TO THE SPANISH SECURITIES COMMISSION

Fluidra, S.A. ("**Fluidra**" or the "**Company**"), pursuant to the provisions of section 226 of Spanish Securities Markets and Investment Services Act, approved by Law 6/2023, of 17 March, hereby issues the following:

INSIDE INFORMATION

The Board of Directors of the Company resolved to establish a temporary program for the repurchase of the Company's own shares under and within the limits of the authorization granted by the General Shareholders' Meeting of 6 May 2026 (the "**Buy-back Program**").

The Buy-back Program will be conducted in accordance with Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse and Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing the market abuse regulation with regard to regulatory technical standards for the conditions applicable to buy-back programs and stabilization measures.

The Buy-back Program shall be conducted on the terms set forth below:

1. Purpose

Enhancing our return to shareholder remuneration, we are launching today a €40 million share buy-back. We see this as an attractive use of capital at current levels reflecting our confidence in the value of our business.

The Buy-back Program is executed for the purpose of reducing Fluidra's share capital through the redemption of its own shares. The capital reduction is expected to contribute to the remuneration of Fluidra's shareholders by increasing the earnings per share.

2. Maximum number of shares and maximum monetary amount

The maximum number of shares to be acquired under the Buy-back Program is set at 2.1 million shares of Fluidra, representing approximately 1.09% of the Company's share capital on the date of adoption of the resolution. In turn, the maximum monetary amount allocated to the Buy-back Program is 40 million euros. For the purpose of calculating this amount, only the acquisition price of the shares shall be taken into account, thus excluding any expenses, commissions or brokerage fees that, if applicable, may be charged on the acquisition transactions.

3. Price and volume conditions

The shares will be acquired at market price in accordance with the price and volume conditions set out in article 3 of Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 and the authorization granted by the General Shareholders' Meeting of 6 May 2026. In particular, as it regards to price, Fluidra shall not purchase shares at a price outside the ranges established by the General Shareholders' Meeting of 6 May 2026, nor higher than the highest of the following: (i) the price of the last independent trade; or (ii) the highest independent purchase bid on the trading venue where the purchase is carried out.

With respect to trading volume, Fluidra will not purchase more than 25% of the average daily volume of the Company's shares on the trading venue on which the purchase is carried out. The average daily volume of the Company's shares for the purposes of the above calculation shall be based on the average daily volume traded in the 20 business days preceding the date of each purchase.

4. Period of duration

The Buy-back Program shall commence on 3 August 2026 and shall remain in force for the term of 6 months, i.e. until 2 February 2027.

Notwithstanding the foregoing, no shares will be acquired under the Buy-back Program on the dates scheduled for the acquisition of shares under the temporary share buy-back program agreed by the Company and published via the Other Relevant Information notice dated 12 July 2023 with registration number 23,562 and extended by the notice of Other Relevant Information dated 30 October 2024 with registration number 31,129, and which is intended to implement the comprehensive employee share purchase incentive scheme for Fluidra employees (the "**July 2023 Share Buy-back Program**"). In other words, under this Buy-back Program, no shares will be acquired on the 15th of each month, provided that this is a stock market trading day, or, failing that, on the stock market trading day immediately following that date (the "**Restricted Acquisition Dates**"). On Restricted Acquisition Dates, shares will only be purchased under the July 2023 Share Buy-back Program.

Fluidra reserves the right to terminate the Buy-back Program if, prior to its expiration date (i.e. 2 February 2027), the maximum number of shares of the Buy-back Program have been acquired under it, or shares acquired for an acquisition price make reach the maximum monetary amount, or if any other circumstance so advises or requires.

The interruption, termination or modification of the Buy-back Program, as well as the share purchase transactions carried out thereunder, shall be duly communicated to the National Securities Market Commission by means of the corresponding communication to the market, with the periodicity provided for in Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016.

5. Management of the Buy-back Program

The management of the Buy-back Program has been entrusted to Banco de Sabadell, S.A., who shall carry out the share acquisitions on behalf of Fluidra and shall make all purchase decisions independently and without being influenced by the Company.

During the term of the Buy-back Program, the transactions regulated in the liquidity contract signed between Fluidra and Banco de Sabadell, S.A. on 30 March 2020 shall be suspended, in accordance with the provisions of Circular 1/2017, of 26 April, of the National Securities Market Commission, by virtue of that provided for under its Fifth Rule, section c).
