(Inditex, S.A.) hereby discloses the following:

INSIDE INFORMATION

Inditex announces that, under the current circumstances, it cannot guarantee the continuity of operations and trading conditions in the Russian Federation and that the Group is pausing temporarily its operations in the 502 stores (of which 86 are Zara) and online in the country. Russia accounts for around 8.5% of total Group EBIT. The total investment in the Russian Federation, given that all locations are leased, is not financially significant to the Group.

Inditex continues to prioritize its workforce of more than 9,000 people, with whom it is going to develop a special support plan from now on.

The foregoing is announced for all relevant purposes.
