

## TO THE SPANISH SECURITIES MARKET COMMISSION

In accordance with article 227 of Law 6/2023, of March 17, of the Securities Markets and Investment Services Law, Manzana Spain Bidco, S.L.U. (the “**Offeror**”), reports the following,

### OTHER RELEVANT INFORMATION

In relation to the application for authorization of the voluntary takeover bid (the “**Offer**”), launched by the Offeror over all the shares of Applus Services, S.A. (“**Applus**”) filed on June 29 2023 and published as inside information (*información privilegiada*) on June 30, 2023 (registration number 1904), which was authorized by the CNMV on 17 January 2024, and following the communication of inside information published by the Offeror on Wednesday, January 24, 2024 (registration number 2079) (“**IF**”), the Offeror confirms that it has filed on 26 January 2024 with the CNMV the request for authorization of the amendments of the Offer related to the increase of the consideration to EUR 10.65 per Applus share, and the Offer becoming unconditional, as a consequence of the acquisitions of shares referred to in the above IF. The Offeror will submit the supplement to the Offer guarantee as soon as possible within the period enabled for that purpose.

The amended prospectus, which contains the terms of the amendment to the Offer, as well as the accompanying documents, will be available to interested parties from at least the day following the publication of the first of the announcements of the amendment that the Offeror will publish on the business day following its approval by the CNMV, in digital format on the website of the CNMV ([www.cnmv.es](http://www.cnmv.es)), on the website of Applus ([www.applus.com](http://www.applus.com)) and on the website that the Offeror has set up for this purpose (<https://www.apollo.com/site-services/applus>), and in printed format in the places provided in the Offer prospectus.

Additionally, the Offeror informs that due to recent changes in applicable regulations, which were communicated on 26 January 2024 by the Chinese antitrust authorities (“**SAMR**”) to the Offeror, the clearance of SAMR is no longer required regarding the Offer of the Offeror and, accordingly, the Offeror has informed on 29 January 2024 to the counterparties under the Sale and Purchase Agreements (the “**SPAs**”) entered into by the Offeror with holders of shares in Applus and with holders of derivatives over shares in Applus, as referred to in the IF and disclosed by OIR dated 24 January 2024 (registration number 26287), that the condition corresponding to the SAMR approval under those SPAs is therefore no longer applicable and therefore waived by the Offeror as Purchaser under those agreements.

The settlement of the purchases under all the SPAs with holders of shares in Applus and of the purchases under all (but one, representing a stake below 1% of the share capital) of the SPAs with holders of derivatives over shares in Applus, where the satisfaction of the conversion condition has been already verified, will occur on Friday, 2 February 2024, with the settlement of the last remaining SPA with holders of derivatives over shares in Applus expected to also occur on Friday, 2 February 2024, or very soon thereafter.
