their name in the corresponding book-entry register at least five days prior to the date on which the General Meeting is scheduled to be held.

Likewise, the validity of the proxy granted and of the vote cast by remote communication is subject to the verification -with the file provided by IBERCLEAR- of the shareholder's status as a shareholder. In the event of a discrepancy between the number of shares communicated by the shareholder granting the proxy or casting his vote by remote communication and the number recorded in the book-entry records communicated by IBERCLEAR, the number of shares provided by the latter entity shall be deemed valid for quorum and voting purposes, unless there is evidence to the contrary.

The proxy granted and the vote cast by postal or electronic correspondence may be expressly revoked by the shareholder using the same means used to grant the proxy or cast the vote within the established term or by the shareholder attending the General Shareholders' Meeting in person or by electronic means.

Prior to appointment, the proxy must inform the shareholder in detail if there is a conflict of interest situation. If the conflict is subsequent to the appointment and the represented shareholder has not been advised of its possible existence, they must be informed immediately. In either case, if no new precise voting instructions have been received for each of the matters on which the proxy must vote on behalf of the shareholder, the proxy must abstain from voting.

For the purposes of articles 523 and 526 of the Spanish Companies Act, it is hereby stated that the Chair of the General Shareholders' Meeting, as well as any other member of the Board of Directors, may be in a situation of conflict of interest in relation to items 4 (review and approval, where appropriate, of the management and actions of the Board of Directors during the financial year ended 31 December 2025), 5 (re-election, where appropriate, of Ms Marina del Corral Téllez as a proprietary external director for the

statutory term), 6 (review and approval, where appropriate, of the maximum annual remuneration of the members of the Board of Directors in their capacity as such for the 2026 financial year), and 9 (submission for advisory vote of the annual report on directors' remuneration) of the Agenda; and (ii) in the cases set forth in sections a), b), c) and d) of Article 526.1 of the Corporate Enterprises Act (appointment, re-election or ratification of directors, removal, separation or dismissal of directors, exercise of corporate action for liability and approval or ratification of transactions of the company with director in question) that may be presented outside the Agenda in accordance with the Law. In relation to all of them, if the represented party has not given precise voting instructions, the proxy, unless expressly stated otherwise, shall be deemed to be conferred, jointly and severally and successively, on the Chairman of the General Shareholders' Meeting, the Chairwoman of the Appointments and Remuneration Committee, the Chairwoman of the Audit Committee and, if they are in turn in a situation of conflict of interest, the Secretary of the General Shareholders' Meeting.

In the event that a shareholder grants a proxy by means of postal correspondence or electronic communication to the Company, the directors or the Secretary of the Board, such proxy shall be deemed to be accepted upon receipt by the Company of such validly executed proxy within the term established in the first paragraph of this section and if the proxy does not include instructions for the vote or if any doubts arise as to the addressee or scope of the proxy, it shall be understood that (i) the proxy is made, without distinction, in favour of the Chairman of the Board of Directors (or, in the absence of the latter, the Chairman of the General Shareholders' Meeting) or the Secretary of the Board of Directors; (ii) it refers to all the proposals made by the Board of Directors; (iii) it calls for a vote in favour thereof; and (iv) it also extends to the items that may arise outside the Agenda, in respect of which the proxy shall exercise the vote in the sense that he/she understands to be most favourable to the interests of the shareholder represented, within the framework of the corporate interest.

Likewise, any shareholder who casts their vote by post or electronic communication and does not make a mark in any or none of the boxes intended to indicate his vote with respect to the items on the Agenda shall be deemed to vote in favour of the respective proposals made by the Board of Directors.

The following rules of priority are established between proxy, remote voting and presence at the Meeting:

- (a) Attendance at the Meeting, either in person or electronically, of the shareholder himself who had previously granted a proxy or cast a vote remotely, regardless of the means used to cast it, shall render such proxy or vote null and void. In-person attendance will render electronic attendance null and void.
- (b) In the event that a shareholder makes several proxies or casts several votes, the last proxy or the last vote cast that has been received by the Company within the established term shall prevail.
- (c) As a particular rule, a vote cast by any means of remote communication shall render ineffective any granting of a proxy electronically or by means of a printed paper card, whether previously, which shall be deemed revoked, or subsequently, which shall be deemed not to have been cast.
- (d) Both the proxy and the vote cast remotely shall be rendered ineffective by the disposal of the shares conferring the right of attendance of which the Company is aware.

The Company will make available to the shareholders on its website (www.rovi.es) the forms to be used for proxy and voting by postal correspondence or remote electronic communication under the terms set forth in this notice.

Any of the co-owners of a share deposit may vote, delegate or attend, and the *priority rules* set forth above shall apply. For the purposes of Article 126 of the Corporate Enterprises Act, it is presumed that the co-owner who at any time takes an action (attendance, proxy appointment or vote) is designated by the rest of the co-owners to exercise the rights of shareholder.

In the event the shareholder is a legal entity, the latter must notify the Company of any modification or revocation of the powers held by its representative, and, therefore, the Company declines any liability until such notification is made.

The shareholder shall bear sole responsibility for custody of their electronic signature.

The Company reserves the right to modify, suspend, cancel or restrict the remote voting and proxy mechanisms when technical or security reasons so require or impose.

ROVI will not be liable for any damages to any shareholder as a result of breakdowns, overloads, line failures, connection faults, postal service malfunctioning or any other eventuality of the same or similar nature beyond the control of the Company that prevents the use of remote voting and proxy appointment mechanisms.
