

MELIÁ HOTELS INTERNATIONAL, S.A. (the “**Company**”), in compliance with Law 6/2023, of 17 March, on Securities Markets and Investment Services, in relation to article 17 of (EU) Regulation no.596/2014 of the European Parliament and of the Council of 16 April 2014, hereby informs the National Securities Market Commission (CNMV) of the following:

PRIVILEGED INFORMATION

Further to the announcement published on 3 June 2026 (as Other Relevant Information, registration number 41207), the Company hereby informs that its Portuguese subsidiary, “Ilha Bela Gestao e Turismo, Ltd” (“**Ilha Bela**”), has decided to cease, with effect from 24 July 2026, the provision of its hotel management and marketing services in relation to all of its establishments in the Republic of Cuba. This decision also extends to the use of licensed brands, incoming tourism services and the local supply chain associated with the supply of the aforementioned establishments, the operations of which will likewise be discontinued.

Furthermore, in accordance with the prudence principle, the Company is currently assessing the financial impact arising from this decision, including the potential review of the carrying amount associated with its operations in Cuba. The specific details of such impact will be disclosed upon publication of the financial statements corresponding to the first half of the 2026 financial year.

This decision is a consequence of the significant operational, legal, economic and financial difficulties that have persistently affected, and continue to affect, the environment in that country, effectively and legally preventing a minimum level of operational stability in its activities.

In any case, Ilha Bela will continue implementing the necessary processes to ensure an orderly transition, taking the required measures to minimise the impact of the cessation of its services, as well as implementing protocols to ensure transparent communication with employees, suppliers and customers.

The Company, on its own behalf and on behalf of its subsidiary Ilha Bela, once again wishes to thank all its stakeholders for their understanding and continued trust.
