

## COMMUNICATION OF OTHER RELEVANT INFORMATION

28 September 2023

Pursuant to the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information regarding ATRYS HEALTH, S.A. (hereinafter, "ATRYS") is made available to the market:

## Atrys achieves an ESG Score by Clarity AI of 64 out of 100:

- With this Score Atrys is positioned in the 89th percentile out of a universe of 100 companies in the Healthcare Services Sector analyzed by Clarity Al.
- Atrys is positioned above average and close to leadership ("Above average").
- The company achieves **ESG Top 4 position in Europe**.
- In the Environment area, Atrys is ranked Top 1 European and Top 2 Global in comparison to its peers thanks to its initiatives in this area.

Atrys has achieved a new important milestone in relation to its commitment to sustainability and ESG criteria by obtaining a score of 64 from Clarity AI, a technology company specializing in sustainability analysis and rating.

Atrys ranks in the 89th percentile, placing it in the high above-average range and close to leadership.

Atrys' drive in all social and environmental aspects, and its good governance initiatives, among others, are the reasons why Atrys occupies such a relevant position.

Atrys has sustainability as one of its founding values and carries out different and particular initiatives in terms of ESG that generate positive impact.

Clarity Al's methodology, based on international standards such as SASB, recognizes Atrys' progress in ESG initiatives, especially in the environmental aspect, with a score of 78 out of 100, placing it in front of its peers as European Top1 and Global Top2 in this respect.
