OTHER RELEVANT INFORMATION

As a continuation of the "Other Relevant Information" communications published by the Company on 10, 21 and 27 January 2022, Fluidra hereby informs that it has entered into a Refinancing Amendment No. 2 to its Amended and Restated Credit and Guaranty Agreement dated 27 January 2022, as previously amended on 29 March 2022.

The purpose of such amendment is to refinance and extend the maturity of the existing revolving credit facility (RCF) by fully replacing the current revolving commitments with new revolving commitments in an equivalent aggregate amount of €450 million.

As a result of this transaction, the maturity of the revolving credit facility is extended from January 2027 to January 2029, also incorporating customary springing maturity provisions which, under certain circumstances, could bring forward such maturity to July 2028.

The remaining terms of the credit agreement remain substantially unchanged.
