

MIBEL BOARD OF REGULATORS CONSULTATION PAPER ON POTENTIAL MEASURES TO IMPROVE THE LIQUIDITY OF MIBEL FORWARD MARKETS

3 December 2020

The Board of Regulators of the Iberian Electricity Market - CR MIBEL - (comprised by the energy and financial regulators of Spain and Portugal) has submitted for public consultation the adoption of potential measures to improve the liquidity of MIBEL forward markets.

This consultation paper is mainly addressed to electricity wholesale market participants, and can be accessed at the following [link](#).
